CONTENTS

This issue of the Bulletin contains in the order given—

Petition for Certiorari Order served on the Board of
Standards and Appeals.

Rules Directory.

Notice of Hearing Calendar.

Correction Affecting Calendar Numbers 414-41-BZ—Vol.
III and 745-54-A.

PETITION AND CERTIORARI ORDER SERVED ON THE BOARD OF STANDARDS AND APPEALS.

On December 23, 1954, Copy of Order of Certiorari was served on the Board by Benjamin Silverman, attorney for petitioners, John and Jean Barry, objecting property owners, seeking a review of the Board's determination on November 9, 1954, granting a variance under Section 7, subdivisions c and i, of the Zoning Resolution, to permit in a business use district the reconstruction and extension in use and area of an existing gasoline service station, to include gasoline and oil selling station, lubricatorium, car wash, motor vehicle repairs, storage and sale of accessories, store and office, and to permit the parking and storage of more than 5 motor vehicles awaiting service; Cal. No. 790-53-BZ; Premises 6161-6199 Broadway, Borough of The Bronx.

PUBLIC HEARINGS

Tuesdays at 10 a.m. to 2 p.m.

Special meetings as published in this Bulletin.

All hearings are held in Room 1013, Municipal Building,
Borough of Manhattan.

NOTICE TO APPELLANTS AND APPLICANTS

No appeal or application will be entertained in connection with which court proceedings are pending or in progress, unless exception is granted by the chairman, nor accepted which is not filed within thirty days from the date of the action of the Administrative Official.

Any communication purporting to be an appeal or application shall be regarded as a mere notice of intention to seek relief until it is filed on the form required by the rules of this board.

Upon receipt of any such communication the writer will be supplied with the official forms for presenting his appeal or application.

At the time of filing an appeal or application, the appellant or applicant shall forward a signed notice of appeal addressed to the administrative official either borough superintendent of buildings or fire commissioner and file with this board a duplicate of said notice.

Appellant and applicants are advised that their plans must indicate the points of the compass so as to establish the true location and position of the property, the subject of the appeal or application.

Appeals and applications will be simplified and disposition of same expedited by conforming to these directions.

HARRIS H. MURDOCK, *Chairman*

HARRIS H. MURDOCK, *Chairman*.

*CORRECTION

The minutes of the meeting of the Board of Standards and Appeals held on July 20, 1954, as they appeared in Bulletin No. 30, Vol. 39, are hereby corrected to read as follows:

414-41-BZ—Vol. III

APPLICANT—Leonard F. Rothkrug, for Mildred Slotkow, owner.

SUBJECT—Application February 26, 1954 (decision of the borough superintendent), under section 7h of the zoning resolution, to permit in a residence and local retail use district, the extension in area of existing parking and storage of motor vehicles (previously granted by the Board for lot 16 and extended from time to time).

PREMISES AFFECTED—2914-2926 West 17th street, west side, 100 ft. south of Mermaid avenue and 2913-2915 West 19th street, east side, 100 ft. south of Mermaid avenue, Block 7061, Lots 14 and 16, Borough of Brooklyn.

APPEARANCES—

For Applicant: Leonard F. Rothkrug and Mildred Slotkow.

For Opposition: None.

For Administration: Samuel L. Becker, Dep't of Housing and Buildings.

ACTION OF BOARD—Resolution amended.

THE VOTE—

Affirmative: Chairman Murdock, Commissioners Kleinfert and Keating and Deputy Chief Connors 4

Negative 0

THE RESOLUTION—

WHEREAS, this application was reopened as Vol. III on March 16, 1954 subject to regular procedure, to consider extension of area and extension of use; and

WHEREAS, a public hearing was held on this application on July 20, 1954 after due notice by publication in the Bulletin; and

CORRECTION

WHEREAS, the district maps accompanying the zoning resolution show that the site is in residence and local retail use, C area, class 1 height districts; West 17th street is in local retail and business—1 use, C area, class 1 height districts; West 19th street is in residence, local retail and business—1 use, C area, class 1 height districts; Mermaid avenue is in local retail and retail use, C area, class 1 height districts; and

WHEREAS, the decision of the borough superintendent, dated February 23, 1954 acting on Alt. Applic. 596-54, reads:

"1. Proposed increase in area of lot used for parking & storage of motor vehicles located partly in a residence use district & partly in a local retail district violate Art. II sec. 3 & sec. 4-c of Building Zone Res."

and

WHEREAS, the applicant states that the premises consist of a plot, 120 and 40 ft. frontage by 237 ft. 7 in. in depth, irregular, presently vacant, with parking lot on lot No. 16; that it is proposed to use lot No. 14 in conjunction with lot No. 16 for the parking and storage of motor vehicles; and

WHEREAS, the applicant contends that the premises consist of a plot 120 ft. front on West 17th street, 40 ft. front on West 19th street, running through the block, 137 ft. 7 in. (for 40 ft.) and being 128 ft. 7 $\frac{1}{8}$ in. in depth, irregular, presently vacant, and used, in part, as a parking lot, in accordance with certificate of occupancy No. 126611 issued June 28, 1950 under Alt. 764-50 affecting block 7061 and part of lot 16, and certificate of occupancy No. 12660 issued June 28, 1950 under Alt. 3902-49 affecting block 7061 and part of lot 14; that the Board, considering part of the premises (lot 16) under Cal. 414-41-BZ, permitted the use as a parking lot; that at the time of the resolution, the use district maps showed that West 17th street was in a business use district; West 19th street was in a residence and business use district; Mermaid avenue was in a business use district and Surf avenue was in a business use district; that the premises then under consideration was entirely in a business use district except for the rear part of the plot which extended into a residence use district for a distance of approximately 10 ft.; that certificate of occupancy No. 123346, which has since been superseded, was issued in accordance with the resolution of the Board under Cal. 414-41-BZ; that at the time of the resolution, lot 14 was owned and subject to the B.M.T. right-of-way; that subsequent to that resolution, the then owner obtained title to the B.M.T. right-of-way and obtained certificates of occupancy for only the portion of the premises then in a business use; that it is now proposed to occupy the entire premises for the parking and storage of more than five motor vehicles; that lot No. 16 has always been vacant and used originally for the parking of horse drawn vehicles, and later, for the parking of automobiles; that until about 1924 the Department of Sanitation used the premises for the parking of their trucks and in 1934 "Letter Permit #182" was issued for the parking of cars, in which manner it has been used to date; that West 17th street, which is a two-way street, is a main traffic artery from the Belt parkway and during the summer season traffic congestion is very great and the need for the many thousands of visitors to Coney Island is imperative; that it is proposed to use the portion of the premises fronting on West 19th street principally for the exiting of automobiles from the parking lot and thereby providing additional parking facilities and preventing the snarling of traffic along West 17th street, the main artery, resulting from the exiting of cars from the part of the premises now permitted to be used under the certificates of occupancy; that the parking lot business in this area is seasonal and there will be a minimum of overnight parking; that West 19th street is a one way street, on to which there is presently exiting from a parking lot fronting on Surf avenue, and exiting cars from the subject premises will not cause additional congestion; that the proposed use will be beneficial to the Coney Island area in providing much needed additional parking facilities and in reducing traffic congestion on West 17th street; and

WHEREAS, the applicant states that the owner has held and

title to lot 16 since October 23, 1952 and to lot 14 since May 19, 1952; that the assessed valuation of land is \$26,500; and

WHEREAS, the term of variance as granted under Vol. II, expired on February 8, 1951.

Resolved, that the Board of Standards and Appeals does hereby *amend* the resolution adopted on November 12, 1941, as thereafter amended by resolutions adopted through February 8, 1949, by adding thereto:

"that in the event the new owner desires to continue the parking use on lot 16 and to add lot 14 for the same purpose, such use may be permitted, *on condition* that the premises shall be leveled substantially to the grade of West 17th street and paved with clean gravel or steam cinders, treated with a binder and rolled; that there shall be erected on the interior lot and street building lines woven wire fences of the chain link type, not less than 5 ft. 6 in. in height and with no openings therein except one to West 19th street and two to West 17th street, as shown, with curb cuts opposite, all as indicated on plans filed herewith marked 'Received February 26, 1954' (3 sheets); that during the term of this variance the premises shall be occupied for no other use and no building shall be erected thereon; that such portable fire-fighting appliances shall be maintained as the Fire Commissioner shall direct; that signs shall be restricted to a sign attached to the fence at each end at the entrance, advertising the parking and storage use, the rates charged and such other information as may be required by the Commissioner of Licenses; that such signs shall not exceed 15 sq. ft. each, shall not be illuminated and shall not extend beyond the building lines; and that all permits required shall be obtained and all work completed within six (6) months from the date of this *amended* resolution, and a new certificate of occupancy shall be obtained; *that the term of this variance under Section 7h is for two (2) years from the date of this amended resolution.*"

* Correction—The term of the variance inserted at the end of the resolution, as indicated in italics.

*CORRECTION

The minutes of the meeting of the Board of Standards and Appeals held on November 30, 1954, as they appeared in Bulletin No. 49, Vol. 39, are hereby corrected to read as follows:

745-54-A

APPLICANT—Halperin, Nathanson, Shivitz and Scholer, for Broadway and 48th Inc., owner (Hector's Tavern, Inc., lessee).

SUBJECT—Application September 21, 1954—Appeal from a decision of the Department of Health.

PREMISES AFFECTED—1506-1512 Broadway and 160 West 44th street, southeast corner of West 44th street, Block 996, Lot 61, Borough of Manhattan.

APPEARANCES—

For Applicant: David I. Shivitz.

ACTION OF BOARD—Appeal granted on condition.

THE VOTE—

Affirmative: Chairman Murdock, Commissioners Kleiner and Keating 3
Negative 0
Absent: Deputy Chief Connors 1

THE RESOLUTION—

WHEREAS, the decision of the Commissioner of Health dated August 19, 1954, reads:

"Your application filed on the 2 day of June 1954 for a Permit to Operate a Bakery (Sanitary Certificate) at above premises was DENIED. Date Denied August 12, 1954, No. 66886."

PAID

Permit No. 4875
New York, N. Y.

Periodical Division
University of Illinois Library
Urbana, Ill.

CORRECTION

WHEREAS, said decision of the Commissioner of Health was repeated in a decision of the Board of Review of the Department of Health, dated September 8, 1954, reading as follows:

"This letter is being written you in conformity with your oral request. With respect to the denial notice No. 66886, dated August 19, 1954, wherein you were notified that the Commissioner of Health denied your application for a sanitary certificate for a bakery at 1506 Broadway, and denial notice No. 66887, dated August 19, 1954, wherein you were notified that the Commissioner of Health denied your application for a wholesale food establishment permit at 1506 Broadway, please be advised that both denials were based upon noncompliance with Article 12, Section 338 of the Labor Law of the State of New York."

and

WHEREAS, the applicant states the building is 16 stories and penthouse, 160 ft. in height, 102 ft. 3 in. by 116 ft. and 130 ft. 11 in. in area, of fireproof construction, erected in 1909 on a lot 102 ft. $\frac{3}{8}$ in. by 116 ft. and 130 ft. $11\frac{1}{8}$ in. in area, in a retail 1 use, B area, Class 2 height district; used and occupied since 1944: Sub-Subcellar, storage and boiler room, 2 persons; Subcellar—house carpenter shop and storage, 5 persons; Cellar—kitchen, bakery, offices, storage rooms and locker rooms, 15 persons; basement—stores, restaurant and storage, 422 persons; 1st floor—lobby, bar, stores, 30 persons; 2nd floor—billiard parlor, office space and locker room, 400 persons; 2nd and mezzanine—offices and lounge, 50 persons; 3rd floor—kitchen, dining room, ballroom, offices—260 persons; 4th to 15th floors—hotel rooms; 16th and penthouse stories—storage rooms, offices, broadcasting studio and repair shop, 30 persons, for which Certificate of Occupancy #39837 was issued May 19, 1952. The building is equipped with approved standpipe and a one-source sprinkler system in a portion of the premises in compliance with Section 67 of the Multiple Dwelling Law; the building is classified as a Heretofore Erected Existing Class B Hotel; and

WHEREAS, the applicant states this appeal is filed pursuant to the discretionary powers vested in the Board by Section 30 of Article II of the State Labor Law in view of the practical difficulties and unnecessary hardships that will occur if the strict letter of the law is enforced; and

WHEREAS, the applicant states the bakery is situated in the northwest corner of the cellar and has an area of approximately 1100 square feet, which represents less than 10% of entire cellar floor area; that the balance of the cellar is

used primarily for a kitchen serving Hector's restaurant which is immediately above on the street floor; and

WHEREAS, the applicant contends that the bakery equipment includes an exhaust system as required by the Administrative Building Code as well as a mechanical ventilation system with two independent sources of fresh air supply; that the bakery was in existence when the establishment was taken over by the present management in 1934 and at that time was used as an accessory to the restaurant and therefore was exempt from the provisions of Section 338 of the Labor Law; that in 1936 the management acquired another cafeteria at 1627 Broadway which then had its own bakery and in 1937 it was concluded it would be more economical and practical to supply the cafeteria at 1627 Broadway with goods baked at subject premises, which has been done since 1937; that in 1939 an additional cafeteria at 1491 Broadway was acquired, for which baked goods are prepared at subject premises; that in 1948 an additional cafeteria at 210 West 42nd Street was acquired, for which baked goods are also prepared at subject premises; that therefore the premises in question prepares all the baked goods for all three cafeterias and in addition thereto occasional sales are made of baked goods for off-premises consumption; and

WHEREAS, the applicant contends that the layout of the bakery is such that it cannot be made to comply with the strict provisions of Section 338 of the Labor Law; that, however, the bakery is more than adequately ventilated, is provided with tiled floors and wainscot and maintained in accordance with the highest standards and that since the conditions are in no way dangerous to the health of the community, a great hardship would result if the application for a sanitary certificate was not approved; and it is therefore requested that the Board grant the necessary modifications to permit the owner the beneficial use of his premises without adversely affecting the safety and standards intended by the Labor Law.

Resolved, that the Board of Standards and Appeals does hereby make a variation in the requirements of the Labor Law, as cited in the decision of the Commissioner of Health, dated August 19, 1954, be and it hereby is modified to permit the continuance of a cellar bakery as proposed and indicated on plans filed with this appeal marked, "Received, September 21, 1954" (one sheet) on condition that in all other respects the premises shall comply with all laws, rules and regulations applicable thereto, and that the bakery shall be maintained to the satisfaction of the Commissioners of Health and Fire.

* Correction—Name of lessee changed from "Reetor's Tavern, Inc." to "Hector's Tavern, Inc."

STIPULATION OF DISCONTINUANCE AND AGREEMENT

Matter of Frank N. Giampietro, Amelia D. Giampietro and Anthony
Caltieri vs. Board of Standards and Appeals:—On March 23, 1954, the
Board granted a variance under Section 7, subdivision f, of the Zon-
ing Resolution, to permit for a term of fifteen years, the erection and
maintenance of a gasoline service station, car wash, lubritorium,
motor vehicle repairs and office and the parking and storage of
motor vehicles on unbuilt-upon portion of plot for the same term of
years; Cal. No. 704-53-BZ; Premises 145-55 New York Boulevard,
Jamaica, Borough of Queens.

Petitioners, objecting property owners, sought a review of the
Board's determination.

On December 20, 1954, in Supreme Court, Queens County, a stipu-
lation was signed by and an agreement made between attorneys for
petitioners, the petitioners individually and the Corporation Counsel
of the City of New York in behalf of respondents herein, that the
proceedings be discontinued without costs.

PUBLIC HEARINGS

Tuesdays at 10 a.m. to 2 p.m.

Special meetings as published in this Bulletin.

All hearings are held in Room 1013, Municipal Building,
Borough of Manhattan.

NOTICE TO APPELLANTS AND APPLICANTS

No appeal or application will be entertained in connection
with which court proceedings are pending or in progress,
unless exception is granted by the chairman, nor accepted
which is not filed within thirty days from the date of the
action of the Administrative Official.

Any communication purporting to be an appeal or appli-
cation shall be regarded as a mere notice of intention to seek
relief until it is filed on the form required by the rules of
this board.

Upon receipt of any such communication the writer will
be supplied with the official forms for presenting his appeal
or application.

At the time of filing an appeal or application, the appel-
lant or applicant shall forward a signed notice of appeal
addressed to the administrative official either borough super-
intendent of buildings or fire commissioner and file with
this board a duplicate of said notice.

Appellant and applicants are advised that their plans must
indicate the points of the compass so as to establish the true
location and position of the property, the subject of the
appeal or application.

Appeals and applications will be simplified and disposition
of same expedited by conforming to these directions.

HARRIS H. MURDOCK, Chairman

HARRIS H. MURDOCK, *Chairman*

MINUTES

BOARD OF STANDARDS AND APPEALS

REGULAR MEETING

TUESDAY MORNING, JANUARY 4, 1955, 10 A. M.

Present: Chairman Murdock, Commissioners Kleinert and Keating and Deputy Chief Connors.

The minutes of the regular meetings of the Board held on Tuesday morning and afternoon, December 14, 1954 and December 21, 1954, were approved as printed in the Bulletins of December 21, 1954 and December 28, 1954, Vol. 39, Nos. 51 and 52.

68-40-BZ—Vol. II

APPLICANT—Noah N. Sherman, for 81 East 116th Realty Corporation, owner.

SUBJECT—Application reopened September 14, 1954 as Vol. II—re (decision of the borough superintendent) under section 7f of the zoning resolution, to permit in a business use district, for a term of fifteen years, the erection and maintenance of a gasoline service station, lubritorium, and to permit the parking of more than five motor vehicles and the sale of used motor vehicles.

PREMISES AFFECTED—75-85 East 116th street, north side 110 ft. east of Madison avenue, Block 1622, Lots 25, 27, 28 and 127, Borough of Manhattan.

APPEARANCES—

For Applicant: Noah N. Sherman, Ralph Rosa and Lazar Emanuel.

For Opposition: None.

MINUTES

For Administration: Samuel L. Becker, Dep't of Housing and Buildings.

ACTION OF BOARD—Laid over to January 25, 1955, at 10 A. M., for inspection and decision without further argument; hearing closed.

908-52-BZ

APPLICANT—Lama, Proskauer and Prober, for Merrick Westbury Corp., owner.

SUBJECT—Application December 30, 1952—(decision of the borough superintendent) under sections 7e and 7h of the zoning resolution, to permit in a local retail use district the erection and maintenance of a gasoline service station, lubricatorium, car washing, motor vehicle repairs, storage and sale of accessories and office, and the parking and storage of motor vehicles on unbuilt upon portion of lot; for a term of fifteen years.

PREMISES AFFECTED—203-20 Rocky Hill road and 47-52 to 47-58 204th street, southwest corner and 203-17 to 203-27 48th avenue, Block 7355, Lot 61, Bayside, Borough of Queens.

APPEARANCES—

For Applicant: Alfred A. Lama.

For Opposition: None.

For Administration: Samuel L. Becker, Dep't of Housing and Buildings.

ACTION OF BOARD—Laid over to January 18, 1955, at 10 A. M., for applicant to file revised plans as to grade conditions; hearing previously closed.

673-53-BZ—Vol. II

APPLICANT—Lama, Proskauer and Prober, for Simone V. Shaw and Sylvia Lubash, owners.

SUBJECT—Application reopened September 28, 1954 as Vol. II—re (decision of the borough superintendent) under sections 7e, 7h and 21 of the zoning resolution, to permit in a residence use district, for a term of twenty years, the erection and maintenance of a gasoline service station, lubricatorium, car wash, motor vehicle repairs, storage and sale of accessories and office; and to permit the erection of a two story dwelling, constituting the erection of two buildings on one lot; and to permit the parking and storage of motor vehicles on unbuilt upon portion of lot.

PREMISES AFFECTED—196-23 to 196-43 (196-25 official) Hillside avenue and 87-88 to 87-98 197th street, northwest corner and 196-38 to 196-46 (196-40 official) Foothill avenue, Block 10509, Lot 265, Hollis, Borough of Queens.

APPEARANCES—

For Applicant: Alfred A. Lama and James E. Vassalotti.

For Opposition: Malvine Vincie, Jennie Gangelosi, Lillian Nielsen, Helen F. Fiehn, A. Young, Alfred Rao and Nathan Cooperstein.

For Administration: Samuel L. Becker, Dep't of Housing and Buildings.

ACTION OF BOARD—Laid over to February 8, 1955, at 10 A.M. for inspection and decision without further argument; applicant to file revised plans.

51-54-BZ

APPLICANT—Henry C. Brucker, for Ph. Dietz Coal Co., Inc., owner.

SUBJECT—Application January 28, 1954—(decision of the borough superintendent) under section 7e of the zoning resolution, to permit in a residence use district, the change in occupancy from storage garage and motor vehicle repair shop to factory (light manufacturing).

PREMISES AFFECTED—70-01 to 70-09 65th street, southeast corner of Otto road (Block 3644, Lot 1), Glendale, Borough of Queens.

APPEARANCES—

For Applicant: Saul Godwin and Isaac Jacob.

For Opposition: Joseph Schleimer, Eugene H. Jaeger, Marie Schmierer Peodaum, Dorothy A. Hoffmann, Atene

Gecsed, Edna M. Schuge, Helen Niechner, Pauline Roethel, Mrs. Frieda Schloen, and Frank Verduher.

For Administration: Samuel L. Becker, Dep't of Housing and Buildings.

ACTION OF BOARD—Laid over to February 8, 1955, at 10 A.M. for inspection and decision without further argument; hearing closed.

72-54-BZ

APPLICANT—Degenhardt, Miller and Lindberg, for Flushing Hospital and Dispensary, owner.

SUBJECT—Application February 2, 1954—(decision of the borough superintendent) under section 7h of the zoning resolution, to permit in a residence use district, the parking and storage of motor vehicles for use of doctors, nurses and other personnel of the hospital.

PREMISES AFFECTED—146-11 to 146-17 Elm avenue, west side, 211.5 ft. south of Parsons boulevard (Block 5198, Lot 39), Flushing, Borough of Queens.

APPEARANCES—

For Applicant: Eugene Miller.

For Opposition: E. Edward Franzese, Mr. P. Kaiser, Elliot Sachs, Joseph Mongelli and Caesar M. Crawford.

For Administration: Samuel L. Becker, Dep't of Housing and Buildings.

ACTION OF BOARD—Laid over to January 25, 1955, at 10 A. M., for inspection and decision without further argument; hearing closed.

227-54-BZ

APPLICANT—Raymond Irrera, for John Micari, owner.

SUBJECT—Application April 2, 1954—re (decision of the borough superintendent) under section 7c of the zoning resolution, to permit in a residence use district the maintenance of existing garages for five cars for other than tenants of dwelling on front of plot, if tenants do not use them.

PREMISES AFFECTED—31-30 38th street, west side, 277.83 ft. south of 31st avenue, Block 657, Lots 53 and 54, Long Island City, Borough of Queens.

APPEARANCES—

For Applicant: Raymond Irrera and John Micari.

For Opposition: None.

For Administration: Samuel L. Becker, Dep't of Housing and Buildings.

ACTION OF BOARD—Laid over to January 25, 1955, at 10 A. M., for inspection and decision; hearing closed.

281-54-BZ

APPLICANT—Paul Friedman, for Alice Price, owner.

SUBJECT—Application April 19, 1954—re (decision of the borough superintendent) under section 7e of the zoning resolution, to permit in a residence use district, the erection and maintenance of a gasoline service station, lubricatorium, auto washing, storage and sale of accessories, and office, for a term of fifteen years.

PREMISES AFFECTED—166-11 Northern boulevard, northwest corner of 167th street, Block 5341, Lot 1, Flushing, Borough of Queens.

APPEARANCES—

For Applicant: Paul Friedman.

For Opposition: None.

For Administration: Samuel L. Becker, Dep't of Housing and Buildings.

ACTION OF BOARD—Laid over to January 11, 1955, at 10 A. M., to permit further inspection by the Board.

641-54-BZ

APPLICANT—Paul Friedman, for Albert Gotlieb, owner, (Rich-Haven Motor Sales, Inc., lessee).

SUBJECT—Application August 5, 1954—(decision of the borough superintendent) under sections 7e and 7h of the

MINUTES

zoning resolution, to permit in the residence use district portion of a lot located in a residence and business use district, the free parking of employees' and patrons' cars as accessory to authorized automobile dealer's use, located at 98-09 Jamaica avenue, for a term of fifteen years.

PREMISES AFFECTED—98-02 to 98-14 Jamaica avenue and 87-01 to 87-19 98th street, southeast corner, Block 9286, Lot 123, Woodhaven, Borough of Queens.

APPEARANCES—

For Applicant: Paul Friedman and Ralph Burke.

For Opposition: Nelson Smith Kirk, 2nd, Wm. M. Meyfohr, Vincent Sganga, Fredrick J. Dreitlein, Harry L. Graeve, Mrs. F. Martin, Vincent J. Bosworth, Louis A. Roaver, Edmond S. Padian, Margaret J. Cosgrove, Joseph Reydel, Jr. and Anna M. Barth.

For Administration: Samuel L. Becker, Dep't of Housing and Buildings.

ACTION OF BOARD—Laid over to February 8, 1955, at 10 A.M. for inspection and decision; applicant to file new decision of the Borough Superintendent; hearing closed.

689-54-BZ

APPLICANT—Lama, Proskauer and Prober, for Lillian Kimmel, owner.

SUBJECT—Application August 19, 1954—(decision of the borough superintendent) under section 21 of the zoning resolution, to permit in a residence use, E 1 area district, the maintenance of two family dwelling, without the required side yards.

PREMISES AFFECTED—1328 President street, south side, 100 ft. west of Brooklyn avenue, Block 1284, Lot 35, Borough of Brooklyn.

APPEARANCES—

For Applicant: Alfred A. Lama.

For Opposition: Joseph Krinsky.

For Administration: Samuel L. Becker, Dep't of Housing and Buildings.

ACTION OF BOARD—Laid over to January 11, 1955, at 10 A.M., at the request of an objector; no further requests for adjournment.

369-37-BZ—Vol. III

APPLICANT—Herman E. Horwood, for Benjamin Duhl, owner.

SUBJECT—Application reopened October 13, 1954 as Vol. III—re (decision of the borough superintendent) under sections 7c and 21 of the zoning resolution, to permit the maintenance of enlargement of existing store extending from business use district into residence use portion of lot.

PREMISES AFFECTED—1212 Grand Concourse and 179-197 East 167th street, northeast corner, Block 2457, Lot 1, Borough of The Bronx.

APPEARANCES—

For Applicant: H. E. Horwood.

For Opposition: None.

For Administration: Samuel L. Becker, Dep't of Housing and Buildings.

ACTION OF BOARD—Application granted on condition.

THE VOTE—

Affirmative: Chairman Murdock, Commissioners Kleinfert and Keating and Deputy Chief Connors 4

Negative: 0

THE RESOLUTION—

WHEREAS, this application was reopened as Vol. III on October 13, 1954 subject to regular procedure, to consider extension of use; and

WHEREAS, a public hearing was held on this application on January 4, 1955 after due notice by publication in the Bulletin; and

WHEREAS, the district maps accompanying the zoning resolution show that the site, Sheridan avenue and East 167th street are in residence and business use, B area, class 1½ height districts; Grand concourse is in a residence use, B area, class 1¼ height district; and

WHEREAS, the decision of the borough superintendent, dated July 29, 1954 acting on Alt. Applic. 526-54, reads:

"A4. Proposed enlargement of existing store extending into a 'Residence Use District' in present 6 story basement & cellar, non-fireproof Class 'A' hereafter erected Multiple Dwelling is contrary to provisions of Article II Section 3 of the Zoning Resolution."

and

WHEREAS, the applicant states that the premises consist of a plot, 75 ft. frontage by 204.84 ft. in depth, on which is located a building 75 ft. by 204.84 ft., six stories, 65 ft. in height, of class 3 construction, used as a multiple dwelling, doctors' offices and stores; having been erected in 1936 and on completion, certificate of occupancy No. 62 was issued; that it is located on the northeast corner of 167th street and Grand concourse; that East 167th street slopes down from west to east so that the stores are on the 167th street level, but one story below the Grand concourse level; that some time in the past, before the present ownership, the interior partitions in the doctor's offices on East 167th street and dividing partition in store at 191 East 167th street, were erected without filing plans and securing permits; that violation was issued January 8, 1953 (over a year after present owner took possession) and it was only when his architect filed the required plans that the building department raised the zoning objection which is the subject of this appeal; that it is proposed to maintain stores as presently arranged; and

WHEREAS, the applicant contends that section 7c of the zoning resolution would appear to be intended to cover exactly this type of situation as the maximum distance of any point extending from the business into the residence use district is about 8 ft. at the rear of store No. 1, tapering down to zero at the front of the building, and the total area in violation is only about 152 sq. ft.; that the plan from which this structure was erected shows all the walls except the east and west street fronts, either parallel with or at right angles to East 167th street, thus creating this slight projection into the residence use zone; that this does not extend through the building and all of the frontage of this store is within the business use area and therefore this small interior gore could have no adverse effect on any of the surrounding properties and strict compliance would require another wall in store No. 1, which would merely create an unusable dead space; that as to section 21, this property was purchased by the present owner and title taken on November 29, 1951 at which time he received certificate of occupancy from the former owner; that he also had a search made of the records of the department of housing and buildings for any violations and found none; that all the conditions existed at the time of purchase and this owner has made no changes; that compliance with this objection would be a great hardship on both the owner and the tenant for the reason that the erection of another wall cutting off this portion of the store would benefit nobody but would reduce the usable space and the rental value of the store and cause unnecessary expense to construct another partition and the relocation of the tenant's shelving fixtures now on this wall, leaving an undesirable and irregular shaped store; that filed with this application is report on search which shows no zoning violation on record as of August 13, 1954; and

WHEREAS, the applicant states that the present owner has held title to the property since November 29, 1951; that the assessed valuation of land is \$185,000 and of the building \$365,000 making a total of \$550,000; that the building was erected in 1936; and

WHEREAS, the Board found that this was an appropriate case in which to exercise discretion to grant under Section 7, Subdivision c of the Zoning Resolution.

Resolved, that the Board of Standards and Appeals does hereby make a variation in the application of the use district regulations of the zoning resolution and that the application be and it hereby is granted under Section 7c to permit the extension of the use into the more restricted area only so far as it has reference to the triangular portion of existing Store

MINUTES

#1, as indicated on plans filed with this application marked, "Received, August 25, 1954" (4 sheets), *on condition* that in all other respects the building and occupancy shall comply with all laws, rules and regulations applicable thereto; and that there shall be no opening between the wall of such proposed extension and the adjoining portion of the premises in the residential use district; that all permits shall be obtained and all work completed within the requirements of Section 22A of the Zoning Resolution; and that a new Certificate of Occupancy shall be obtained.

66-38-BZ—Vol. II

APPLICANT—Lama, Proskauer and Prober, for Bankers Federal Savings and Loan Association, owner.

SUBJECT—Application August 19, 1954 (decision of the borough superintendent), under section 21 of the zoning resolution, to permit in a local retail use, C area district, the erection and maintenance of a two story and mezzanine fireproof bank and one family dwelling building, using more than the area permitted.

PREMISES AFFECTED—340 Avenue of the Americas and 151 West 4th street, northeast corner, Block 552, Lot 1, Borough of Manhattan.

APPEARANCES—

For Applicant: Alfred A. Lama, Harry Minners, Alexander B. Lyon and A. Rothmann.

For Opposition: None.

For Administration: Samuel L. Becker, Dep't of Housing and Buildings.

ACTION OF BOARD—Application granted on condition.

THE VOTE—

Affirmative: Chairman Murdock, Commissioners Klei-
ert and Keating and Deputy Chief Connors 4

Negative 0

THE RESOLUTION—

WHEREAS, this application was reopened as Vol. II on September 28, 1954 subject to regular procedure; and

WHEREAS, a public hearing was held on this application on January 4, 1955 after due notice by publication in the Bulletin; and

WHEREAS, the district maps accompanying the zoning resolution show that the site and Avenue of the Americas are in a local retail use, C area, class 1¼ height district; West 4th street is in residence and local retail use, C area, class 1¼ height districts; and

WHEREAS, the decision of the borough superintendent, dated July 27, 1954 acting on amendment to N.B. Applic. 52-54, reads:

"1. Proposed building to occupy the entire lot in a C district is contrary to Sec. 13 Art. IV Zoning Resolution."

and

WHEREAS, the application states that the premises consist of a plot, 61 ft. and 66 ft. 9½ in. frontage by 67 ft. 2½ in. in depth, irregular, presently vacant; that the use district maps accompanying the zoning resolution show the premises to be in a local retail use, 1¼ height, C area district; that as of July 25, 1916 the premises were in a business use, ½ height, B area district and received its present designations on July 12, 1945; and

WHEREAS, the applicant states that it is proposed to erect a modern two-story and mezzanine fireproof bank building having a frontage of 61 ft. on Avenue of the Americas, 66 ft. 9½ in. on West 4th street, 67 ft. 2½ in. on the northerly lot line and 33 ft. 7½ in. and 32 ft. 4½ in. on the easterly lot line; that the proposed bank is a permissible use in a local retail district; that the building will occupy an area of 4,200 sq. ft. and as the permissible coverage is 3,150 sq. ft. the proposal is 1,050 sq. ft. in excess of the permissible coverage; that the bank building will be highly modern in design and as such will add architectural character to the neighborhood and provide up-to-date banking facilities to a densely populated area; that the extra coverage requested will not affect the adjoining properties, as the required court

to be built upon faces the parking lot to the north, which is under the same ownership; that the building will have excess coverage only on the 1st floor and mezzanine and the 2nd floor will fully comply with the zoning ordinance for unoccupied area; and

WHEREAS, the applicant contends that the land is high in assessed value and it is mandatory that the entire lot be occupied so that an adequate return on the investment may be realized; that this proposed area is required for present day banking needs; that the rental to be received for the bank is predicated on the value of the land and the building and adequate space must be available; that full construction plans were drawn and approved by the bureau of housing and buildings of a smaller size, leaving unoccupied area adjacent to the northerly lot line; that these plans fully complied with the zoning ordinance as to lot coverage, but it was found that said building would not be feasible as it would not render adequate banking space for the income that had to be derived from a development of this kind; that the unoccupied area to be left at the northerly part of the lot would not be of any benefit to block ventilation as it is left as a court, fully enclosed by two wings of the originally designed building; that in any event, the only land that would possibly benefit by the open area would be the parking lot to the north; and

WHEREAS, the applicant states that the present owner has held title to the property since December 29, 1953 and that the assessed valuation of land is \$61,000; and

WHEREAS, the premises and the surrounding area were inspected by a committee of the Board; and

WHEREAS, the Board found that the applicant had substantiated a basis to warrant exercise of discretion to grant under Section 21 of the zoning resolution, and is therefore entitled to relief, as to area, on the grounds of unnecessary hardship.

Resolved, that the Board of Standards and Appeals does hereby *make a variation* in the application of the area district regulations of the zoning resolution and that the application be and it hereby is *granted* under section 21 an extension of the area coverage as proposed and as indicated on plans filed with this application marked, "Received, August 19, 1954" (15 sheets) and marked, "Received, December 1, 1954" (one sheet), *on condition* that in all other respects the building and occupancy shall comply with all laws, rules and regulations applicable thereto; and that all permits shall be obtained and all work completed within the requirements of Section 22A of the Zoning Resolution.

280-41-BZ—Vol. III

APPLICANT—Paul Friedman, for Constel Realty Corp., owner.

SUBJECT—Application reopened July 27, 1954 as Vol. III —re (decision of the borough superintendent) under sections 7f and 7i of the zoning resolution, to permit in a business use district for a term of fifteen years the erection and maintenance of a storage garage for more than five motor vehicles, and a motor vehicle repair shop (including welding, painting and spraying), and to permit the parking of motor vehicles on unbuilt upon portion of plot for customers and employees.

PREMISES AFFECTED—89 Furman avenue, west side, 99.5 ft. north of Bushwick avenue, Block 3462, Lots 26, 63 and 67, Borough of Brooklyn.

APPEARANCES—

For Applicant: Paul Friedman.

For Opposition: Edw. J. Bausch, Thomas Hall and Josephine Smith.

For Administration: Samuel L. Becker, Dep't of Housing and Buildings.

ACTION OF BOARD—Application granted on condition.

THE VOTE—

Affirmative: Chairman Murdock, Commissioners Klei-
ert and Keating and Deputy Chief Connors 4

Negative 0

MINUTES

THE RESOLUTION—

WHEREAS, this application was reopened as Vol. III on July 27, 1954 subject to regular procedure, for rehearing on alleged substantial new facts; and

WHEREAS, a public hearing was held on this application on November 9, 1954 after due notice by publication in the Bulletin; laid over to November 30, 1954, for inspection and decision; hearing closed; then to December 7, 1954, for inspection and decision; hearing previously closed; then to December 14, 1954, for applicant to file revised plans; then to December 21, 1954, for applicant to file revised plans; hearing previously closed; then to January 4, 1955, for further inspection; and

WHEREAS, the district maps accompanying the zoning resolution show that the site and Bushwick avenue are in a business use, C area, class 1 height district; Furman avenue is in residence and business use, C area, class 1 height districts; and

WHEREAS, the decision of the borough superintendent, dated August 3, 1954 acting on N. B. Applic. 180-54 and superseded by N. B. Applic. 180-54 dated October 1, 1954, reads:

"1. On a plot located in a Business Use District, proposed change of occupancy from parking lot (on Lots 26 and 63) and dwelling (on Lot 67) to the following occupancy:

Story	Occupancy
Ground	On unbuilt upon area, free parking for more than five (5) motor vehicles for customers and employees only.
Cellar	Boiler room.
First Floor	Motor vehicle repair shop and storage garage for more than five (5) cars, storage and sale of auto parts, offices, and gasoline pump for dealer's use; no gasoline to be sold.
Second Floor	Motor vehicle repair shop, including welding and paint spraying and storage garage for more than five (5) cars.
Third Floor	Parking and storage of more than five (5) cars.

is contrary to Article II, Section 4(a), (15) and (29) of the Zoning Resolution."

and

WHEREAS, the applicant states that the premises consist of a plot, 137.46 ft. frontage by 100 ft. in depth, on which is located a frame dwelling (lot 67) and a parking lot, for which certificate of occupancy No. 56367-29 has been filed; that it is proposed to erect a building 122 ft. front by 100 ft. in depth, 3 stories, 42 ft. in height, of class 1 construction, to be used as a storage garage and motor vehicle repair shop; and

WHEREAS, the applicant further states that the premises is located within a business use, C area and class 1 height district and that these designations have not been changed since July 25, 1916; that no petition is pending before the City Planning Commission to change these designations; and

WHEREAS, the applicant contends that as to lot 67 there have been no prior cases; that as to lot 63, on February 26, 1929 an application under sections 7g and 21, Cal. No. 695-28-BZ, to permit the erection of a two-story garage, was withdrawn; that as to lots 26 and 63, under Cal. No. 280-41-BZ, the Board on July 1, 1941 granted a variation for a term of 10 years to permit the erection of a motor vehicle repair shop; that one of the conditions imposed was that all permits required shall be obtained and all work completed within one year from the date of the resolution; that this variance lapsed because of the inactivity of the owner due to wartime restrictions and limitations on building construction; that on December 2, 1944, the building zone resolution was amended, reducing the permitted area of coverage of the subject plot from 90% to 60% so that the theretofore approved conditions were in violation of the amended area

district regulations; that on April 2, 1946 the Board, acting on a request to reopen and amend, granted permission to reopen and restore the matter to the calendar, subject to the usual procedure; that on June 25, 1946 the Board denied an application for a zoning variation under sections 7c, 7i and 21; that a certiorari proceeding was instituted to review this decision and on December 24, 1946 the decision of the Board was affirmed and certiorari proceedings were dismissed in Special Term of the Supreme Court; that no appeal was taken from this order; and

WHEREAS, the applicant further contends that the present application differs substantially from the previously denied application in that the previous application sought zoning variations as to use and area and the present application complies with the area district regulations and seeks a zoning variation only as to use; that the previous application was brought under sections 7c, 7i and 21 and the present one is brought under sections 7i and 7f; that section 7i is the section under which the Board had granted a variance for a motor vehicle repair shop in 1941 and section 7f of the present application relates to the newly proposed storage garage and parking and storage of more than five motor vehicles; that the previously denied application affected only lots 63 and 67, consisting of a plot 80 ft. 4 $\frac{7}{8}$ in. frontage and 100 ft. in depth, while the present application affects lots 63, 67 and 26 adding approximately 12,800 sq. ft. to the area of the plot previously under consideration; that the previous application was for a one-story building to be used as a motor vehicle repair shop and the present application is for a three-story building, to be used on the 1st and 2nd floors as a motor vehicle repair shop and as a storage garage for more than five motor vehicles; on the 3rd floor for the parking and storage of more than five motor vehicles and on the unbuilt upon area (lot 26) for free parking for more than five motor vehicles for customers and employees only; that it is felt that these new facts upon which this application was reopened are substantial and material so as to justify consideration; and

WHEREAS, the applicant further contends that the Board has jurisdiction to grant this application under section 7i of the zoning resolution as to the motor vehicle repair shop and under section 7f as to the storage garage for and parking and storage of more than five motor vehicles, in a business use district for a term of 15 years; that section 21-F of the zoning resolution is inapplicable, since that section relates to a garage or parking facility as provided in section 21-F; that however the present application relates to a building to be used for a kind of occupancy different from a garage or parking facility as provided in section 21-F, to wit: for a building to be used for the non-conforming uses of motor vehicle repair shop and storage garage for and parking and storage of 128 motor vehicles and for an unbuilt upon area to be used for free parking of more than five motor vehicles for patrons and employees (specifically 35 motor vehicles); and

WHEREAS, the applicant contends that a grant of this application would do substantial justice in that it would benefit the owner and the public interest without adversely affecting anyone; that the peculiar location of the site at the end of a dead-end street makes it unadaptable for business use that relies on passing trade but, nevertheless makes it particularly adaptable, without detriment to neighbors, for the proposed development as part of the operation of the automobile showroom, motor vehicle repair shop and parking lot facilities occupied by Grove Motor sales company; that with the exception of Evergreen cemetery, which is in a residence use district, all of the properties within the area of notification are zoned for business or unrestricted use; that the proposed motor vehicle repair shop is much less objectionable than the usual unrestricted motor vehicle repair shop; that the prospective tenant is an authorized Chevrolet dealer maintaining new and used car showrooms at 1509-1531 Bushwick avenue and a motor vehicle repair shop incident thereto directly opposite the subject premises; that the present repair shop facilities are inadequate in that said area is insufficient in size to provide for efficient operation; that the proposed

MINUTES

occupancy would have no adverse effect upon properties north of the subject premises as Furman avenue and Granite street are dead-end streets blocked off by a retaining wall beyond which on Furman avenue, on a portion not constructed as a street, are a playground and a cemetery at a considerably higher grade level, with entrances remote from the subject premises, and with no entrance thereto from Furman avenue, and beyond which on Granite street the properties are in an unrestricted use district; that the proposed occupancy would have no adverse effect upon the properties east of the subject premises as all of the properties on the east side of Furman avenue between Bushwick avenue and the retaining wall are zoned for business use and are used for automotive uses of automobile showroom and motor vehicle repair shop; that there will be no adverse effect upon properties south and west of the subject premises, all of which properties are zoned for business use; that the proposed demolition of the dilapidated and vacant two-story frame dwelling on the site will eliminate an eyesore and potential fire hazard; that the proposed fireproof building is more desirable than the existing open air use as a parking lot; that the proposed building will comply with height and area restrictions thus assuring neighboring properties of light and air; that no curb cut or opening from the lot is proposed for the Granite street frontage and the existing gate at Granite street would be permanently closed; that no windows or sky lights or vents will be constructed along the rear of the proposed building; that a rear yard is proposed built over up to 23 feet above grade; that there will be no windows in the rear wall above such yard;

WHEREAS, the applicant further contends that the proposed use of the 3rd floor for parking and storage of more than 5 cars will provide space needed for the parking and storage of new and used cars; that at present, Grove Motor Sales Co. finds it necessary to lease space at 901 Halsey street for warehousing 50 cars; that this is both inconvenient and expensive, especially since that warehouse is approximately one mile away and insurance rates there are much more costly than they would be in the proposed fireproof building; that the proposed use of the unbuilt upon area for free parking for more than five motor vehicles for customers and employees only will benefit the neighborhood by reducing street parking in the vicinity and no repairing or other servicing will be conducted on the lot at any time; and

WHEREAS, the applicant states that the present owner has held title to lot 26 since September 21, 1950; lot 63 since February 6, 1930; lot 67 since December 18, 1929; that the assessed valuation of land is \$17,600 and of the building \$1,400 making a total of \$19,000; and

WHEREAS, the premises and the surrounding area were inspected by a Committee of the Board; and

WHEREAS, the Board found that this was an appropriate case in which to exercise discretion to grant under Section 7, Subdivision f of the Zoning Resolution.

Resolved, that the Board of Standards and Appeals does hereby *make a variation* in the application of the use district regulations of the zoning resolution and that the application be and it hereby is *granted* under Section 7f for a term of fifteen years to permit the erection of a proposed storage garage; and under Section 7i for a similar term to permit the welding and painting and spraying of cars dealt in by the Chevrolet Company located opposite on Furman Avenue, substantially as proposed and shown on revised plans marked, "Received, December 16, 1954" (6 sheets), *on condition* that in all other respects the building and occupancy shall comply with all laws, rules and regulations applicable thereto; that there shall be no windows opening to the rear in the wall at the building line or in the wall at the rear yard setback line; that the spray room and welding room shall be located along the front of the building on Furman Avenue, and ventilated thereto; that such uses shall be subject to proper licenses by the Fire Commissioner; that there shall be no roof signs; that any signs shall be erected on the front of the building only and shall comply with the requirements therefor; and to permit under Section 7h for a similar term the occupancy of a portion of the premises to the north for parking without

charge for motor vehicles belonging to customers and employees only and with no opening to Granite Street; that the opening shall be solely from Furman Avenue as shown on such plans as cited above; that on the lot lines where buildings or walls are not existing or proposed, there shall be erected a cyclone type of woven wire type to a total height of ten feet as proposed; that such fire-fighting appliances shall be maintained as the Fire Commissioner shall direct; that such parking space shall be surfaced with clean gravel or steam cinders treated with a binder and properly rolled; that the sidewalks and curbing in the front of the premises shall be reconstructed or repaired to the satisfaction of the borough president; that curb cuts as proposed for entrance to the building and to the parking area may be constructed of the size as indicated, one 16 feet in width and one 24 feet in width both to Furman Avenue; that all permits shall be obtained and work completed within the requirements of Section 22A of the Zoning Resolution.

616-51-BZ

APPLICANT—H. Webster Stone, lessee, for 849 First Avenue Corporation, owner.

SUBJECT—Application reopened December 14, 1954 for consideration as to extension of term of variance—re (decision of the borough superintendent) previously granted on condition, under section 7h of the zoning resolution, permitting in a restricted retail use district, the parking and storage of more than five motor vehicles for a term of years.

PREMISES AFFECTED—849-851 1st avenue, west side, 550.3 ft. north of East 47th street, Block 1340, Lots 25 to 27 inclusive, Borough of Manhattan.

APPEARANCES—

For Applicant: H. Stone.

For Opposition: None.

For Administration: Samuel L. Becker, Dep't of Housing and Buildings.

ACTION OF BOARD—Term of variance extended.

THE VOTE—

Affirmative: Chairman Murdock, Commissioners Kleintert and Keating and Deputy Chief Connors 4

Negative 0

THE RESOLUTION—

WHEREAS, on January 25, 1952 this application was granted by the Board on certain conditions, under section 7h of the zoning resolution, to permit in a restricted retail use district the parking and storage of motor vehicles for a term of two years; and

WHEREAS, the applicant requested reopening of this application and extension of the term of variance, which had expired by time limitation on January 25, 1954; and

WHEREAS, this application was reopened on December 14, 1954 and set for hearing on January 4, 1955 at 10 A.M., subject to regular procedure, waiving all requirements except a new decision of the borough superintendent and two publications in the Bulletin; and

WHEREAS, a public hearing was held on this application on January 4, 1955 after due notice by publication in the Bulletin; and

WHEREAS, the decision of the borough superintendent, dated December 14, 1954 acting on Alt. Applic. 1167-51, reads:

"Your application for a certificate of occupancy to supersede C.O. #39700 is hereby disapproved as said certificate expired on Jan. 1, 1954 under the terms of variance granted by the Board of Standards and Appeals under Cal. #616-1951-BZ. You may refer back to the Board for an extension of the variance."

Resolved, that the Board of Standards and Appeals does hereby *amend* the resolution adopted on January 25, 1952, only so far as it has reference to the term of the variance, so that as amended this portion of the resolution shall read:

"* * * *granted* under section 7, subdivision h for a term of five (5) years from the date of this amended reso-

MINUTES

lution, to permit the plot in the restricted retail use district to be occupied for the parking and storage of motor vehicles, as passed on by the Borough Superintendent on December 14, 1954, under Alt. Applic. 1167-51; and that all permits required shall be obtained and all work completed within six (6) months from the date of this amended resolution."

197-54-BZ

APPLICANT—Lama, Proskauer and Prober, for Harold J. Weinstock, owner.

SUBJECT—Application March 12, 1954 (decision of the borough superintendent), under sections 7e and 7h of the zoning resolution, to permit in a residence use district the erection and maintenance of a gasoline service station, lubritorium, car washing, motor vehicle repairs, sales and office and automobile showroom; and to permit the parking and storage of motor vehicles.

PREMISES AFFECTED—58-12 to 58-30 (58-20 official) Francis Lewis boulevard and 58-15 to 58-37 Hollis Court boulevard, northwest corner, Block 7450, Lot 11, Flushing, Borough of Queens.

APPEARANCES—

For Applicant: Alfred A. Lama.

For Opposition: Ettore Guasti.

For Administration: Samuel L. Becker, Dep't of Housing and Buildings.

ACTION OF BOARD—Application denied.

THE VOTE TO GRANT—

Affirmative: Commissioners Kleinert and Keating 2

Negative: Chairman Murdock and Deputy Chief Connors 2

THE RESOLUTION—

WHEREAS, a public hearing was held on this application on November 9, 1954 after due notice by publication in the Bulletin; laid over to November 30, 1954, for inspection and decision; hearing closed; then to December 7, 1954, for inspection and decision; hearing previously closed; then to December 14, 1954, for inspection and decision; then to January 4, 1955, for applicant to file revised plans; hearing previously closed; and

WHEREAS, the district maps accompanying the zoning resolution show that the site and Hollis Court boulevard are in a business use, D area, class 1 height district; Francis Lewis boulevard is in residence and business use, D area, class 1 height districts; and

WHEREAS, the decision of the borough superintendent, dated February 26, 1954 acting on N. B. Applic. 430-54, reads:

"1. Use of premises located in a residence use district as gasoline service station, lubritorium, minor auto repairs, car washing, offices and sales, automobile showroom, parking and storage of motor vehicles is contrary to Art. II Sec. 3 of the Zoning Resolution."

and

WHEREAS, the applicant states that the premises consist of a plot, 263.42 ft. frontage by 158.09 ft. in depth, irregular, presently vacant; that the use district maps accompanying the building zone resolution show that the premises are in a residence use, D area, class 1 height district; that as of July 25, 1916 that part of the premises within 100 ft. of Hollis Court boulevard was in a business use district and the remainder in a residence use district; that the present use designation became effective on July 24, 1947; that it is proposed to erect a modern automobile show room and gasoline service station consisting of ten 550-gallon gas tanks and eight dual type dispensing pumps; that the contemplated accessory building will be one story in height, of class 3 construction, having a frontage of 105 ft., a depth of 30 ft. on the westerly side and 40 ft. on the easterly side and will contain the auto show room and the conjunctive uses of office and sales, storage, lubritorium, car washing and minor auto repairs; that a portion of the site will be reserved for parking and storage of motor vehicles; that the contemplated accessory building will be colonial in design and in keeping with the present colonial development in the area; that a

20 ft. wide planted area will be maintained on the northerly lot line which will provide additional permanent light and ventilation and act as a buffer to adjoining premises, and in addition, the rear wall of the contemplated building will be unpierced except for glass block panels; and

WHEREAS, the applicant contends that Francis Lewis boulevard and Hollis court boulevard are heavily trafficked auto lanes leading across Queens and as such the proposal is in keeping at this point; that there are many dwellings in the immediate vicinity and as there are no other gas stations within the affected area, the proposal is a vitally required service which is now lacking; that due to the gore shape of the lot and the high assessed valuation it is mandatory that the site be developed in the only feasible manner as proposed so that the owner may receive an equitable return on his investment and also be able to continue to pay real estate taxes; that the use of the triangular shaped site and its proximity to the heavy auto traffic on Horace Harding boulevard render it unusable for a residence use; and

WHEREAS, the applicant states that the present owner has held title to the property since August 28, 1951 and that the assessed valuation of land is \$125,000; and

WHEREAS, the premises and surrounding area were inspected by a committee of the Board; and

WHEREAS, the Board found that there was no justification for the exercise of discretion to grant under Section 7, subdivisions e and h of the Zoning Resolution;

Resolved, that the decision of the Borough Superintendent, acting on N. B. Applic. 430 of 1954, be and it hereby is affirmed and that the application be and it hereby is denied.

445-54-BZ

APPLICANT—Lama, Proskauer and Prober, for James Peretta, owner.

SUBJECT—Application June 2, 1954 (decision of the borough superintendent), under sections 7f, 7i and 7h of the zoning resolution, to permit in a business use district, for a term of fifteen years, the erection and maintenance of a gasoline service station, lubritorium, car wash, motor vehicle repairs, storage and sale of accessories and office; and to permit the parking and storage of motor vehicles.

PREMISES AFFECTED—1726-1748 McDonald avenue, west side, 180 ft. south of Avenue O, Block 6607, Lots 16, 20, 22 and 24, Borough of Brooklyn.

APPEARANCES—

For Applicant: Alfred A. Lama.

For Opposition: None.

For Administration: Samuel L. Becker, Dep't of Housing and Buildings.

ACTION OF BOARD—Application granted on condition.

THE VOTE—

Affirmative: Chairman Murdock, Commissioners Kleinert and Keating and Deputy Chief Connors 4

Negative 0

THE RESOLUTION—

WHEREAS, a public hearing was held on this application on November 23, 1954 after due notice by publication in the Bulletin; laid over to December 14, 1954, for inspection and decision; hearing closed; then to January 4, 1955, for inspection and decision by the Board, hearing previously closed; and

WHEREAS, the district maps accompanying the zoning resolution show that the site and McDonald avenue are in a business use, C area, class 1 height district; Avenue O is in residence and business use, C area, class 1 height districts; and

WHEREAS, the decision of the borough superintendent, dated May 21, 1954 acting on N. B. Applic. 425-54, reads:

"1. Proposed gasoline service station, lubritorium, car washing, minor auto repairs, office and sales, storage, parking and storage of motor vehicles in a business use district is contrary to Art. II Sec. 4(a) of the Zoning Resolution."

and

WHEREAS, the applicant states that the premises consist

MINUTES

of a plot, 200 ft. frontage by 100 ft. in depth, presently vacant; that it is proposed to erect a modern gasoline service station consisting of twelve 550 gasoline storage tanks and four dispensing pumps; that the proposed accessory building, having a frontage of 62 ft. and a depth of 30 ft. will be one story in height, of class 3 construction, and contain the conjunctive uses of lubrication, car washing, minor auto repairs, office and sales and storage; that a portion of the site will be reserved for the open parking and storage of motor vehicles; and

WHEREAS, the applicant further states that the proposed accessory building will be of brick construction, highly modern in design and will do much towards improving the appearance of the community and remove the present unkempt appearance of the site; that a 5 ft. wide and 10 ft. wide planted area to be maintained on all lot lines will afford additional permanent light and ventilation to the adjoining premises to the west and act as a buffer; that the proposed space to be maintained for the parking and storage of motor vehicles, which is a permissible use in the business zone, will help alleviate the parking situation in the affected area; and

WHEREAS, the applicant contends that although the site is in a business zone, the noisy elevated railroad which darkens McDonald avenue does not render the street suitable for business use; that McDonald avenue, although zoned for business, has lost its business character at this point due to the sub-station immediately adjoining to the north on lot No. 12; that McDonald avenue is a main auto lane and as such the proposal is entirely in keeping at this point; that the land is high in assessed value and it is mandatory that it be developed with a use in keeping that would render the owner an equitable return on his investment and enable him to continue to pay city taxes so that he may retain ownership and not have the premises returned to the city from whom he purchased; that it is far better to develop the site, thereby increasing the assessed value, which will render the city increased taxes at a time when additional finances are so vitally needed by the city; and

WHEREAS, the applicant states that the present owner has held title to the property since January 27, 1954 and that the assessed valuation of land is \$12,000; and

WHEREAS, the premises and the surrounding area were inspected by a committee of the Board; and

WHEREAS, the Board found that this was an appropriate case in which to exercise discretion to grant under Section 7, Subdivision f of the Zoning Resolution.

Resolved, that the Board of Standards and Appeals does hereby *make a variation* in the application of the use district regulations of the zoning resolution and that the application be and it hereby is *granted* under Section 7f for a term of fifteen years to permit the premises to be occupied substantially as proposed and as indicated on plans filed with this application marked, "Received, June 2, 1954" (3 sheets), *on condition* that all the buildings and uses on the premises shall be removed and that the premises shall be leveled substantially to the grade of McDonald avenue and shall be designed, arranged and constructed substantially as proposed on such plans above cited; that the accessory building shall be located substantially where shown and shall comply in all other respects with the requirements of the Building Code; that there shall be no cellar under such building; that the building shall be faced with face brick on front and sides; that the pumps shall be of an approved low type and located not nearer than fifteen feet to the street building line; that the gasoline storage tanks shall be limited to twelve (12) 550 gallon approved gasoline storage tanks; that the parking area shall be maintained as shown, with suitable planting and protected with concrete curbing; and that on the rear and side lot lines there shall be constructed and maintained a masonry wall with base not less than two (2) feet in height faced with brick with a steel railing above as proposed to a total height of not less than five feet six inches; that the balance of the premises shall be paved with concrete or asphaltic pavement; that such fire-fighting appliances shall be maintained as the Fire Commissioner shall direct; that the sidewalks and curbing at the front of the premises shall

be reconstructed or restored to the satisfaction of the borough president, with not over four curb cuts, each thirty feet in width, located where shown with no portion of any curb cut nearer than five feet to a side lot line, as prolonged; that signs shall be restricted to a permanent sign attached to the facade of the accessory building and to the illuminated globes of the pumps, excluding all roof signs and temporary signs but permitting the erection within the building line of one post standard, which may be located at either end of the premises, for supporting a sign, which may be illuminated, advertising only the brand of gasoline on sale and permitting such sign to extend beyond the building line a distance of not more than four feet; under Section 7i there may be minor repairing with hand tools only for adjustments, maintained solely within the accessory building; that under Section 7h for a similar term there may be parking and storage of motor vehicles in the areas to the north and south of the accessory building as indicated which shall not in any way interfere with the servicing of the station; and that all permits shall be obtained, including a certificate of occupancy and all work completed within the requirements of Section 22A of the Zoning Resolution.

701-54-BZ

APPLICANT—William Lescaze, for City Bank Farmers Trust Co., owner, 711 Third Ave., lessee.

SUBJECT—Application September 15, 1954 (decision of the borough superintendent), under section 21 of the zoning resolution, to permit in a business and unrestricted use, B area and 1½ times height district the erection and maintenance of an office building using more than the permitted height without the required setbacks.

PREMISES AFFECTED—703-719 3rd avenue, east side, from East 44th street to East 45th street, 201-215 East 44th street and 200-208 East 45th street, Block 1318, Lots 1 to 9 inclusive and 45 to 51 inclusive, Borough of Manhattan.

APPEARANCES—

For Applicant: William Lescaze.

For Opposition: None.

For Administration: Samuel L. Becker, Dep't of Housing and Buildings.

ACTION OF BOARD—Application granted on condition.

THE VOTE—

Affirmative: Chairman Murdock, Commissioners Klein-ert and Keating and Deputy Chief Connors 4

Negative 0

THE RESOLUTION—

WHEREAS, a public hearing was held on this application on December 21, 1954 after due notice by publication in the Bulletin; laid over to January 4, 1955, for further hearing; and

WHEREAS, the district maps accompanying the zoning resolution show that the site, East 44th street, East 45th street and 3rd avenue are in business and unrestricted use, B area, class 1½ height districts; 3rd avenue is in a business use, B area, class 1½ height district; and

WHEREAS, the decision of the borough superintendent, dated August 19, 1954 acting on amendment to N. B. Applic. 119-53, reads:

"1. The height of proposed building facing 44th and 45th streets for a distance more than 100 feet back of 3rd Ave. is contrary to Sec. 8(f) Art. III Zoning Resolution."

and

WHEREAS, the applicant states that the premises consist of a plot, 200 ft. 10 in. frontage by 155 ft. and 230 ft. in depth, irregular, presently vacant and used as a parking lot, with curb cuts on East 44th and East 45th streets, for which certificate of occupancy No. 42006 was issued on December 23, 1953; that it is proposed to build a first class air conditioned 19-story office building; that in 1953 under N. B. Applic. 119-53, drawings show use of maximum building volume permissible under zoning regulations; that in 1954

MINUTES

the owners expressed willingness to forfeit approximately 1,179,000 cu. ft. of building volume normally permissible and usable under zoning setbacks and dormers regulations; that the owners now wish to build instead a much simpler cube form; that in order to do so, the street walls of the upper part (tower 9th to 19th floors) are set approximately 43 ft. back of the building line on the side streets and 24 ft. back on the avenue; that this will insure plentiful daylight and air to the streets, the avenue and the upper part of the building itself; and

WHEREAS, the owners request that in consideration of the benefit to the public domain resulting from giving up 1,179,000 cu. ft. of building volume, they be allowed to build approximately 14,350 cu. ft. in excess of the building envelope as follows: on East 45th street for a length of 40 ft. 6 in., or 26% of the street frontage; on 3rd avenue for a length of 70 ft., or 35% of the avenue frontage and on East 44th street for a length of 20 ft. or 8.7% of the street frontage; and

WHEREAS, the applicant states that the present owner has held title to the property since July 1, 1952 and that the assessed valuation of land is \$1,100,000; and

WHEREAS, the Board found that the extensions in height proposed were relatively minor and desirable as against other extensions which would be permitted, but are not to be constructed; and

WHEREAS, the Board found that the applicant had substantiated a basis to warrant exercise of discretion to grant under Section 21 of the zoning resolution, and is therefore entitled to relief, as to height, on the grounds of unnecessary hardship.

Resolved, that the Board of Standards and Appeals does hereby *make a variation* in the application of the height district regulations of the zoning resolution and that the application be and it hereby is *granted* under section 21 as to the extension of height substantially as proposed and as indicated on plans filed with this application marked, "Received, September 15, 1954" (9 sheets) and October 8, 1954 (3 sheets) *on condition* that in all other respects the building and occupancy shall comply with all laws, rules and regulations applicable thereto; and that all permits shall be obtained and all work completed within the requirements of Section 22A of the Zoning Resolution.

841-54-BZ

APPLICANT—Lama, Proskauer and Prober, for The Trustees of Sailors' Snug Harbor, owner.

SUBJECT—Application October 27, 1954 (decision of the borough superintendent), under sections 7c, 7A and 21 of the zoning resolution, to permit in a residence and local retail use district the inclusion of stores and restaurant on 1st floor of proposed class A multiple dwelling, with show windows and signs nearer the residence use district than is permitted.

PREMISES AFFECTED—9-21 5th avenue, east side, from East 8th street and East 9th street, 1-11 East 8th street and 2-10 East 9th street, Block 566, Lots 1, 2, 4, 5 to 12 inclusive, and 31 to 34 inclusive, Borough of Manhattan.

APPEARANCES—

For Applicant: Alfred A. Lama.

For Opposition: None.

For Administration: Samuel L. Becker, Dep't of Housing and Buildings.

ACTION OF BOARD—Application granted on condition.

THE VOTE—

Affirmative: Chairman Murdock, Commissioners Klei-
ert and Keating and Deputy Chief Connors 4

Negative 0

THE RESOLUTION—

WHEREAS, a public hearing was held on this application on December 21, 1954 after due notice by publication in the Bulletin; laid over to January 4, 1955, for decision; hearing closed; and

WHEREAS, the district maps accompanying the zoning resolution show that the site, East 8th street, and East 9th street are in residence and local retail use, C area, class 1½

height districts; 5th avenue is in a residence use, C area, class 1¼ height district; and

WHEREAS, the decision of the borough superintendent, dated October 15, 1954 acting on amendment to N. B. Applic. 60-53, reads:

"1. Proposed restaurant and stores in first floor of bldg., located partly in a Residence and partly in a Local Retail District is contrary to Sec. 3 Art. II Zoning Resolution.

2. Proposed show windows and signs for restaurant and stores are contrary to Sec. 7A Art. II Zoning Resolution."

and

WHEREAS, the applicant states that the premises consist of a plot, 187 ft. 10 in. frontage by 200 ft. in depth; that the portion of the site within 100 ft. of 5th avenue and within 93 ft. 11 in. of East 9th street is in a residence use district and the balance of the site is in a local retail use district; that the entire site is in a C area district and a class 1¼ height district; that as of July 25, 1916 the entire premises were within a residence use district and received its present use designations on February 11, 1954; that as of July 25, 1916 the premises were in a class D area district and a 1½ height district and received its present area and height designation on July 12, 1945; and

WHEREAS, the applicant further states that the premises are presently being developed with a 19-story and penthouse apartment building of class 1 construction, having a frontage of 187 ft. 10 in. on 5th avenue, 200 ft. on East 8th street, 200 ft. on East 9th street and 187 ft. 10 in. on the easterly lot line; that previous to the start of the present development the premises were occupied as follows: lots 1, 2, 4, 5, 6 and 34 were developed with five story and basement buildings being used as follows: cellar, machine room and storage; basement, stores, restaurant, cabaret and banquet hall; 1st floor, bell room, cabaret, banquet hall, catering establishment and one basement; 2nd to 5th floors—vacant and unoccupied; that lot 7 was developed with a four story and basement building used as follows: cellar, basement, 1st to 4th floors—non housekeeping apartments; that lot 9 was developed with a three story and basement building used as follows: cellar—storage; basement—doctor's office and dwelling; 1st to 3rd floors—non housekeeping apartments; that lots 9 and 10 were developed with five story buildings used as follows: cellar—storage; 1st floor—2 apartments; 2nd to 3rd floors—one apartment each floor; 4th to 5th floors—two apartments each floor; lots 11 and 12 were developed with four story buildings as follows: cellar—storage; 1st floor—2 apartments; 2nd to 3rd floors—one apartment each floor; 4th floor—2 apartments; that lot 31 was developed with a three story and basement building as follows: cellar—storage; basement—store and one class A apartment; 1st to 3rd floors—class A apartments; that lot 32 was developed with a four story and basement building as follows: cellar—storage; basement—tailor shop; 1st to 4th floors—class A apartments; that lot 33 was developed with a four story and basement building used as follows: cellar—storage; basement—one apartment; 1st floor—offices; 2nd floor—two apartments; 3rd to 4th floors—one apartment each floor; that it is proposed to secure a variance of the building zone resolution in order to install a restaurant and stores on the 1st floor; and

WHEREAS, the applicant contends that the restaurant and stores as contemplated will face East 8th street and the store show windows will be set back of the building line so as to provide better pedestrian travel; that stores 1, 2, 3 and part of store 4 are within a local retail use district and are a permissible use and it is only intended to extend the balance of the store and the restaurant into the residence use district; that although the restaurant is within the residential portion of the plot, the exterior on 5th avenue and for a distance of 41 ft. 8 in. on East 8th street will be treated architecturally the same as the residential part of the building, giving no illusion of a business use; that there is a non-conforming use directly opposite the site in block 572, lot 44 in a residence zone; that the original buildings on lots 1, 2 and 4, before demolition, contained non-conforming uses and the proposed

MINUTES

store and restaurant replaces said use in part but in a manner more in keeping with the affected area as it has developed; that inasmuch as there now exists a store in block 550, lot 23 the erection of store show windows and signs on the proposed building directly opposite the present store will not affect any of the adjoining properties; and

WHEREAS, the applicant states that the present owner has held title to lots 7 and 8 since August 12, 1947; lots 1, 2, 4, 32 and 34 since May 1, 1918 and to lots 5, 6, 9, 10, 11, 12, 31 and 33 since May 1, 1907; that the assessed valuation of land is \$595,500; and

WHEREAS, the premises and the surrounding area were inspected by a Committee of the Board; and

WHEREAS, the Board found that this was an appropriate case in which to exercise discretion to grant under Section 7, Subdivisions c and A of the Zoning Resolution.

Resolved, that the Board of Standards and Appeals does hereby *make a variation* in the application of the use district regulations of the zoning resolution and that the application be and it hereby is *granted* under Section 7c to permit the extension into the more restricted district substantially as proposed and as indicated on plans filed with this application marked, "Received, October 27, 1954," (8 sheets), and under Section 7A to permit the show windows and signs for the proposed restaurant and stores as indicated on such plans *on condition* that in all other respects the building and occupancy shall comply with all laws, rules and regulations applicable thereto; that the portion of the building in which the restaurant is herein permitted shall be of a residential type of design as to the exterior along Fifth avenue and East 8th street; that signs shall be restricted to the area as indicated on such plans for signs and shall comply with the requirements therefor; and that all permits shall be obtained and all work completed within the requirements of Section 22A of the Zoning Resolution.

Adjourned: 12:40 P. M.

JOSEPH J. DOYLE, *Chief Clerk.*

REGULAR MEETING

TUESDAY AFTERNOON, JANUARY 4, 1955, 2 P. M.

Present: Chairman Murdock, Commissioners Kleinert and Keating and Deputy Chief Connors.

336-54-A

APPLICANT—Ashford Street Talmud Torah, owner.

SUBJECT—Application reopened December 14, 1954 and restored to docket—re Appeal from an order and a decision of the fire commissioner.

PREMISES AFFECTED—473 Ashford street, east side, 125 ft. south of Sutter avenue, Block 4048, Lot 16, Borough of Brooklyn.

APPEARANCES—

For Applicant: Joseph B. Klein and Moses Zupnik.

For Administration: Lieut. John P. Manfredi, Fire Dep't.

ACTION OF BOARD—Appeal granted on condition.

THE VOTE—

Affirmative: Chairman Murdock, Commissioners Kleinert and Keating and Deputy Chief Connors 4
Negative 0

THE RESOLUTION—

WHEREAS, order No. 1689 issued by the Fire Commissioner February 19, 1954 and referred to in a decision of the Fire Commissioner dated April 23, 1954, reads:

"YOU ARE HEREBY ORDERED AND REQUIRED, within 30 days from the date of this service of order, to:

1. Install an adequate electric closed circuit interior fire alarm system in accordance with the Rules of the Board of Standards and Appeals and the enclosed approved layout. Sec. C19-487 E. "O.C.i. of the Administrative Code."

and

WHEREAS, the applicant states that the building is 3 stories, 35 ft. in height, 40 ft. by 70 ft. in area, of class 3 construction, erected 1919 located on a lot 60 ft. by 100 ft. in area, in a residence use, C area, class 1 height district and used and occupied since erection: cellar—boiler room and meeting room, 40 persons; 1st floor—synagogue, 100 persons; 2nd floor—class rooms and office, 60 persons; 3rd floor—class rooms, 40 persons; that the building is provided with an approved standpipe system, two interior 48 in. wide marble and steel stairs enclosed in brick, plastered, equipped with metal doors which are not self-closing; that one stair hall leads to roof bulkhead; that there is one exterior stairs on the rear extending to roof by stair with egress from its lower termination through a side yard on the premises; and

WHEREAS, violation No. 337 of 1954 was issued February 1, 1954 by the Borough Superintendent in that exit lights and signs were not properly maintained on all floors and exit doors on the 2nd and 3rd floors and to roof were blocked and not readily openable; and

WHEREAS, the applicant contends that the school is now equipped with a bell system controlled from the principal's office on the 2nd floor; that this system consists of a bell in the hall on each floor and also a bell in each classroom, all of which can be clearly heard by the pupils and teachers; that the building is provided with a standpipe system in good working order with hose located in the corridor of each classroom floor and easily accessible; that the pupils use only the 2nd and 3rd floors; that there are fire extinguishers on every floor; that there are two remote means of egress in the building provided with exit signs and lights and regular supervised fire drills are held at least once a month so that all occupants are familiar with exit facilities in the event of fire; that since many of the pupils attending school pay no tuition and that since the financial situation in the school is bad and the installation of an interior fire alarm system is very expensive, it is requested that the Board vary the requirements so as to accept the bell system in lieu of the interior fire alarm system; and

WHEREAS, the premises were inspected by a committee of the Board, which recommended that the appeal be granted under certain conditions.

Resolved, that the decision of the Fire Commissioner acting on Order No. 1689, Objection #1, dated April 23, 1954, be and it hereby is *modified* and that the appeal be and it hereby is *granted* to permit the continuation of the existing bell system, as proposed, *on condition* that in all other respects the building and occupancy shall comply with all laws, rules and regulations applicable thereto; that any and all violations shall be complied with; that a non-coin operated telephone system shall be installed and maintained on the premises in a position as may be determined by the Fire Commissioner; as shown on plans filed with this appeal marked "Received March 10, 1954" (5 sheets).

373-54-A

APPLICANT—Gismar Realty Corp., owner.

SUBJECT—Application May 6, 1954—re Appeal from a decision of the borough superintendent.

PREMISES AFFECTED—1985-1993 Jerome avenue, west side, 445 ft. 4 3/8 in. south of Burnside avenue, Block 2863, Lot 50, 2nd floor, Borough of The Bronx.

APPEARANCES—

For Applicant: David Geisinger.

For Administration: Samuel L. Becker, Dep't of Housing and Buildings.

ACTION OF BOARD—Appeal granted on condition.

THE VOTE—

Affirmative: Chairman Murdock, Commissioners Kleinert and Keating and Deputy Chief Connors 4
Negative 0

THE RESOLUTION—

WHEREAS, the decision of the Borough Superintendent, dated April 27, 1954 on amendment as to Alt. Applic. 997/53, reads:

MINUTES

"3. Proposed increase in number of employees on 2nd floor for mfg. and increase in floor area for same is contrary to Bd. of S & A 1338-27-S. Note north stairway should extend to roof Sect. 270-4(d) Labor Law and to be enclosed in incombustible materials as per sec. 270 L. L. 4(a)."

and

WHEREAS, the applicant states the building is two stories, 108 ft. 4 in. by 75 ft. in area, of class 3 construction, erected 1919, located on a lot 108' 4" x 100' in area in a business use, B area, class 1¼ height district and used and occupied since prior to 1946 as follows: cellar—boiler room, storage of furniture, frames, storage of paper and paper cutting, 1 person; 1st floor—upholstering, printing, repairing and refinishing of furniture, manufacturing window shades and assembly of venetian blinds—25 persons; 2nd floor—manufacturing of clothing and refinishing of furniture—50 persons; that the building is provided with two interior, 4 ft. 2 in. wide steel stairs with concrete treads, brick enclosed, equipped with kalamein self-closing doors; that both stairs lead direct to street and one leads to roof bulkhead and the other is provided with ladder and scuttle to roof; and

WHEREAS, Certificate of Occupancy #149 issued July 28, 1933 upon completion of work under Alt. Permit No. 394 of 1928 permits the following use and occupancy: 1st floor—stores, 120 lb. live load; number of occupants not stated; 2nd floor—light manufacturing for not more than 25% of the floor area, 120 lb. live load—15 persons; and

WHEREAS, on May 29, 1928 under Cal. No. 1338-27-S, the board modified fire department order No. 29021LD, item No. 1, requiring the extension of the interior stairway at the north side of the building to the roof to comply with section 270 of the labor law and order No. 29022LD, item No. 1, requiring that exit doors to interior stairs be arranged to open outwardly and modified a decision of the Borough Superintendent dated January 5, 1928 on N.B. Applic. 1178 of 1925 as to factory use in a business use district, on condition that the building be not increased in height or area and that the factory occupancy be limited to one room at the northeasterly front of building, restricted to light needlework industry with an occupancy not over 15 persons in single tenancy, and on the further condition that the factory use should at no time exceed 25% of the area of the building; and

WHEREAS, the applicant states that the south stairway extends from the street to the roof and is enclosed with fireproof material and constructed of steel and concrete; that the north stairway extends from street to 2nd floor enclosed with fireproof material and is constructed of steel and concrete; that there is a double rung iron ladder leading from 2nd floor to roof; that two of the cellar spaces are provided with stairways enclosed with fireproof material equipped with fireproof self-closing doors at cellar level; that these stairs lead to the 1st floor stores, and in addition there are adequate exits from the cellar leading to the rear yard; and

WHEREAS, the applicant states that the total area of the lot is 10,840 sq. ft. and that the total area in the building used for manufacturing will not exceed 7,760 sq. ft.; and

WHEREAS, the applicant contends that the building has sufficient and safe means of egress, especially in view of the small number of occupants that to be required to comply with the requirements of the labor law would entail a serious hardship on the owner; and

WHEREAS, the applicant states that it is proposed to install a sprinkler system throughout the building.

Resolved, that the Board of Standards and Appeals does hereby *make a variation* in the requirements of the Labor Law, as cited in a decision of the Borough Superintendent, acting on Alt. Applic. No. 997/53, Objection 3, dated April 27, 1954, and that the appeal be and it hereby is *granted*; and that the resolution adopted by the Board on May 29, 1928, be and it hereby is *amended* to permit manufacturing, as proposed and as shown on plans filed with this appeal marked, "Received, May 6, 1954" (6 sheets), in the building provided the space occupied for manufacturing on the two floors does not exceed an area equal to the area of the lot; that the two means of exit, one leading to the roof by means of an enclosed

stair and the other by means of a double rung steel ladder within the stair enclosure shall be maintained in accordance with the requirements therefor; that a sprinkler system complying with the requirements therefor shall be installed and maintained; that any combustible materials used in any part of the premises shall be subject to permits issued by the Fire Commissioner; that the building shall not be increased in height or area; and that the building and occupancy shall in all other respects comply with all laws, rules and regulations applicable thereto.

781-54-A

APPLICANT—Abraham Grossman, for Olga Goth, owner.
SUBJECT—Application October 15, 1954—re Appeal from a decision of the borough superintendent.

PREMISES AFFECTED—110-114 East 130th street, south side, 190 ft. east of Park avenue, Block 1778, Lot 62, Borough of Manhattan.

APPEARANCES—

For Applicant: Abraham Grossman and Adolph Goth.

For Administration: Samuel L. Becker, Dep't of Housing and Buildings.

ACTION OF BOARD—Appeal granted on condition.

THE VOTE—

Affirmative: Chairman Murdock, Commissioners Klein-ert and Keating and Deputy Chief Connors 4
Negative 0

THE RESOLUTION—

WHEREAS, the decision of the Borough Superintendent dated September 16, 1954, on Alt. Appl. 1206 of 1954, reads:

"Proposal to occupy the 2nd floor of subject Class 3 bldg. as a garage is contrary to 4.2.1. B.C."

and

WHEREAS, the applicant states the building is two stories, 33 ft. in height, 75 ft. front by 90 ft. 11 in. in depth, of Class 3 construction, erected in 1917, located in an unrestricted use, B area, Class One and one-half height district, and used and occupied since 1947, as follows: Cellar—Boiler room, one person; 1st floor—Iron shop, office, storage of two motor trucks, 30 persons; 2nd floor—Roofing and Sheet Metal Machine Shop, five persons; Mezzanine—Locker room, and now proposed to be used and occupied as follows: Cellar—Boiler room, one person; 1st floor—non-storage garage, 2 persons; Mezzanine—Locker room, one person; 2nd floor—non-storage garage, two persons; the building is provided with two 3 ft. 8 in. wide interior fireproof stairs, fireproof enclosed equipped with fireproof self-closing doors, one of which leads to roof bulkhead and the other is provided with a ladder and scuttle to roof; both stairs lead direct to street; and

WHEREAS, Certificate of Occupancy #593 issued on NB App 64 of 1917, permits the basement to be used as a boiler room and the first floor and the floor above to be used as a garage with an occupancy of fifteen persons on each floor; and

WHEREAS, Certificate of Occupancy #31465 issued January 9, 1946, upon completion of work under Alt. App. 1492 of 1945, permits the following use and occupancy: Basement—Boiler room; First story, iron shop, 120 lb. live load, 30 persons; Mezzanine, locker room, 30 persons; 2nd story—roofing and sheet metal and machine shop, 120 lb. live load, number of persons not stated; and

WHEREAS, Certificate of Occupancy #32525 issued February 14, 1947, upon completion of work under Alt. App. 1302 of 1946, permits the following use and occupancy: Cellar—boiler room; first floor, iron shop, office and storage of two motor trucks on ramp, 30 persons; Mezzanine—Locker room, 30 persons; 2nd story—roofing and sheet metal machine shop, five persons; and

WHEREAS, the applicant states that the building is of fireproof construction throughout with the exception of the main roof and the extension roof, the construction of which consists of wood beams resting on steel protected on the underside with wire lath and cement mortar; and

WHEREAS, the applicant contends that in view of the fact that the building was erected as a garage and was used as such for a period of 29 years and in view of the fact that a new

MINUTES

fireproof stair and fireproof stair enclosure leading directly to street with ladder and scuttle to roof was installed under Alt. App. 1302 of 1946, and in view of the necessity for additional parking space in the area substantial justice will be done and the public welfare and safety secured by the granting of this appeal; and

WHEREAS, the applicant states that the gasoline tanks will be removed and no gasoline will be sold in the building; and

WHEREAS, the applicant states that the owner has a garage located at 342 East 122nd Street, Manhattan, which has been taken by the City in condemnation proceedings for a housing project, and that the building now in question was purchased by the owner for the purpose of transferring the garage business from the existing building at 342 East 122nd Street to the building in question; and

WHEREAS, the premises were inspected by a committee of the Board, which recommended that the appeal be granted under certain conditions.

Resolved, that the decision of the Borough Superintendent, acting on Alt. Applic. 1206-54, obj. #1, be and it hereby is *modified*, and that the appeal be and it hereby is *granted*, to permit the building throughout to be occupied as a public non-storage garage *on condition* that the building shall not be increased in height or area and shall be maintained as proposed and as indicated on plans filed with this appeal marked, "Received, October 14, 1954" (8 sheets); that the existing gasoline tanks shall be removed or filled and the pumps removed to the satisfaction of the Fire Commissioner; that the building shall be occupied for no other use than as herein permitted; and that in all other respects the building and occupancy shall comply with all laws, rules and regulations applicable thereto.

402-41-A—Vol. IV

APPLICANT—Robert Gottlieb, for Retta and Robert Pragnell, owners.

SUBJECT—Application for consideration—reopening and restore to docket, subject to regular procedure—re Appeal from a decision of the borough superintendent.

THE VOTE—

Affirmative: Chairman Murdock, Commissioners Kleintert and Keating 3

Negative 0

Absent: Deputy Chief Connors 1

THE RESOLUTION—

WHEREAS, this application was amended by the Board as Vol. II, on October 19, 1954, on certain conditions; and

WHEREAS, the applicant requested an amendment of the resolution and time to complete the work.

Resolved, that the Board of Standards and Appeals does hereby *amend* the resolution adopted on October 19, 1954, by adding thereto:

"that as proposed there may also be permitted under section 7i motor vehicle repairing with hand tools only maintained within the building, as proposed on plans filed marked 'Received May 11, 1954', on condition that all permits required shall be obtained and all work completed within six (6) months from the date of this *amended* resolution." (Alt. 3668/53)

384-25-BZ—Vol. II

APPLICANT—Lama, Proskauer and Prober, for 547 West 133rd Street Corp., owner (Reliable Garage, lessee).

SUBJECT—Application for consideration—reopening and extension of time to complete—re Application (decision of the borough superintendent) previously granted on condition, under section 7i of the zoning resolution, permitting in a business use district, the addition of motor vehicle repairs, painting, spraying, welding and body and fender work, to existing storage garage for more than five motor vehicles.

PREMISES AFFECTED—547-551 West 133rd street, north side, 175 ft. east of Broadway, Block 1987, Lot 9, Borough of Manhattan.

APPEARANCES—

For Applicant: Ernest Cordova.

For Administration: Samuel L. Becker, Dep't of Housing and Buildings.

ACTION OF BOARD—Application reopened and time to complete work extended.

THE VOTE—

Affirmative: Chairman Murdock, Commissioners Kleintert and Keating and Deputy Chief Connors 4

Negative 0

THE RESOLUTION—

WHEREAS, this application was granted by the Board as Vol. II, on December 15, 1953, on certain conditions; and

WHEREAS, time to obtain permits and complete the work was extended on June 22, 1954; and

WHEREAS, the applicant requested a further extension of time to obtain permits and complete the work.

Resolved, that the Board of Standards and Appeals does hereby *amend* the resolution adopted on December 15, 1953, as thereafter *amended* by resolution adopted on June 22, 1954, only so far as it has reference to the time within which to obtain permits and complete the work, so that as *amended* this portion of the resolution shall read:

"that in view of the statement by the applicant that the work is approximately half completed, that all permits required shall be obtained and all work completed within six (6) months from the date of this *amended* resolution" (153/53).

247-35-BZ—Vol. II

APPLICANT—De Rose and Cavalieri, for Henry Sauer, owner.

SUBJECT—Application for consideration—reopening and as to amendment—re Application (decision of the borough superintendent), previously granted on condition, under sections 7e and 21 of the zoning resolution, permitting in a residence use E area district, the erection and maintenance of a lunch wagon (restaurant) nearer to the street line than is permitted.

PREMISES AFFECTED—3007 East Tremont avenue, northeast corner of Ericson place, Block 5381, Lot 38, Borough of The Bronx.

APPEARANCES—

For Applicant: Anthony M. De Rose.

For Administration: Samuel L. Becker, Dep't of Housing and Buildings.

ACTION OF BOARD—Application reopened and resolution amended.

THE VOTE—

Affirmative: Chairman Murdock, Commissioners Kleintert and Keating and Deputy Chief Connors 4

Negative 0

THE RESOLUTION—

WHEREAS, this application was granted by the Board as Vol. II, on January 12, 1954, on certain conditions; and

WHEREAS, the applicant requested an amendment of the resolution.

Resolved, that the Board of Standards and Appeals does hereby *amend* the resolution adopted on January 12, 1954, by adding thereto:

"that there may be a cellar constructed under the building; that the area of the building may be as permitted by the Board in the resolution above cited as an extension of area and irrespective of change of E area zoning, the variance may be continued as shown on plan filed with this request for amendment dated December 10, 1954 (1 sheet) and as passed on by the Borough superintendent under NB 273/53, Objections 3 to 6." (N. B. 273/53)

78-54-BZ

APPLICANT—Lama, Proskauer and Prober, for Frederick C. Barkin, owner.

SUBJECT—Application for consideration—reopening and extension of time to complete—re Application (decision of the borough superintendent), previously granted on condition, under section 7i of the zoning resolution, permitting in a residence and business use district, the change in occupancy from storage garage to manufacture of auto springs, repairs, motor vehicle repairs, welding, wheel alignment, lubrication, and the use of a forge installed in a fireproof room.

PREMISES AFFECTED—2839-2845 Atlantic avenue and 171 Schenck avenue, northeast corner, Block 3949, Lot 1, Borough of Brooklyn.

APPEARANCES—

For Applicant: Ernest Cordova.

For Administration: Samuel L. Becker, Dep't of Housing and Buildings.

ACTION OF BOARD—Application reopened and time to complete work extended.

THE VOTE—

Affirmative: Chairman Murdock, Commissioners Kleinert and Keating 3

Negative 0

Absent: Deputy Chief Connors 1

THE RESOLUTION—

WHEREAS, this application was granted by the Board on June 29, 1954, on certain conditions; and

WHEREAS, the applicant requested an extension of time to obtain permits and complete the work.

Resolved, that the Board of Standards and Appeals does hereby *amend* the resolution adopted on June 29, 1954, only so far as it has reference to the time within which to obtain permits and complete the work, so that as *amended* this portion of the resolution shall read:

"that in view of the statement by the applicant that plans have been approved by the Department of Housing and Buildings and the work is substantially complete, that all permits required shall be obtained and

MINUTES

all work completed within six (6) months from the date of this *amended* resolution." (Alt. 5150/53)

1169-25-BZ—Vol. II

APPLICANT—George H. Colin, for Evangeline Schacht, owner (Cities Service Oil Company, lessee).

SUBJECT—Application for consideration—reopening and consider revised plans in substitution for plans as approved in resolution adopted April 20, 1954—re Application (decision of the borough superintendent), previously granted on condition, under sections 7A, 7c and 21 of the zoning resolution, permitting in a local retail use district, the reconstruction of existing gasoline service station to include auto laundry (non automatic), lubritorium, motor vehicle repairs, storage and sale of accessories and office and permitting a proposed roof sign.

PREMISES AFFECTED—219-33 Hillside avenue, north side, for Springfield boulevard to Braddock avenue, Block 10689, Lot 1, Queens Village, Borough of Queens.

APPEARANCES—

For Applicant: Benjamin Mosher and Robert Stanton.

For Administration: Samuel L. Becker, Dep't of Housing and Buildings.

ACTION OF BOARD—Application reopened as Vol. II and set for hearing February 1, 1955, at 10 A.M., waiving all requirements except new decision of the Borough Superintendent and the legal publication in the Bulletin; also to permit examination of revised plans which have been filed for the Board's consideration, superseding previously filed plans.

THE VOTE—

Affirmative: Chairman Murdock, Commissioners Kleintert and Keating 3

Negative 0

Absent: Deputy Chief Connors 1

254-45-BZ—Vol. III

APPLICANT—Ingram S. Carner, for Titus Motors Inc., owner.

SUBJECT—Application for consideration—reopening as based on alleged new facts—re Application (decision of the borough superintendent), previously denied, under sections 7c, 7f and 7h of the zoning resolution, to permit in the local retail use district portion of a plot located in a residence and local retail use district, the erection and maintenance of a gasoline service station, lubritorium, car wash, sale and storage of accessories and office and to permit the parking of cars waiting to be serviced and to permit the extension of existing building with fireproof roof supported on lally columns, to display used cars (previously granted by the Board as show room, motor vehicle repairs, using more than the area permitted, with an entrance more than 25 ft. from intersection and the installation of one 550 gallon gas tank and one dispensing pump within building) and to permit the parking and storage of new and used motor vehicles in the residence use district portion of plot at rear of existing building.

PREMISES AFFECTED—186-23 to 186-49 Merrick boulevard and 186-01 to 186-13 Ridgedale avenue, northwest corner; 186-02 to 186-16 Pineville lane and 125-12 to 125-32 De Foe street, Block 12718, Lot 1, Borough of Queens.

APPEARANCES—

For Applicant: Ingram S. Carner.

For Administration: Samuel L. Becker, Dep't of Housing and Buildings.

ACTION OF BOARD—Application reopened as Vol. IV, subject to the regular procedure, for rehearing based on substantial new facts, which consist of consents of adjoining owners who previously objected and a rearrangement of the proposed gasoline station with pumps set back 15 feet from Merrick boulevard and landscaped areas to be maintained and also the elimination of the splay with canopy in connection with the sale of used cars.

THE VOTE—

Affirmative: Chairman Murdock, Commissioners Kleintert and Keating 3

Negative 0
Absent: Deputy Chief Connors 1

747-48-BZ—Vol. III

APPLICANT—Leonard F. Rothkrug and Anthony J. Daidone, for Danexter Realty Corporation, owner (Mapleton Live Poultry Market, lessee).

SUBJECT—Application for consideration—reopening and as to extension of time to complete—re Application (decision of the borough superintendent), previously granted on condition, under section 7c of the zoning resolution, permitting in a business use district, the proposed extension of an existing building used as a poultry market and slaughtering of poultry (previously granted an extension by the Board); the proposed extension to be for mercantile use, the poultry market not to be extended except for loading and unloading at the rear and for the proposed plucking room.

*CORRECTION

The minutes of the meeting of the Board of Standards
and Appeals held on December 14, 1954, as they appeared in
Bulletin No. 51, Vol. 39, are hereby corrected to read as
follows:

239-54-A

APPLICANT—Arthur Levine, for Irving Goldberg, owner.
SUBJECT—Application March 5, 1954—Appeal from a de-
cision of the borough superintendent.

PREMISES AFFECTED—725 Union street, north side, 69
ft. west of 5th avenue, Block 952, Lot 43, Borough of
Brooklyn.

APPEARANCES—

For Applicant: Arthur Levine and Abraham Farber.

For Administration: Samuel L. Becker, Dep't of Housing
and Buildings.

ACTION OF BOARD—Appeal granted on condition.

THE VOTE—

Affirmative: Chairman Murdock, Commissioners Klein-
ert and Keating and Deputy Chief Connors 4
Negative 0

THE RESOLUTION—

WHEREAS, the decision of the borough superintendent, dated
February 5, 1954, on Alt. App. 122/54 reads:

"2. Live load of 3d & 4th floors to be adequate for 120
lbs. per sq. ft. Sect. 7.3.2.3 of Bldg. Code.

3. Provide fireproof passage on 1st floor for egress
from rear stairway as per Rule #6 of B.S.A. Factory
Rules.

4. Provide two legal exists from cellar leading direct
to street as per 271 of Labor Law."

and

WHEREAS, this appeal was withdrawn July 13, 1954, with-
out prejudice for the purpose of obtaining a new decision of
the borough superintendent; and

WHEREAS, this appeal was reopened and restored to the
docket September 21, 1954; and

WHEREAS, the decision of the borough superintendent, dated
August 12, 1954, on Alt. App. 122/54, reads:

"2. Live load of 3d and 4th floors to be adequate for
120 lbs. per sq. ft. as per sect. 7.3.2.3 Bldg. Code.

3. Provide fireproof passage on 1st floor for egress
from rear stairway as per Rule #6 of B.S.A. Factory
from stairway in rear as per Rule #6 of B.S. & A.'s
Factory Rules.

4. Provide two exits from cellar leading direct to street
as per sect. 271 Labor Law."

and

WHEREAS, the applicant states the building is 4 stories, 60
ft. in height, 30 ft. by 85 ft. in area, Class 3 construction,
erected prior to 1911 on a lot 30 ft. front by 95 ft. irregular
in depth, in a business use, B area, Class 1½ height district;
used and occupied since 1946: cellar—boilerroom, storage and
manufacture of trunks, 4 persons; 1st floor—store and manu-
facture of trunks, 5 persons; 2nd floor—manufacture of
blouses, 28 persons; 3rd floor—vacant; 4th floor—manufac-
turing slippers, 24 persons; and

WHEREAS, Certificate of Occupancy #11387 issued March
11, 1946, upon completion of work under Alt. App. 3679/45
permits the following use and occupancy: cellar—boilerroom
and ordinary storage; 1st floor—store, 5 persons, 120 lb. live-
load; 2nd floor—light manufacturing, 28 persons, 120 lb. live-
load; 3rd and 4th floors—sale and display of light merchandise,
9 persons and 75 lbs. liveload each floor; and

WHEREAS, the applicant states that it is proposed to use and
occupy the building as follows: cellar—boilerroom, storage
and manufacturing trunks, 4 persons; 1st floor—store and
manufacturing trunks, 5 persons; 2nd floor—manufacturing
blouses, 20 persons; 3rd floor—manufacturing of a type per-
mitted in a business district, 24 persons; 4th floor—manufac-
turing slippers, 24 persons; that the building is provided with
one interior wood stairs, 4 ft. wide, enclosed in partitions
of wood stud, covered with metal lath and ¾ in. plaster both
sides, equipped with 1-hour test fireproof, self-closing doors;
that the stairhall leads directly to street and is provided with
ladder and scuttle to roof; that there is one fire escape on the
front extending to street by stair; window and door openings
on course of fire escape are fireproof, self-closing; and

WHEREAS, Violation 1471/54 was issued by the borough
superintendent for deviation from certificate of occupancy
113877; and

MINUTES

WHEREAS, the applicant states the building was built prior to 1911 and occupied for store, dancehall and meeting rooms under Permit #31/11; that Alt. App. 336/20 was issued May 3, 1920 describing the occupancy as storage and manufacturing; and the building was used for manufacturing marine upholstery and for storage; that on September 13, 1921 the Board under Cal. 652-21-S granted a variation from the requirements of the Labor Law as to means of egress, at which time the building was occupied as follows: 1st floor—manufacturing mattresses, 3 persons; 2nd floor—manufacturing ice, 2 persons; 3rd floor—manufacturing mattresses, 6 persons; 4th floor—mattresses, 4 persons; that Certificate of Occupancy 2834-A was issued May 8, 1922, based on Alt. App. 18488/21, which permitted the following occupancy: 1st floor—store; 2nd, 3rd and 4th floors—dancehall and meeting rooms; that the present certificate of occupancy #113877 was issued March 11, 1946; that the building is provided with a fully enclosed fire-retarded stairhall from 4th to 1st floor, with fire-retarded passageway leading directly to street, equipped with 1-hour fireproof self-closing doors at all floor openings; there is an approved fire escape at the front; that there are now three means of egress from cellar, one leading direct to street and the other two exit to the 1st floor store; and

WHEREAS, the applicant states it is now proposed to install an enclosed fireproof stairway from the cellar to first floor passageway which leads direct to street; to install a fire alarm system on all floors and to make minor alterations as indicated on plans of proposed conditions filed with this appeal and to obtain a certificate of occupancy for the following use and occupancy: cellar—boilerroom, storage and manufacturing trunks, 4 persons; 1st floor—store and manufacturing trunks, 5 persons, 120 lbs. liveload; 2nd floor—manufacturing blouses, 28 persons, 120 lbs. liveload; 3rd floor—manufacturing of a type permitted in a business district, 24 persons, 75 lb. liveload; 4th floor—manufacturing slippers, 24 persons, 75 lbs. liveload; and

WHEREAS, the applicant contends as to Objection 2 that he has been informed the existing floor loads on the 3rd and 4th floors and adequate to sustain the present load; and

WHEREAS, the applicant contends as to Objection 3, that he has been informed and believes the present passageway on the 1st floor presents a safe condition; that it is 4 ft. 6 in. wide and the ceiling and wall partitions are all 1-hour fire-retarded partitions of wood studs covered with metal lath and $\frac{3}{4}$ " p.c. mortar on both sides; that the ceiling in cellar under 1st floor passageway and stairs is fire-retarded with $\frac{1}{2}$ in. plasterboards covered with 26 gauge metal; that the occupancy is only 48 persons above the 2nd floor; that the building is only 4 stories high with a fully enclosed fire-retarded stairhall and an approved fire escape and will be equipped with a fire alarm system; and in view of all these facilities, the applicant believes the conditions shown for the building are adequate to safeguard the occupancy; and

WHEREAS, the applicant contends as to Objection 4, that he is informed and believes the existing exit facilities from cellar will adequately safeguard the occupants of the building because the human occupancy is limited to 4 persons in the

cellar and the occupancy of cellar is occasional rather than continuous; that there are three existing and proposed means of egress from cellar consisting of a stairway direct from cellar to street covered by a steel sidewalk cover at front of building; a 3 ft. 8 in. wide fireproof enclosed stairway at southeasterly corner of cellar leading up to the 1st floor store with head of stairway located less than 10 ft. from street door and a 3 ft. 11 in. wide enclosed stairway at the northwest corner of the building; that this stairway is proposed to be enclosed at the 1st floor so that it leads direct to present 1st floor passageway which leads direct to the street; and

WHEREAS, the premises were inspected by a committee of the Board which recommends that the appeal be granted under certain conditions.

Resolved, that the decision of the borough superintendent acting on Alt. App. 122 of 1954, Objections 2, 3 and 4, be and it hereby is *modified* and that the appeal be and it hereby is *granted on condition* that the existing live load of 100 lbs. per superficial foot shall be maintained on the upper floor and that such load shall be posted and maintained to the satisfaction of the borough superintendent; that as to Objection No. 3, the existing fire retarded passage on the street floor from the primary means of exit, consisting of a stairway at the rear, with enclosed passage to the street may be accepted provided such passage is fire retarded on the interior on the walls and ceiling and also on the cellar ceiling below such passage; and that the primary means of exit shall comply with the requirements and shall be maintained to the satisfaction of the borough superintendent; as to Objection No. 4, the proposed two means of exit from the cellar as indicated on plans filed with this appeal marked "Received, March 5, 1954" (4 sheets), "September 10, 1954" (2 sheets) and "October 20, 1954" (1 sheet), may be maintained *on condition* that the manufacturing use in the cellar shall not exceed what is now proposed; that the opening beyond the building line from one of the cellar exits shall be fitted with an easy opening device from the cellar side and that no padlock shall be maintained on the outside; that in all respects the building and occupancy shall comply with all laws, rules and regulations applicable thereto other than as modified this date under Cal. No. 362-46-BZ, Vol. 11; that there shall be a ladder and scuttle to roof from the top story in the main stair hall; that the fire escape on the front of the building shall be maintained as proposed with counter-balanced ladder to street; that in all other respects the building and occupancy shall comply with the requirements of the Building Code as to construction and occupancy, and shall not be increased in height or area and that the existing stairway from the cellar to the first floor shall also be maintained and new stairway enclosed as proposed, from cellar to street floor; that an approved fire alarm system shall be installed and maintained throughout the building as proposed; that a new certificate of occupancy shall be obtained, superseding all previously issued certificates.

* Correction—Date of receipt of plans corrected to read as indicated in the resolution.

PUBLIC HEARINGS

Tuesdays at 10 a.m. to 2 p.m.

Special meetings as published in this Bulletin.

All hearings are held in Room 1013, Municipal Building,
Borough of Manhattan.

HOURS OF CONSULTATION

10. A. M. to 1 P. M.

Any person desiring to consult the chairman or the
engineers, pertaining to the work of the board, will be
seen only between the hours of ten in the morning and
one in the afternoon—Saturdays excepted.

NOTICE TO APPELLANTS AND APPLICANTS

No appeal or application will be entertained in connection
with which court proceedings are pending or in progress,
unless exception is granted by the chairman, nor accepted
which is not filed within thirty days from the date of the
action of the Administrative Official.

Any communication purporting to be an appeal or appli-
cation shall be regarded as a mere notice of intention to seek
relief until it is filed on the form required by the rules of
this board.

Upon receipt of any such communication the writer will
be supplied with the official forms for presenting his appeal
or application.

At the time of filing an appeal or application, the appel-
lant or applicant shall forward a signed notice of appeal
addressed to the administrative official either borough super-
intendent of buildings or fire commissioner and file with
this board a duplicate of said notice.

Appellant and applicants are advised that their plans must
indicate the points of the compass so as to establish the true
location and position of the property, the subject of the
appeal or application.

Appeals and applications will be simplified and disposition
of same expedited by conforming to these directions.

APPLICANT—Angelo S. Mongiello, for Hyman and Morris Glasgall, owners.

SUBJECT—Application August 3, 1954—(decision of the borough superintendent) under section 21 of the zoning resolution, to permit in a residence use district, the change in occupancy from dead storage for autos, garage and one apartment to roofing and sheet metal factory and apartment (one family).

PREMISES AFFECTED—413-415 West 150th street, north side, 112 ft. 11½ in. west of St. Nicholas avenue, Block 2065, Lot 22, Borough of Manhattan.

APPEARANCES—

For Applicant: Angelo S. Mongiello.

For Opposition: James McD. Barker, Rt. Rev. Alfred Bailey, Mabel E. Fredericks, Mrs. John Flanagan, Rachel Russell and Louise J. Nash.

For Administration: Samuel L. Becker, Dep't of Housing and Buildings.

ACTION OF BOARD—Laid over to February 1, 1955, at 10 A. M., for inspection and decision without further argument; hearing closed.

689-54-BZ

APPLICANT—Lama, Proskauer and Prober, for Lillian Kimmel, owner.

SUBJECT—Application August 19, 1954—(decision of the borough superintendent) under section 21 of the zoning resolution, to permit in a residence use, E1 area district the maintenance of two family dwelling, without the required side yards.

PREMISES AFFECTED—1328 President street, south side, 100 ft. west of Brooklyn avenue, Block 1284, Lot 35, Borough of Brooklyn.

APPEARANCES—

For Applicant: James E. Vassalotti.

For Opposition: Joseph Krinsky.

For Administration: Samuel L. Becker, Dep't of Housing and Buildings.

ACTION OF BOARD—Laid over to February 1, 1955, at 10 A. M. for applicant to report to the Board as to zoning change.

754-53-BZ

APPLICANT—Paul Friedman, for Mary Gianos and Marie Colonna, owners.

SUBJECT—Application October 21, 1953—(decision of the borough superintendent) under section 7e of the zoning resolution, to permit in a residence use district the erection and maintenance of a gasoline service station, lubritorium, auto wash, storage and sale of accessories and office; and to permit the parking of cars waiting to be serviced for a term of fifteen years.

PREMISES AFFECTED—76-37 to 76-43 164th street and 164-01 to 164-09 77th avenue, northeast corner, Block 6969, Lot 1, Flushing, Borough of Queens.

APPEARANCES—

For Applicant: Paul Friedman.

For Opposition: Philip Weinberg.

For Administration: Samuel L. Becker, Dep't of Housing and Buildings.

ACTION OF BOARD—Laid over to February 8, 1955, at 10 A. M. for inspection and decision; hearing previously closed.

MINUTES

797-54-BZ

APPLICANT—Ginsberg and Broady, for Anthony Trotta, owner.

SUBJECT—Application October 21, 1954—(decision of the borough superintendent) under sections 7f and 7i of the zoning resolution, to permit in a business use district the extension to existing five car garage and the change in occupancy from five car garage and parking of more than five cars to gasoline service station, lubritorium, motor vehicle repairs, storage and sale of accessories and office, and to permit the parking of more than five motor vehicles on unbuilt upon portion of plot.

PREMISES AFFECTED—690-700 Utica avenue, southwest corner of Clarkson avenue, Block 4636, Lot 6, Borough of Brooklyn.

APPEARANCES—

For Applicant: Ginsberg, Brody and Anthony Trotta.

For Opposition: James McD. Barker, Sol Kronenberg, Moe Mark, Eva Bergman and L. Hauser.

For Administration: Samuel L. Becker, Dep't of Housing and Buildings.

ACTION OF BOARD—Laid over to February 1, 1955, at 10 A.M., for inspection and decision without further argument; hearing closed.

559-37-BZ—Vol. III

APPLICANT—New York Telephone Company, for Robert S. Olnick, John L. Hennessy and Milton P. Lansky, owners, New York Telephone Company, Owner under Contract.

SUBJECT—Application September 9, 1954 (decision of the borough superintendent), under sections 7c and 21 of the zoning resolution, to permit in a residence and business use, B area district, the erection and maintenance of a commercial building (central accounting office for New York Telephone Company), without the required rear yard adjacent to residence use district and using more than the area permitted in residence use portion of plot.

PREMISES AFFECTED—5020-5036 Broadway, east side, from West 213th street to West 214th street; 501-529 West 213th street, 500-518 West 214th street and 3996-4010 10th avenue, Block 2231, Lot 1, Borough of Manhattan.

APPEARANCES—

For Applicant: Edw. B. Cadley, E. J. Balsdon and Joseph B. Klein.

For Opposition: None.

For Administration: Samuel L. Becker, Dep't of Housing and Buildings.

ACTION OF BOARD—Application granted on condition.

THE VOTE—
Affirmative: Chairman Murdock, Commissioner Klei-
ert and Deputy Chief Connors 3
Negative 0
Absent: Commissioner Keating 1

THE RESOLUTION—

WHEREAS, this application was reopened as Vol. III on September 28, 1954 subject to regular procedure, to consider new proposal; and

WHEREAS, a public hearing was held on this application on December 7, 1954 after due notice by publication in the Bulletin; laid over to January 11, 1955, for inspection and decision without further argument; hearing closed; and

WHEREAS, the district maps accompanying the zoning resolution show that the site and West 213th street are in residence and business use, B area, class 1¼ height districts; West 214th street, Broadway and 10th avenue are in a business use, B area, class 1¼ height district; and

WHEREAS, the decision of the borough superintendent, dated August 31, 1954 acting on N.B. Applic. 105-54, reads:

"1. Proposed commercial building located in both residence and business use districts is contrary to Sec. 3 of Z.R. Business building should be located in business

district portion of lot. As commercial building is proposed to be located on a corner lot in business and residence use districts, a rear yard should be provided adjacent to the residence district portion of the lot in accordance with Sec. 17(a) Z.R. and interpretation of Board of Standards and Appeals under Cal. # 775-45-A.

2. Portion of building located in residence use district exceeds 65% of the area coverage contrary to Sec. 12(b) of Z.R."

and

WHEREAS, the applicant states that the premises consist of a plot, 339 ft. 3½ in., 199 ft. 10 in., 237 ft. and 224 ft. 6 in. in depth, irregular, presently used as a parking lot, used car sales lot and with a two-story brick dwelling, which are to be demolished; that there has been no change in the use, height or area designations affecting this plot since July 25, 1916 and there is no petition pending before the City Planning Commission for any change in these designations; that the plot covers an entire city block and fronts 224 ft. 6 in. on Broadway, 237 ft. on 214th street, 199 ft. 10 in. on 10th avenue and 339 ft. ½ in. on West 213th street; that the greater part of the business district portion of this plot is now being used as a parking lot and the remainder as a parking and used car sales lot; that the lessee of the parking lot occupies the brick dwelling; that the parking and used car sales lot is leased by Inwood Motors, Inc., under a lease which can be cancelled on 30 days' written notice and is not subject to the provisions of the Emergency Commercial Space rent control law; that it is proposed to erect a two story and basement office building; and

WHEREAS, the applicant states that the owners have given the telephone company an option to purchase this property, which option expires on February 1, 1955; that the plot is subject to a restrictive covenant, contained in a deed dated January 23, 1860 against the erection of any building which would be a nuisance to adjoining lands, but in the opinion of counsel the erection of the proposed building would not violate this covenant and the Home Title and Guaranty Company has advised that it will issue a policy insuring that such building will not violate this covenant; that the proposed building is urgently needed as a central accounting office for the processing of bills of telephone subscribers located in the northern and west central areas of Manhattan and to house the associated commercial record units which handle subscriber accounts; that it is part of a long range plan directed toward the decentralization of the four large revenue accounting district offices now located at No. 2 Lafayette street; that the very rapid increase in the number of telephones and the resultant increase in the size and complexity of the accounting operation make it necessary to replace the present overloaded and inadequate accounting space facilities with a layout utilizing advanced techniques and operating on an efficient mass production basis; that the present space at No 2 Lafayette street is under a lease which expires in December 1956; that the commercial record units are presently located in widely separated local offices of the company and since the functions of the accounting offices and the commercial record units are interdependent, the centralization of their operations will provide a much more efficient operating basis; that the new office building will house approximately 535 employees; that the site of the proposed building was chosen, after several years of careful survey and study of the entire area, as the best available plot for the type of building required and it is well situated with respect to the area which it will serve and to transportation facilities; that the proposed building will consist of two stories and basement and will be of modern design and construction, with exterior walls of face brick and with aluminum windows; that in the rear of the plot, parking will be provided for company or employees' cars; that it is believed that the proposed building will be a distinct neighborhood improvement; and

WHEREAS, the applicant contends that the existing classification of the irregular shaped gore on the West 213th street frontage as a residence use district, is, today, a zoning

MINUTES

oddity; that no part of such residential district space is presently, nor for many years has been used for residential purposes; that there is no building on such portion today and it seems certain that it would never again be used for residential purposes in the future, lying as it does in a block that is otherwise exclusively zoned for business use; that the shape of the proposed building was dictated by the layout requirements for an efficient flow of sequential work operations of both the accounting and commercial record offices which it will house; that the commercial record office will be located on the 1st floor and the accounting department on the 2nd floor; that the plans provide that the proposed building shall front on Broadway rather than on 10th avenue; that another factor to be considered is the parking area to be provided in the rear of this building; that by having the rear of the building facing 10th avenue, company trucks and employee cars may drive into the parking area at street level which will obviate interference with traffic that a vehicular entrance on Broadway would entail; that in order to provide a building of the size and design required, which will front on Broadway, the use of the residence district space is required; that in view of the fact that the entire block is zoned as a business district, with the exception of this gore, it is submitted that a variance in the application of the use and area district regulations should be granted on the grounds of practical difficulties and unnecessary hardship; that the granting of this application will involve no detriment to any neighboring property; that at the present time, the residential property on 213th street faces a parking lot and a used car lot and an office building of modern design should enhance rather than detract from such property; and

WHEREAS, the applicant states that the present owner has held title to the property since November 5, 1953; that the assessed valuation of land is \$96,500 and of the buildings \$3,500 making a total of \$100,000; and

WHEREAS, the premises and the surrounding area were inspected by a committee of the Board, which recommended that the application be granted under certain conditions; and

WHEREAS, the Board found that this was an appropriate case in which to exercise discretion to grant under Section 7, Subdivision c of the zoning resolution, as to use, and that the applicant had substantiated a basis to warrant exercise of discretion to grant under Section 21, and is therefore entitled to relief, as to area, on the grounds of unnecessary hardship.

Resolved, that the Board of Standards and Appeals does hereby make a variation in the application of the use and area district regulations of the zoning resolution and that the application be, and it hereby is granted under Section 7c as to extension of use and under Section 21 as to extension of area, substantially as proposed and as indicated on plans filed with this application, marked "Received October 15, 1954" (6 sheets), as amended by revised plans marked "Received December 16, 1954" (5 sheets), on condition that all existing buildings and uses shall be removed; that the building in all other respects shall comply with all laws, rules and regulations applicable thereto; that under Section 7e there may also be parking of cars toward the 10th avenue side of the premises, as shown on such revised plans; that such parking shall be solely for the employees of the building; that such parking area shall be leveled substantially to the grade of 10th avenue and surfaced with asphaltic paving; that on the side and front lot lines there shall be erected a retaining wall, if necessary, with fence of the chain link type to a height of 9 feet, as proposed, equipped with gates on the 10th avenue side where entrance and egress are proposed; that such gates shall be kept closed when the parking area is not in operation; that curb cut opposite such entrance shall not exceed 25 feet; that there may be a sign attached to the fence, advertising the private use of the parking area and such other information as the Commissioner of Licenses shall require; and that all permits required

shall be obtained and all work completed within the requirements of Section 22A of the zoning resolution.

449-44-BZ

APPLICANT—O'Connell and Melnerney, for Peter J. Hartmann, owner.

SUBJECT—Application reopened November 23, 1954 for amendment as to use for storage and parking of cars of public instead of for personal business conducted—re (decision of the borough superintendent) previously granted on condition under section 7c of the zoning resolution, permitting in a business use district, the reconstruction of three (3) buildings, two of which are two stories in height, occupied as garages for more than five motor vehicles, and one 1-story in height, occupied as a garage for five motor vehicles, into one (1) building, one story in height, to be occupied as a garage for more than five motor vehicles.

PREMISES AFFECTED—238-242 Vanderbilt avenue, west side, 208 ft. 7 in. north of DeKalb avenue, Block 2092, Lots 53, 54 and 55, Borough of Brooklyn.

APPEARANCES—

For Applicant: J. S. Melnerney.

For Opposition: None.

For Administration: Samuel L. Becker, Dep't of Housing and Buildings.

ACTION OF BOARD—Resolution amended.

THE VOTE—

Affirmative: Chairman Murdock, Commissioners Kleintert and Keating and Deputy Chief Connors 3

Negative 0

Absent: Commissioner Keating 1

THE RESOLUTION—

WHEREAS, on January 9, 1945, this application was granted by the Board on certain conditions, under section 7c of the zoning resolution, to permit in a business use district the reconstruction of three buildings (two, 2 stories in height and one, 1 story in height, occupied as garages for more than five motor vehicles), into one building, one story in height, to be occupied as a storage garage for more than five motor vehicles, solely for cars of owner; and

WHEREAS, on September 25, 1945 application was reopened and resolution amended to read "* * * that the above requirements as to omission of windows in the side line or rear walls may be waived in view of consents filed with Board of owners of property adjacent to side and rear * * *; and

WHEREAS, the applicant requested reopening of this application and amendment of the resolution; and

WHEREAS, this application was reopened on November 23, 1954 and set for hearing on January 11, 1955 at 10 A. M., subject to the regular procedure, waiving all requirements except a new decision of the borough superintendent and two publications in the Bulletin, and waiving notices to affected owners in the area; and

WHEREAS, a public hearing was held on this application on January 11, 1955 after due notice by publication in the Bulletin; and

WHEREAS, the decision of the borough superintendent, dated October 27, 1954 acting on Alt. Applic. 3932-54, reads:

"1. The proposed use of the garage for transient motor vehicles is contrary to the conditional approval of the Board of S. & A., Cal. 449-44-BZ. Therefore the proposed use of the structure as a garage for more than 5 transient motor vehicles in a business area district is contrary to the Zone Res. Art. II, Sect. 4a-15."

and

WHEREAS, the applicant states that under the Board's resolution dated January 1, 1945 the owner was permitted to use the premises as a one story garage for more than five motor vehicles provided the motor vehicles were owned solely by the owner of the premises; that the owner now desires to make use of the premises as a public garage because of changes both in the character of the neighborhood and in the demands of his business; that plans have

MINUTES

been filed with the building department although no changes or alterations to the building are proposed; that a photo-static copy of the building department's objection is filed with this appeal.

Resolved, that the Board of Standards and Appeals does hereby *amend* the resolution adopted on January 9, 1945, as thereafter amended by resolution adopted on September 25, 1945, by adding thereto:

"that in the event the owner desires to permit garaging of cars belonging to others in addition to his own cars, such use may be permitted, on condition that in all other respects the resolutions above cited shall be complied with; and that all permits, including a new certificate of occupancy shall be obtained and all work completed within six (6) months from the date of this *amended* resolution."

650-48-BZ—Vol. II

APPLICANT—Holtzman, Sharf, Mackell and Hellebrand, for Scalia and Weissler Realty Corporation, owner.

SUBJECT—Application May 11, 1954 (decision of the borough superintendent), under sections 7f and 21 of the zoning resolution, to permit, for a term of fifteen years, in a retail use district the erection and maintenance of a gasoline service station, lubritorium, storage and sale of accessories and office, and to permit the parking of cars waiting to be serviced (previously granted by the Board for a term of years, for the sale and display of more than five cars—later extended—term expires September 29, 1958).

PREMISES AFFECTED—89-23 Queens boulevard, north side, 81.06 ft. west of 57th avenue, Block 1845, Lot 58, Elmhurst, Borough of Queens.

APPEARANCES—

For Applicant: Edward Sharf and Ingram S. Carner.

For Opposition: None.

For Administration: Samuel L. Becker, Dep't of Housing and Buildings.

ACTION OF BOARD—Application granted on condition.

THE VOTE—

Affirmative: Chairman Murdock, Commissioners Kleintert and Keating and Deputy Chief Connors 3

Negative 0

Absent: Commissioner Keating 1

THE RESOLUTION—

WHEREAS, this application was reopened as Vol. II on June 2, 1954 subject to regular procedure, to consider a new proposal as to use; and

WHEREAS, a public hearing was held on this application on November 30, 1954 after due notice by publication in the Bulletin; laid over to January 11, 1955, for inspection and decision; hearing closed; and

WHEREAS, the district maps accompanying the zoning resolution show that the site and Queens boulevard are in a retail use, C area, class 1 height district; 57th avenue is in retail and unrestricted use, C area, class 1 height districts; and

WHEREAS, the decision of the borough superintendent, dated April 13, 1954 acting on N.B. Applic. 1058-54, reads:

"1. Use of premises located in a retail use district as gasoline service station, lubritorium, office, sales and storage of auto accessories and parking of cars waiting to be serviced is contrary to Art. II, Sec. 4A of the Zoning Resolution."

and

WHEREAS, the applicant states that the premises consist of a plot, 130.25 ft. frontage by 78.35 ft. in depth, irregular, presently a used car lot; that the property is presently zoned as a retail use, C area, class 1 height district; that as of July 25, 1916 the property was in a business district and was rezoned to a retail district on April 20, 1953; that the height and area designations have not been changed since July 25, 1916 and no zoning amendment relating to this property is pending at the present time; that these premises

are presently combined with lot 59 which together were the subject of Cal. No. 650-48 BZ and 651-48-A which was granted by the Board for use as used car lot for sale and display of more than five cars; that certificate of occupancy No. Q93856 was issued for this use; that it is proposed to remove present uses from the property and improve the site with a modern gasoline service station and accessory building to house the required lubritorium, car washing (non-automatic), office, sales and storage of auto accessories; that it is also proposed to have parking of cars waiting to be serviced; that the accessory building will be of colonial design and will be in keeping with the development of Queens boulevard; that this site is entirely within the retail use zone; and

WHEREAS, the applicant contends that Queens boulevard is a heavily trafficked thoroughfare and there is need for a gas station of this type at this point; that in block 1846, lot 1 there is a gas station as granted by the Board and there is also a gas station in block 2857, lot 22; that this proposed improvement will in no way adversely affect the neighborhood but would provide an essential service to the community in this area; and

WHEREAS, the applicant states that the present owner has held title to the property since May 6, 1948; that the assessed valuation of land is \$10,500 and of the buildings \$500 making a total of \$11,000; and

WHEREAS, the premises and the surrounding area were inspected by a Committee of the Board; and

WHEREAS, the Board found that this was an appropriate case in which to exercise discretion to grant under Section 7, Subdivision f of the Zoning Resolution.

Resolved, that the Board of Standards and Appeals does hereby *make a variation* in the application of the use district regulations of the zoning resolution and that the application be and it hereby is *granted* under Section 7f for a term of fifteen (15) years, to permit the plot to be occupied as a gasoline service station, substantially as proposed and as indicated on plans filed with this application, marked "Received May 11, 1954" (3 sheets), *on condition* that all buildings and uses now on the premises shall be removed and the premises leveled substantially to the grade of Queens boulevard, and constructed and arranged substantially as indicated on plans above cited; that the accessory building shall be of the design shown, faced with face brick on the front and two sides; that pumps shall be erected not nearer than 15 feet to the street building line and shall be of a low approved type; that curb cuts shall be restricted to three curb cuts located where shown, each not over 30 feet in width and no part of any curb cut to be nearer than 5 feet to a side lot line as prolonged; that planting shall be maintained along the east and west lot lines and on the rear where accessory building does not occur, with suitable planting material, as proposed, protected by concrete curbing; that the accessory building shall have no cellar and shall in all other respects comply with the requirements of the Building Code; that equipment for lubrication shall be of the lift type with no open pits; that tanks shall be limited to six 550 gallon approved tanks; that the balance of the premises where not occupied by accessory building and pumps shall be paved with concrete or asphaltic pavement; that the sidewalk and curbing in front of the premises shall be reconstructed or repaired to the satisfaction of the borough president; that signs shall be restricted to a permanent sign attached to the facade of the accessory building and to the illuminated globes of the pumps, excluding all temporary signs and roof signs, but permitting the erection of one post standard either to the north or south for supporting a sign which may be illuminated, advertising only the brand of gasoline on sale, which sign may extend beyond the building line for a distance of not over 4 feet; that such portable fire-fighting appliances shall be maintained as the fire commissioner shall direct; that under the same section, for a similar term, there may be parking of cars awaiting service; and that all permits required shall be obtained and all work completed within the requirements of Section 22A of the zoning resolution.

MINUTES

939-53-BZ—Vol. II

APPLICANT—Lama, Proskauer and Prober, for Roadside Tavern, Inc., owner.

SUBJECT—Application reopened December 14, 1954 as Vol. II, for consideration as to revised plans—re (decision of the borough superintendent) previously granted on condition under section 7c of the zoning resolution, permitting in a residence and business use district, the extension to existing structure of class 1 construction on 1st floor and to maintain and extend the existing uses of restaurant, dancing, dining, cabaret and catering; and permitting the use of 2nd floor of class 3 construction to continue as caretaker's apartment; and permitting the parking of patrons' cars on unbuilt upon portion of plot.

PREMISES AFFECTED—2544 Flatbush avenue and 4201-4223 Avenue V, northwest corner and 2245-2283 Hendrickson street, Block 8559, Lot 1, Borough of Brooklyn.

APPEARANCES—

For Applicant: James E. Vassalotti.

For Opposition: None.

For Administration: Samuel L. Becker, Dep't of Housing and Buildings.

ACTION OF BOARD—Resolution amended.

THE VOTE—

Affirmative: Chairman Murdock, Commissioners Kleiner and Keating and Deputy Chief Connors 3
Negative 0
Absent: Commissioner Keating 1

THE RESOLUTION—

WHEREAS, on June 22, 1954 this application (Vol. I) was granted by the Board on certain conditions, under section 7c of the zoning resolution, to permit in a residence and business use district, the extension of the existing restaurant building on 1st floor and to extend existing uses of restaurant, dancing, dining, cabaret and catering, and to permit the space proposed for parking for use of patrons' cars; and

WHEREAS, the applicant requested reopening of this application and amendment of the resolution; and

WHEREAS, this application was reopened on December 14, 1954 and set for hearing on January 11, 1955 at 10 A.M., subject to the regular procedure, waiving all requirements except a new decision of the borough superintendent and two publications in the Bulletin, and new plans; and

WHEREAS, a public hearing was held on this application on January 11, 1955 after due notice by publication in the Bulletin; and

WHEREAS, the decision of the borough superintendent, dated December 11, 1954 acting on Alt. Applic. 1919-52, reads:

"A. Resubmit to the B.S. & A. the following variations from the plans app'd by the board:

1. & 2. Size & height of extension in rear.
3. Canopy added.
4. Area of Bldg. increased.
5. New mezzanine added.
6. Location & size of sign changed."

and

WHEREAS, the applicant states that the proposed rear extension is to be 88 ft. 5¼ in. in depth in lieu of 90 ft. and to be increased to 25 ft. at high point of proposed truss roof; that the building is to be increased in size at the northeasterly corner, so that the new depth of building on the northerly side will be 151 ft. 6 in. in lieu of 145 ft.; that the canopy on the northeasterly corner of building to be rearranged and enlarged; that the area schedule is to be revised so that area of building will be 26,296 sq. ft., and as 17,500 sq. ft. is allowed under the building code for a class 3 building on three streets, the excessive area will be 8,797 sq. ft.; that a new mezzanine is to be installed on the 1st floor and the cellar is to be rearranged; that the sign on face of building at the northerly elevation is to be relocated to roof of canopy on northeasterly corner of building.

Resolved, that the Board of Standards and Appeals does hereby amend the resolution adopted on June 22, 1954, by adding thereto:

"that in the event the owner desires to erect the proposed rear extension substantially as previously proposed but to be constructed of fireproof construction, substantially as now proposed and as indicated on plans filed with this request for amendment, marked 'Received November 5, 1954' (6 sheets), such fireproof extension may be permitted, provided that in all other respects the resolution above cited shall be complied with, other than as modified by the Board this day by resolution adopted under Cal. 940-53-A, Vol. II; that there may be erected, on the canopy roof over the car entrance, an illuminated sign along the edge of such canopy facing northerly, provided the sign does not exceed 3 feet in height above such roof; and that all permits required shall be obtained and all work completed within the requirements of Section 22A of the Zoning Resolution."

940-53-A—Vol. II

APPLICANT—Lama, Proskauer and Prober, for Roadside Tavern, Inc., owner.

SUBJECT—Application reopened December 14, 1954 as Vol. II for consideration as to additional objections—re Appeal from a decision of the borough superintendent, previously granted on condition.

PREMISES AFFECTED—2544 Flatbush avenue and 4201-4223 Avenue V, northwest corner and 2245-2283 Hendrickson street, Block 8559, Lots 1, 12, 14, 16, 19 and 65, Borough of Brooklyn.

For Applicant: Paul Friedman.

For Opposition:

For Administration: Samuel L. Becker, Dep't of Housing and Buildings.

ACTION OF BOARD—Application Appeal granted on condition.

THE VOTE—

Affirmative: Chairman Murdock, Commissioners Kleintert and Keating 3

Negative: Deputy Chief Connors 1

THE RESOLUTION—

WHEREAS, a public hearing was held on this application on September 28, 1954 after due notice by publication in the Bulletin; laid over to October 26, 1954, for further hearing and for the applicant to send out notices according to the Board's rules by registered mail prior to the above additional hearing date; then to November 23, 1954, for inspection and decision without further argument; hearing closed; then laid over for inspection and decision; date to be set; then set for December 14, 1954, and laid over to December 21, 1954, for further inspection and for decision; then to January 4, 1955, for decision after applicant has filed revised plans; then to January 11, 1955, to permit further inspection by the Board; hearing previously closed; and

WHEREAS, the district maps accompanying the zoning resolution show that the site, Northern boulevard and 167th street are in a residence use, C area, class 1 height district; and

WHEREAS, the decision of the borough superintendent, dated March 23, 1954 acting on N.B. Applic. 350-54, reads:

"1. Proposed gasoline service station, auto washing, lubrication, office & sale of auto accessories in a residence use district is contrary to Art. II Sec. 3 of the Zoning Resolution."

and

WHEREAS, the applicant states that the premises consist of a plot, 150 ft. frontage by 84 ft. 4 in. in depth, presently vacant, except for billboard; that as of July 25, 1916 Northern boulevard was zoned business use to a depth of 100 ft. and the present residence use designation became effective on September 18, 1947; that the area and height designations have not been changed since July 25, 1916 and no zoning amendment relating to this property is pending at the present time; that the premises is unimproved except for a V-shaped billboard sign erected under permit No. 1346-1939 issued March 3, 1939; that it is proposed to erect for a term of fifteen years a parkway type gasoline service station, lubritorium, auto washing (non-automatic), office and sale of auto accessories; and

WHEREAS, the applicant contends that there is no economic demand for the use of the subject premises for residential development because it is located on a heavily travelled thoroughfare; that the character of Northern boulevard in the affected area is non-residential and includes the following non-residential occupancies: block 5340, lot 8—stores; block 5342, lot 1—restaurant; block 5397, lot 14—gas station;

block 5397, lot 19—nursery; block 5398, lot 11—stores; that efforts to sell the property for residential use have been fruitless; that there is no demand for retail store use as existing facilities on Northern boulevard, west of 165th street, adequately serve the needs of the area and any additional store facilities would merely depreciate existing store rentals; that efforts to sell the property for taxpayer store development have been fruitless; that a grant of this application would not adversely affect the neighborhood as the proposed use would materially enhance the appearance of the property and of the immediate neighborhood and would result in the elimination of the unsightly billboard sign and of the potential hazard to public health created by a plot which attracts unauthorized dumping of refuse; that adjoining property owners will be adequately protected by the following conditions and safeguards: the premises will be levelled to the grade of Northern boulevard except for the landscaped, terraced areas at the sides and rear so that the proposed service station use will be on a substantially lower grade level than properties north of the plot and will be unobtrusive; that it is proposed to erect a 4 ft. high brick and picket fence wall along the entire westerly and northerly frontages and extending southerly along the 167th street frontage for a distance of 54.39 ft.; that it is further proposed to seed and landscape the area adjoining the fence wall to a depth of 12 ft. on the westerly and northerly frontages (5 ft. 8 in. depth at the rear of the building) and to a depth of 6 ft. along the fence wall on the 167th street frontage; that the proposed building will have an asphalt shingled, peaked roof with an ornamental cupola; that the proposed use of the subject premises will assure the neighboring property owners of more light and ventilation than if a conforming use structure were to be erected and would occupy only 1,260 sq. ft. in area, or approximately 9.5% of the total area of the 13,408.5 sq. ft. plot, while a conforming multi-storied structure could be built theoretically to cover 9,548 sq. ft., or 71% of the total area of the plot; that the limitation of the term of the gas station use to 15 years would serve as a protection to the neighborhood so that in the event the character of the neighborhood should change, the proposed gas station use may be terminated; that the proposed use would have no adverse effect upon real estate values nor upon fire insurance rates of nearby properties; and

WHEREAS, the applicant states that the present owner has held title to the property since May 17, 1948 and that the assessed valuation of land is \$29,500; and

WHEREAS, the premises and the surrounding area were inspected by a Committee of the Board; and

WHEREAS, the Board found that this was an appropriate case in which to exercise discretion to grant under Section 7, Subdivision e of the Zoning Resolution.

Resolved, that the Board of Standards and Appeals does hereby *make a variation* in the application of the use district regulations of the zoning resolution and that the application be and it hereby is *granted* under Section 7e for a term of fifteen years to permit the premises to be occupied as a gasoline service station substantially as proposed and as indicated on plans filed with this application marked, "Received, April 19, 1954" (four sheets), "October 14, 1954" (2 sheets) and "December 29, 1954" (4 sheets), *on condition* that the portion of the property proposed to be used for such use shall be leveled substantially to the grade of Northern Boulevard and shall be constructed and arranged as indicated on such plans cited above and as marked "Received, December 29, 1954," (4 sheets); that retaining walls as proposed and as may be necessary to support adjoining property shall be constructed at the expense of this owner and that on such retaining walls a picket fence shall be constructed, or at grade if no retaining wall is necessary, to a total height of not less than 5 feet 6 inches consisting of a masonry base not less than two feet in height and a picket fence not less than 3 feet 6 inches in height thereon, except that such fence may be reduced within 10 feet of the building line of Northern Boulevard to a total height of not less than 4 feet; that suitable terminating posts shall be constructed and maintained at the terminations of such fences; that curb cuts

MINUTES

shall be restricted to two curb cuts to Northern Boulevard, each thirty feet in width, and one to 167th Street of similar width; that no part of any curb cut shall extend nearer than five feet to a lot line as prolonged; that planted areas as shown on such revised plans marked, "Received, December 29, 1954," with suitable planting material, shall be maintained at positions as shown suitably protected with six by six inch concrete curbing; that the accessory building shall comply with the requirements of the Building Code; that there shall be no cellar under such accessory building; that such accessory building shall be arranged and of the design as indicated; that any equipment for greasing shall be of the hydraulic lift type with no open pits; that pumps shall be erected not nearer than 18 feet to the street building line of Northern Boulevard and shall be of a low approved type; that the number of gasoline tanks shall be limited to ten 550 gallon approved gasoline storage tanks; that such portable fire-fighting appliances shall be maintained as the Fire Commissioner shall direct; that where not occupied by the accessory building, planting and pumps the premises shall be paved with concrete or bituminous paving; that sidewalks and curbing on the street frontages abutting the premises shall be constructed or repaved to the satisfaction of the Borough President; and that all permits shall be obtained and all work completed within the requirements of Section 22A of the Zoning Resolution.

Adjourned: 1:10 P. M.

JOSEPH J. DOYLE, *Chief Clerk.*

THE RESOLUTION—

WHEREAS, the report of a Committee on Test reads:

REPORT OF COMMITTEE ON TEST

Re: Cal. 428-47-SM Vol. II

Subject: Amendment to resolution as to additional models of bed-pan washers.

Ohio Chemical and Surgical Company Division of Air Reduction Company Inc., Wisconsin requested by filing an application dated May 4, 1954, that the resolution adopted June 28, 1949 under Cal. No. 428-47-SM Vol. I be amended so as to include models A4455, A4457 and A4458. The application was reopened June 2, 1954 under Cal. No. 428-47-SM Vol. II.

Purpose

The appliance is used for washing and sanitizing hospital bed-pans and urinals.

Description

The appliance is of the pedestal, recessed or wall hung type, with vertical door, separate bed-pan rack with self-closing fingers, equipped for washing and sterilizing standard bed-pans and urinals.

The body consists of a one-piece metal casting comprising a chamber with accurately machined door collar and integral funnel-shaped hopper for connection to trap. All interior and exterior surfaces are covered with a chemically inert high temperature fired vitreous coating with high thermal and mechanical shock resistance.

The service door of the washer is formed of stainless steel not less than .109" thick, having a flat gasket rim to form a steam, water and odor-tight seal with composition gasket recessed in the face of the door collar. On the face of the service door, below centerline, is a slightly spring weighted stainless steel spill door, freely hinged to the service door. Spill door is provided with a flexible synthetic rubber gasket to form a vapor-tight seal to the washer. Spill door provides not less than 2 3/4" diameter free opening from the chamber. The service door is pivoted on a heavy cast bronze hinge bar hinged to the body at the bottom of the door. The service door is locked in the closed position by a stainless steel locking lever and an adjustable toggle lock so as to insure a steam, water and odor-tight chamber. When the toggle lock is released by the foot pedal or by the locking lever, the door opens approximately 90° silently. A large oil check made of heavy brass tubing checks the swing of the door.

The chamber is equipped with a pivoted stainless steel universal bedpan eradle, fitted with rubber covered clamping fingers which open and close automatically with the action of the door. Cradle accommodates and firmly holds under spring tension any standard size bedpan or urinal. When door is closed, the cradle tilts beyond the vertical for complete emptying of the bedpan or urinal.

The washer is equipped with a 3" cast iron waste trap. The trap is covered on the inside and outside with an abrasion resistant, chemically inert, high temperature fired vitreous coating which will withstand high thermal and mechanical shock.

Chamber is provided with two water spray nozzles to thoroughly wash the inside and outside of either bedpan or urinal, and the volume of water used is automatically controlled by an adjustable 1" Sloan Flush Valve with a combination back check and vacuum breaker and a stop valve. Chamber is equipped with two separate steam jets with a 3/8" Jenkins Steam Supply Valve for steaming bedpans and urinals at a 90 degree 2" O.D. vent tube (or 2" brass toilet spud with slip joint) for connection to atmospheric vent line. All supply piping will be of brass and will be complete to the wall, with union connections at the valves and wall escutcheons. Where hot water is used in place of steam, hot water line is provided with 3/8" Jenkins valve and vacuum breaker.

Exposed stainless steel parts to have #4 satin finish. Piping and fittings will be finished in polished chrome plate.

Pedestal Type: Waste trap is adjustable in height for connection to wall waste outlet from 9" to 15" above the floor. The trap is enclosed in a formed stainless steel housing. Body is mounted on a cast metal base with fired vitreous coating.

Recessed Type: The washer is arranged for wall recessed mounting behind a 21 3/4" x 31 3/4" sheet steel concealment panel finished in baked enamel. "P" trap is reversible for either right or left hand connection.

Wall Mounted Type: The waste trap is provided with 3" I.P.S. threads for connection to wall waste outlet supported by a chair carrier. An extension fastened to the trap acts as a bracket for supporting the foot pedal assembly. The trap and foot pedal extension are concealed in a formed

MINUTES

stainless steel housing. The washer is supported by a wall bracket attached to four bolts extending from the chair carrier.

Inspection and Test

Details of construction of the requested models on test were examined by Asst. Engr. J. A. Daarts, Committee on Test and this inspection disclosed that the appliance is equipped with a check valve and an approved vacuum breaker as required under the Submerged Inlet Rules of the Board.

Recommendation

The Committee on Test recommends that the resolution adopted June 28, 1949 under Cal. No. 428-47-SM Vol. I be amended so as to include the Ohio Scanlon-Morris Bed-Pan Washer and Steamer, Models A4455, A4457 and A4458 on condition that the requirements of the resolution adopted June 28, 1949 under Cal. No. 428-47-SM Vol. I be complied with.

(Sgd.) HARRIS H. MURDOCK,
Chairman,
LESLIE V. HUBER,
Chief Engineer,
JOHN A. DARTS,
Assistant Engineer,
Committee on Test.

Resolved, that the Board of Standards and Appeals does hereby *amend* the resolution of June 28, 1949 in accordance with the above report.

345-49-SA

APPLICANT—Central Station Signals, Inc., for New Jersey Fire Alarm Company, owner.

SUBJECT—Application for consideration—reopening as to amendment to resolution as to extension of use—re Sid-alarm Duplex Fire Alarm System; previously approved.

APPEARANCES—

For Applicant: Joseph C. Litus.

ACTION OF BOARD—Resolution amended in accordance with the report of Committee on Test.

THE VOTE—

Negative 0

THE RESOLUTION—

WHEREAS, the report of a Committee on Test reads:

REPORT OF COMMITTEE ON TEST

Re: Cal. 345-49-SA

Subject: Amendment to resolution as to extension of use.

New Jersey Fire Alarm Company, Newark, New Jersey requested by letter dated September 20, 1954 that the resolution dated January 30, 1951 under Cal. No. 345-49-SA be amended so as to permit the extension of use under the provisions of C26-304.1.f Administrative Building Code. The application was reopened by a vote of the Board October 19, 1954.

Purpose

The appliance is a fire detection system using air pressure in a pneumatic tube.

Description

There is no change in the equipment from the equipment approved January 30, 1951 under Cal. No. 345-49-SA.

Recommendation

The Committee on Test recommends that the resolution adopted January 30, 1951 under Cal. No. 345-49-SA be amended so that condition 1 shall read as follows:

1. The alarm system may be used under the provisions of C26-304.1.f Administrative Building Code and to permit its use in the business part of Multiple Dwelling converted to business use either as a central office connected system or a system local in character, when the building where the

system is installed is of fire proof construction and having a watch engineer or superintendent on duty on the premises at all times during twenty-four hours each day in the entire year on condition that all other conditions of the resolution adopted January 30, 1951 under Cal. 345-49-SA be complied with.

(Sgd.) HARRIS H. MURDOCK,
Chairman,
LESLIE V. HUBER,
Chief Engineer,
JOHN A. DARTS,
Assistant Engineer,
Committee on Test.

Resolved, that the Board of Standards and Appeals does hereby *amend* the resolution of January 30, 1951 in accordance with the above report.

211-50-SM

APPLICANT—A. Pollera and Sons, owner-manufacturer.
SUBJECT—A. Pollera and Sons Concrete Blocks, approval of.

APPEARANCES—

For Applicant: Raymond M. Fisher.

ACTION OF BOARD—Material approved in accordance with the report of Committee on Test.

THE VOTE—

Affirmative: Chairman Murdock, Commissioners Klein-ert and Keating 3
Negative 0
Absent: Deputy Chief Connors 1

THE RESOLUTION—

WHEREAS, the report of a Committee on Test reads:

REPORT OF COMMITTEE ON TEST

Re: Cal. 211-50-SM

Subject: A. Pollera & Sons, Concrete Blocks, approval of.

A. Pollera & Sons, Inwood, Long Island filed March 9, 1950, an application with the Board of Standards and Appeals for approval of the A. Pollera & Sons Concrete Blocks under the provisions of the Masonry Rules of the Board and C26-306.0 Administrative Building Code.

Purpose

The material is concrete masonry units used in building construction.

Description

The blocks are concrete blocks formed on a Seth-O-Bar Block machine of a mix as follows; $\frac{1}{2}$ cu. yds. of sand and grits to one and one-half bags of approved Hi Early cement. The water cement ratio is 5 gallons of water per sack of cement.

The blocks, after being formed on the machine are kiln dried for at least twelve hours then air cured for at least 2 weeks. The kilns have a capacity of 1440 blocks each.

Inspection and Test

The plant of the applicant at 600 Burnside Avenue, Inwood, Long Island, was inspected by Asst. Engr. J. A. Darts, Committee on Test and J. Pollera & T. Fisher representing the applicant. Sample blocks were identified and marked and load tests, in accordance with the requirements of the Masonry Rules were conducted at Sam Tour & Co., Inc.

Results were as follows:

- 4" x 8" x 16"—75% Solid
Compressive Strength (average of 5 blocks)—1658 psi
Absorption % (average of 5 blocks)—6.86%
- 4" x 8" x 16"—Solid
Compressive Strength (average of 5 blocks)—2429 psi
Absorption % (average of 5 blocks)—4.97%
- 8" x 8" x 16"—75% Solid
Compressive Strength (average of 5 blocks)—1260 psi
Absorption % (average of 5 blocks)—5.25%

MINUTES

4. 8" x 8" x 16"—Solid
Compressive Strength (average of 5 blocks)—2450 psi
Absorption % (average of 5 blocks)—5.25%
5. 8" x 12" x 16"—75% Solid
Compressive Strength (average of 5 blocks)—1805 psi
Absorption % (average of 5 blocks)—5.72%

Recommendation

On the basis of the inspection and test and the data filed by the applicant, the Committee on Test recommends the approval of the A. Pollera & Sons Concrete Blocks in the following sizes:

1. 4" x 8" x 16"—75% Solid
2. 4" x 8" x 16"—Solid
3. 8" x 8" x 16"—75% Solid
4. 8" x 8" x 16"—Solid
5. 8" x 12" x 16"—75% Solid
6. 8" x 12" x 16"—Solid—for use under the provisions of

the Masonry Rules of the Board on condition that the marking requirements be complied with; that seven copies of drawings showing the manufacturer's distinguishing mark and its method of application with the additional marks required under Rules 8.1 and 8.12 shall be filed with the Board and that all other provisions and requirements of the Masonry Rules of the Board shall be complied with.

(Sgd.) HARRIS H. MURDOCK,
Chairman,
LESLIE V. HUBER,
Chief Engineer,
JOHN A. DARTS,
Assistant Engineer,
Committee on Test.

Resolved, that the Board of Standards and Appeals does hereby *approve* this material in accordance with the above report.

244-51-SA

APPLICANT—E. B. Gross, for Gross Machinery Co., owner-manufacturer.

SUBJECT—Application for consideration—reopening and amendment to resolution as to additional model—re Silex Washers, Model A (dry cleaning); previously approved.

APPEARANCES—
For Applicant: None.

ACTION OF BOARD—Resolution amended in accordance with the report of Committee on Test.

THE VOTE—

Affirmative: Chairman Murdock, Commissioners Klein-ert and Keating	3
Negative	0
Absent: Deputy Chief Connors	1

THE RESOLUTION—

WHEREAS, the report of a Committee on Test reads:

REPORT OF COMMITTEE ON TEST

Re: Cal. No. 244-51-SA

Subject: Amendment to resolution as to additional model.

Gross Machinery Company, Inc., Buffalo, New York requested by letter dated May 21, 1954 that the resolution adopted December 11, 1951, and under Cal. No. 244-51-SA be amended so as to include the 42" Grossair Open-End Tumbler to be used in conjunction with the washer approved December 11, 1951. The application was reopened by a vote of the Board July 13, 1954.

Purpose

The appliance is a tumbler to be used in the dry cleaning industry.

Description

The machine is designed to dry the clothes after the clothes are washed in the dry cleaning solvent and to dissipate the solvent vapors.

*The appliance is equipped with explosion proof motors, 1/2 HP for the cylinder and 1 1/2 HP for the blower fan.

The suction air fan is of aluminum so as to eliminate the possibility of a sparking.

The heating system—The tumbler is heated by a series of Aero-fin seamless copper tube heating elements rolled and expanded into a steam header so as to have a uniform heat distribution.

The dry weight capacity of the machine is 90 lbs. of dry clothers.

The floor space required for the machine is a minimum of 47" x 51" and the weight of the machine, without load or solvent is 1800 lbs.

The machine is equipped with a fusible link that will rupture in the event of fire and flood the tumbler with steam which would act as a fire extinguisher.

Inspection and Test

The machine was inspected and tested at 1663 62nd Street, Brooklyn, New York, by Asst. Engr. J. A. Darts Committee on Test and E. Schulhof representing the applicant. The appliance operated as required.

Recommendation

The Committee on Test recommends that the resolution adopted December 11, 1951 under Cal. No. 244-51-SA be amended so as to include the 42 inch Grossair-Open End Tumbler when constructed as herein described on condition that the requirements of the resolution adopted December 11, 1951 under Cal. No. 244-51-SA be complied with.

(Sgd.) HARRIS H. MURDOCK,
Chairman,
LESLIE V. HUBER,
Chief Engineer,
JOHN A. DARTS,
Assistant Engineer,
Committee on Test.

Resolved, that the Board of Standards and Appeals does hereby *amend* the resolution of December 11, 1951 in accordance with the above report.

486-53-SA

APPLICANT—Avco Manufacturing Corp., Bendix Home Appliances Div., owner (Bruno-New York, Inc., Agent).

SUBJECT—Application April 13, 1953—Bendix Automatic Washer, Gyromatic Model WCG, WDG and WDG-H, approval of.

APPEARANCES—

For Applicant: A. E. Wixon.

ACTION OF BOARD—Appliance approved in accordance with the report of Committee on Test.

THE VOTE—

Affirmative: Chairman Murdock, Commissioners Klein-ert and Keating	3
Negative	0
Absent: Deputy Chief Connors	1

THE RESOLUTION—

WHEREAS, the report of a Committee on Test reads:

REPORT OF COMMITTEE ON TEST

Re: Cal. 486-53-SA

Subject: Bendix Automatic Washer Gyromatic Models WCG, WDG, WDG-H, WEG and WEG-H, approval of.

Avco Manufacturing Corp., Bendix Home Appliance Div., Indiana, filed April 13, 1953 an application with the Board of Standards and Appeals for approval of the appliance known as Bendix Automatic Washer, Gyromatic Models WCG, WDG, WDG-H, WEG and WEG-H under the provisions of the Submerged Inlet Rules of the Board.

Purpose

The appliance is an automatic clothes washing machine.

MINUTES

Description

The models herein mentioned are basically the same as Model G-314 which is basically the same as Models approved under Cal. No. 907-50-SA differing only as to suspension of tub so as to eliminate the necessity of bolting of the machine to the floor and the addition of an immersion type electric heater. There is no change in the details of the water supply of the above mentioned Models, from the details of the water supply of the Models approved under Cal. No. 907-50-SA.

Inspection and Test

Details of construction of models herein mentioned were compared with details of construction of the models approved June 17, 1952 under Cal. No. 907-50-SA by Asst. Engr. J. A. Darts Committee on Test and the changes and modifications as herein described were noted.

Recommendation

On the basis of the inspection and the data filed by the applicant the Committee on Test recommends the approval of the Bendix Automatic Washer Models WCG, WDG, WDG-H, WEG and WEG-H for voluntary installation under the provisions of C26-191.0 Administrative Building Code, as having met the requirements of C26-1277.0.h Administrative Building Code and the Submerged Inlet Rules of the Board for individual use.

When installed, in battery, the connections to waste shall be as follows:

Maximum No. of Bendix

per Battery

Water Line Diameter

3

2"

12

3"

30

4"

Slop sink requirements:

2" to 3" diameter water line-slop sink 20" x 24" x 16" deep.

3½" to 4" diameter water line-slop sink 3" x 3" x 3".

All slop sinks to have mushroom strainers having a diameter the same size as the water-line.

The foregoing table is based upon there being no specific provisions for this type of equipment in C26-1291.0 wherein the fixture equivalents can be determined from the table contained therein for the equipment when connected in battery and in addition, the discharge pump on each individual machine unit greatly facilitates the rate of discharge to the waste-line. In all cases the size of the trap and branch to the soil stack from the slop sink to be one commercial size larger than the branch line header connecting the battery units.

It is further recommended that each unit bear a label permanently affixed reading as follows: "Approved by the Board of Standards and Appeals for use in New York City under Cal. No. 486-53-SA", and that all installations in battery be submitted to the Department of Housing and Building, for investigation in order that the requirements of this resolution are complied with.

(Sgd.) HARRIS H. MURDOCK,
Chairman,

LESLIE V. HUBER,
Chief Engineer,

JOHN A. DARTS,
Assistant Engineer,
Committee on Test.

Resolved, that the Board of Standards and Appeals does hereby approve this appliance in accordance with the above report.

313-54-SM

APPLICANT—National Gypsum Co., owner.

SUBJECT—Application April 19, 1954—Gold Bond Asbestos Siding Shingles and Accessories (for exterior finish on Class 4 bldgs.), approval of.

APPEARANCES—

For Applicant: None.

ACTION OF BOARD—Material approved in accordance with the report of Committee on Test.

THE VOTE—

Negative 0

Absent: Deputy Chief Connors 1

THE RESOLUTION—

WHEREAS, the report of a Committee on Test reads:

REPORT OF COMMITTEE ON TEST

Re: Cal. 313-54-SM

Subject: Gold Bond Asbestos Siding Shingles and Accessories, approval of.

Sheldon H. Cady for National Gypsum Company, Buffalo, New York, filed April 19, 1954, an application with Board of Standards and Appeals for approval of the material known as Gold Bond Asbestos Siding Shingles and Accessories under the provisions of C26-88.0 Administrative Building Code.

Purpose

The material is used as an exterior finish on Class IV buildings.

Description

Gold Bond Asbestos Siding Shingles are manufactured in two types:

1. Gold Bond Asbestone Chrome-tex Siding Shingles—deep-grain texture; 7 different colors available; straight edges only.
2. Gold Bond Asbestone Wood-grain Siding Shingles—wood-grain finish; available in white, straight edge or waveline edge.

The two types are identical except for the difference outlined above. Other details of Gold Bond Asbestos Siding Shingles are as follows:

Sizes: 5/32" x 12" x 24"

Weight: Approximately 175 lbs. per sq.

Exposure: 10½" x 24"

Shingles per square: 57

Shingles per bundle: 19

Gold Bond Asbestos Shingles are manufactured by the Hatschek process sometimes called the "wet" process. Essentially the asbestos fibre, Portland cement, water and pigments are mixed and blended in special machinery designed for this purpose. The resultant slurry is then fed to the Hatschek machine where the cement fibre and pigmentation and a small amount of water are picked up on revolving wire screen cylinders and transferred to an endless nylon blanket. These formations of fibre and cement are accumulated on a steel accumulator roll.

When the thickness desired has been accumulated, it is removed from the cylinder in sheets approximately 50" x 100". The sheets are then heat treated and pressed with the desired texture. In some cases, pigmentation is also added at this point. The sheets are then cut into "blanks" approximately 25" x 50". The "blanks" are then stored in special chambers under controlled conditions for curing.

When the proper degree of curing has been obtained the "blanks" are then die cut into the desired style. Following the punching and cutting operation, the shingles are treated with the Gold Bond surfaseal weatherproofing treatment and packaged for shipment.

Inspection and Test

Samples of the shingles were tested in accordance with the requirements of C26-88.0 Administrative Building Code in the presence of Asst. Engr. J. A. Darts Committee on Test and S. H. Cady representing applicant.

MINUTES

Recommendation

On the basis of the inspection and test and the data filed by the applicant, the Committee on Test recommends the approval of the material known as Gold Bond Asbestos Siding Shingles and Accessories as an incombustible siding as having met the requirements of C26-88.0 Administrative Building Code for use on Class IV Buildings as set forth under C.26-242.0 Administrative Building Code on condition that each bundle be tagged, stamped or labeled:—"Approved by the Board of Standards and Appeals for use in New York City", under Cal. No. 313-54-SM.

WHEREAS, the report of a Committee on Test reads:

REPORT OF COMMITTEE ON TEST

Re: Cal. 590-54-SA

Subject: C. F. Braun and Company Fuel Oil Heaters (preheater), Type ET-F and/or UT, approval of.

C. F. Braun and Company, Alhambra, California, filed July 12, 1954 an application with the Board of Standards and Appeals for approval of the appliance known as the C. F. Braun and Company Fuel Oil Heater (preheater) Type ET-F and/or UT under the provisions of the Oil Burner Rules of the Board.

Purpose

The appliance is a fuel oil preheater.

Description

The preheater is of the standard shell and tube design. The size of the unit and the pressure determines the type and thickness of shell. The plate sizes range in thickness from $\frac{3}{8}$ inches minimum to 1-7/16 inches maximum and the tubes are of $\frac{3}{4}$ inch #14 gauge steel. The tube sheet and channel are of steel plate, thickness varying on the working conditions.

The preheaters are constructed in accordance with ASME Code for Unfired Pressure Vessels.

Inspection and Test

Details of construction were examined by Asst. Engr. J. A. Darts Committee on Test. The applicant has submitted photostatic copies of inspection reports and hydrostatic tests wherein the shell was tested to 300 psi and 450 psi on the two different heaters constructed for different operating temperatures.

On the basis of the inspection and the data filed by the applicant, the Committee on Test recommends the approval of the C. F. Braun and Company Fuel Oil Heater (pre-

heater), Type ET-F and/or UT for use in New York City on the following conditions: The steam line to the heater is provided with a pressure gauge, a temperature regulating valve protected with strainer and around both of which is a by-pass line containing the necessary number of shut-off valves to permit by-pass of the steam around the temperature regulating valve in case of failure of this valve. The steam line shall also be provided with a check valve opening toward the heater and closing towards the boiler to prevent passage of any oil back to the boiler through the steam line. The condensate line carrying the condensed steam from the heater shell shall contain a steam trap with by-pass provided with necessary shut-off valves to permit by-passing of the condensate around the trap in case the trap fails to function properly. After passage through the trap, the condensate shall be discharged to waste (with this arrangement of the condensate line it will be impossible for this line to carry any oil back to the boiler in case of tube failure since this line is not connected to the boiler in any manner and the condensate is discharged to waste). The oil channel shall be provided with two connectors, one for oil inlet lines from the pump, discharge and one for the oil outlet line to the oil burner. In the oil outlet line shall be installed an oil relief valve as required under Par. 7.2.2 of the Oil Burner Rules and the bulb of the temperature regulating valve which actuates the temperature regulating valve and controls the oil temperature leaving the heater. The oil inlet and outlet lines shall also be provided with a stop valve and further that the connection of the condensate discharge line to a sewer shall be according to law and that each appliance shall bear a label permanently affixed reading:—"Approved by the Board of Standards and Appeals for use in New York City," under Cal. No. 590-54-SA.

(Sgd.) HARRIS H. MURDOCK,
Chairman,

LESLIE V. HUBER,
Chief Engineer,

JOHN A. DARTS,
Assistant Engineer,
Committee on Test.

Resolved, that the Board of Standards and Appeals does hereby *approve* this appliance in accordance with the above report of Committee, *on condition* that the condensate is drained to a sewer in all installations.

612-39-A—Vol. III

APPLICANT—Vito P. Battista, for Betty White, owner (Frank G. Rizza, lessee).

SUBJECT—Application reopened September 14, 1954 as Vol. III—re Appeal from a decision of the borough superintendent.

PREMISES AFFECTED—2739 Bedford avenue, northeast corner of Farragut road, Block 5225, Lot 2, Borough of Brooklyn.

APPEARANCES—

For Applicant: Vito P. Battista and Frank G. Rizza.

For Administration: Samuel L. Becker, Dep't of Housing and Buildings and Joseph A. Sweeney, Dep't of Hospitals.

ACTION OF BOARD—Resolution amended.

THE VOTE—

Affirmative: Chairman Murdock, Commissioners Kleinert and Keating and Deputy Chief Connors 4

Negative 0

THE RESOLUTION—

WHEREAS, the decision of the Borough Superintendent dated June 16, 1954, on Alt. Appl. 1901 of 1954, reads:

"1. Increasing number of patients in the nursing home which is more than one story in height and of Class 3 construction should be referred back to the B. S. & A. for their consideration—see Cal. No. 612-39-A as it is contrary to Sect. 4-2-1 of Bldg. Code.

MINUTES

2. Occupying 2nd floor with non-ambulatory, or bed-ridden patients, is contrary to B. S. & A. resolution under Cal. No. 612-39-A."

WHEREAS, the applicant states the building is two stories and attic, 32 ft. in height, 37 ft. front by 48 ft. in depth, of Class 3 construction, erected 1903, located on a lot 50 ft. front by 100 ft. in depth, in a residence use, E area, Class One and one-quarter height district, and used and occupied since 1938; Cellar—Mortuary, Laundry, Kitchen and ordinary use; first floor—Reception room and five bedrooms, 13 persons; 2nd floor—7 bedrooms, 16 persons; Attic—storage; total number of patients, 29; which use and occupancy is permitted by Certificate of Occupancy No. 13857 issued March 11, 1954, pursuant to resolution adopted by the Board September 23, 1952, under Cal. No. 612-39-A, Volume II, which limited non-ambulatory or bed-ridden patients to the first floor only; and

WHEREAS, the applicant states that it is now proposed to increase the number of patients on the first floor from 13 to 15 making a total of 31 patients in the building and permission is also sought to house non-ambulatory and bed-ridden patients on the second floor; and

WHEREAS, the applicant states that on the first floor one extra bed will be placed in each of two rooms; and

WHEREAS, the applicant states that the sprinkler system in the public hall will have the supply line connected directly to the street main and an approved fire alarm system will be installed and that in addition in order to provide for the safety of any non-ambulatory patients on the second floor that it is proposed to erect a balcony around the front and north side of the building at the second floor level and provide three 4 ft. 4 in. wide exit doors leading thereto; that this balcony will consist of a self-supporting steel balcony erected in the yard and connected to the roof of the porch at the front of the building; that the porch roof will be properly fire-protected by packing mineral wool between the roof beams and fire retarding the underside; that there will be metal covered steel stair leading directly from the balcony to the yard; and

WHEREAS, the applicant contends that the proposal will enable the home to be operated under normal conditions and insure complete safety in case of an emergency for any non-ambulatory patients on the second floor; that there will be more than enough outside balcony area provided to accommodate all 16 beds; that each bed can be rolled to safety to the outside of the building on the balcony at a moment's notice; that the balcony floor will have a smooth surface and be kept clear of any obstructions so as to facilitate easy rolling of the beds, if necessary; that on the interior the second floor openings connecting the bed rooms will be widened to 4 ft. 4 ins. to eliminate any possible bottlenecks and permit each room to be emptied in two directions, either to the balcony or to another direct exit on the interior; and

WHEREAS, the applicant contends that the proposed facilities will amply provide for any emergency and insure the complete safety of all the patients, ambulatory or non-ambulatory, and will enable the owner to operate the nursing home under normal conditions and afford the operator relief so urgently needed.

Resolved, that the Board of Standards and Appeals does hereby *amend* the resolution adopted on May 21, 1940, under Vol. I of this appeal and the resolutions adopted under Vol. II thereof through September 23, 1952, by adding thereto:

"that the decision of the Borough Superintendent, dated June 16, 1954, acting on Alt. App. 1901 of 1954, Objections 1 and 2, be and it hereby is *modified* and that the appeal be and it hereby is *granted*, to permit the number of patients to be increased by two to a total of thirty-one, with bed spaces as indicated on revised plans filed herewith marked 'Received July 9, 1954' (11 sheets), such additional beds being indicated as Nos. 14 and 15 on the plan of proposed first floor, on condition that in all other respects the resolutions

above cited shall be complied with; that the supply system in the public hall with supply line connected directly to the street main and the fire alarm system shall be maintained in accordance with requirements therefor."

Negative 0

THE RESOLUTION—

WHEREAS, the decision of the Borough Superintendent dated February 18, 1954, B.N. 514/54 reads:

"1. Provide direct means of egress to fire tower as per 6.1.2.2.3 B. C.

1. Denied. J. D. 2/18/54"

and

WHEREAS, the applicant states the building is twenty stories, 252 ft. in height, 50 feet by 98 feet 2¾ inches in area, of fireproof construction, erected 1912, located in a restricted retail use, B area, Class 2 height district, and used and occupied since 1912 as follows: subcellar, utilities, storage, no persons; cellar: storage by tenant of first floor, no persons; first floor: store, ten persons; second to ninth floors, offices; tenth floor, offices and private school, eleventh to twentieth floors, offices, maximum number of occupants on any floor throughout the building, sixteen persons; that the building is provided with an approved standpipe system, one interior fireproof stairs and one fire-tower; and

WHEREAS, the Certificate of Occupancy #91 was issued September 22, 1916, permitting the following use and occupancy: First floor and floors above, stores and offices; number of occupants, not stated; Room 1205 private school; and

WHEREAS, Violation #9991 of 1953, was issued by the Borough Superintendent December 9, 1953, for failing to provide direct access to fire tower for all the occupants on the fourth to twentieth floors, inclusive; and

WHEREAS, the applicant states that with the exception of a few minor changes to interior partitions there have been no alterations to the use or occupancy of the building since its construction in 1912 and no alteration is now contemplated; that the building is provided with 3 ft. 8 in. wide interior iron stairs, fireproof enclosed, equipped with fireproof self-closing doors and leading from the street to roof bulkheads to the public vestibule on the entrance floors, that a second means of egress from all floors is by means of a firetower at the rear east end of the building extending from roof to yard, with egress to the yard and from the yard to the street by means of a fireproof passageway leading into the public elevator vestibule corridor on the entrance story; that egress to the firetower on each floor is from the public hall through an office suite opening into and adjoining the firetower balcony, that the doors opening into the public hall from these offices are provided with glass panels easily breakable in an emergency, that the distance of travel between the public halls doors and the firetower is approximately 27 feet, that there has always been more than one tenant on each of the floors involved, that the original plan on file with the Department of Housing and Buildings shows the subdivision of these floors into office suites, that this situation existed in 1916 when the Certificate of Occupancy was issued; and

WHEREAS, the applicant contends that the existing exit facilities are adequate and comply with the requirements of the Building Code and conformed to such laws as were in effect at the time the structure was erected that the owner is willing to provide additional safeguards consisting of illuminated exit signs, etc. that it would create a hardship upon the owner to be forced to disrupt the occupancy of the suites involved in order to construct passageways through the offices to the firetower, and to do so would result in the constructive eviction of the tenants involved in violation of the terms of their leases.

WHEREAS, the premises were inspected by a committee of the Board which recommended that the appeal be granted under certain conditions.

Resolved, that the decision of the Borough Superintendent, acting on B.N. 514, of 1954, Objection 1, on condition that there shall be erected at the rear wall at each story above the first, a balcony taking in two windows and with steps to equalize the level with existing balcony to fire tower as now proposed and as shown on revised plans filed with this appeal marked, "Received, January 7, 1955" (19 sheets) in substitution for plans previously filed marked, "Received, October 14, 1954" (20 sheets); that the rail of such balconies shall not be less than 3 feet 6 inches in height above the balcony level at the window sill; that there shall be an illuminated sign reading "Exit to Fire Tower" at the door of the office on the main corridor on each floor; that there shall be a similar illuminated sign over the window leading to the balcony itself; that on the balcony rail there shall be a sign reading, "To Fire Tower" and pointing in the direction thereof; that in the room between the main corridor and the windows opening upon the proposed balcony there shall be no interior office partition to impede direct access to exit window; and that in all other respects the building and occupancy shall comply with all laws, rules and regulations applicable thereto.

252-54-A

APPLICANT—Stanley Rapaport, for Henrietta M. Rosen and Morton H. Rowen, owners.

SUBJECT—Application April 9, 1954—re Appeal from a decision of the borough superintendent.

PREMISES AFFECTED—142-144 Henry street and 20 Rutgers street, southwest corner, Block 273, Lot 27, Borough of Manhattan.

APPEARANCES—

For Applicant: Stanley Rapaport, Morton H. Rowen and Henrietta M. Rosen.

For Administration: Samuel L. Becker, Dep't of Housing and Buildings.

ACTION OF BOARD—Appeal granted on condition.

THE VOTE—

Affirmative: Chairman Murdock and Commissioners Kleinert and Keating 3

Negative: Deputy Chief Connors 1

THE RESOLUTION—

WHEREAS, the decision of the Borough Superintendent, dated April 2, 1954, on Alt. App. 50/54, reads:

"6. Provide two exits from all floors including the cellar as per Sect. 271 of the Labor Law.

"A fire escape is not acceptable as a second means of egress on a factory building over 5 stories high as per Sect. 271 of the Labor Law."

and

WHEREAS, the applicant states the building is 9 stories, 98 feet in height, 84.7 ft. by 25 ft. in area, of fireproof construction, erected in 1912 now located on a lot 84.7 feet front by 25 feet in depth, in a local retail use, D area, Class 1 height district; used and occupied as follows: 1st floor—stores; 2nd floor, front—dentist, 2 persons; rear, commercial art studio, 2 persons; 3rd floor—front, union office, 4 persons; rear—manufacturing vests—8 persons; 4th floor—front—silversmith, 8 persons—rear—storage of books, 8 persons; 5th floor front—manufacturing pants, 5 persons; rear—manufacturing plastic wallets, 3 persons; 6th floor—manufacturing suit cases, 4 persons; 7th floor—manufacturing and storage of games, 4 persons; 8th floor—manufacturing sport clothes, 12 persons; 9th floor—manufacturing rubber products, 10 persons. The building is provided with an approved standpipe system and an approved interior fire alarm system and regular monthly fire drills are maintained; there is one interior 3 ft. 5 in. wide fireproof stairs, masonry enclosed equipped with metal covered self-closing doors, leading from roof bulkhead direct to street and two fire

MINUTES

escapes, one on each street front; the Rutgers St. fire escape consists of a 45° stairs, 6 ft. high screens, 4 ft. 6 in. wide balcony and a counter-balanced ladder to street; this fire escape extends to roof; in addition there is a substandard fire escape on the Henry street front, which does not extend to roof and which extends to street grade by drop ladder; window and door openings on course of Rutgers st. fire escape are not fireproof, self-closing; and

WHEREAS, Violation No. 392 was issued January 22, 1953, by the Borough Superintendent, for failure to provide two legal means of egress for each tenant on each floor; this violation superseded Violation #122/47 which had not been complied with; and

WHEREAS, the applicant contends that the exterior screened stairway on the Rutgers street front complies with Section 268 of the Labor Law; that in addition there is a fire escape on the Henry street front erected when the building was erected; that this fire escape terminates at the 9th floor and gives access to street by a drop ladder. The building to the south is 4 stories and basement in height and the one to the west 3 stories and basement in height; and

WHEREAS, the applicant states the cellar is used only for boiler room and storage and there is no manufacturing whatever in the cellar; and

WHEREAS, the premises were inspected by a committee of the Board, which recommended that the appeal be granted under certain conditions; and

WHEREAS, access to the Rutgers street fire escape is also available to the tenant at the rear through the doorways leading to the primary means of exit.

Resolved, that the Board of Standards and Appeals does hereby *make a variation* in the requirements of the Labor Law, as cited in the decision of the Borough Superintendent, acting on Alt. App. 50 of 1954, Objection 6, to permit the secondary means of egress as proposed and as indicated on plans filed with this appeal marked, "Received, April 9, 1954" (2 sheets) and "October 27, 1954" (2 sheets), consisting of a substandard fire escape on the Henry street side, and a previously approved fire escape on the Rutgers street front, *on condition*, that such substandard fire escape shall be put in good condition and shall have a counter-balanced stair to the street and a gooseneck ladder to the roof; that in all other respects the building and occupancy shall comply with all laws, rules and regulations applicable thereto; that the occupancy of each floor shall be limited to the capacity of the primary means of exit; and that the fire alarm and monthly fire drill shall be maintained in accordance with the requirements therefor.

THE VOTE—

Affirmative: Chairman Murdock, Commissioners Kleintert and Keating and Deputy Chief Connors 4
Negative 0

THE RESOLUTION—

WHEREAS, Order #98246 LC issued by the Fire Commissioner November 16, 1953, reads:

"Before a permit for the STORAGE AND USE OF FUEL OIL may be issued to you, the following order

must be complied with. Kindly notify the Fire Department, Municipal Building, New York 7, N. Y., when such order has been complied with.

1. Secure the approval of the Board of Transportation on plan #1908/49, for the installation of the fuel oil system on the above premises. Rule 10.2.1. (B30)"

and

WHEREAS, the decision of the Fire Commissioner dated April 23, 1954, reads:

"Replying to your letter of March 8, 1954, requesting a copy of violation 98246-LC, and to have same dated so that an appeal may be filed with Board of Standard and Appeals, be advised that Division of Fire Prevention and Combustibles never changes the date on any order issued."

and

WHEREAS, the decision of the Borough Superintendent dated November 9, 1954, redened November 15, 1954, on FP App. 1906/49 reads:

"1. Tank located within 20'-0" of subway wall contrary to Rule 6.5.1 Oil Burner Rules."

and

WHEREAS, the applicant states the building is 4 stories, 45 ft. in height, 60 ft. by 20 ft. in area, Class 3 construction, erected in 1895 on a lot 74 ft. 11 in. front by 20 ft. in depth, in a business use, B area, Class 1½ height district; used and occupied since 1931 as a Class A multiple dwelling, for which Certificate of Occupancy #18043 was issued December 7, 1931, upon completion of Alt. App. 1335/31; and

WHEREAS, the lessee was convicted and fined in Magistrate's Court April 23, 1954, on charge of violation of Sec. C19-52.0 of the Administrative Code; and

WHEREAS, the applicant contends that the building is only 20 feet deep and the subway wall is located only 1½ feet from the building line; that there is no place on the property for the installation of the fuel oil tanks 20 feet from the subway wall as required by the Oil Burner Rules; and

WHEREAS, the applicant states that the two 275 gallon fuel oil storage tanks are now located 15 feet from the subway wall at the opposite end of the subway entrance; that these tanks are located on the concrete cellar floor on legs subject to inspection at all times for leaks; that they are located within a 4 in. terra cotta enclosed room which has a fireproof self-closing door; that the fill box is at curb on West 147th street remote from the subway wall and there is no danger of spilling oil into the subway while filling tanks; that the tanks and the burner in question are used to supply hot water for the laundromat on the first floor; and

WHEREAS, the applicant has filed a communication dated March 11, 1954, from the Chief Engineer of the Transit Authority stating that the tanks in question cannot be approved unless a variance is granted by this Board.

Resolved, that the decision of the Fire Commissioner, acting on Order #98246 LC, Objection 1, be and it hereby is *modified* and that the appeal be and it hereby is *granted*, to permit the continuance of the two 275 gallon fuel oil storage tanks, as proposed and located as indicated on plans filed with this appeal, marked "Received April 30, 1954" (1 sheet) and "October 4, 1954" (1 sheet), *on condition* that the fuel oil tanks shall be of an approved type and shall be installed in an approved manner; that there shall be erected at the sill of the room where tanks are located a concrete sill not less than 6 inches in height.

APPEARANCES—

For Applicant: Norman Lederer.

For Administration: Samuel L. Becker, Dep't of Housing and Buildings.

ACTION OF BOARD—Appeal granted on condition.

THE VOTE—

Affirmative: Chairman Murdock, Commissioners Klei-

ert and Keating and Deputy Chief Connors 4

Negative 0

THE RESOLUTION—

WHEREAS, the decision of the Borough Superintendent dated February 26, 1954, which is the basis of this appeal, reads:

"This letter is to inform you that the reason given in my letter to you of February 23rd revoking Alt. 2159/53 was in error; the section of the Administrative Code applicable in this case is C26-248.0 Par. 1 of Sub. 1 (a) 1.

This section requires that a wooden frame building be no closer to the lot line than two feet. Therefore that part of the previous letter referring to the Zoning Resolution is to be ignored."

and

WHEREAS, the decision of the Borough Superintendent dated February 23, 1954, referred to in the above decision reads:

"This letter is to inform you that the above alteration application which was approved on November 6, 1953 and Permit to Build #415 issued on January 25, 1954 are hereby revoked: the reason for this revocation being that an error was made in approving said application and plans.

Your architect showed an extension to be erected on the northwesterly side of existing residence building with a space of six inches between the extension and the westerly lot line. The Zoning Resolution of the City of New York requires that this side yard have a minimum width of five feet.

All work on this extension will have to be stopped immediately. You may, if you wish, have your architect appeal this decision to the Board of Standards and Appeals of the City of New York."

and

WHEREAS, in addition thereto the applicant has filed a decision of the Borough Superintendent dated July 12, 1954, which reads:

"This letter is to inform you that the reason given in my letter to you of February 23rd, revoking Alt. 2159/53 was in error; the section of the Administrative Code applicable in this case is C26-248.0 Par. 1 of Sub. 1 (a) 1.

This section requires that a wooden frame building be no closer to the lot line than two feet. Therefore that part of the previous letter referring to the Zoning Resolution is to be ignored."

and

WHEREAS, the applicant states the building is 2 stories, 27 ft. in height, 47 ft. by 26 ft. in area, of Class 4 construction, erected in 1950 on a lot 61.12 ft. by 99.15 ft. in area, in a residence use, E-1 area and Class 1 height district; occupied since 1951: Basement—heater and storage; 1st and 2nd floors—dwelling; and proposed to be increased in area to 47.11 ft. front by 37.08 ft. in depth on the first floor and 47.11 ft. front by 36.08 ft. in depth on the 2nd floor, in Class 4 construction and used and occupied the same; and

WHEREAS, the applicant states that on or about October 1, 1953, plans were filed to erect a one-story extension, adding one room to be used as a den in conjunction with the apartment on the 1st floor; that these plans were assigned Alt. App. 2159/53 and approved November 6, 1953; and

WHEREAS, the applicant states that the extension as completed is constructed of 2 x 4 in. studs, 16 in. on centre, rock wool filled, with sheathing and 15 lbs. saturated felt and 4 in. brick veneer on the exterior and with perforated gypsum rock lath with two coats of gypsum plaster and with hard white finish on the interior; that there is also a fireproof window, consisting of metal frame with wire glass in the westerly wall, facing the lot line; that the westerly wall extends to within 6 inches of the westerly lot line; and

WHEREAS, the applicant contends the plans were designed and approved on the basis that the construction conformed with Sect. 4.1.3, subdiv. 1b of the Building Code which permits exterior walls of a frame structure at a distance less than 3' from a lot line if veneered with Masonry and fire stopped; that since the walls of the extension have 4 in. brick veneer, rock wool filled and finished on the interior with rocklath and gypsum plaster and that they conform to Section 4.1.3, subdiv. 1 b of the Building Code. It is therefore felt that the construction is legal and the Borough Superintendent is in error. It is therefore requested that the owner be permitted to apply for a new certificate of occupancy and to use the additional room as constructed.

Resolved, that the Board of Standards and Appeals does hereby *restore* Alteration Application 2159/53 and Permit #416 and that the appeal be and it hereby is *granted*, acting on the decision of the Borough Superintendent, dated February 26, 1954, under C26-248.0, para. 1, subdiv. 1a1, to permit the extension as proposed and as indicated on plans filed with this appeal, marked "Received July 20, 1954" (2 sheets) and "December 3, 1954" (1 sheet), *on condition* that the wall facing the interior lot line to the west shall be faced with brick as proposed and shown and that the one window proposed shall be fireproof, self-closing, glazed with wire glass; and that in all other respects the building and occupancy shall comply with all laws, rules and regulations applicable thereto.

PETITIONS AND CERTIORARI ORDERS SERVED ON THE BOARD OF STANDARDS AND APPEALS.

On January 3, 1955, Copy of Petition and Order of Certiorari was served on the Board by Leonard F. Rothkrug, attorney for petitioner and owner, Congregation Ahavath Israel and Talmud Torah of East Midwood, Inc., seeking a review of the Board's denial of their appeal on November 23, 1954, from decision of the Borough Superintendent, acting on Application (Alt.) 4380/53, in re proposed change of occupancy from residence to public building in a frame building; Cal. No. 799-53-A; Premises 1122 East 29th Street, 140 ft. south of Avenue K, Borough of Brooklyn.

On January 7, 1955, Copy of Petition and Order of Certiorari was served on the Board by John C. Mundt, Jr., attorney for petitioners, Thomas Sullivan et al, objecting property owners, seeking a review of the Board's determination on December 7, 1954, granting a variance under Sections 7f and 7i of the Zoning Resolution, permitting for a period of fifteen years in the business portion of a plot located in a residence and business use district, the erection and maintenance of a gasoline service station, lubritorium, car wash, motor vehicle repairs, storage and sale of accessories and the parking and storage of motor vehicles (previously granted by the Board—the parking and storage of motor vehicles and extended from time to time); Cal. No. 700-41-BZ, Vol. II; Premises 9319-9333 Third Avenue and 301-311—94th Street, Northeast Corner, Borough of Brooklyn.

COURT DECISION.

Matter of Markstone Realty Corp. vs. Murdock:—On July 20, 1954, the Board denied an appeal from a decision of the Borough Superintendent, who refused to permit in a Class B Multiple Dwelling the installation of kitchenettes, stating: "Proposed kitchenettes in class B rooms indicate use for permanent occupancy" (i. e., Class A Multiple Dwelling); Cal. No. 268-54-A; Premises 317 West 29th Street, north side, 246 ft. west of 8th Avenue, Borough of Manhattan.

The Board found that providing cooking kitchenettes, as proposed, would be contrary to public welfare and not in accord with the legislative finding of the Multiple Dwelling Law.

Upon court review at Special Term, Supreme Court, Mr. Justice Brisach, in his final Order, instructed the Borough Superintendent to issue an Alteration Permit for the installation of kitchenettes in the furnished rooms and further ordered that "the matter be remitted to the Board for appropriate action not inconsistent with the opinion of this Court." The final Order issued is not consistent with the record in the Law Journal of November 11, 1954.

An appeal from this decision to the Appellate Division has been entered.

STIPULATION OF DISCONTINUANCE AND AGREEMENT.

Matter of Regency Park, Inc. et al, vs. Board of Standards and Appeals:—On February 24, 1954, the Board granted a variance, under Section 7, subdivision e, of the Zoning Resolution permitting for a term of fifteen years in a residence use district, the erection and maintenance of a gasoline service station, lubritorium, auto wash (non-automatic), motor vehicle repairs, storage and sale of accessories, and office and to permit the parking of cars waiting to be serviced; Cal. No. 436-53-BZ; Premises 141-50 Union Turnpike south side, 44.96 ft. west of Main Street, Flushing, Borough of Queens.

Petitioners, objecting property owners, sought a review of the Board's determination.

In Supreme Court, Queens County, a stipulation was entered into between the attorneys for the respondent parties hereto for a discontinuance of these proceedings without costs.

—Vol. II, 403-53-A, 491-43-S—Vol. II, 552-52-A, 327-54-A, 340-54-A, 405-54-A, 573-54-A, 574-54-A, 846-53-A, 424-19-BZ—Vol. III, 395-31-BZ—Vol. II, 816-50-BZ, 300-52-BZ, 472-52-BZ, 150-54-BZ, 803-26-BZ—Vol. III, 911-26-BZ—Vol. II, 165-48-BZ—Vol. III, 304-52-BZ—Vol. II and 794-52-BZ—Vol. II.

APPEARANCES—

For Applicant: P. D. Concagh.

For Opposition: None.

For Administration: Samuel L. Becker, Dep't of Housing and Buildings.

ACTION OF BOARD—Laid over to February 1, 1955, at 10 A. M. applicant to furnish an additional objection as to tanks.

653-54-BZ

APPLICANT—Samuel Carr, for Welsh Brothers Realty Co., owner.

SUBJECT—Application August 23, 1954—(decision of the borough superintendent) under sections 7e and 21 of the zoning resolution, to permit in a residence use, A area district the erection and maintenance of a structure to be used for light manufacturing, show-room, offices and storage; using more than the area permitted.

PREMISES AFFECTED—32-20 56th street, west side, 165 ft. south of 32nd avenue, Block 1157, Lot 17, Woodside, Borough of Queens.

APPEARANCES—

For Applicant: Samuel Carr.

For Opposition: Robert J. Finan, Elizabeth Coggins, Mary Martin, Mae V. Smith, Anna Cusack, Josephine Martino, Isabella Martino, Lillian A. Boyle, Thomas R. Croghan, Walter Roesser, Zita M. Zierau, A. Puszykowski, Stephen F. Price, Thomas McLinskey, Anna Gillen, Nicholas Piqueras, Thomas O'Meara, Margaret Nash, Mary Melani, Mary L. Camp, Rose Butt, Florence Schrenkeisen, Agnes Logan and Julian C. Quinlan.

For Administration: Samuel L. Becker, Dep't of Housing and Buildings.

ACTION OF BOARD—Laid over to February 15, 1955, at 10 A.M. for inspection and decision; hearing closed.

428-54-BZ

APPLICANT—Esso Standard Oil Co., for Estelle Rosenberg, owner.

SUBJECT—Application May 28, 1954—(decision of the borough superintendent) under sections 7e, 7h and 21 of the zoning resolution, to permit in a local retail use district, for a term of fifteen years, the erection and maintenance of a gasoline service station, lubritorium, auto laundry, motor vehicle repairs, and to permit the parking of cars waiting to be serviced.

PREMISES AFFECTED—220-02 Linden boulevard, southeast corner of 220th street, Block 12737, Lot 56, Cambria Heights, Borough of Queens.

APPEARANCES—

For Applicant: R. S. Hardy and Joseph B. Lynch.

For Opposition: None.

For Administration: Samuel L. Becker, Dep't of Housing and Buildings.

ACTION OF BOARD—Application withdrawn at request of applicant after full hearing; applicant stated application would be renewed after library on property is removed.

THE VOTE—

Affirmative: Chairman Murdock, Commissioners Kleintert and Keating and Deputy Chief Connors 4

Negative 0

872-39-BZ—Vol. VII

APPLICANT—Herman Kron, for Berk Bres Realty Corp., owner.

SUBJECT—Application August 9, 1954 (decision of the borough superintendent), under sections 7c and 7i of the zoning resolution, to permit in a business use district the addition of an automobile laundry (automatic type) to existing gasoline service station in portion of site where stores were permitted by Board but never built.

PREMISES AFFECTED—7001-7019 Bay parkway, southwest corner of West 10th street and 1-21 Avenue O, Block 6574, Lot 6, Borough of Brooklyn.

APPEARANCES—

For Applicant: Herman Kron.

For Opposition: None.

For Administration: Samuel L. Becker, Dep't of Housing and Buildings.

ACTION OF BOARD—Application denied.

THE VOTE TO GRANT—

Affirmative 0

Negative: Chairman Murdock, Commissioners Kleintert and Keating and Deputy Chief Connors 4

THE RESOLUTION—

WHEREAS, this application was reopened as Vol. VII on September 28, 1954 subject to regular procedure, to consider extension of area and uses; and

WHEREAS, a public hearing was held on this application on December 7, 1954 after due notice by publication in the Bulletin; laid over to January 18, 1955, without further argument for inspection and decision; hearing closed; and

WHEREAS, the district maps accompanying the zoning resolution show that the site, Bay parkway, West 10th street and Avenue O are in a business use, C area, class 1½ height district; and

WHEREAS, the decision of the borough superintendent, dated April 16, 1954 acting on amendment to N.B. Applic. 899-51 and superseded by amendment to N.B. Applic. 899-51 filed October 20, 1954, reads:

"1. Proposed premises to be used for storage of incombustible material, gasoline service station, lubritorium, office, store, auto laundry, automobile repairs and parking of cars waiting to be serviced is contrary to Article II, P. 4(a), subsection 15, 29, 46 & 52 of the Zoning Resolution. (Note—premises were subject of Bd. of Standards and Appeals variance granted under Calendar 872-39-BZ)."

and

MINUTES

WHEREAS, the applicant states that the premises consist of a plot, 175.32 ft. and 102.97 ft. frontage by 235.14 ft. in depth, irregular, on which is located a gasoline service station, previously granted by the Board for gasoline station and stores; that the stores were never constructed; that it is proposed to construct an automatic automobile laundry in lieu of stores and on part of site where stores were to be erected; and

WHEREAS, the applicant contends that in the original resolution the Board approved that the site be improved with a gasoline service station facing Bay parkway, and stores facing Avenue O and West 10th street; that plans have been approved for the entire project; that the gas station was completed without stores on the remaining area; that cellar and concrete arch on street level was constructed; that stores were not erected because it is impossible to rent same; that various negotiations were made with various brokers for renting purposes without any results; that the only possible chance to have this area rented is for an automobile laundry; that it is proposed to construct the automobile laundry in an attractive manner to harmonize with the neighborhood and the owner is willing to surround the premises with such safeguards as the Board deems fit; and

WHEREAS, the applicant states that the present owner has held title to the property since November 4, 1936; that the assessed valuation of land is \$60,000 and of the building \$30,000, making a total of \$90,000; that the building was erected January 31, 1922; and

WHEREAS, the premises and surrounding area were inspected by a committee of the Board; and

WHEREAS, the Board found that there was no justification for the exercise of discretion to grant a zoning variance under Section 7, subdivisions c and i of the zoning resolution.

Resolved, that the decision of the borough superintendent, acting on N.B. Applic. 899/51 Objection 1, be and it hereby is *affirmed* and that the application be and it hereby is *denied*.

1011-41-BZ—Vol. II

APPLICANT—Lama, Proskauer and Prober, for Louis Lippman, Samuel Dorman and Florence Saunders, owners.
SUBJECT—Application July 22, 1954 (decision of the borough superintendent), under sections 7e and 7h of the zoning resolution, to permit in a restricted retail use district for a term of fifteen years, the erection and maintenance of a gasoline service station, lubritorium, car washing (non-automatic), motor vehicle repairs, storage and sale of accessories and office; and to permit the parking and storage of motor vehicles on unbuilt upon portion of plot.

PREMISES AFFECTED—1702-1718 Bruckner boulevard and 975-979 Noble avenue, southwest corner and 960-970 Soundview avenue, Block 3661, Lot 58, Borough of the Bronx.

APPEARANCES—

For Applicant: Alfred A. Lama.

For Opposition: None.

For Administration: Samuel L. Becker, Dep't of Housing and Buildings.

ACTION OF BOARD—Application granted on condition.

THE VOTE—

Affirmative: Chairman Murdock, Commissioners Kleintert and Keating and Deputy Chief Connors 4

Negative 0

THE RESOLUTION—

WHEREAS, this application was reopened as Vol. II on September 14, 1954 subject to regular procedure, to consider use previously withdrawn; and

WHEREAS, a public hearing was held on this application on November 23, 1954 after due notice by publication in the Bulletin; laid over to December 14, 1954, for inspection and decision; hearing closed; then to January 18, 1955, for inspection and decision; and

WHEREAS, the district maps accompanying the zoning resolution show that the site and Soundview avenue are in a restricted retail use, D area, class 1 height district; Bruckner boulevard and Soundview avenue are in residence and restricted retail use, D area, class 1 height districts; and

WHEREAS, the decision of the borough superintendent, dated July 21, 1954 acting on N. B. Applic. 607-54, reads:

"1. Proposed use of a gasoline service station, lubritorium, car washing, minor auto repairs, office & sales storage, parking and storage of motor vehicles establishment in a Restricted Retail District is contrary to Sect. 4B of the Z. R."

and

WHEREAS, the applicant states that the premises consist of a plot, 148.90 ft. frontage by 80 ft. in depth, irregular; that the use district maps accompanying the building zone resolution show that the premises are in a restricted retail district, class 1 height district and a class D area district; that as of July 25, 1916 the premises were in a business use district and the present use designation became effective on April 26, 1945; that as of July 25, 1916 the premises were in a 1¼ height district and the present height designation became effective on April 26, 1945; that as of July 25, 1916 that part of the premises within 100 ft. on Bruckner boulevard was in a class B area district and the balance of the plot in a class C area district and the present area designation became effective on April 26, 1945; that the premises are presently developed with a parking lot for parking and storage of more than five motor vehicles installed under Alt. Applic. 854-47, for which no certificate of occupancy has been issued; that it is proposed to erect a modern gasoline service station consisting of fifteen 550 gallon buried gas tanks and 12 dispensing pumps; that the contemplated accessory building will be one story in height, of class 3 construction, having a frontage of 62 ft., a depth of 30 ft. and contain the conjunctive uses of lubritorium, car washing, minor auto repairs, office and sales and storage; that a portion of the site will be reserved for open parking and storage of motor vehicles; and

WHEREAS, the applicant contends that the building as contemplated will be colonial in design and do much towards improving the appearance of the area; that Bruckner boulevard is a heavily trafficked auto lane and as such the contemplated gas station will be entirely in keeping at this point; that the present gas station within the affected area in block 3660, lot 59 is a non-conforming use and was granted by the Board under Cal. No. 1006-38-BZ; that the storage of material in block 3662, lot 6 is a non-conforming use; that Bruckner boulevard as it has developed on the side of the proposed gas station is unrestricted in character, so that the site is entirely adaptable to the proposed gas station; that Bruckner boulevard at this point is not a shopping district so that stores would not be warranted at this point; that in addition, the site occurs in a triangular block which is completely isolated and therefore not adaptable to stores; that the land is high in assessed value and inasmuch as it would not be feasible to erect stores and as the owner is entitled to an equitable return on his investment, it is mandatory that he be relieved of the present hardship and allowed to develop the site in the only feasible manner as requested; that the proposed gas station will be in complete harmony with the affected area and as the public health, safety and general welfare will not be affected, it is respectfully requested that this application be granted; and

WHEREAS, the applicant states that the present owner has held title to the property since October 29, 1952; that the assessed valuation of land is \$15,000 and of the building \$500 making a total of \$15,500; and

WHEREAS, the premises and the surrounding area were inspected by a Committee of the Board; and

WHEREAS, the Board found that this was an appropriate case in which to exercise discretion to grant under Section 7, Subdivisions e and h of the Zoning Resolution.

MINUTES

Resolved, that the Board of Standards and Appeals does hereby *make a variation* in the application of the use district regulations of the zoning resolution and that the application be and it hereby is *granted* under Section 7c for a term of fifteen years to permit the premises to be occupied as a gasoline service station substantially as proposed and as indicated on plans filed with this application marked, "Received, July 22, 1954" (3 sheets) *on condition* that all buildings and uses on the premises shall be removed and the premises shall be constructed, arranged and designed substantially as indicated on such plans; that the accessory building shall be of a design and arrangement as shown and in the location as indicated; that on the balance of the rear lot line where the accessory building does not occur there shall be constructed a brick masonry wall not less than five feet six inches in height except that such wall may be reduced to a height of four feet at the street building lines; that the pumps shall be of a low approved type and erected not nearer than fifteen feet to the street building lines; that the gasoline storage tanks shall be limited to twelve (12) 550 gallon approved tanks; that the balance of the premises where not occupied by the accessory building and pumps shall be paved with concrete or asphaltic pavement; that curb cuts shall be restricted to three curb cuts to Bruckner boulevard each not over thirty feet in width and two curb cuts to Soundview Avenue of similar width and one curb cut to Noble Avenue of similar width; that no curb cut shall be nearer than five feet to a side lot line as prolonged; that the sidewalks and curbing on all three street fronts shall be constructed to the satisfaction of the Borough President; that under Section 7h for a similar term there may be parking of motor vehicles as indicated on such plans but not to interfere with the servicing of the station; that signs shall be restricted to permanent signs attached to the facade of the accessory building and to the illuminated globes of the pumps, excluding all roof signs and temporary signs but permitting the erection within the building line to the west as proposed of a post standard for the supporting of a sign which may be illuminated, advertising the brand of gasoline on sale and permitting such sign to extend beyond the building line for a distance of not more than four feet; that such portable fire fighting appliances shall be maintained as the Fire Commissioner may direct; that the accessory building shall in all other respects comply with the requirements of the Building Code; that there shall be no cellar under the accessory building; and that all permits shall be obtained, including a certificate of occupancy and all work completed within the requirements of Section 22A of the Zoning Resolution.

928-46-BZ—Vol. II

APPLICANT—Lama, Proskauer and Prober, for 4355 Realty Corporation, owner.

SUBJECT—Application July 12, 1954 (decision of the borough superintendent), under sections 7f and 7i of the zoning resolution, to permit in a business use district, for a term of fifteen years, the erection and maintenance of an automobile sales and showroom and a gasoline service station, lubritorium, car washing, motor vehicle repairs, storage and sale of accessories and office, and to permit the parking and storage of motor vehicles on unbuilt upon portion of plot.

PREMISES AFFECTED—4353-4361 Broadway and 701-707 West 186th street, northwest corner, Block 2180, Lot 140, Borough of Manhattan.

APPEARANCES—

For Applicant: Alfred A. Lama, B. Rosenstein, Rudolf S. Meyer and Paul Dennis.

For Opposition: None.

For Administration: Samuel L. Becker, Dep't of Housing and Buildings.

ACTION OF BOARD—Application granted on condition.
THE VOTE—

Affirmative: Chairman Murdock, Commissioners Kleinert and Keating and Deputy Chief Connors 4
Negative 0

THE RESOLUTION—

WHEREAS, this application was reopened as Vol. II on September 14, 1954 subject to regular procedure, to consider additional use; and

WHEREAS, a public hearing was held on this application on December 7, 1954 after due notice by publication in the Bulletin; laid over to January 18, 1955, for inspection and decision; hearing closed; and

WHEREAS, on April 24, 1923 under Cal. No. 160-23-BZ the Board denied the application for erection and maintenance of a garage for storage of more than 5 motor vehicles; and

WHEREAS, on June 27, 1924 under Cal. No. 431-24-BZ the Board denied the application for erection and maintenance of a garage for storage of more than five motor vehicles; and

WHEREAS, on March 4, 1932 under Cal. No. 588-31-BZ the Board denied application for the erection and maintenance of a gasoline service station, and was served petition and order of certiorari, and the special term of Supreme court affirmed the action of the Board; and

WHEREAS, the district maps accompanying the zoning resolution show that the site and Broadway are in a business use, B area, class 1¼ height district; West 186th street is in residence and business use, B area, class 1¼ height districts; and

WHEREAS, the decision of the borough superintendent, dated June 21, 1954 acting on N.B. Applic. 63-54, reads:

"1. Proposed auto show room, display and sales, lubritorium, minor auto repairs, car washing, storage, office, parking and storage of more than five motor vehicles and gasoline service station; is contrary to Article II, Section 4 of the Zoning Resolution."

and

WHEREAS, the applicant states that the premises consist of a plot, 155 ft. frontage by 100 ft. in depth, on which is located a one story building of class 3 construction, having a frontage of 31 ft. 4 in. and a depth of 14 ft., together with a one-story frame and metal extension 20 ft. 3 in. in depth and 30 ft. 6 in. in width; that the building is now being used as an office for the used car sales lot; that this building was erected under N.B. 110 of 1930 and certificate of occupancy No. 16718 was issued August 30, 1930 for use as cellar, storage, and 1st floor, restaurant; that no permit was issued for the one story frame and metal extension; that the open area is now being used for used car sales lot installed under N.B. 151 of 1934 and certificate of occupancy No. 22368 was issued for this use April 23, 1937; that it is proposed to demolish all the present structures, discontinue the use of the used car sales lot and seek a variance for a period of 15 years in order to erect a modern auto showroom and gasoline service station consisting of twelve 550 gallon gas tanks and six dispensing pumps; that the contemplated building will be one story in height, of class 3 construction having a frontage of 85 ft. and a depth of 35 ft., and contain an automobile showroom, sales and display, lubritorium, car washing, minor auto repairs, storage and office; that a portion of the open area will be reserved for the parking and storage of motor vehicles; that there will be a 5 ft. 6 in. high brick fence wall along the northerly and westerly lot lines from the building to the street building lines; that it is also proposed to install three 30 ft. curb cuts on Broadway and one 20 ft. curb cut on West 186th street; and

WHEREAS, the applicant contends that the building as contemplated will be highly modern in design and be entirely in accord with present surrounding structures; that there are sufficient stores in the affected area for public requirements and it would not be economically feasible to erect more stores; that there are no other gas stations within the affected area; that directly across the site on Broadway, in block 2167, on lots 29, 32 and 63 there have been erected

MINUTES

two story public garages, which are non-conforming uses in a business zone; that Broadway at this particular location although zoned for business is definitely unrestricted in character, with public garages occupying almost an entire block front directly across from the site, and as Broadway is a heavily trafficked auto highway, the erection of an auto showroom and a gas station at this location is entirely within keeping; that the large portion of the site reserved for parking and storage of motor vehicles will be beneficial to surrounding apartment houses as it will help alleviate the parking problem in the area; that the land is very high in assessed value and the owner seeks relief so that he may continue to pay city taxes and receive an equitable return on his investment; and

WHEREAS, the applicant states that the present owner has held title to the property since January 12, 1950; that the assessed valuation of land is \$56,000 and of the building \$8,000 making a total of \$64,000; and

WHEREAS, the premises and the surrounding area were inspected by a Committee of the Board; and

WHEREAS, it is represented that these premises will be operated by the car agency directly across Broadway; and

WHEREAS, the Board found that this was an appropriate case in which to exercise discretion to grant under Section 7, Subdivision f of the Zoning Resolution.

Resolved, that the Board of Standards and Appeals does hereby *make a variation* in the application of the use district regulations of the zoning resolution and that the application be and it hereby is *granted* under Section 7f for a term of 15 years to permit the premises, now occupied as a used car sales lot, to be used and occupied as proposed as an automobile showroom with supplementary gasoline service station as proposed and indicated on plans filed with this application marked "Received, July 12, 1954" (4 sheets), *on condition* that all buildings and uses on the premises shall be removed; that the premises shall be levelled substantially to the grade of Broadway, and shall be constructed and arranged substantially as indicated on such plans; that the showroom building and uses accessory thereto within the building shall comply with the requirements of the Building Code and shall be arranged and constructed and located substantially as shown on such plans; that there shall be no windows opening to the adjacent premises to the west or north; that there shall be no cellar under the building; that pumps shall be erected not nearer than fifteen feet to the street building line of Broadway and shall be of a low approved type; that gasoline tanks shall be limited to twelve (12) 550 gallon approved tanks; that curb cuts shall be limited to three curb cuts 30 feet in width each, located where shown, three curb cuts as shown to Broadway and one curb cut to West 186th street within 25 feet of the intersection of Broadway; that sidewalks and curbing shall be reconstructed or repaired to the satisfaction of the Borough President; that there shall be erected on the westerly lot line from the accessory building to West 186th street and on the northerly lot line from the accessory building to Broadway a brick masonry wall not less than 5 ft. 6 in. in height; that the premises where not occupied by the accessory building, walls and pumps shall be paved with concrete or Tarvia; that signs shall be restricted to a permanent sign attached to the showroom building and to the illuminated globes of the pumps, excluding all roof signs but permitting the erection within the intersection of one post standard for supporting a sign which may be illuminated, advertising the brand of gasoline on sale and permitting such sign to extend beyond the building line for a distance of not more than four feet; that such portable fire fighting appliances shall be maintained as the Fire Commissioner shall direct; that under Section 7i for a similar term there may be minor repairing within the accessory building for adjustment only in connection with the cars dealt in by the agency; that there may be under Section 7h for a similar term parking and storage of motor vehicles so parked as not to interfere with the servicing of the station; and that all permits shall be obtained, including a certificate of occupancy and all work completed within the requirements of Section 22A of the Zoning Resolution.

947-46-BZ—Vol. II

APPLICANT—Julius S. Rapson, for Harry D. O'Connor, owner.

SUBJECT—Application May 27, 1953 (decision of the borough superintendent), under sections 7e and 21 of the zoning resolution, to permit in a residence use, C area district, the extension of existing funeral parlor, one family dwelling and two car accessory garage (previously granted by the Board for a term of years—expires 1957), without the required rear yard.

PREMISES AFFECTED—172 Beach 84th street, east side, 235 ft. south of Rockaway Beach boulevard, Block 619, Lot 28, Rockaway Beach, Borough of Queens.

APPEARANCES—

For Applicant: Julius S. Rapson and Harry D. O'Connor.

For Opposition: None.

For Administration: Samuel L. Becker, Dep't of Housing and Buildings.

ACTION OF BOARD—Resolution amended.

THE VOTE—

Affirmative: Chairman Murdock, Commissioners Kleintert and Keating and Deputy Chief Connors 4

Negative 0

THE RESOLUTION—

WHEREAS, this application was reopened as Vol. II on June 9, 1953 subject to regular procedure, to consider extension of use; and

WHEREAS, a public hearing was held on this application on January 18, 1955 after due notice by publication in the Bulletin; and

WHEREAS, the district maps accompanying the zoning resolution show that the site is in a residence use, C area, class 1 height district; Beach 84th street is in residence and local retail use, C area, class 1 height districts; Rockaway Beach boulevard is in local retail use, C area, class 1 height district; and

WHEREAS, the decision of the borough superintendent, dated May 18, 1953 acting on Alt. Applic. 444-53, reads:

"1. Proposed extension of a business use in a residence use district is contrary to Art. 2, Sec. 3 of the Z. R. and to the resolution of the Board under Cal. 947-46-BZ.

2. Rear yard less than 10'-0 min. in a c area district is contrary to Sec. 13 of the Z. R."

and
WHEREAS, the applicant states that the premises consist of a plot, 86.47 ft. frontage by 171.44 ft. in depth, irregular; that the premises in question are on the east side of 84th street, 235 ft. south of Rockaway Beach boulevard; that the plot is 86.47 ft. on Beach 84th street and runs 171.44 ft. deep through to Beach 83rd street on which is located a 2½ story frame building, 43 ft. wide and 54 ft. long, used as a funeral parlor and living quarters on the 1st floor and 4 bed rooms on the 2nd floor; that it is proposed to erect a one story masonry extension in the rear, approximately 20 ft. deep and 44 ft. wide, built of 8 in. concrete blocks and stuccoed, consisting of a living room, dining room, modern kitchen and bath for the owner's living quarters; that the two rooms formerly used as living room and kitchen will be used only as spare funeral parlors when the other funeral parlors are in use; that the proposed extension will comply with the rules and regulations for a building erected within the fire limits; that in order to get rooms of the size desired by the owner, it becomes necessary to encroach 8 in. into the legal rear yard area, but as the average over all is considerably more and as the side yards are so large, it is requested that this permission be granted; and

WHEREAS, the applicant contends that the owner has been established in this location since 1946 and it would be impractical and costly for him to attempt to relocate either the funeral parlor or living quarters in another location as in a small business of this kind it is quite essential that the living quarters be a part of the business; that as this proposed extension will comply with the rules for a C area and as there will still be five legal exits and no greater hazards

MINUTES

than there were in 1946, it is requested that a variation of the zoning resolution be granted permitting the extension of a business use in a residence district; that an appeal is being filed in conjunction with this application for the extension of a frame structure contrary to section 4.1.3 of the building code; and

WHEREAS, the applicant states that the present owner has held title to the property since January 8, 1945; that the assessed valuation of land is \$2,000 and of the building \$15,000 making a total of \$17,000; that the building was erected 1888.

Resolved, that the Board of Standards and Appeals does hereby amend the resolution adopted on July 1, 1947, by adding thereto:

"that in the event the owner desires to construct an addition to the building occupied by a funeral parlor and for residence of the owner-operator, as now proposed and as indicated on plans filed with this application, marked 'Received May 27, 1953' (6 sheets) and 'November 29, 1954' (1 sheet), such extension may be permitted for the purposes as previously proposed in the resolution above cited and as now proposed, on condition that there shall be installed such portable fire-fighting equipment as the Fire Commissioner shall direct; that in all other respects the building and occupancy shall comply with all laws, rules and regulations applicable thereto and resolution adopted July 1, 1947 as modified this day under Cal. 948-46-A, Vol. II; and that all permits required shall be obtained and all work completed within the requirements of Section 22A of the zoning resolution from the date of this amended resolution."

948-46-A—Vol. II

APPLICANT—Julius S. Rapson, for Harry D. O'Connor, owner.

SUBJECT—Appeal from a decision of the borough superintendent reopened June 9, 1953, as Vol. II, to consider a proposed extension of the building.

PREMISES AFFECTED—172 Beach 84th street, east side, 235 ft. south of Rockaway Beach Boulevard (Block 619, Lot 28) Rockaway Beach, Queens.

APPEARANCES—

For Applicant: Julius S. Rapson and Harry D. O'Connor.
For Administration: Samuel L. Becker, Dep't of Housing and Buildings.

ACTION OF BOARD—Appeal granted on condition.
THE VOTE—

Affirmative: Chairman Murdock, Commissioners Klei-
ert and Keating and Deputy Chief Connors 4
Negative 0

THE RESOLUTION—

WHEREAS, the decision of the borough superintendent dated May 18, 1953, on Alt. App. 444 of 1953, reads:

"2. Proposed extension of a business use in a frame structure is contrary to 4.1.3. of the B.C." and

WHEREAS, the applicant states that the building is two and one half stories, 40 ft. in height, 43 ft. by 62 ft. in area at the first floor, 23 ft. by 46 ft. in area at the second floor, of Class 4 construction, erected 1888, located on a lot 71.47 ft. front and 118 ft. and 171.44 ft. irreg. in area, in a residence use, C area, Class One height district, and used and occupied since 1946: Cellar—ordinary use and embalming room; 1st floor—dwelling and funeral parlor, 74 persons; 2nd floor—four bedrooms; the building is now proposed to be increased in area at the first floor to 49 ft. front by 77 ft. in depth; and to be used and occupied without change; that there are two interior three foot wide wood stairs enclosed in partitions of wood and plaster above the cellar and with six inch terra cotta block at cellar level; that cellar stairs are equipped with fireproof self closing door, and

WHEREAS, the applicant states that as both the owner's business and the owner's family have grown since 1946, when the Board originally permitted the use of the building under Cal. No. 948-46-A, Vol. I, larger quarters have become neces-

sary and it is therefore proposed to erect a one story masonry extension on the rear of the existing frame building approximately 20 ft. deep and 44 ft. wide, constructed of 8 in. concrete blocks, finished with stucco, and complying with the requirements for a building erected within the fire limits; and

WHEREAS, the applicant contends that since the proposed extension will comply with the requirements of the Administrative Building Code, and since there will be five legal exits and since the hazards will not be increased, it is requested that this appeal be granted so as to permit the construction of the extension to the building as herein proposed and as indicated on plans filed with Cal. No. 947-46-BZ, Vol. II.

Resolved, that the decision of the borough superintendent, acting on Alt. App. 444/53, Objection 2, dated May 18, 1953, be and it hereby is modified and that the appeal be and it hereby is granted on condition that the frame construction shall not be further extended; that the extension as proposed shall be of Class 3 construction and shall comply in all other respects with all laws, rules and regulations applicable thereto other than as modified herein and as modified this day under Cal. No. 947-46-BZ, Vol. II.

43-53-BZ

APPLICANT—Gustave Goldman, for H. L. Realty Corp., owner.

SUBJECT—Application reopened December 7, 1954 for consideration as to extension of time to complete—re (decision of the borough superintendent) previously granted on condition, under sections 7c and 7i of the zoning resolution, permitting in a business use district, the extension in use of existing gasoline service station to be used as a gasoline service station, auto washing, lubritorium, motor vehicle repairs and office.

PREMISES AFFECTED—3723 Avenue U, northwest corner of East 38th street, Block 8531, Lot 1, Borough of Brooklyn.

APPEARANCES—

For Applicant: Gustave Goldman.

For Opposition: None.

For Administration: Samuel L. Becker, Dep't of Housing and Buildings.

ACTION OF BOARD—Resolution amended.

THE VOTE—

Affirmative: Chairman Murdock, Commissioners Klein-
ert and Keating and Deputy Chief Connors 4
Negative 0

THE RESOLUTION—

WHEREAS, on July 28, 1953 this application was granted by the Board on certain conditions, under section 7c of the zoning resolution, to permit in a business use district, the existing gasoline service station, lawfully permitted for a plot 40 ft. by 100 ft., to be extended to a depth of 60 ft. and that complete working drawings be submitted for further consideration and imposition of conditions; and

WHEREAS, on November 4, 1953 resolution was amended and working drawings approved; and

WHEREAS, the applicant requested reopening of this application and extension of the term of variance, which had expired by time limitation; and

WHEREAS, the applicant requested reopening of this application and extension of time, to obtain permits and complete the work, which had expired by time limitation; and

WHEREAS, the applicant requested reopening of this application and amendment of the resolution; and

WHEREAS, this application was reopened on December 7, 1954 and set for hearing on January 18, 1955 at 10 A. M., subject to regular procedure, in view of the change of zone since previous action of the Board, waiving all requirements except a new decision of the borough superintendent and two publications in the Bulletin; and

WHEREAS, a public hearing was held on this application on January 18, 1955 after due notice by publication in the Bulletin; and

MINUTES

WHEREAS, the decision of the borough superintendent, dated December 1, 1954 acting on Alt. Applic. 2791-52, reads:

"2. Proposed increase in area of gasoline service station and the erection of a bldg. for auto repairs with hand tools only, auto washing and lubritorium, located within a residential district is contrary to Art. 2 Sect. 3 of the zoning resolutions (note these premises subject to a variation under 43-53-BZ—also premises are now located in a residential district under a zoning change on 7-22-54.)"

and
WHEREAS, the applicant states that work on this project was not started on time due to financial difficulties; that the Board adopted the resolution of approval on July 28, 1953 and the working drawings on November 4, 1953; that the building department approved plans are dated February 5, 1954; that on July 22, 1954 the City planning commission changed the zone from business to residence; that on October 29, 1953 the contractor tried to secure permit to build and the building department refused to issue same for the reasons that work had not been started within a year, as designated by the Board, and that the zone had been changed from business to residence on July 22, 1954; that work is ready to be started at once and it is requested that the Board grant another six months to complete the work.

Resolved, that the Board of Standards and Appeals does hereby *amend* the resolution adopted by the Board on July 28, 1953, by adding thereto:

"that, in view of the change of use zoning, the Board nevertheless *affirms* the resolution as adopted by the Board on July 28, 1953, *as amended* by resolution adopted November 4, 1953, *on condition* that all requirements of such resolution shall be complied with; that all permits shall be obtained and all work completed and a certificate of occupancy obtained within the requirements of Section 22A of the Zoning Resolution."

632-53-BZ—Vol. II

APPLICANT—Ingram S. Carner, for Irving Rubber and Metal Co., owner.

SUBJECT—Application May 11, 1954 (decision of the borough superintendent), under sections 7c and 21 of the zoning resolution, to permit in a business use, D area district, the erection and maintenance of a structure using more than the area permitted, and to be used for office, loading space, junk shop for sorting, packing and baling of scrap metal and rubber (no paper or rags), with an entrance to off street loading and unloading berth nearer to intersection than is permitted (previously denied by the Board).

PREMISES AFFECTED—9517-9529 Ditmas avenue and 736-746 East 96th street, northwest corner, Block 8113, Lot 1, Borough of Brooklyn.

APPEARANCES—

For Applicant: Ingram S. Carner and Abe Greenberg.

For Opposition: E. H. Butler.

For Administration: Samuel L. Becker, Dep't of Housing and Buildings.

ACTION OF BOARD—Application granted on condition.

THE VOTE—

Affirmative: Chairman Murdock, Commissioners Kleintert and Keating and Deputy Chief Connors 4

Negative 0

THE RESOLUTION—

WHEREAS, this application was reopened as Vol. II on June 2, 1954 subject to regular procedure, to consider new proposal; and

WHEREAS, a public hearing was held on this application on October 13, 1954 after due notice by publication in the Bulletin; laid over to October 26, 1954 and to November 23, 1954, at the request of the applicant; owner may decide to acquire other property and withdraw the application; then to December 14, 1954, for inspection and decision; hearing closed; then to January 18, 1955, for applicant to file revised plans; and

WHEREAS, the district maps accompanying the zoning resolution show that the site is in a business use, D area, class 1½ height district; Ditmas avenue is in business and unrestricted use, D area, class 1½ height district; East 96th street is in residence and business use, D area, class 1½ height districts; and

WHEREAS, the decision of the borough superintendent, dated April 22, 1954 acting on N.B. Applic. 845-53, reads:

"1. Proposed bldg. to be used for office, loading space, junk shop for sorting, packing & baling of scrap metal and rubber (no paper or rags) in a 'Business' use zone is contrary to Art. II, P. 4(a), subsection 20 of the Zoning Res.

2. Off-street loading and unloading within 50' of corner is in violation of Article IV, P. 19-A of the Zoning Resolution.

3. Area of Bldg. exceeds permitted coverage for a 'D' area zone and is contrary to Article III, P. 14 of the Zoning Resolution."

and

WHEREAS, the applicant states that the premises consist of a plot, 120 ft. frontage by 100 ft. in depth, presently vacant; that it is proposed to improve this property with a modern masonry building of one story in height, which will be utilized for the packing, baling and sorting of scrap metal and rubber (no paper or rags); that off-street parking and loading are also provided; that all open yards are to be cinder paved, providing good drainage with a proper binder to prevent dust; that a 6 ft. masonry fence wall is proposed for a distance of 20 ft. along the rear lot line as well as a 6 ft. high woven wire fence along the westerly building line, and where indicated on plans marked proposed conditions; that all operations are to be under cover of the building and it is further proposed to install two 30 ft. curb cuts and one 12 ft. and one 17 ft. curb cut on Ditmas avenue; that this arrangement will provide a feasible and efficient method of operation for a business of this type; and

WHEREAS, the applicant contends that Ditmas avenue to the south is entirely in an unrestricted zone at this point and as such is improved accordingly, with uses including junk shops in block 8120, lots 29 and 50, as well as open storage of scrap iron in block 8121, lots 27, 28, 29, 34 and 35; that in block 8114, lots 1, 6 and 64, a gas station was granted by the Board, and in block 8115, lot 6, this existing gas station was also granted by the Board; that the character of Ditmas avenue at this point is such that the uses as proposed, with the arrangement as proposed, will in no way have an adverse effect on this area; and

WHEREAS, the applicant states that the present owner has held title to the property since May 1, 1954 and that the assessed valuation of land is \$6,750; and

WHEREAS, the premises and the surrounding area were inspected by a committee of the Board; and

WHEREAS, the applicant changed the basis of his application to read Section 7e instead of 7c; and

WHEREAS, the Board deemed that under the conditions required in the resolution, ample protection is provided for the vacant land at the rear; and

WHEREAS, the Board found that this was an appropriate case in which to exercise discretion to grant under Section 7, Subdivision e of the Zoning Resolution.

Resolved, that the Board of Standards and Appeals does hereby *make a variation* in the application of the use district regulations of the zoning resolution and that the application be and it hereby is *granted* under Section 7e for a term of twenty years to permit the premises to be occupied substantially as proposed as indicated on plans filed with this application marked, "Received, May 11, 1954" (3 sheets), and as amended by revised plans marked, "Received December 28, 1954" (2 sheets), *on condition* that any buildings or uses on the premises shall be removed and the premises shall be arranged and reconstructed as indicated on such plans for the uses as proposed, as a junk shop for the sorting, baling and packing of scrap metal and rubber, without rags or paper; that the portion to be left unbuilt upon at the west shall have

MINUTES

a masonry brick wall on the lot lines to the west and north properly coped and not less than six feet in height, except that the rear wall shall be of a height equivalent to the height of the proposed building, and the side lot wall shall be constructed at angle of approximately 45° to the height of the rear wall; this portion of the premises shall be paved with concrete or asphaltic pavement and may have a curb cut opposite of 17 feet, as shown; that the balance of the building shall comply with the Building Code; that the open space in front may be occupied for parking, in connection with the uses of the building, for the employees and patrons; that the parking space in front shall be paved with asphaltic pavement; that opposite such parking space there may be two curb cuts each 30 feet in width; that at the ramp to the east there may be a curb cut opposite not less than 12 feet in width; that the sidewalks and curbing around the premises shall be repaired or restored to the satisfaction of the borough president; that such portable fire fighting appliances shall be maintained as the Fire Commissioner may direct; that in all other respects the building and occupancy shall comply with the requirements therefor, including signs; that there shall be no signs erected on the lot lines to the north or west; and that all permits shall be obtained and work completed within the requirements of Section 22A of the Zoning Resolution.

722-53-BZ

APPLICANT—Reginald S. Hardy, for Woodside Developers, Inc., owner.

SUBJECT—Application October 5, 1953 (decision of the borough superintendent), under sections 7c, 7e and 21 of the zoning resolution, to permit in the residence use district portion of a lot located in a residence and unrestricted use, A area district, the erection and maintenance of an additional building, using more than the area permitted.

PREMISES AFFECTED—32-48 to 32-60 60th street, west side, 100 ft. north of Northern boulevard, Block 1160, Lot 36, Woodside, Borough of Queens.

APPEARANCES—

For Applicant: R. S. Hardy.

For Opposition: Rev. Thomas Lyons, Mrs. Eleanor Hannafin and Francis J. Columbia.

For Administration: Samuel L. Becker, Dep't of Housing and Buildings.

ACTION OF BOARD—Application granted on condition.

THE VOTE—

Affirmative: Chairman Murdock, Commissioners Kleintert and Keating and Deputy Chief Connors 4

Negative 0

THE RESOLUTION—

WHEREAS, a public hearing was held on this application on July 13, 1954 after due notice by publication in the Bulletin; laid over to July 27, 1954, for inspection and decision without further argument; hearing closed; then to September 14, 1954, for further consideration by the Board and decision; then to October 5, 1954, at request of the Board, for further consideration and inspection; then to October 26, 1954, for inspection; objectors permitted file additional objections and applicant to file revised plans; then to November 16, 1954, at request of the applicant, for applicant to file new proposal and for further objections to be filed; then to December 7, 1954, to consider additional use and permit two publications in the Bulletin; applicant required to send notice to affected owners by regular mail; then laid over for further consideration by the Board; date to be set; hearing closed; and then set for January 18, 1955 for decision; and

WHEREAS, the district maps accompanying the zoning resolution show that the site is in a residence use, A area, class 1½ height district; 60th street is in residence and unrestricted use, A area, class 1½ height districts; Northern boulevard is in an unrestricted use, A area, class 1½ district; and

WHEREAS, the decision of the borough superintendent, dated September 14, 1953 acting on N.B. Applic. 1706-53, reads:

"1. Proposed use of premises located in a residence use district as a factory with loading and unloading area is contrary to Article II Sec. 3 of zoning resolution.

2. Area occupied on amended plan is contrary to area permitted under Article IV Sec. 11-b of zone resolution."

and

WHEREAS, the applicant states that the premises consist of a plot, 250 ft. frontage by 100 ft. in depth, presently vacant; that it is proposed to erect a two story factory building, 150 ft. front by 95 ft. in depth, 24 ft. in height, of class 1 construction; and

WHEREAS, the applicant further states that the premises consist of a rectangular plot having frontages of 100 ft. on Northern boulevard and 250 ft. on 60th street; that they are in unrestricted and residence use districts, A area district and class 1½ height district; that the height and area designations have remained unchanged since July 25, 1916; that the entire property was originally in an unrestricted district; that on December 18, 1925 the portion of the property extending northerly from a point 100 ft. north of Northern boulevard was rezoned to include it within a residence district; that unusual zoning designations prevail in the block in which the site is located; that the northerly side of Northern boulevard is in an unrestricted district; that the portion of the block fronting upon 60th street, from a point 100 ft. north of Northern boulevard to a point 100 ft. south of 32nd avenue is in a residence district, and the remainder of the block is zoned for business; that the block to the east is similarly zoned; that as a result, there is a small pocket of residentially zoned property fronting on 60th street entirely surrounded by unrestricted and business districts; that much of this residence property is unimproved, although some portions of it have been improved by residences obviously erected a number of years ago; that the portion of the site fronting on Northern boulevard and extending to a depth of 100 ft. has been improved with a two story factory building occupying all of the property except a 5 ft. strip along the westerly side of 60th street which lies within the bed of the mapped street; that this building is used for the manufacture of aircraft and navigation instruments; that the area of the entire site is 25,000 sq. ft.; area of improved portion within the unrestricted district 10,000 sq. ft.; that the proposed building will be two stories in height and will be similar in design and material to the existing building; and

WHEREAS, the applicant contends that the existing building on the premises is leased to Aviation Engineering corporation, an organization engaged in the manufacture of aircraft and navigational instruments; that at the time the lease was executed, the owner of the property agreed that if the business of the tenant required, it would seek permission to build an additional building on the property, to be leased to the tenant; that the owner has been advised that additional space is required and consequently this application for the erection of a new building has been filed; that the property fronting on Northern boulevard is not only unrestricted in zoning but it is unrestricted in development; that there are a number of gas stations, motor vehicle repair shops and other establishments of a type permitted only in unrestricted or manufacturing districts; that the effect of this development is to render the entire area unsuitable for residence use; that the portion of the property which is now improved with the factory building is perhaps the most attractive building in the entire vicinity and the owner contemplates the erection of a similar structure occupying the remainder of the property; that the use to which this building will be put is not in any respect obnoxious and would constitute a very definite improvement over the vacant lot which now exists; that the portion of the site to the north, that is the property fronting on Northern boulevard, is now improved with a two story building occupying all of the property except the portion lying within the bed of the mapped street; that the property

MINUTES

to the north is vacant and the property to the east is improved with small dwellings, most of which have garages along the rear lot line, and it is therefore apparent that no benefit could be obtained by requiring the owner of this property to leave a portion of it vacant; and

WHEREAS, the applicant states that the present owner has held title to the property since November 19, 1952; that the assessed valuation of land is \$42,000 and of the buildings \$65,000, making a total of \$107,000; and

WHEREAS, revised plans filed show an addition to the building and no increase in area coverage will be required; that a space at the rear approximately thirty feet in width and for the depth of the lot will be used for parking of motor vehicles of employees and patrons; and

WHEREAS, the premises and surrounding area were inspected by a committee of the Board; and

WHEREAS, the applicant stated that, in accordance with revised plans filed, the area requirements would be met; and

WHEREAS, the Board found that this was an appropriate case in which to exercise discretion to grant under Section 7, Subdivision c of the Zoning Resolution and that conditions imposed adequately protect the adjacent residence area.

Resolved, that the Board of Standards and Appeals does hereby *make a variation* in the application of the use district regulations of the zoning resolution and that the application be and it hereby is *granted* under Section 7c to permit the construction of an addition to the two-story factory building, substantially as proposed and as indicated on plans filed with this application, marked "Received March 9, 1954" (5 sheets), "May 28, 1954", 1 sheet, "July 21, 1954" (4 sheets) and "October 21, 1954" (4 sheets), to be used for the occupancy of the concern now occupying the corner building, *on condition* that such addition to the building shall in all other respects comply with all laws, rules and regulations applicable thereto; that there shall be no windows opening westerly from such building; that a portion of the premises to be left unbuilt upon at the rear approximately 30 feet in width may be used for the parking of cars belonging to employees and patrons of the tenant; that opposite such parking space there may be a curb cut not over 12 ft. in width; that to enclose such parking space there shall be erected on the rear and interior lot lines to the north a masonry wall not less than 5 ft. 6 in. in height with a similar wall on the street line, except for an entrance not over 10 ft. in width which shall be fitted with gates which shall be closed after business hours; that on such front wall near the entrance there may be erected a sign, advertising the private use of the parking space by employees' and patrons' cars only and such other information as may be required by the Commissioner of Licenses; that there may also be an additional curb cut 25 ft. in width for access to the loading and unloading area in connection with the proposed extension; that such fire-fighting equipment shall be installed as the Fire Commissioner shall direct; and that all permits required shall be obtained and all work completed within the requirements of Section 22A of the Zoning Resolution.

276-54-BZ

APPLICANT—Burke, Green and Groh, for Ethel C. Mold, owner, Anthony Cuneo, lessee.

SUBJECT—Application March 30, 1954 (decision of the borough superintendent), under section 7c of the zoning resolution, to permit in a retail use district the reconstruction and extension in area of existing gasoline service station, to include auto washing, lubricatorium, motor vehicle repairs, storage and sale of accessories and office.

PREMISES AFFECTED—149-34 15th avenue, south side, 260 ft. east of 149th street, Block 4662, Lot 47, Whiteston, Borough of Queens.

APPEARANCES—

For Applicant: Robert T. Groh.

For Opposition: None.

For Administration: Samuel L. Becker, Dep't of Housing and Buildings.

ACTION OF BOARD—Application granted on condition.
THE VOTE—

Affirmative: Chairman Murdock, Commissioners Klein-
crt and Keating and Deputy Chief Connors 4

THE RESOLUTION—

WHEREAS, a public hearing was held on this application on December 7, 1954 after due notice by publication in the Bulletin; laid over to December 14, 1954, for investigation of the records; hearing closed; then to January 11, 1955, for applicant to investigate the record; then to January 18, 1955, for applicant to file revised plans, making accessory building parallel to rear lot line; and

WHEREAS, the district maps accompanying the zoning resolution show that the site and 15th avenue are in a retail use, D area, class ½ height district; 149th street is in residence and retail use, D area, class ½ height districts; and

WHEREAS, the decision of the borough superintendent, dated March 12, 1954 acting on N. B. Applic. 380-54 and superseded by N. B. Applic. 380-54 dated October 28, 1954, which reads:

"1. Proposed construction of new bldg. on existing gasoline service station and extension in area of gasoline service station, premises to be used as a gasoline service station, auto washing, lubrication, office, sale of auto accessories and minor auto repairs with hand tools only in a retail use district is contrary to Art. II Sec. 4A of the Zoning Resolution."

and

WHEREAS, the applicant states that the premises consist of a plot, 115 ft. frontage by 100 ft. in depth, on which is located a gasoline service station; that the premises now consist of two tax lots, lot 47 with a frontage of 75 ft. and lot 49 with a frontage of 40 ft.; that these two lots have been assigned tentative lot No. 47 as a single lot on the basis of the proposed layout; that the site is now developed with a gasoline service station containing a small frame office building and a large frame store building used as an accessory store in conjunction with the gas station; that it is proposed to demolish all buildings on the site and to rebuild the entire premises as a modern parkway type of gas station; that it is proposed to construct a new building with shingled peak roof and with face brick facade; that the present pumps will be removed and new pumps will be installed 15 ft. back of the building line; that an iron picket fence on a concrete base will be provided along all lot lines and planting and shrubbery will be provided along these lines; that the entire site will be paved with concrete or bituminous paving and curb cuts will be rearranged; and

WHEREAS, the applicant further states that the property referred to is presently zoned as a retail district, class ½ height district and a D area district; that as of July 25, 1916 the property in question was in a one time height district; that the present height designation became effective on March 30, 1940; that on July 20, 1954 the use district was changed from business to retail district; that the area designation has not been changed since July 25, 1916 and no zoning amendment relating to this property is pending at the present time; and

WHEREAS, the applicant states that the present owner has held title to the property since May 30, 1948; that the assessed valuation of land is \$10,000 and of the buildings \$2,500 making a total of \$12,500; and

WHEREAS, the premises and surrounding area were inspected by a committee of the Board; and

WHEREAS, the Board found that this was an appropriate case in which to exercise discretion to grant under Section 7, Subdivision c of the Zoning Resolution.

Resolved, that the Board of Standards and Appeals does hereby *make a variation* in the application of the use district regulations of the zoning resolution and that the application be and it hereby is *granted* under Section 7c to permit the lawfully existing gasoline station to be reconstructed and extended substantially as proposed and as indicated on plans filed with this application marked, "Received, March 30, 1954"

MINUTES

(4 sheets) and as amended by revised plans marked, "Received, January 14, 1955" (2 sheets) *on condition* that all buildings and uses on the premises shall be removed and that the premises shall be developed and constructed substantially as indicated on such revised plans marked, "Received, January 14, 1955" that the accessory building shall be of the design and arrangement as proposed and as shown, and faced with face brick, and with a gable roof as indicated; that there shall be erected on the interior lot lines to the east and west and south a masonry wall not less than 12 inches in height with a steel picket fence erected thereon to a total height of not less than five feet six inches with pickets spaced not over 6" on centers; that suitable terminating posts shall be erected and maintained at the termination of such fences at the building line of 15th Avenue; that pumps shall be erected not nearer than fifteen feet from the building line of 15th Avenue and shall be of a low approved type; that the number of gasoline tanks shall be as now installed, namely, ten (10) 550 gallon tanks as existing which shall be tested to the satisfaction of the Fire Commissioner; that along the interior lot lines where shown there shall be maintained a planted area not less than five feet in width with suitable planting material and protected with concrete curbing not less than six inches by six inches; that the balance of the premises shall be paved with asphalt or concrete; that the sidewalks and curbing in front of the premises shall be reconstructed or repaired to the satisfaction of the Borough President; that under Section 7i there may be minor repairing of motor vehicles with hand tools only maintained for adjustments within the accessory building; that such portable fire fighting appliances shall be maintained as the Fire Commissioner may direct; that signs shall be restricted to a permanent sign attached to the facade of the accessory building and to the illuminated globes of the pumps which may be illuminated excluding all roof signs and temporary signs but permitting the erection within the building line of one post standard, which may be illuminated, advertising the brand of gasoline on sale and permitting such sign to extend beyond the building line for a distance of not more than four feet; that all permits shall be obtained and all work completed within the requirements of Section 22A of the Zoning Resolution.

692-54-BZ

APPLICANT—Siegel and Green, for City Bank Farmers Trust Co. et al. and Francis X. Stephens, owners, Charter Properties, Inc., owner under contract.

SUBJECT—Application September 10, 1954 (decision of the borough superintendent), under section 21 of the zoning resolution, to permit in a retail use, D area district, the erection and maintenance of a supermarket using more than the area permitted.

PREMISES AFFECTED—71-75 Avenue D and 754-756 East 6th street, southwest corner, Block 375, Lots 36, 37 and 38, Borough of Manhattan.

APPEARANCES—

For Applicant: Max Siegel and Stanley J. Harte.

For Opposition: None.

For Administration: Samuel L. Becker, Dep't of Housing and Buildings and C. J. Cammarata, N. Y. C. Housing Authority.

ACTION OF BOARD—Application granted on condition.

THE VOTE—

Affirmative: Chairman Murdock, Commissioners Kleintert and Keating and Deputy Chief Connors 4

Negative 0

THE RESOLUTION—

WHEREAS, a public hearing was held on this application on December 21, 1954 after due notice by publication in the Bulletin; laid over to January 18, 1955, for inspection and decision without further argument; hearing closed; and

WHEREAS, the district maps accompanying the zoning resolution show that the site and Avenue D are in a retail use, D area, class 1 height district; East 6th street is in residence and retail use, D area, class 1 height districts; and

WHEREAS, the decision of the borough superintendent, dated September 3, 1954 acting on N.B. Applic. 108-54, reads:

"1. Proposed building exceeds permitted land coverage for 'D' area district. Art. IV, Sec. 14(c) Zoning Res."

and

WHEREAS, the applicant states that the premises consist of a plot, 76 ft. frontage by 89 ft. in depth; that the premises are entirely within a retail use district, a portion of which is vacant land and the corner lot is developed with a 5 story old law tenement, now abandoned, which will be demolished; that it is proposed to erect a one story and cellar building of class 3 construction, occupying the full area of the lot, to be used in its entirety for a supermarket; and

WHEREAS, the applicant contends that the owner under contract contemplates this development subject to obtaining the necessary variance requested herein; that supermarkets require comparatively large areas for practical merchandising; that the full area of the subject premises barely meets the usual requirements for such supermarkets, but its location is in demand for such use, which overcomes its deficiency in size; that to make this project economically feasible and in order to obtain a reasonable return on the investment required, it is necessary to use the full area of the subject premises, otherwise no careful investor would undertake any development on this lot, which has been vacant and unimproved for some time; that while the use district zoning permits, as a matter of right, the building use as proposed, the area district zoning limits the building area and such area limitation tends to prohibit the only practical, reasonable and beneficial use that can be made of this particular lot; that the lot is of comparatively small area, being only 89 ft. in depth but being a corner lot it does not require a rear yard; that under the area district restriction for this lot, an open space is required to be maintained; that such open space is permitted to be placed anywhere on the lot; that as applied to this particular plot, it would serve no useful purpose as the plot is practically enclosed on both interior lot lines by tall buildings; that to leave such open space would not benefit anyone but would tend to destroy the usefulness of this lot; that the proposed low building height will unquestionably provide better light and ventilation for adjoining properties than any possible open space that is required to be provided; that limiting the proposed building to one story, while allowing a greater building coverage will materially benefit the surrounding properties; that in view of aforesaid conditions the area zoning for this particular plot is unreasonable and oppressive and tends to destroy its real estate value, thereby causing unnecessary hardships and practical difficulties within the meaning of section 21 and it is therefore requested that the Board grant the necessary zoning variance; and

WHEREAS, the applicant states that the present owner has held title to lot 36 since July 26, 1954 and to lots 37 and 38 since July 24, 1949; that the assessed valuation of land is \$66,000 and of the building \$5,000 making a total of \$71,000; that the building was erected prior to 1901; and

WHEREAS, the premises and surrounding area were inspected by a committee of the Board and the committee has noted the fact that the lot is surrounded almost completely by adjoining buildings; and

WHEREAS, the Board found that the applicant had substantiated a basis to warrant exercise of discretion to grant under Section 21 of the zoning resolution, and is therefore entitled to relief as to area on the grounds of unnecessary hardship.

Resolved, that the Board of Standards and Appeals does hereby make a variation in the application of the area district regulations of the zoning resolution and that the application be and it hereby is granted under section 21 as to area, to permit the excess area to be occupied as proposed and as indicated on plans filed with this application marked, "Received, September 10, 1954" (3 sheets) and "Received, November 10, 1955" (2 sheets), *on condition* that in all other respects the building and occupancy shall comply with all laws, rules and regulations applicable thereto; that the building shall not be increased in height or in area beyond what is now proposed;

MINUTES

that there shall be no windows opening on any portion of the rear lot line or opening upon any open space of an adjoining premises or on the side lot lines opening to any court; and that all permits shall be obtained and work completed within the requirements of Section 22A of the Zoning Resolution.

774-54-BZ

APPLICANT—Abraham Grossman, for 227 Mulberry Realty Corp., owner.

SUBJECT—Application October 11, 1954 (decision of the borough superintendent), under sections 7f and 21 of the zoning resolution, to permit in a business use district the change in occupancy from machine storage to storage garage for more than five motor vehicles.

PREMISES AFFECTED—227-229 Mulberry street, west side, 141 ft. 9½ in. north of Spring street, Block 495, Lot 35, Borough of Manhattan.

APPEARANCES—

For Applicant: Abraham Grossman.

For Opposition: Paseal J. Fortinash.

For Administration: Samuel L. Becker, Dep't of Housing and Buildings.

ACTION OF BOARD—Application granted on condition.

THE VOTE—

Affirmative: Chairman Murdock, Commissioners Kleintert and Keating and Deputy Chief Connors 4

Negative 0

THE RESOLUTION—

WHEREAS, a public hearing was held on this application on December 21, 1954 after due notice by publication in the Bulletin; laid over to January 18, 1955, for inspection and decision without further argument; hearing closed; and

WHEREAS, the district maps accompanying the zoning resolution show that the site, Mulberry street and Spring street are in a business use, B area, class 2 height district; and

WHEREAS, the decision of the borough superintendent, dated September 13, 1954 acting on Alt. Applic. 1350-54, reads:

"1. Proposed garage for more than 5 cars and sale of gasoline in a business district is contrary to Art. II Sec. 4(15) of Z. R."

and

WHEREAS, the applicant states that the premises consist of a plot, 50 ft. frontage by 99 ft. in depth, on which is located a building covering the entire lot, one story, 15 ft. in height, of class 3 construction, presently used for machine storage; that it is proposed to change the use of the structure to a storage garage; and

WHEREAS, the applicant further states that on July 25, 1916 the use was unrestricted, B area, class 2 height district; that in June 1926 the use designation was changed from unrestricted to business, which use is now in effect; and

WHEREAS, the applicant contends that in view of the present economic conditions and the difficulty of securing a tenant for this building, it is proposed to convert the use of the 1st floor to a garage for more than 5 cars and the sale of gasoline; that the present curb cut, which was used to permit trucks to load and unload within the building, will be retained for the use of the proposed garage; that there is an urgent need for a garage in this locality as parking facilities are at a premium and since additional garage facilities are a need recognized by the mandatory parking requirements, the Board is requested to grant a variance for a term of 15 years; and

WHEREAS, the applicant states that the present owner has held title to the property since January 22, 1941; that the assessed valuation of land is \$20,000 and of the building \$23,000 making a total of \$43,000; that the building was erected 1919; and

WHEREAS, the premises and surrounding area were inspected by a committee of the Board and consideration has been given to the proposal to change the use of the building from the storage of machinery to a storage garage; and

WHEREAS, the Board found that this was an appropriate case in which to exercise discretion to grant under Section 7, Subdivision f of the Zoning Resolution.

Resolved, that the Board of Standards and Appeals does hereby make a variation in the application of the use district regulations of the zoning resolution and that the application be and it hereby is granted under Section 7f for a term of ten years to permit the existing building to be occupied as a garage for more than five motor vehicles as proposed and as indicated on plans filed with this application marked, "Received, October 11, 1954" (4 sheets) and to permit such garage to be used as a storage garage on condition that there shall be no signs advertising the sale of gasoline on the front of the building and that gasoline shall be sold only to those owners storing cars within the building; that the building shall not be increased in height or area; that in all other respects the building and occupancy shall comply with all laws, rules and regulations applicable thereto; and that all permits shall be obtained, including a certificate of occupancy and all work completed within six months from the date of this resolution.

775-54-BZ

APPLICANT—Abraham Grossman, for 227 Mulberry Realty Corp., owner.

SUBJECT—Application October 11, 1954 (decision of the borough superintendent), under sections 7f and 21 of the zoning resolution, to permit in a business use district the change in occupancy from machine storage to storage garage for more than five motor vehicles.

PREMISES AFFECTED—231-233 Mulberry street, west side, 191 ft. 8½ in. north of Spring street, Block 495, Lot 33, Borough of Manhattan.

APPEARANCES—

For Applicant: Abraham Grossman.

For Opposition: Pascal J. Fortinash.

For Administration: Samuel L. Becker, Dep't of Housing and Buildings and John J. Saunders, B'd of Education.

ACTION OF BOARD—Application granted on condition.

1136-39-SM—Vol. II

APPLICANT—S. H. Pomeroy Company, owner.

SUBJECT—Application reopened September 14, 1954 for test and report as to change in construction and as to use of spring balance—Pomeroy Superior type hollow metal heavy type double hung window, Models B and U previously approved—re Pomeroy Superior Type hollow metal heavy type steel double hung window, Models H, I and L.

APPEARANCES—

For Applicant: Joseph F. Quinn and Herman C. Knebel.

ACTION OF BOARD—Resolution amended in accordance with the report of Committee on Test.

THE VOTE—

Affirmative: Chairman Murdock, Commissioners Kleinert and Keating and Deputy Chief Connors 4
Negative 0

THE RESOLUTION—

WHEREAS, the report of a Committee on Test reads:

REPORT OF COMMITTEE ON TEST

Re: Cal. 1136-39-SM Vol. II

Subject: Amendment to resolution to include Pomeroy Double Hung Windows, Types B and U.

S. H. Pomeroy Company, New York requested by filing an application dated June 9, 1954 that the resolution adopted October 17, 1939 under Cal. No. 1136-39-SM be amended so as to include the Pomeroy Double Hung Windows, Types B and U. The application was reopened September 14, 1954 by a vote of the Board.

Purpose

The windows are designed as a ¾-hour fire window.

Description

The window is hollow metal frames of the double hung type. The frames shall not exceed 5'-5" in width and 10'-0" in height for single or multiple units. The requested windows, Models B and U are similar to the Models H, I and L (approved by the Board October 17, 1939 under Cal. No. 1136-39-SM Vol. I) in assembly construction gauge of metal in frames and sash but differ as the types B and U are counter balanced by spring instead of weights. The spring balances are hooked to the spring balance hoods in the lead of the window and the lower end of the balances are attached to the underside top and bottom cross rails. It is found that the windows are difficult to operate because of the balances, unless glazed.

Inspection and Test

The window was tested at the Underwriters Laboratory, Chicago, Illinois. The result of the test was as follows: The window lowered towards the fire 1-7/16 inches but successfully passed the fire and hose stream test. The complete report Underwriters Laboratories Inc., File No. R-176 is on file with and is part of the records.

Recommendation

On the basis of the test and the data filed by the applicant, the Committee on Test recommends that the resolution adopted October 17, 1939 under Cal. No. 1136-39-SM Vol. I be amended so as to include Pomeroy Double Hung Windows, Type B and U on condition that the requirements of the resolution adopted October 17, 1939 under Cal. No. 1136-39-SM Vol. I be complied with and further that the horizontal and vertical muntins be welded to the sash members.

(Sgd.) HARRIS H. MURDOCK,
Chairman,

LESLIE V. HUBER,
Chief Engineer,

JOHN A. DARTS,
Assistant Engineer,
Committee on Test.

Resolved, that the Board of Standards and Appeals does hereby *amend* the resolution of October 17, 1939 in accordance with the above report.

38-47-SM—Vol. II

APPLICANT—Bergen Building Block Inc., et al., owner.

SUBJECT—Application reopened as Vol. II April 20, 1954 for test and report to consider blocks made of approved Waylite—Waylite aggregate (used as aggregate in manufacture of concrete masonry units).

APPEARANCES—

For Applicant: Horace Bush.

ACTION OF BOARD—Resolution amended in accordance with the report of Committee on Test.

THE VOTE—

Affirmative: Chairman Murdock, Commissioners Kleinert and Keating and Deputy Chief Connors 4
Negative 0

THE RESOLUTION—

WHEREAS, the report of a Committee on Test reads:

REPORT OF COMMITTEE ON TEST

Re: Cal. 38-47-SM Vol. II

Subject: Amendment to resolution as to Masonry Units manufactured with Waylite.

MINUTES

Bergen Building Block, Ridgefield Park, New Jersey requested by filing an application dated March 26, 1954 that the resolution adopted July 13, 1948 under Cal. No. 38-47-SM Vol. I be amended so as to include Masonry Units manufactured with Waylite. The application was reopened under Cal. No. 38-47-SM Vol. II April 20, 1954 by a vote of the Board.

Purpose

The material is masonry units made with the aggregate Waylite.

Description

The mix used in the manufacture of the Masonry Units is as follows: 500 lbs. of approved cement to 3,200 lbs. of aggregate, the aggregate consists of 1,280 lbs. of sand and 1,920 lbs. of Waylite (Waylite was approved by the Board as an aggregate under Cal. No. 292-48-SM) and 7½ gallons of water per sack of cement. The manufacturing facilities, process of manufacture, curing facilities and storage are the same as described in the action taken by the Board July 13, 1948 under Cal. No. 38-47-SM Vol. I.

Inspection and Test

The plant of the applicant was inspected by Asst. Engr. J. A. Darts, Committee on Test and sample blocks manufactured as herein described were identified and marked. Tests were conducted in accordance with the requirements of C26-326.0 Administrative Building Code and the Masonry Rules of the Board.

Results were as follows:—

1. 2" x 8" x 18" Solid partition block
Compressive strength (average of 5 blocks) = 1337 psi
2. 3" x 8" x 18" Hollow partition block
Compressive strength (average of 5 blocks) = 1018 psi
3. 4" x 8" x 18" Hollow partition block
Compressive strength (average of 5 blocks) = 1060 psi
4. 6" x 8" x 18" Hollow partition
Compressive strength (average of 5 blocks) = 896 psi
5. 8" x 8" x 18" Hollow Load Bearing
Compressive strength (average of 5 blocks) = 930 psi
Absorption % (average of 5 blocks) = 10.95%
6. 8" x 8" x 18" Solid Load Bearing
Compressive strength (average of 5 blocks) = 2232 psi
Absorption % (average of 5 blocks) = 9.83%
7. 8" x 10" x 18" Hollow Load Bearing
Compressive strength (average of 5 blocks) = 894 psi
Absorption % (average of 5 blocks) = 12.41%
8. 8" x 12" x 18" Hollow Load Bearing
Compressive strength (average of 5 blocks) = 1046 psi
Absorption % (average of 5 blocks) = 10.19%

Recommendation

On the basis of the inspection and test and the data filed by the applicant, the Committee on Test recommends that the resolution adopted July 13, 1948 under Cal. No. 38-47-SM Vol. I be amended so as to include the Masonry Units, manufactured as herein described, with the aggregate Waylite so that the masonry units recommended for approval including these previously approved are the following:

A. Waylite—

1. Partition Block—2" x 8" x 18" Solid, 3" x 8" x 18" Hollow, 4" x 8" x 18" Hollow, 6" x 8" x 18" Hollow.
2. Load Bearing—8" x 8" x 18" Hollow, 8" x 8" x 18" Solid, 8" x 10" x 18" Hollow, 8" x 12" x 18" Hollow.
3. Header Units 8" x 8" x 18", 6" x 9" x 18".

B. Cinder—

- 3" x 8" x 18" Hollow, 4" x 8" x 18" Hollow, 4" x 8" x 18" Solid, 8" x 8" x 16" Semi Solid, 8" x 8" x 16" Hollow, 8" x 8" x 16" Hollow, 8" x 8" x 16" Back-up, 8" x 10" x 16" Hollow, 8" x 12" x 16" Hollow, 8" x 12" x 16" Semi Solid, 8" x 8" x 18" Solid.

C. Concrete—

- 4" x 8" x 18" Hollow, 8" x 12" x 16" Hollow.

The Committee further recommends that these units may be manufactured at the applicant's plants known as and located at the following: Bergen Building Block, Inc., Ridgefield Park, New Jersey, Multiplex Concrete, East Orange, New Jersey, Hind-Cin Westfield, New Jersey and Concrete Specialties, Lyndhurst, New Jersey.

It is further recommended that the Waylite units may be marketed under the trade names of Waylite, Way-crete and Cin-lite on condition that the requirements of the resolution adopted July 13, 1948 under Cal. No. 38-47-SM Vol. I be complied with.

(Sgd.) HARRIS H. MURDOCK,
Chairman,

LESLIE V. HUBER,
Chief Engineer,

JOHN A. DARTS,
Assistant Engineer,
Committee on Test.

Resolved that the Board of Standards and Appeals does hereby amend the resolution of July 13, 1948 in accordance with the above report.

690-51-SA—Vol. II

APPLICANT—Automatic Canteen Company of America, owner.

SUBJECT—Application reopened September 14, 1954 as Vol. II—re Automatic Canteen Company of America Drink Canteen, Model B-13, approval of.

APPEARANCES—

For Applicant: None.

ACTION OF BOARD—Resolution amended in accordance with the report of Committee on Test.

THE VOTE—

Affirmative: Chairman Murdock, Commissioners Kleintert and Keating and Deputy Chief Connors 4
Negative 0

THE RESOLUTION—

WHEREAS, the report of a Committee on Test reads:

REPORT OF COMMITTEE ON TEST

Re: Cal. 690-51-SA Vol. II

Subject: Drink Canteen, Model B-13, approval of.

Automatic Canteen Company of America, Chicago, requested by filing an application dated June 23, 1954 that the resolution adopted January 29, 1954 under Cal. No. 690-51-SA Vol. I be amended so as to include the Drink Canteen Model B-13. The application was reopened under Cal. No. 690-51-SA Vol. II on September 14, 1954 by a vote of the Board.

Purpose

The appliance is designed to automatically dispense in a paper cup, a refrigerated carbonated drink.

Description

The Model B-13 is a refinement of the Model B-12 (approved by the Board January 29, 1952 under Cal. No. 690-51-SA Vol. I). The refinements consist basically of cabinet styling and rearrangement of parts; these changes are as follows: different color scheme, instruction plate, change of design of face of selector buttons, animated display sign and the lowering of the cabinet by using recessed, concealed casters and leveling legs. The removal of the syrup spout from the delivery compartment, thus eliminating syrup drip in the compartment. The mixing system is housed in its own compartment. Enlarged cup dispenser system, additional lighting, larger capacity carbonator, addition of a solenoid valve on the carbonator water inlet line, increase of length of the cooling and refrigerant coils and the addition of a central control box, in which is a terminal strip to which many of the electrical leads are terminated.

MINUTES

The refrigeration system is a $\frac{1}{3}$ or $\frac{1}{2}$ HP hermetically sealed kelinator refrigerator unit which uses not more than 3 lbs. of Freon-12.

Inspection

Details of the Model B-13 were compared with the details of Model B-12 by Asst. Engr. J. A. Darts, Committee on Test and the differences were as herein described.

Recommendation

On the basis of the inspection and the data filed by the applicant the Committee on Test recommends that the resolution adopted January 29, 1952 under Cal. No. 690-51-SA Vol. I be amended so as to include the Drink Canteen Model B-13 as manufactured by The Automatic Canteen Company of America on condition that the requirements of the resolution adopted on January 29, 1952 under Cal. No. 690-51-SA Vol. I be complied with.

(Sgd.) HARRIS H. MURDOCK,
Chairman,
LESLIE V. HUBER,
Chief Engineer,
JOHN A. DARTS,

Committee on Test.

Resolved, that the Board of Standards and Appeals does hereby *amend* the resolution of January 29, 1952 in accordance with the above report.

100-54-SM

APPLICANT—Luigi Saito, owner.

SUBJECT—Application February 1, 1954—Saito Fuel Saving Device (draft regulator), approval of.

APPEARANCES—

For Applicant: Luigi Saito.

ACTION OF BOARD—Material approved in accordance with the report of Committee on Test.

THE VOTE—

Affirmative: Chairman Murdock, Commissioners Kleintert and Keating and Deputy Chief Connors 4
Negative 0

THE RESOLUTION—

WHEREAS, the report of a Committee on Test reads:

REPORT OF COMMITTEE ON TEST

Re: Cal. 100-54-SM

Subject: Saito Fuel Saving Device, approval of.

Luigi Saito owner-manufacturer filed February 1, 1954 an application with the Board of Standards and Appeals for approval of the Saito Fuel Saving Device under the provisions of C26-170.b Administrative Building Code and the Oil Burner Rules of the Board of Standards and Appeals.

Purpose

To reduce the amount of heat loss through fire box door.

Description

The Saito Fuel Saving Device consists of a metal box with a swing gate or a slide gate at one end the gate is controlled by a solenoid. As soon as the thermostat calls for heat the solenoid will be energized and the gate opens. When the gate is 80% open a spring closes, microswitch contact starting the oil pump spark and blower circuit. When the thermostat is opened the spring closed the gate permitting the microswitch to close the circuit operating the oil pump spark and blower. This cuts off air from the burner efficiently and affects a saving in heat by sealing off the hot burner from the cooling effect of outside air when the flame is extinguished. A vent is provided in the gate to prevent accumulation of fumes while the burner is not in operation. When the thermostat calls for heat the solenoid will again be energized and repeat the operation. The fuel

oil and blower will not operate if the gate is not open at least 80%. All the parts are mounted in a compressed asbestos sheet.

Inspection and Test

The appliance was inspected and tested at 16 Bay 25th Street, Brooklyn, and found to operate as designed. Present at the test were Chief Engr. L. V. Huber of the Committee on Test and Luigi Saito the applicant.

Salvatore Piscoto of the Apex Screw Machine Co. at 2544-2550 West 13th Street, manufactures the Fuel Saving Device for the applicant. The machine shop of Mr. Priscioto is a brick building, one story and mezzanine in height approximately 110 ft. by 120 ft. and well able to do the manufacturing necessary.

Recommendation

On the basis of the inspection and test and the arrangements made for manufacturing this device on a commercial scale the Committee on Test recommends the approval of the Saito Fuel Savings Device for voluntary installation in New York City, provided that each device bear a label permanently affixed reading: "Approved by the Board of Standards and Appeals for use in New York City under Cal. No. 100-54-SM."

(Sgd.) HARRIS H. MURDOCK,
Chairman,
LESLIE V. HUBER,
Chief Engineer,
JOHN A. DARTS,
Assistant Engineer,
Committee on Test.

Resolved, that the Board of Standards and Appeals does hereby *approve* this material in accordance with the above report.

183-54-SM

APPLICANT—The Wiremold Co., owner.

SUBJECT—Application March 5, 1954—Wiremold Flexible Air Duct Models 87-1A, 57-1A, 87-2B, 8D-3A, 87-3A, approval of.

APPEARANCES—

For Applicant: Paul O. Roedel, Jr.

ACTION OF BOARD—Material approved in accordance with the report of Committee on Test.

THE VOTE—

Affirmative: Chairman Murdock, Commissioners Kleintert and Keating and Deputy Chief Connors 4
Negative 0

THE RESOLUTION—

WHEREAS, the report of a Committee on Test reads:

REPORT OF COMMITTEE ON TEST

Re: Cal. 183-54-SM

Subject: Wiremold Flexible Connector, approval of.

The Wiremold Co., Hartford, Connecticut filed March 5, 1954 an application with the Board of Standards and Appeals for approval of the material known as Wiremold Flexible Connector under the provisions of C26-88.0 and C26-191.0 Administrative Building Code.

Purpose

The connector is to be used as a connector between branch lines and air diffusers on air conditioning systems.

Description

The duct is two elements constructed of a fiberglass fabric interlocked with a metal strip. The metal strip is constructed of $\frac{1}{2}$ " x .010" electrogalvanized cold rolled steel $\frac{1}{4}$ hard #3 temper. The fabric is a vinyl coated fiberglass laminated to aluminum foil; the overall thickness of this fabric and foil is .012 inches.

MINUTES

The interlocking of the steel and the fabric is in a continuous spiral. The fabric and steel strip are mechanically bound together by means of the steel strip being so formed as to engage the edge of the fabric with the use of adhesives. This interlocking of the fabric and strip is effected by the edges of the fabric clamped between the surfaces of the metal strip. The lead of the spiral is $\frac{5}{8}$ inches.

Inspection and Test

Samples of the material, the smallest section; 3 inch O.D. and the largest section; 10 inch O.D. were tested in accordance with the requirements of C26-88.0 Administrative Building Code in the presence of Asst. Engr. J. A. Darts, Committee on Test and P. Roedel representing the applicant. There was no melting of either specimens when exposed to temperature of 900°F for five minutes nor was there any ignition of either specimens when exposed to a temperature of 1200° F for five minutes. The material was also subjected to an air test of 5 psi while the specimens were submerged in water; there was no leakage from the connector.

Recommendation

On the basis of the inspection and test and the data filed by the applicant, the Committee on Test recommends the approval, for voluntary installation, in New York City, of the material known as Wiremold Flexible connector as having met the requirements of C26-88.0 Administrative Building Code to be used as a connector between branch lines and diffusers on air conditioning systems and between branch ducts and air mixing units on condition that the connector shall not pass through partitions and further that all packages in which this material is marketed shall be marked, labeled or tagged: "Approved by the Board of Standards and Appeals for use in New York City under Cal. No. 183-54-SM."

(Sgd.) HARRIS H. MURDOCK,
Chairman,
LESLIE V. HUBER,
Chief Engineer,
JOHN A. DARTS,
Assistant Engineer,
Committee on Test.

Resolved, that the Board of Standards and Appeals does hereby *approve* this material *on condition* that such dampers shall be installed where this product is used as may be required by the Borough Superintendent.

328-54-SA

APPLICANT—Caloric Stove Corp., owner (Brooklyn Union Gas Co., Agent).

REPORT OF COMMITTEE ON TEST

Re: Cal. 328-54-SA

Subject: Caloric Double Duty Automatic Gas Disposer (incinerator), Models 10, 10-S, 10-W and 10-WS, approval of.

Caloric Stove Corp., Pennsylvania, filed April 27, 1954 an application with the Board of Standards and Appeals for approval of the Caloric Double Duty Automatic Gas Disposer (incinerator), Models 10, 10-S, 10-W and 10-WS under the provisions of Chapter 26 Article 12 Administrative Building Code.

Purpose

The appliance is a gas fired incinerator.

Description

The incinerator is designed for a maximum of 3,000 BTUs and has a capacity of 2 bushels of waste. The cabinet is of porcelain enamel and the combustion chamber is made of #14 gauge steel. The insulation between the case and the combustion chamber is $\frac{1}{2}$ inch fiber glass foil faced. Inside the combustion chamber there is both a horizontal and vertical grate. The horizontal grate is of cast iron and the vertical grate is a form made of eleven #9BWG wires held in place with six #1BWG wire and the perimeter of the grate is of #1BWG wire. The access door is insulated with corrugated asbestos.

The incinerator is equipped with an opening in the rear for a six inch flue connection.

The main burner is Barber #651 stainless steel and the controls consist of Harper-Wyman valves No. 77 & 78 Pressure Regulator (General Control Type V-300) and a Patrol Filter No. 53.

Inspection and Test

The incinerator was inspected and tested at the Brooklyn Union Gas Laboratory in the presence of Asst. Engr. J. A. Darts, Committee on Test and J. Ruch and A. Teweles representing the applicant. The appliance was tested throughout its operating range and functioned as designed and the controls operated as required.

The incinerator has been approved by the American Gas Association, Certificate No. 7-51.011.

Recommendation

On the basis of the inspection and test and the data filed by the applicant, the Committee on Test recommends the approval of the Caloric Double Duty Automatic Gas Disposer (incinerator), Models 10, 10-S, 10-W and 10-WS when vented in accordance with the requirements of C26-696.0 and installed in accordance with the requirements of Chapter 26, Article 12 Administrative Building Code on condition that each appliance bears a label permanently affixed reading:—"Approved by the Board of Standards and Appeals for use in New York City under Cal. No. 328-54-SA," and further all ports and orifices shall be of a type approved by the A.G.A. for type of gas used.

(Sgd.) HARRIS H. MURDOCK,
Chairman,
LESLIE V. HUBER,
Chief Engineer,
JOHN A. DARTS,
Assistant Engineer,
Committee on Test.

Resolved, that the Board of Standards and Appeals does hereby *approve* this appliance in accordance with the above report.

Fabric Convertors Inc., New York, filed June 21, 1954 an application with the Board of Standards and Appeals for approval of the material known as Neva-Flame Fabrics by Barret types Vulcara, Civara, Kamara and Akara under the provisions of the Flame Proofing Rules of the Board.

Purpose

The material is to be used as curtain and drapery fabric in places of public assembly.

Description

The material is a combination of Fortisan Wrap and a Saran Filling. Fortisan is the trade name of regenerated cellulose, which by treatment is changed to a viscous cellulose and this material compresses 12% of the fabric. The Saran, which is a spun saran filling, compresses the other 88%.

Inspection and Test

Samples of the material identified as Vulcara were tested at the Better Fabrics Testing Bureau in the presence of Asst. Engr. J. A. Darts, Committee on Test. J. Endelson representing the applicant and W. H. Masterson of the Laboratory.

There was no flashing or glow in any of the six specimens tested and the average time of flaming of six specimens was $\frac{2}{3}$ seconds. The complete report is on file with and is part of the record.

Recommendation

On the basis of the inspection and test and the data filed by the applicant, the Committee on Test concludes that the material known as Neva-Flame Fabrics by Barret, Vulcara, possesses inherent flameproof properties and accordingly recommends its approval.

Tests for each specific installation or any retests, thereof, shall be made by the Fire Commissioner or in a Laboratory approved by him in accordance with the requirements of the Flameproofing Rules of the Board.

The Committee further recommends that each wrapper or container in which the material, Neva-Flame Fabric, Vulcara is marketed shall be stamped or labeled: "Approved by the Board of Standards and Appeals for use in New York City under Cal. No. 545-54-SM."

(Sgd.) HARRIS H. MURDOCK,
Chairman,

LESLIE V. HUBER,
Chief Engineer,

JOHN A. DARTS,
Assistant Engineer,
Committee on Test.

Resolved, that the Board of Standards and Appeals does hereby *approve* this material in accordance with the above report.

427-46-SM—Vol. II

APPLICANT—Frank N. Carucci, for Pioneer Concrete Products Company, Inc., owner.

SUBJECT—Application for consideration—reopening as Vol. II for test and report—re "P" Block (cinder concrete building block); previously dismissed for lack of prosecution.

APPEARANCES—

For Applicant: Frank N. Carucci.

ACTION OF BOARD—Application reopened for test and report.

THE VOTE—

Affirmative: Chairman Murdock, Commissioner Keating and Deputy Chief Connors 3
Negative 0
Absent: Commissioner Kleinert 1

29-47-SM

APPLICANT—Linde Air Products Company, owner.

SUBJECT—Application for consideration—reopening as to amendment as to additional type of gas—for test and report—re Linde Cascade Oxygen System, Linde Liquid Oxygen Truck and Mobile Pumping Unit; previously approved.

APPEARANCES—

185-52-A

APPLICANT—Moore and Landsiedel, for Goring and Landsman, owners.

SUBJECT—Application reopened October 13, 1954 for consideration as to additional objection—re Appeal from a decision of the borough superintendent.

PREMISES AFFECTED—329 Canal street and 6 Greene street, northeast corner, Block 230, Lot 9, Borough of Manhattan.

APPEARANCES—

For Applicant: H. E. Horwood.

For Administration: Samuel L. Becker, Dep't of Housing and Buildings.

ACTION OF BOARD—Appeal granted on condition.

THE VOTE—

Affirmative: Chairman Murdock, Commissioners Kleintert and Keating 3

Negative: Deputy Chief Connors 1

THE RESOLUTION—

WHEREAS, on June 16, 1953, the Board denied an appeal from Objection 1, issued by the Borough Superintendent, March 10, 1952, on Alt. App. 1118/48, requiring that stairs be enclosed in one-hour partitions and equipped with one-hour fireproof self-closing doors; and

WHEREAS, this appeal was reopened and restored to docket October 13, 1954, to consider an additional objection of the Borough Superintendent; and

WHEREAS, the decision of the Borough Superintendent dated July 27, 1954, on amendment to Alt. App. 1118/48, reads:

"2. Means of egress from cellar should comply with Section 271 of the Labor Law."

and

WHEREAS, the applicant states that all the requirements of law have been complied with as to the two interior stairways and their enclosures, and that the sub-standard fire escapes are to be removed from the building; and

WHEREAS, the applicant now requests the Board to modify the requirements of Section 271 of the Labor Law insofar as it relates to the cellar exits; and

WHEREAS, the applicant contends that there are no persons regularly employed in the cellar which is only entered occasionally; that the cellar is divided into two sections by a 3 in. gypsum block fore and aft partition with an unlocked connecting door; and that each section of the cellar has two other means of egress as indicated on plans filed with this application for reopening under date of August 24, 1954; and

WHEREAS, plans filed with this application indicate that the building is equipped throughout with a two-source automatic sprinkler system with central station supervisory alarm.

Resolved, that the Board of Standards and Appeals does hereby *make a variation* in the requirements of the Labor Law, as cited in the decision of the Borough Superintendent dated July 27, 1954, acting on amendment to Alt. App. 1118 of 1948, objection 2, and that the appeal be and it hereby is *granted on condition* that the means of exit from the cellar shall be maintained as indicated on plans filed with this appeal marked, "Received August 24, 1954" (four sheets); that in the front and aft partition there shall be a fireproof door towards the front in the location shown for free access to both means of exit; that the primary means of exit shall lead directly to Greene Street and the secondary means of exit shall lead to Canal Street as shown; that the occupancy of the cellar, incorrectly marked as a basement, may be as proposed provided a two-source sprinkler system is maintained in the cellar and throughout the building as proposed and as indicated on such plans; and that in all other respects the building and occupancy shall comply with all laws, rules and regulations applicable thereto.

771-53-A—Vol. II

APPLICANT—Robert Gottlieb, for Jane G. Schultz, owner (The Greneker Corp., lessee).

SUBJECT—Application reopened June 22, 1954 as Vol. II—re Appeal from a decision of the borough superintendent.

PREMISES AFFECTED—120 Bruckner boulevard, southwest corner of Brook avenue, 5th floor, Block 2277, Lot 10, Borough of The Bronx.

APPEARANCES—

For Applicant: Robert Gottlieb.

For Administration: Samuel L. Becker, Dep't of Housing and Buildings.

ACTION OF BOARD—Appeal granted on condition.

Affirmative: Chairman Murdock, Commissioners Kleintert and Keating and Deputy Chief Connors 4

Negative 0

THE RESOLUTION—

WHEREAS, the decision of the Borough Superintendent, dated May 24, 1954, on amendment to B. N. App. 141/54, reads:

"1. Proposed location of paint storage room on fifth floor not acceptable as window in same is on lot line. Bd. of S. & A. Paint Spray Rules 4 (4.2)."

and

WHEREAS, the applicant states the building is 6 stories, 62 ft. in height, 100 ft. by 200 ft. in area, of fireproof construction, erected in 1912 on a lot 100 ft. front by 200 ft. in depth in an unrestricted use, A area, Class 2 height district; used and occupied since 1912: Cellar—storage of drug containers, 5 persons; 1st floor—shipping of drug containers, 25 persons; 2nd floor and 3rd floor—manufacturing drugs, 100 and 50 persons respectively; 4th floor—storage of drug containers, 6 persons; 5th floor—manufacturing store window mannikins, 50 persons; 6th floor—pearlizing, storage and shipping imitation pearls, 125 persons. The building is provided with a one-source sprinkler system and an approved interior fire alarm system; regular monthly fire drills are maintained. There are two interior 3 ft. 8 in. wide iron stairs, enclosed in fireproof block partitions, equipped with fireproof, self-closing doors, leading from roof bulkhead direct to street. Two fire escapes extend to roof by ladder and to street and yard by stair with egress from termination to street through passage. Window and door openings on course of fire escapes are fireproof, self-closing; and

WHEREAS, the applicant states that the tenant of the 5th floor performs the manufacturing and in the course of his process sprays the finished product; that in 1952 a spray room and two spray booths were installed and two metal double-walled storage cabinets for a maximum of 200 gallons of spraying materials in accordance with approval of the Department of Housing and Buildings and the Fire Department; that the tenant's insurance company suggested they build a fireproof vault for storage of spraying materials in order to decrease the fire hazard and lower insurance rates; that this advice was followed and a completely fireproof vault 5 ft. 6 in. by 9 ft. 6 in. in area, equipped with 3-hour test self-closing door was installed in accordance with the requirements of the New York Board of Fire Underwriters; that all this work was done without filing an application with and obtaining the approval of the Borough Superintendent or the Fire Department; that the Fire Department discovered this illegally installed vault in February, 1954, and plans were prepared and filed with the Borough Superintendent and the vault was found to be in a location contrary to the Paint Spray Rules; and

WHEREAS, the applicant contends that the vault construction complies with all the requirements of Section 4.2.1 of the Paint Spray Rules except as to windows located on a lot line and the next building is approximately 10 feet away; that for ventilation it is now proposed to install a duct across the ceiling to the open court; that the window is a stationary fireproof window glazed with wire glass; that if the Board directs, this window can be completely bricked up; that in view of the insurance underwriter's approval of the construction and the ventilation proposed, which complies with the rules of the Board, it is requested that the location of

MINUTES

the vault be accepted for the storage of not more than 300 gallons of paint and thinners, most of which will be in sealed cans; and

WHEREAS, Order #696 was issued by the Fire Commissioner February 3, 1954, directing the applicant to amend Plan #572/52 to show the construction of the storage room used for storage of paint material; and

WHEREAS, Vol. I of this appeal was filed October 23, 1953, from Item 3 of Order #91805 LC issued by the Fire Commissioner, directing the discontinuance of storage and use of acetone in excess of five gallons above the 1st floor; and

WHEREAS, on application dated May 5, 1954, stating that the owner had discontinued all pearlizing and manufacturing at above premises so that it no longer needed storage of acetone, Vol. I of this appeal was withdrawn to comply as to the 6th floor; and

WHEREAS, the premises were inspected by a committee of the Board, which recommended that the appeal be granted under certain conditions.

Resolved, that the decision of the Borough Superintendent, acting on B.N. App. 141 of 1954, Objection 1, be and it hereby is *modified*, and that the appeal be and it hereby is *granted*, to permit the continuance of the existing paint storage room (fireproof vault) as indicated on plans filed with this appeal marked, "Received, June 2, 1954" (2 sheets) and to permit ventilation of such room by the existing lot line window provided such lot line window has a louvred opening maintained at all times to the space between this building and the adjoining building to the west which shall not be less than the existing ten feet; and that the proposed duct to the side lot line need not be constructed.

APPLICANT—Roux Distributing Co., Inc., lessee, for 110 East 153rd Street Corp., owner.

SUBJECT—Application May 20, 1954—Appeal from an order of the fire commissioner.

PREMISES AFFECTED—110 East 153rd street, south side, 286.63 ft. west of Gerard avenue, Block 2354, Lot 74, Borough of The Bronx.

APPEARANCES—

For Applicant: Benjamin G. Hawkes, Martin Isaacs and Alexander Pfeiffer.

For Administration: Lieut. John P. Manfredi, Fire Dep't.

ACTION OF BOARD—Appeal granted on condition.

THE VOTE:

Affirmative: Chairman Murdock, Commissioners Kleintert and Keating and Deputy Chief Connors 4
Negative 0

THE RESOLUTION—

WHEREAS, Order No. 2620-4, issued by the Fire Commissioner dated April 20, 1954, reads:

"Technical Establishment

Before a permit for the purpose indicated above may be issued to you, the following order must be complied with. Kindly notify this Department when such order has been complied with.

2. Provide Dykes around 5000 gallon hydrogen peroxide tank and 10,000 gallon propylene glycol tank. C19-11.0, Administrative Code."

and

WHEREAS, the applicant states the building is one story and basement, 35 ft. in height, 286.68 ft. by 177.02 ft. irregular in area, of class 3 construction, erected in 1951, located in an unrestricted use, "A" area, Class one and one-half height district, and used and occupied since 1951—basement: storage, first floor production, storage and shipping office, 48 persons; the building is provided with a two-source sprinkler system throughout and an improved interior fire alarm system and regular monthly fire drills are maintained, there is one interior 4 ft. wide steel and concrete stair enclosed in masonry partition, equipped with fireproof self closing doors and leading directly to the street, a ladder and scuttle to roof is provided; and

WHEREAS, Certificate of Occupancy #10768-54 was issued June 8, 1952, upon completion of work under NB 886/49 and permits the following use and occupancy, basement: storage, 8 persons, first floor, storage of non-combustible materials, manufacturing, loading dock, three-car non-storage garage, 57 persons, and contains the note that Fire Department Permit #76114 issued for the storage and use of chemicals expires January 28, 1953; and that the Fire Department approval of Sprinkler System, Garage, and fire-extinguishing equipment has been received; and

WHEREAS, the applicant contends that neither the hydrogen peroxide tanks nor the propylene glycol tanks require the dykes ordered by the Fire Commissioner; and

WHEREAS, the applicant contends as to the hydrogen peroxide that this product has a flash point greater than 310 degrees Fahrenheit and is neither inflammable nor combustible within the definition of Section 319-2.0 of the Administrative Code; and

WHEREAS, the applicant contends as to the 10,000 gallon propylene glycol tanks, that this product has a fire point of 216 deg. F., open cut test, and a flash point of 222 deg. F.; that in accordance with subdivision 39 of Section 3192.0 of the Administrative Code that a building where explosives, inflammable or highly combustible substances are used, or chemicals or other materials entering into the production of such substances are stored or used excepting those establishments specifically treated under classification in Part One of said section are considered technical establishments; that it can hardly be said that this chemical with a flash point of 222 deg. F. is highly combustible and certainly would not come under the requirement or definition of a technical establishment; and

WHEREAS, the applicant contends that there is, therefore, no occasion for the requirement set forth in the Fire Commissioner's order for the construction of dykes around these tanks, that such construction would require a solid wall 5 ft. high and would not only be costly but would take much needed space, that difficulty exists not only with respect to the construction of such dykes and wall, but also their maintenance and use; that there are floor drains located adjacent to the tanks; that the building has an approved two-source sprinkler system; and

WHEREAS, the premises were inspected by a committee of the Board; the committee noted the large tanks holding oleic acid, hydrogen peroxide and propylene glycol, recommends that the appeal should be granted under certain conditions.

Resolved, that the decision of the Fire Commissioner as to Order No. 2620-4 be and it hereby is *modified* and that the appeal be and it hereby is *granted*, as to Objection 2, *on condition* that in all other respects the premises shall be maintained to the satisfaction of the Fire Commissioner; that the two-source sprinkler system, approved fire alarm system and monthly fire drill shall be maintained in accordance with the requirements therefor; and that such portable fire-fighting appliances shall be maintained in conjunction with the tanks as the Fire Commissioner may find is necessary.

MINUTES

THE RESOLUTION—

WHEREAS, the decision of the Borough Superintendent, dated May 24, 1954, acting on Alt. App. 1304/54, reads:

"1. Both exit stairs should continue to the roof as required by Sect. 270 of the Labor Law.

2. The exit stair leading to Pitkin avenue should be enclosed on both floors in fireproof, incombustible, partitions as required by Sect. 270 of the Labor Law.

3. Provide at least two exit stairs, 3'-8" minimum width from the mezzanine in compliance with Sect. 270 of the Labor Law.

4. Provide at least two means of exit 3'-8" minimum width from the cellar, enclosed in fireproof partitions and leading directly to the street or yard as required by Sect. 270 of the Labor Law.

5. The vertical opening for the cellar stairs from the Bushelling Room should be enclosed on the first floor in fireproof partitions as required by Sect. 270, para. 6 of the Labor Law.

6. Required liveload as per Section 7.3.2.3 of Administrative Code for manufacturing is 120 lbs. per sq. ft. The second floor is adequate for not more than 100 lbs. per sq. ft."

and

WHEREAS, the applicant states the building is 2 stories, 27 feet in height, 37 ft. 6 in. by 83 ft. 7 in. in area, of Class 3 construction, erected in 1929 on a lot 37 ft. 6 in. front by 92 ft. 11 in. in depth in a business use, C area, Class 1 height district; used and occupied since 1929: Cellar—bushelling, boiler room and storage, 4 persons; 1st floor—clothing store, 8 persons; mezzanine—office, 4 persons; 2nd floor—vacant; proposed to be used and occupied the same except the 2nd floor—clothing manufacturing, 50 persons. The building is provided with three interior wood and iron stairs, 2 ft., 3 ft. and 3 ft. 8 in. in width, enclosed in fire-retarded partitions, equipped with fireproof, self-closing doors; and

WHEREAS, Certificate of Occupancy #59695 issued by the Borough Superintendent February 27, 1930, upon completion of work under Permit 9848/29 permits the following use and occupancy: Cellar—ordinary use; 1st floor—two stores, 120 lbs. liveload; 2nd floor—billiard parlor, 100 lbs. liveload, 50 persons; and

WHEREAS, the applicant contends as to Objection 1, that both exit stairs now terminate at the 2nd floor and each will be provided with an iron ladder and a scuttle to the roof; that as these two stairs serve only the 2nd floor, the iron ladder and scuttle are ample roof exits for this floor; and contends as to Objection 2, that the present stair leading to Pitkin avenue will be enclosed in the cellar with 4 in. t.c. blocks; that the 1st floor enclosure is now 4 in. t.c. blocks and the 2nd floor now open will be enclosed with wood studs and fire-retarded both sides; that the 1st floor ceiling of this stair is fireproof and the ceiling of the 2nd floor stair enclosure will be fire-retarded; that as the original certificate of occupancy permitted 50 persons and as this occupancy will not be increased and as the stair enclosure will be improved, a better condition will result; and

WHEREAS, the applicant contends as to Objection 3, that the mezzanine occupancy as office for four persons is not a factory use and existing 3 ft. wide stair leading direct to the first floor is adequate; and

WHEREAS, the applicant contends as to Objection 4, that the rear of the cellar has a 3 ft. concrete stair to the rear yard with egress to the street; that in addition a 3 ft. wide stair leads directly to the store above; that these stairs will be fully enclosed in 4 in. t.c. blocks in the cellar; that the front of the cellar which is used only for storage and has no occupancy is now provided with a 3 ft. wide concrete stairs leading to Pitkin avenue, equipped with iron doors flush with sidewalk; that these sidewalk doors will be made easily openable from the underside; that in addition a 2 ft. wide iron stair enclosed with 4 in. t.c. blocks leads direct to the first floor; that this is ample exit for this storage space; and

WHEREAS, the applicant contends as to Objection 5, that this stair is an interior stair ornamental in character and

would be a hardship to be required to enclose it; that as these stairs are enclosed with 4 in. t.c. blocks and equipped with a fireproof, self-closing door at cellar level, no hazard will exist; and

WHEREAS, the applicant contends as to Objection 6, that the 2nd floor now has a liveload capacity of 100 lbs. and as the manufacturing of clothing is light and is performed with light machinery and inasmuch as the floor area is given over to aisles, the present 100 lb. capacity is ample for the proposed use; that in addition, the 100 lb. liveload capacity will be posted.

Resolved, that the Board of Standards and Appeals does hereby *make a variation* in the requirements of the Labor Law, as cited in the decision of the Borough Superintendent, dated May 24, 1954, acting on Alt. App. 1304 of 1954, Objections 1 through 6, and that the appeal be and it hereby is *granted*, as to objections 1 through 5: *on condition* that the exits and enclosure of exits shall be maintained as proposed and as indicated on plans filed with this appeal marked, "Received, May 27, 1954" (3 sheets), and as to Objection 6 *on condition* that the live load of the second floor may be permitted at one hundred pounds per superficial foot provided such load is posted and that the space at no time shall be overstressed for such loading; that in all other respects the building and occupancy shall comply with all laws, rules and regulations applicable thereto; that the building shall not be increased in height or area; and that such portable fire-fighting appliances shall be maintained as the Fire Commissioner may find is required.

APPLICANT—Sidney Daub, for Abe Messinger, owner (Kasbar Quilting Co., lessee).

SUBJECT—Application June 2, 1954—Appeal from a decision of the borough superintendent.

PREMISES AFFECTED—1213-1239 East 14th street, east side, 100 ft. south of Avenue L, Block 6734A, Lot 86, Borough of Brooklyn.

APPEARANCES—

For Applicant: Sidney Daub.

For Administration: Samuel L. Becker, Dep't of Housing and Buildings.

ACTION OF BOARD—Appeal granted on condition.

THE VOTE—

Affirmative: Chairman Murdock, Commissioners Kleintert and Keating 3

Negative: Deputy Chief Connors 1

THE RESOLUTION—

WHEREAS, the decision of the Borough Superintendent, dated June 1, 1954, on Alt. App. 4222/52, reads:

"1. Provide a two source sprinkler system for the north area used for manufacturing to comply with requirements of 4.2.1 and 15.36 Adm. Code."

and

WHEREAS, the applicant states the building is 1 story 12 ft. in height, 201 ft. and 230 ft. 8 in. by 100 and 103 ft. 11 in. in depth, of Class 3 construction, erected in 1923 in an unrestricted use, C area, Class 1½ height district; used and occupied since 1952: Cellar—boiler room, 1 person; 1st floor—manufacturing quilting, 45 persons. The building is provided with an approved standpipe system and an approved one-source sprinkler system with central office connection; and

WHEREAS, Violation #854 of 1954 was issued by the Borough Superintendent for occupying the building for the manufacture of quilts and storage of combustible fibres without obtaining a certificate of occupancy; and

WHEREAS, existing Certificate of Occupancy #21433 issued October 4, 1923, upon completion of work under Permit #1909/23 permits the use of the building as a public garage; and

WHEREAS, the applicant states the building is 21,840 square feet in area, subdivided by a fire wall into two areas of 7,140 square feet and 14,700 square feet; that the building

MINUTES

was erected in 1923 as a public garage; that at the time of its erection the department approved it with only a stand-pipe connected to a public water main in the street; that the building is provided with a sprinkler system connected to the city main; that sprinkler heads shown in boiler room are 210 degree heads; that the entire building will be occupied by one tenant for the manufacture of quilting; that the gasoline storage will be removed; and

WHEREAS, the applicant requests the Board to accept the sprinkler system with the one-source of supply.

Resolved, that the decision of the Borough Superintendent, acting on Alt. App. 4222/52, Objection 1, be and it hereby is *modified* and that the appeal be and it hereby is *granted*, to permit the sprinkler system as proposed with one-source instead of two-sources throughout the building with connection to Fire Department Headquarters through an approved central station including sprinkler heads of the degree shown, in the cellar used only for boiler room, *on condition* that the sprinkler system shall comply with the requirements therefor; that the fire wall within the building shall comply with the requirements and any door therein shall be of an approved opening assembly for fire walls; and that in all other respects the building and occupancy shall comply with all laws, rules and regulations applicable thereto.

488-54-A

APPLICANT—J. M. Nicholson, for the Long Island Railroad Co. (William Wyer, trustee), owner.

SUBJECT—Application June 15, 1954—Appeal from a decision of the borough superintendent.

PREMISES AFFECTED—91-53 121st street, northeast corner of Atlantic avenue, Block 9375, Lot 58, Morris Park Shops, Richmond Hill, Borough of Queens.

APPEARANCES—

For Applicant: Henry W. Redlien and Fred W. Laubenberg.

For Administration: Samuel L. Becker, Dep't of Housing and Buildings.

ACTION OF BOARD—Appeal granted on condition.

THE VOTE—

Affirmative: Chairman Murdock, Commissioners Kleintert and Keating and Deputy Chief Connors 4
Negative 0

THE RESOLUTION—

WHEREAS, the decision of the Borough Superintendent, dated May 24, 1954, on Misc. App. 1478/45, reads:

"1. Use of transite asbestos pipe not in conformity with sec. C26-139.0 A. C."

and

WHEREAS, the applicant states the premises consist of a plot fronting 1839 feet on Atlantic avenue with a depth of approximately 1,170 feet, irregular, located in an unrestricted use district and used as the Morris Park Shops of the Long Island Railroad Company; and

WHEREAS, the applicant states in 1945 when there was a shortage of iron and steel and the War Production Board refused to permit the use of cast iron or steel pipes, the owner installed 8 in. diameter high pressure asbestos piping with malleable iron couplings for the new water supply installed pursuant to Misc. App. 1478/45 as approved by the Borough Superintendent of Queens for the term of emergency; and

WHEREAS, the applicant contends that the asbestos pipe installed together with the malleable iron couplings has given good and satisfactory service for the past nine years; that the pressure in this pipe will not exceed 100 lbs. per square inch; that the Underwriters Laboratories, Inc. recommend the use of this pipe in fire service systems when the working pressure does not exceed 150 lbs. per sq. inch and it is therefore requested that permission be granted to continue the use of this pipe as installed; and

WHEREAS, this pipe is used for water only from street source and elevated water tank in connection with the stand-pipe system; and

WHEREAS, the premises were inspected by a committee of the Board, and it was found that apparently the asbestos pipe as manufactured by Keasbey-Mattison appears to be in good condition as far as the one spot that was opened up that the Committee inspected, and it is recommended that the appeal be granted under certain conditions.

Resolved, that the decision of the Borough Superintendent, acting on Misc. App. 1478/45, Objection 1, be and it hereby is *modified*, and that the appeal be and it hereby is *granted*, to permit the use of asbestos pipe as manufactured by Keasbey-Mattison, and which was permitted to be laid by the Borough Superintendent for a temporary term during the war emergency, and to permit the continuance of this pipe for one year from the date of this resolution, and thereafter for a longer period in the event that an application is filed with the Board for a general approval of such pipe by the Keasbey-Mattison Company for consideration as to a longer term if and when such pipe is approved.

Negative 0

THE RESOLUTION—

WHEREAS, the decision of the Borough Superintendent dated October 27, 1954, on N.B. App. 742 of 1954, reads:

"3. Provide toilet facilities as per Sec. 14.8.4 of the Administrative Code."

and

WHEREAS, the applicant states the proposed building will be one story, 9 ft. in height, 10 ft. 8½ in. by 5 ft. 6 in. in area, of Class 3 Construction, on a lot 10 ft. 8½ in. front by 18 ft. 2 in. in depth, in a business use, D area, Class One height district. The premises have been in use since 1953 for the display and sale of vegetables on an open lot with an occupancy of two persons and the proposed building will be used for the sale and display of fruit and vegetables with an occupancy of two persons. Certificate of Occupancy #137293 issued November 19, 1953, upon completion of work under N.B. App. 715 of 1953, permits the display and sale of fruit and vegetables in a stand on an open lot; and

WHEREAS, the applicant states that it is now proposed to erect a new building for the same use as now legally exists, namely, the display and sale of fruits and vegetables; that the proposed building will not have toilet facilities; and

WHEREAS, the applicant contends that the building will have an area of only 50.43 sq. ft.; that toilet facilities will be provided in a building located at 1430 Rockaway parkway and permission has been obtained for such use, a copy of which is filed with this appeal; that inasmuch as the proposed fruit and vegetable stand will be run by two men and as proper toilet facilities will be provided as proposed it is requested that this appeal be granted so as to permit the omission of toilet facilities within the proposed building; and

WHEREAS, the applicant further contends that this appeal should be granted as the present open legal use was permitted without toilet facilities on the site and the conditions

MINUTES

will not be made any worse by the construction of the proposed 50 square foot building.

Resolved, that the decision of the Borough Superintendent, acting on N. B. App. 742 of 1954, Objection 3, be and it hereby is *modified*, and that the appeal be and it hereby is *granted*, to permit the building of the size as shown, namely 10 ft. 8½ in. by 5 ft. 6 in. irregular, as an open front display space for the sale of vegetables to be built without toilet facilities as proposed *on condition* that toilet facilities shall be available to the operator of the booth at 1430 Rockaway Parkway, adjacent; that this decision shall not be considered as a precedent for the omission of toilet facilities in any building; that in all other respects the building and occupancy shall comply with all laws, rules and regulations applicable thereto.

THE RESOLUTION—

WHEREAS, this application was amended by the Board as Vol. III, on October 27, 1953, on certain conditions; and

WHEREAS, the resolution was further amended on November 30, 1954; and

WHEREAS, the applicant requested another amendment of the resolution.

Resolved, that the Board of Standards and Appeals does hereby *amend* the resolution adopted on October 27, 1953, as thereafter *amended* by resolutions adopted through November 30, 1954, by adding thereto:

"that in addition to a greasing lift and wheel alignment equipment as permitted by resolution *amended* on November 30, 1954, and the minor repairing by hand tools only, as *amended* by resolution of October 27, 1953, there may be added the following:

'that there may be an oxy-acetylene torch and electric arc welder used on the premises, provided such equipment meets the requirements and is subject to a license by the Fire Commissioner and welding is maintained within the welding room as proposed and as indicated on plans filed with this request for amendment, marked Received "January 3, 1955" (1 sheet); that the suspended heater of the oil burning type may be omitted and one of the approved gas burning type may be substituted; that reference to the boiler room as shown on such plans may be omitted in view of the introduction of such gas-fired space heater with ducts as shown on such plans; and that in all other respects the resolutions above cited shall be complied with.'" (Alt. 1323/53)

395-31-BZ—Vol. II

APPLICANT—John F. Fitzsimons, for C. J. H. Realty Corp., owner.

SUBJECT—Application for consideration—reopening and extension of time to complete—re Application (decision of the borough superintendent), previously granted on condition, under sections 7c and 7h of the zoning resolution, permitting in a residence and local retail use district, the use of premises for motor vehicle repair shop, garage for more than five motor vehicles, ramp, auto salesroom, office, fender repairs, storage of cars to be serviced, minor adjustments and repairs, and for display and sale of light merchandise and incidental factory work on second floor; and permitting the parking and storage of cars on unbuilt portion of plot, waiting to be serviced.

RULES

FACTORY EXIT RULES

ADOPTED BY

THE BOARD OF STANDARDS AND APPEALS

CITY OF NEW YORK

FEBRUARY 23, 1947 AS REVISED DECEMBER 21, 1954 TO EFFECTUATE THE PROVISIONS OF SECTIONS 270 AND 271 OF THE LABOR LAW AS AMENDED BY CHAPTERS 905 AND 906 OF THE LAWS OF 1947 AND CHAPTERS 343 AND 345 OF THE LAWS OF 1948

Cal. No. 64-27-SR—Vol. II

Rule 1.0. Fire Escapes on Buildings Five Stories or Less in Height.

Rule 1.1. In any building erected prior to October 1, 1913, occupied on July 1, 1948, as a factory building, 5 stories or less in height, one of the required means of exit under Section 271 of the Labor Law may consist of an outside iron fire escape, provided that:

1.1.1. Any such fire escape erected prior to October 1, 1913, shall comply with Section 274 of the Labor Law and in addition thereto

- (1) The balconies shall be not less than 3 feet in width.
- (2) The rails around balconies and well holes and on stairways shall be not less than 3 feet in height.
- (3) Passageways on the balconies shall be not less than 14 inches in the clear.
- (4) At least one opening to each balcony shall be a single fireproof casement door at least 2 feet wide and at least 6

feet in height, except that where the distance between the sill and lintel will not permit of an opening 6 feet in height, a casement door not less than 4 ft. 6 in. in height will be permitted.

1.1.2. Any such fire escape erected subsequent to October 1, 1913, and prior to these rules taking effect, unless previously accepted as one of the required means of exit or escape by the administrative official having jurisdiction, shall conform in every respect to the provisions of Section 273 of the Labor Law.

Rule 1.2. The single fireproof casement doors leading to all fire escape balconies shall open out and shall be self-closing. An easily operated door lock with knobs on both sides of the door shall be provided. Such fire doors may be at window sill level if fixed iron steps at least 2 ft. wide, with risers not exceeding 8 in., and treads not less than 8 in. are provided on the inside from floor level to sill properly secured when sills are more than 12 inches above floor level.

Rule 1.3. A fire escape shall not hereafter be accepted as constituting one of the required means of exit or escape under Section 271 of the Labor Law, in any building erected prior to October 1, 1913, and occupied as a factory building on July 1, 1948, exceeding five stories in height.

Rule 1.4. All fire escapes shall be maintained structurally safe, properly painted, and kept clear of all obstructions.

Rule 2.0. Enclosure of Factory Stairways or Ramps.

Rule 2.1. In all factory buildings five stories or less in height, erected prior to October 1, 1913, and

RULES

occupied as factory buildings on July 1, 1948, all interior stairways or ramps serving as required means of exit, and the landings, platforms and passageways connected therewith shall be enclosed on all sides by partitions having a fire resistive rating of not less than 1 hour extending continuously from the lowest point of stairway or ramp.

Rule 2.2. Where the stairway or ramp extends to the top floor of the building, such partitions shall extend to the underside of the roof boarding. That portion of the underside of the roof beams within the stair enclosure shall be covered with fire resisting materials, except in buildings with roofs of non-combustible material, in which case the partitions may stop at the underside of the roof.

Rule 2.3. Openings in such partitions shall be provided with fireproof self closing doors not less than 3 ft. in width swinging in the direction of egress.

2.3.1. Such doors, unless heretofore accepted by the administrative official having jurisdiction, shall consist of approved self closing one hour test opening protective assemblies, except where such openings are in the exterior wall of the building.

Rule 2.4. The bottom of the enclosure shall be of fireproof material at least 4 in. thick unless the partition extends to the cellar bottom.

Rule 2.5. A horizontal exit as defined in Section 267 of the Labor Law, will be accepted as in compliance with this rule when both sides of the fire wall or walls are occupied at such factory floor by the same occupant as provided in Rule 3.0.

Rule 2.6. All interior stairs or ramps serving as required means of egress shall be provided with egress to street through a passage enclosed with materials meeting the requirements for such stair enclosure.

Rule 3.0. When horizontal egress is accepted by the administrative official having jurisdiction, an endorsement shall be made on the certificate of occupancy issued for each building involved.

Rule 4.0. Required Exits and Enclosures of Stairways in Two-Story Factory Buildings.

Rule 4.1. In every two story factory building erected prior to October 1, 1913, and occupied as a factory building on July 1, 1948, there shall be provided from each story at least two means of exit or escape from fire remote from each other, one of which from every floor above or below grade shall lead to or open on an interior stairway or ramp which shall be enclosed, as hereinafter provided, or on an exterior enclosed stairway or ramp. The other may lead to such a stairway, or to a horizontal or grade exit, or to an exterior screened stairway, or to a fire escape conforming to Section 273 of the Labor Law or Rule 1, of these rules. Except that fire escape exit doors shall be fireproof self closing, with fixed iron steps to the sill properly secured when sill is more than 12 in. above the floor level; and where there is no safe egress from the roof, a goose neck ladder shall be provided from top balcony to the roof, except on the front of all buildings.

4.1.1. Unobstructed egress from the foot of the fire escape or exterior screened stairway shall be as required by Section 273 of the Labor Law, or to an open adjoining yard with egress to the street. No point on any floor of such building shall be more than 150 ft. distant from such an exit.

Rule 4.2. In two-story factory buildings erected prior to October 1, 1913, and occupied as factories on July 1, 1948, all interior stairways or ramps serving as required means of exit shall be enclosed from the lowest point of such stairways or ramps to the ceiling of the first floor by partitions having a fire resistive rating of 1-hour, unless the building is provided with a wet sprinkler system, in which case such enclosure of stairway or ramp shall not be required prior to January 1, 1959. Such enclosures shall lead directly to a door opening outwardly to a street or road, or an open area affording unobstructed passage to street or road. All openings in such enclosure except openings in the exterior walls shall be provided with fireproof self-closing doors having a one hour rating.

Rule 4.3. All reference herein to the enclosure of stairways or ramps shall be deemed to apply only to required stairways or ramps.

Rule 5.0. Enclosure of Stairways in Factory Buildings Erected Prior to October 1, 1913, and Not Occupied as Factory Buildings on July 1, 1948.

Rule 5.1. Buildings which are not required by Section 270, Subdivision 1 of the Labor Law to be fireproof, shall have required stairways or ramps enclosed in partitions of one-hour fire-resistive construction from the lowest point of the stairway or ramp.

Rule 5.2. Where the stairway or ramp extends to the top floor of the building, such partitions shall extend to the underside of the roof boarding. That portion of the underside of the roof beams within the stair enclosure shall be covered with fire resistive materials except in buildings with roofs of noncombustible material, in which case the partitions may stop at the underside of the roof.

Rule 5.3. Where the stairway or ramp is required to extend to the roof, the enclosure shall be so built as to form a bulkhead having a fire-resistive rating of one hour, except where such bulkhead occurs on an interior lot line, such construction shall be not less than 8 inches of masonry on the lot line side.

Rule 5.4. All openings to such partitions shall be provided with approved one hour self-closing opening protective assemblies except where such openings are in the exterior wall of the building.

Rule 5.5. The bottom of the enclosure shall be of fireproof material at least 4 in. thick unless the partition extends to the cellar bottom.

Rule 5.6. In all factory buildings erected prior to October 1, 1913, and not occupied as factories on July 1, 1948, and exceeding four stories in height, stairways or ramps serving as required means of egress shall be enclosed throughout with partitions of incombustible material having a fire resistive rating of one hour, and all openings to such partitions shall be provided with approved self-closing one hour test opening protective assemblies except where such openings are in the exterior wall of the building.

Rule 5.7. In all factory building erected subsequent to October 1, 1913, four stories or less in height, required stairways or ramps serving as required means of egress shall be enclosed throughout with partitions having a fire resistive rating of one hour and all openings thereto shall be equipped with approved self-closing one hour test opening protective assemblies except where such openings occur in the exterior wall of the building.

RULES

Rule 5.8. In all factory buildings erected subsequent to October 1, 1913, exceeding 4 stories in height, stairways or ramps serving as required means of egress shall be enclosed in partitions constructed of materials having a fire resistive rating of two hours, and all openings to such partitions shall be equipped with approved self-closing one hour test opening protective assemblies except where such openings occur in the exterior wall of the building.

Rule 5.9. In all factory buildings erected subsequent to January 1, 1938, exceeding 4 stories in height, stairways or ramps serving as required means of egress shall be enclosed in partitions of incombustible materials having a fire resistive rating of 2 hours and all openings to such enclosures shall be protected by approved self-closing one hour test opening protective assemblies except where such openings occur in the exterior walls of the building.

Rule 6.0. In all factory buildings, coming within Section 270 of the Labor Law, Stairways or Ramps Serving as Required Means of Egress Shall be Ventilated at the Top by:

(a) A skylight not less than 15 square feet in area, constructed of metal frames, glazed with plain glass, protected with wire screens in metal frames above and below, and provided with fixed open metal louvres on two sides, having an aggregate effective ventilating area of not less than twenty square feet. A fixed open ridge ventilator having not less than 144 sq. inches of effective ventilating area may be substituted for an equal portion of the required louvres; or

(b) An exterior window, not facing on the lot line, equal to the area required for a skylight, glazed with plain glass and provided with fixed open louvres having an effective ventilating area of not less than 7 square feet; or

(c) In a sprinklered stair or ramp enclosure, a metal framed automatic skylight not less than 10 square feet in area, glazed with plain glass protected over and under with wire screens in metal frames. Such automatic skylights to be counterbalanced, actuated by a fusible link designed to operate at not more than 180° F.

Rule 7.0. Storage of Combustible Material Within Factory Stairway Enclosures.

Rule 7.1. In all factory buildings no articles or wares of any nature shall be kept or stored inside the limits of any stairway enclosure or unenclosed stairway, or on the landings, platforms or passageways connected therewith. But this shall not prohibit the erection and maintenance of a stand to be built of incombustible material and wire glass or one-quarter inch thick plate glass for the retail sale of cigars, cigarettes and tobacco and candies in original packages or daily newspapers in the public hall or corridor on the first story of any building provided there is no open flame. All portions of the stand and any portion of any permitted accessory use, the same shall be set back at least 18 in. from the outside line of travel of the required legal width of exit. Each such stand shall be provided with at least one approved 2½ gallon chemical fire extinguisher.

Rule 8.0. Safe Egress from Roofs of Factory Buildings.

Rule 8.1. Interior stairs or ramps serving as required means of egress in factory buildings erected after October 1, 1913, not exceeding five stories in height and in factory buildings erected before October 1, 1913, and occupied as factories on

July 1, 1948, shall not be required to extend to the roof where there is no safe egress from the roof.

Rule 8.2. No safe egress shall be deemed to exist when:

a. The roof or the top of the parapet wall of an adjoining building is more than 8 feet below or more than five feet above the top of the parapet wall of the building in question and there is no outside party wall fire escape, party wall exterior screened stairway, party wall balconies or bridges, or where outside exits do not connect to adjoining buildings at roof level, or where there are no unbarred window openings 5 ft. above the roof or parapet wall of the building in question.

b. Where the roof of the building in question has a pitch exceeding 1 ft. in 6 ft. of horizontal.

Rule 8.3. Where there is no safe egress from the roof there shall be, within the stair or ramp enclosure, a double rung or flat tread iron or steel ladder, located so as not to interfere with egress and placed not nearer than 6 inches to the enclosure wall, securely fastened top and bottom, leading to an easily openable scuttle not less than 2 ft. by 3 ft. in area.

8.3.1. Such scuttle may be provided with an easily operated fastening device.

8.3.2. An existing single rung iron or steel ladder, previously accepted by the administrative official having jurisdiction, may be accepted as in compliance with Rule 8.3 provided it is made to comply with all other provisions of such Rule.

Rule 8.4. Where the stair bulkhead door or scuttle opens within 10 feet from the open edge of the roof, an iron railing properly placed at least 3 ft. high and at least 10 ft. long shall be provided at the edge of the roof.

Rule 9.0. Substandard Factory Exit.

Rule 9.1. Fire Escapes.

9.1.1. When, in addition to the required exits from any factory or factory building, there exist other means of egress which are not in accordance with the requirements of the Labor Law and these Rules, such means of egress may be retained under the following conditions:

9.1.2. Substandard fire escapes shall be maintained structurally safe, properly painted and with openings leading thereto kept in good repair.

9.1.3. In lieu of a counterbalanced stairway, a drop ladder in guides with a backdropped gravity hook may be provided of sufficient length to reach to the ground or safe landing place with a passageway opening cut in the balcony rail and the rail shall be properly placed.

9.1.4. Where substandard fire escapes are located in the court or at the side or rear of a building, proper egress to a point of safety shall be provided, either to open adjoining yard or the lowest balcony of the fire escape may be connected to adjoining fire escape, exterior stairway, to roof of adjoining extensions or other means of egress satisfactory to the Borough Superintendent.

9.1.5. Substandard fire escapes shall be kept clear of all obstructions and shall not be used for fire drills or considered as a basis for computation of occupancy.

RULES

Rule 9.2. Stairways.

9.2.1. Interior stairways or ramps not conforming to the requirements of the Labor Law or the rules of the Board and not required for egress, may be retained, provided egress to same is maintained unobstructed, halls are properly lighted and all landings, passageways, etc. are maintained free and unobstructed.

9.2.2. Where such non-required interior stairways or ramps are unenclosed they shall be provided with an automatic counter-balanced smokeproofed trap door actuated by fusible links or enclosed by an enclosure which shall be reasonably smoketight to the satisfaction of the Borough Superintendent.

Rule 9.3. Exterior Screened Stairways.

9.3.1. Exterior screened stairways not serving as required means of egress shall be maintained structurally safe and kept properly painted. Exits thereto and all platforms and passageways thereof shall be maintained unobstructed and egress from their termination shall be provided as required for substandard fire escapes, in accordance with Rule 9.1.4.

Rule 9.4. Horizontal Bridges.

9.4.1. Horizontal bridges and party wall balconies between buildings shall be maintained structurally safe and properly painted and access thereto and all passages leading thereto shall be maintained unobstructed.

Rule 9.5. Signs.

9.5.1. No sign of any character shall be placed at openings leading to substandard exits.

Rule 10.0. Wherever the terms "one hour" or "two hours" are used in these Rules they shall be deemed to be preceded by the words "not less than."

Rule 11.0. If any provision of these Rules shall be held invalid or ineffective in whole or in part or inapplicable to any factory or factory building, or portion thereof, it is the purpose and intent of these Rules that all other provisions thereof shall nevertheless be separately and fully effective and that the application of any such provision to any other factory, factory building, or portion thereof shall not be affected.

AMENDMENTS TO BUILDING LAWS

JULY 1, 1952 TO DECEMBER 31, 1953

AMENDMENTS TO THE BUILDING LAWS OF THE CITY OF NEW YORK from July 1, 1952 to December 31, 1953 are now on sale at the OFFICE OF THE CITY RECORD, 2213 Municipal Building, Manhattan, New York 7. These amendments supplement the complete Building Laws to June 30, 1951 and the amendments from that date to June 30, 1952, both of which are also on sale.

These amendments to the Building Laws, from July 1, 1952 to December 31, 1953, are in loose leaf form printed on one side only the same as the original set of Building Laws and the amendments to June 30, 1952. They are available for each of the four volumes, arranged and marked so that each leaf may be inserted in its proper place opposite the page affected by the amendment.

The amendments to each of the four volumes are sold separately. Prices are: Volume III, 15 cents; Volumes I, II and IV, 35 cents each set. If ordered by mail, add 5 cents for each set.

Applicants, under the zoning resolution, are entitled to one copy of Form 7NO.

If they desire additional copies, for their own convenience in notifying proper owners, they may obtain such

copies at the office of the Board of Standards and Appeals, Room 1018, Municipal Building, Manhattan, at five cents each—postage to be added if the forms are forwarded by mail.

PETITION AND ORDER OF CERTIORARI SERVED ON THE BOARD OF STANDARDS AND APPEALS.

On January 20, 1955, Copy of Order of Certiorari was served on
the Board by Sydney S. Levine, attorney for Linden Operating Corp.,
owner, seeking a review of the Board's denial of their application
under Sections 7f, 7i and 7h of the Zoning Resolution, to permit in
a retail use district the erection and maintenance of a gasoline service
station, lubritorium, car wash, motor vehicle repairs, sale of acces-
sories and office, and to permit the parking and storage of motor
vehicles on unbuilt-upon portion of plot, for a term of fifteen years;
Cal. No. 711-53-BZ; Premises 114-11 Farmers Boulevard, east side,
114th Road to Murdock Avenue, 191-01 to 191-07—114th Road and
191-02 to 191-08 Murdock Avenue, St. Albans, Borough of Queens.

NOTICE TO APPELLANTS AND APPLICANTS

No appeal or application will be entertained in connection
with which court proceedings are pending or in progress,
unless exception is granted by the chairman, nor accepted
which is not filed within thirty days from the date of the
action of the Administrative Official.

Any communication purporting to be an appeal or appli-
cation shall be regarded as a mere notice of intention to seek
relief until it is filed on the form required by the rules of
this board.

Upon receipt of any such communication the writer will
be supplied with the official forms for presenting his appeal
or application.

At the time of filing an appeal or application, the appel-
lant or applicant shall forward a signed notice of appeal
addressed to the administrative official either borough super-
intendent of buildings or fire commissioner and file with
this board a duplicate of said notice.

Appellant and applicants are advised that their plans must
indicate the points of the compass so as to establish the true
location and position of the property, the subject of the
appeal or application.

Appeals and applications will be simplified and disposition
of same expedited by conforming to these directions.

HARRIS H. MURDOCK, *Chairman*

CALENDAR

DOCKET

New Cases filed up to January 25, 1955

Cal. No. Dept. Premises Affected

21-55-SA—Interboro Elevator Co., Inc. Hydro-Matic Elevator Control Device, Models 3, 5 and 6, manufactured by Interboro Elevator Co., Inc., Appliance.

22-55-A—H.B.Q.—64-13 to 64-21 Rockaway Beach boulevard, south side, 80.86 ft. east of Beach 65th street, Block 396, Lot 5, Rockaway Beach, Borough of Queens, Alt. 911-54—re use of frame building as factory; construction in bed of mapped street—proposed widening of Rockaway Beach boulevard.

23-54-SA—Hydraulic Elevator and Machine Co., Inc. Automatic Leveling and Anti-creeping Devices (for hydraulic elevators), manufactured by Hydraulic Elevator and Machine Co., Inc., Appliance.

24-54-SA—Hydraulic Elevator and Machine Inc. Car Switch (electric control), manufactured by Hydraulic Elevator and Machine Co., Inc., Appliance.

25-55-A—H.B.Bx.—1800 Boston road, northeast corner of Hoe avenue and 1809 Vyse avenue, Block 2991, Lot 48, Borough of The Bronx, Amendment to Alt. 269-53—re ramp should be enclosed as per Labor Law, etc.

26-55-SA—Auto-Magic Car Washer, Model CW400, manufactured by Choldun Manufacturing Corp., Appliance.

27-55-SM—Benda Flamepruf (for flameproofing fabrics), manufactured by Benda Products, Inc., Material.

28-55-A—F.D.—87-105 Heyward street, north side, 100 ft. east of Bedford avenue and 128 Rutledge street, Block 2225, Lot 10, Borough of Brooklyn, Decision re Order No. 1341-4—re refrigeration system.

29-55-A—F.D.—1190 5th avenue, southeast corner of East 100th street, Block 1604, and Block 1606, part of Lot 1, Borough of Manhattan, Decision re Order No. 6488-4—re refrigeration systems.

30-55-BZ—H.B.B.—852-858 Monroe street, south side, 100 ft. west of Howard avenue and 853-859 Madison street, Block 1481, Lot 30, Borough of Brooklyn, Alt. 2236-54—re area excessive for manufacturing use.

31-55-A—H.B.B. & F.D.—852-858 Monroe street, south side, 100 ft. west of Howard avenue and 853-859 Madison

street, Block 1481, Lot 30, Borough of Brooklyn, Alt. 2236-54 and Order No. 32339-LF—re egress, live load and sprinkler system.

32-55-BZ—H.B.B.—1534-1544 Bushwick avenue and 48-56 Aberdeen street, southwest corner, Block 3468, Lot 28, Borough of Brooklyn, N.B. 919-54—re gasoline service station, lubritorium, car washing, parking and storage, etc.

33-55-A—H.B.B.—1534-1544 Bushwick avenue and 48-56 Aberdeen street, southwest corner, Block 3468, Lot 28, Borough of Brooklyn, N.B. 919-54—re pumps, curb cut.

34-55-A—F.D.—115-117 West 52nd street, north side, 195 ft. west of Avenue of The Americas (6th), Block 1005, Lot 22, Borough of Manhattan, Decision re Order No. 1069-4.

35-55-BZ—H.B.B.—3916 14th avenue, west side, 57 ft. 2½ in. north of 40th street, Block 5298, Lot 44, Borough of Brooklyn, Alt. 3602-54—re cabinet shop in a business use district.

36-55-A—H.B.B.—3916 14th avenue, west side, 57 ft. 2½ in. north of 40th street, Block 5298, Lot 44, Borough of Brooklyn, Alt. 3602-54—re exits.

37-55-A—D.H.—565 Lexington avenue, northeast corner of East 50th street, Block 1305, Lot 20, Borough of Manhattan, Application No. 66892-52.

Restored to Docket

557-52-SA—Peerless Gas Unit Heater, Models 65, 85, 100, 150 and 200 (reopened for report as to use), manufactured by Peerless Manufacturing Corp., Inc., Appliance.

497-54-SA—Nesbitt Gas-fired Unit Heater, Models G-25-F, G-50-F, G-100-F, G-130-F, G-170-F and G-200-F (reopened for report as to use), manufactured by John J. Nesbitt, Inc., owner.

606-51-BZ—Vol. II—H.B.Bx.—2515 Williamsbridge road and 2510 Paulding avenue, southwest corner, Block 4450, Lot 89, Borough of The Bronx, N.B. 934-54.

538-23-BZ—Vol. III—H.B.Bx.—1709-1719 Cross Bronx expressway, north side, 84.10 ft. east of Noble avenue, Block 3895, Lots 87, 90, 92 and 94, Borough of The Bronx, Alt. 1026-54.

483-37-BZ—Vol. II—H.B.M.—821-827 7th avenue and 159-167 West 53rd street, northeast corner, Block 1006, part of Lot 1, Borough of Manhattan, Alt. 1585-64.

For Administration: Samuel L. Becker, Dept of Housing and Buildings.

ACTION OF BOARD—Application granted on condition. **THE VOTE—**

Affirmative: Chairman Murdock, Commissioners Kleintert and Keating and Deputy Chief Connolly 4
Negative: 0

THE RESOLUTION—

WHEREAS, this application was reopened as Vol. II on September 14, 1954 subject to regular procedure, to consider extension of area and use; and

WHEREAS, a public hearing was held on this application on December 14, 1954 after due notice by publication in the Bulletin; laid over to January 25, 1955, for inspection and decision; applicant to file revised plans; no further argument; hearing closed; and

WHEREAS, the district maps accompanying the zoning resolution show that the site, Sutphin boulevard and 116th avenue are in a business use, D area, class 1 height district; 149th street is in residence and business use, D area, class 1 height districts; and

WHEREAS, the decision of the borough superintendent, dated July 22, 1954 acting on Alt. Applic. 1140-54, reads:

"1. The extension of an existing gasoline service station and a change of use from gasoline service station, batteries, office, tire store, greasing service, auto laundry,

MINUTES

tire and brake service, to gasoline service station, lubricatorium, minor auto repairs, car washing, store, utility room, brake service and parking and storage of motor vehicles in a business use district is contrary to Art. II, Sec. 4 of the Zoning Resolution.

2. The erection of business entrances (curb cuts) in a business use district less than 75 feet from an abutting residence use district is contrary to Art. II Sec. 7A of the Zoning Resolution.

3. The erection of business signs in a business use district less than 75 feet from an abutting residence use district is contrary to Art. II, Sec. 7A of the Zoning Resolution."

and

WHEREAS, the applicant states that the premises consist of a plot, 201.55 ft. and 180 ft. frontage by 97.82 ft. in depth, irregular; that the premises are presently developed with a gasoline service station consisting of four 550-gallon gas tanks, three dispensing pumps, a one-story building of class 3 construction, used for office, tire and battery store, having a frontage of 20 ft. and a depth of 24 ft., and a one story building of class 3 construction used for auto laundry, tire and brake service, having a frontage of 30 ft. and a depth of 69 ft. 10½ in.; that there are two open grease pits on the premises; that the gas station, having a frontage of 156.76 ft. on Sutphin boulevard, was erected under N.B. 3001 of 1929, after a denial by the Board but permitted by the Court under order dated May 7, 1930 issued by Justice Faber in the Supreme Court and printed in the New York Law Journal on April 13, 1930 and April 23, 1930; that certificate of occupancy No. 44684 was issued October 8, 1930 for gasoline station, batteries, office, tire store and greasing service; that the auto laundry was erected under N.B. 5058 of 1930 on a plot having a frontage of 44.79 ft. on Sutphin boulevard; that certificate of occupancy No. 44986 was issued November 21, 1930 for use of this building as auto laundry, tires and brake service; and

WHEREAS, the applicant states that it is proposed to extend the gasoline station use to the entire plot having a frontage of 201.55 ft. on Sutphin boulevard; that it is proposed to maintain the four present 550 gallon gas tanks and add six additional 550 gallon gas tanks; that the present dispensing pumps are to be removed and four new approved dispensing pumps are to be installed 10 ft. back of the Sutphin boulevard building line; that the present 20 ft. by 24 ft. office and store building is to be removed and the present 30 ft. by 69 ft. 10½ in. building at the northerly end of the lot is to be altered; that the use of the auto laundry is to be removed and the building used as an accessory building with the conjunctive uses of car wash, minor auto repairs, lubricatorium, utility room, store and brake service; that part of the site will be used for the parking and storage of motor vehicles; and

WHEREAS, the applicant contends that inasmuch as the present gas station is a legal use and as the extended gas station will replace the legal non-conforming use of auto laundry, the block will not be affected; that the proposed rehabilitation will be of benefit to the community in that the attendant traffic to an auto laundry will be removed, greater pedestrian protection will be secured by setting the pumps 10 ft. back of the building line and only three curb cuts on Sutphin boulevard are proposed in place of the present four curb cuts; that the present entrance to the accessory building, less than 75 ft. from the abutting residence zone on 149th street, was in existence since the erection of the building in 1930 and before section 7A was incorporated into the zoning ordinance; that no curb cuts were installed because the city never installed curbs in 149th street; that the removal of the present auto laundry and the use of the building as proposed will have less effect on the residential aspect of 149th street; that the sign on the building facing 149th street will only replace a present sign; that the continuous use of the present gas station since its inception in 1929 shows its need to the community and its enlargement and rehabilitation will allow it to render an even greater

service to the community; that the removal of the present open grease pits and the alteration of the building and the gas station and pumps as proposed will enhance the appearance of the site; and

WHEREAS, the applicant states that the present owner has held title to the property since June 26, 1934; that the assessed valuation of land is \$14,000 and of the building \$8,000 making a total of \$22,000; that the building was erected 1929; and

WHEREAS, the premises and surrounding area were inspected by a committee of the Board; and

WHEREAS, the Board found that this was an appropriate case in which to exercise discretion to grant under section 7, subdivision c of the Zoning Resolution.

Resolved, that the Board of Standards and Appeals does hereby *make a variation* in the application of the use district regulations of the zoning resolution and that the application be and it hereby is *granted* under Section 7e to permit the reconstruction and rearrangement and extension of a lawfully existing service station substantially as proposed and as indicated on plans filed with this application marked, "Received, July 23, 1954" (7 sheets) and as amended by revised plans marked, "Received, January 17, 1955" (7 sheets), *on condition* that all buildings and uses shall be removed except building to be retained and the premises shall be rearranged and constructed as indicated on such revised plans; that the accessory building shall be located where proposed and shall be of the arrangement as indicated on such plans and in all other respects shall comply with the requirements of the Building Code; that there shall be no cellar under such building; that there shall be no windows opening in the rear of such building to the adjoining premises; that from such building along the rear lot line to each street there shall be erected and maintained a masonry wall not less than five feet six inches in height which may be reduced to a height of four feet six inches within five feet of the building line; that the number of gasoline storage tanks shall be limited to ten 550 gallon approved tanks; that the pumps shall be of an approved low type and erected not nearer than fifteen feet to the street building line of Sutphin boulevard; that curb cuts shall be restricted to three curb cuts each approximately thirty feet in width to Sutphin boulevard and two curb cuts to 149th street, each thirty feet in width; that the sidewalks and curbing on both streets shall be constructed or repaired to the satisfaction of the Borough President; that signs shall be restricted to a permanent sign attached to the facade of the accessory building and to the illuminated globes of the pumps, excluding all roof signs and all temporary signs, but permitting the erection within the building line near the intersection of a post standard for supporting a sign, which may be illuminated, advertising only the brand of gasoline on sale, and permitting such sign to extend beyond the building line for a distance of not more than four feet; that the balance of the premises shall be paved with concrete or asphaltic pavement; that such portable fire fighting appliances shall be maintained as the Fire Commissioner shall direct; that the greasing and washing equipment, if lifts are used, shall be of the hydraulic type; that there shall be no open pits within the accessory building; that the existing greasing pits shall be removed; that there shall be no doors opening to the accessory building from 149th street; that under Section 7i there may be repairs maintained entirely within the accessory building; that under Section 7A the curb cuts, as above permitted, may be approved; and that all permits and a new Certificate of Occupancy shall be obtained and all work completed within the requirements of Section 22A of the Zoning Resolution.

79-30-BZ—Vol. II

APPLICANT—Jacob Lubroth and Son, for Guyal Realty Corp., owner.

SUBJECT—Application July 27, 1954 (decision of the borough superintendent), under sections 7f, 7i and 7h of the zoning resolution, to permit in the business use district

MINUTES

portion of a plot, for a term of ten years, the erection and maintenance of a gasoline selling station, lubritorium, motor vehicle repairs and office, and to permit the parking of motor vehicles on vacant portion.

PREMISES AFFECTED—2270-2280 East 14th street and 1313-1323 Gravesend Neck road, northwest corner, Block 7374, Lot 29, Borough of Brooklyn.

APPEARANCES—

For Applicant: Jacob Lubroth.

For Opposition: J. Sidney Levine and Josephine Dicolo.

For Administration: Samuel L. Becker, Dep't of Housing and Buildings.

ACTION OF BOARD—Application denied.

THE VOTE TO GRANT—

Affirmative 0

Negative: Chairman Murdock, Commissioners Klein-
ert and Keating and Deputy Chief Connolly 4

THE RESOLUTION—

WHEREAS, this application was reopened as Vol. II on September 14, 1954, subject to regular procedure; and

WHEREAS, a similar application was previously denied under section 21 on May 6, 1930 and the new proposal is under sections 7f and 7h of the zoning resolution; and

WHEREAS, a public hearing was held on this application on December 14, 1954 after due notice by publication in the Bulletin; laid over to January 25, 1955, for inspection and decision without further argument; hearing closed; and

WHEREAS, the district maps accompanying the zoning resolution show that the site and East 14th street are in residence and business use, D area, class 1 height districts; Gravesend Neck road is in a business use, D area, class 1 height district; and

WHEREAS, the decision of the borough superintendent, dated July 14, 1954 acting on N. B. Applic. 867-54 and superseded by N. B. Applic. 867-54 dated October 13, 1954, reads:

"1. The proposed construction of a gas selling station with auto repairs, office, lubritorium and parking of pleasure cars in vacant space in a business use district is contrary to the Zoning Res. Art. II Sect. 4(a) (29) & (46)."

and

WHEREAS, the applicant states that the premises consist of a plot, 101 ft. 1½ in, frontage by 123 ft. in depth, irregular, presently vacant; that it is proposed to erect a building, one story in height, and to measure 40 ft. by 30 ft. in area, to be used as a gas selling station, lubritorium, minor repairs and for the parking of more than five pleasure cars upon the unbuilt portion of plot; that it is also proposed to construct a 3 ft. high brick wall and a 3 ft. high ornamental iron fence on top to separate the residential from the business portion of lot, so that only the business portion of lot will be used for the purpose requested in this application; that the proposed gas station will be equipped with six 550 gallon gasoline tanks and three dispensing pumps located on concrete islands, set back at least 10 ft. from the building line; that it is also proposed to construct two drop curbs with splays on Gravesend Neck road and one on East 14th street; that the proposed building will be constructed of masonry faced with face brick and will be of modern design; and

WHEREAS, the applicant contends that Gravesend Neck road is located in a business use district with stores of a local business nature, many of which have been vacant for a long time, and to build any additional stores at this time would be economically unsound; that the neighborhood will be better served by the erection of the proposed gas station because of the fact that there are none for more than a radius of 500 ft.; that the owner is paying taxes on the assessed valuation of \$8,500, with no source of income; that the owner will comply with all rules and regulations of departments having jurisdiction as well as any other precautions which the Board may deem necessary; and

WHEREAS, the applicant states that the present owner has held title to the property since June 24, 1953 and that the assessed valuation of land is \$8,500; and

WHEREAS, the premises and surrounding area were inspected by a committee of the Board; and

WHEREAS, the Board found that there was no justification for the exercise of discretion to grant a zoning variance under section 7, subdivisions f, i and h of the zoning resolution.

Resolved, that the decision of the borough superintendent, acting on N.B. App. 867-54 be and it hereby is *affirmed* and that the application be and it hereby is *denied*.

164-37-BZ—Vol. IV

APPLICANT—Lama, Proskauer and Prober, for Herman Flyer, owner.

SUBJECT—Application September 1, 1954 (decision of the borough superintendent), under section 7f of the zoning resolution, to permit in a business use district two additional curb cuts on East 98th street on existing gasoline service station (previously granted by the Board for a term of years—expires 1961).

PREMISES AFFECTED—9716-9726 Church avenue and 494-542 East 98th street, southwest corner, Block 4718, Lot 42, Borough of Brooklyn.

APPEARANCES—

For Applicant: Alfred A. Lama.

For Opposition: None.

For Administration: Samuel L. Becker, Dep't of Housing and Buildings.

ACTION OF BOARD—Resolution amended.

THE VOTE—

Affirmative: Chairman Murdock, Commissioners Klein-
ert and Keating and Deputy Chief Connolly 4

Negative 0

THE RESOLUTION—

WHEREAS, this application was reopened as Vol. IV on September 28, 1954 subject to regular procedure, waiving all requirements except revised plans and a new decision of the borough superintendent and to permit legal publication in the Bulletin and also notice by regular mail to persons in the area who filed objections under Vol. III; and

WHEREAS, a public hearing was held on this application on January 25, 1955 after due notice by publication in the Bulletin; and

WHEREAS, the district maps accompanying the zoning resolution show that the site, Church avenue and East 98th street are in business use, D area, class 1 height district; and

WHEREAS, the decision of the borough superintendent, dated September 30, 1954 acting on B.N. Applic. 1326-54, reads:

"1. The installation of curb cuts on E. 98th St. is contrary to previous Board grant Cal. 164-37-BZ, Vol. III."

and

WHEREAS, the applicant states that the premises consist of a plot, 100 ft. frontage by 100 ft. in depth, on which is located a gasoline service station with an accessory building 63 ft. by 34 ft., one story in height, of class 3 construction; that it is proposed to install two 30 ft. curb cuts on East 98th street frontage; and

WHEREAS, the applicant states that the present owner has held title to the property since January 1948 and that the assessed valuation of land is \$42,300.

Resolved, that the Board of Standards and Appeals does hereby *amend* the resolution adopted by the Board on March 13, 1951, by adding thereto:

"that in the event the owner desires two additional curb cuts to East 98th street, as now proposed and as indicated on plans filed with this application, as amended, marked, 'Received, September 1, 1954' (2 sheets), and 'Received, December 6, 1954' (2 sheets), such additional curb cuts may be permitted *on condition* that in all other respects the resolution above cited shall be complied with; and that all permits shall be obtained and all work completed within six months of the date of this amended resolution."

MINUTES

624-39-BZ—Vol. V

APPLICANT—Albert E. Deer, for Esso Standard Oil Co., owner.

SUBJECT—Application May 25, 1954 (decision of the borough superintendent), under sections 7c and 7i of the zoning resolution, to permit in a retail use district, for a term of fifteen years, the extension to accessory building and the addition of motor vehicle repairs and the parking of motor vehicles waiting to be serviced on existing gasoline service station (previously granted by the Board, a gasoline service station for a term of ten years—expires July 23, 1956—formerly denied by the Board).

PREMISES AFFECTED—178-02 to 178-08 Union turnpike, southwest corner of Surrey lane, Block 7227, Lot 29, Jamaica, Borough of Queens.

APPEARANCES—

For Applicant: Joseph B. Lynch.

For Opposition: None.

For Administration: Samuel L. Becker, Dep't of Housing and Buildings and John J. Saunders, B'd of Education.

ACTION OF BOARD—Resolution amended.

THE VOTE—

Affirmative: Chairman Murdock, Commissioners Kleinert and Keating and Deputy Chief Connolly 4

Negative: 0

THE RESOLUTION—

WHEREAS, this application was reopened as Vol. V on June 15, 1954 subject to regular procedure, to consider extension of building; and

WHEREAS, a public hearing was held on this application on December 14, 1954 after due notice by publication in the Bulletin; laid over to January 25, 1955, for inspection and decision; hearing closed; and

WHEREAS, the district maps accompanying the zoning resolution show that the site and Union turnpike are in a retail use, D area, class 1 height district; Surrey lane is in residence and retail use, D area, class 1 height districts; and

WHEREAS, the decision of the borough superintendent, dated October 4, 1954 acting on Alt. Applic. 1205-54, reads:

"1. Extension of an existing gasoline service station, lubritorium and auto laundry by increasing area of accessory building and the additional uses of minor auto repair shop with hand tools only and the parking of motor vehicles awaiting service in a retail use district is contrary to Art. II Sec. 4A of the Zoning Resolution.

2. Proposed extension of accessory bldg. and addtl. uses of minor auto repair shop with hand tools only and the parking of motor vehicles awaiting service are contrary to B.S.A. Cal. 624-39-BZ and should be referred to the Board for further action."

and

WHEREAS, the applicant states that the premises consist of a plot, 140.43 ft. frontage by 100 ft. in depth, irregular, on which is located a gasoline service station with an accessory building 60 ft. 1 in. by 30 ft., one story in height, of class 3 construction, used as a lubritorium, car wash and office; and

WHEREAS, the applicant requests an amendment of the resolution adopted July 23, 1946 permitting a variance for a stated term of 10 years, expiring July 23, 1956, so that the term of the variance will be for a period of 15 years; and

WHEREAS, the applicant states that it is proposed to extend the building 26 ft. 6 in. on front by 30 ft. in depth, one story in height, of class 3 construction and to add motor vehicle repairs and the parking of motor vehicles awaiting repairs; that the premises are located in a retail use D area and 1 times height district; that the application does not contravene sections 7A and 21A; that zoning maps show Union turnpike for a depth of 100 ft. was zoned for business use, E area and 1 times height in 1916; that re-zoning in use from business to retail was effective on July 24, 1947 and the area was changed from E to D on May 27, 1953; and

WHEREAS, the applicant contends that Esso purchased this property on October 10, 1946; that the request for the extension in the term of the variance as well as the enlargement

of the accessory building for a period of 15 years from the date of the amended action is deemed necessary inasmuch as the construction work for the new gas station as permitted by resolution adopted July 23, 1946, was not completed until the early part of 1949 and certificate of occupancy was not issued until after April 5, 1949; that this was due to Federal restrictions on vital material; that hence the original 10 year permit expiring July 23, 1956 permits only about 7 years for this huge amortization; that the proposed work consists of the 26 ft. by 30 ft. extension to the present accessory building for use as a lubritorium and minor repairing; that the design and layout will be similar to the present building, also a new pediment or cornice over the office section of the present building; that the minor repairing under section 7i and the parking of vehicles awaiting service is necessary in modern service stations; and

WHEREAS, the applicant states that the present owner has held title to the property since October 10, 1946; that the assessed valuation of land is \$55,000 and of the building \$20,000 making a total of \$75,000; that the building was erected 1949.

Resolved, that the Board of Standards and Appeals does hereby amend the resolution adopted on July 23, 1946, and thereafter amended by resolutions adopted March 11, 1947, and thereafter through September 21, 1948, by adding thereto:

'that in the event the owner desires to extend the accessory building substantially as proposed and as indicated on plans filed with this application marked, 'Received, November 2, 1954,' (4 sheets), such extension may be permitted for the uses as shown, and of a design as shown, continuing the design of the present accessory building, on condition that there shall be no cellar under such extension and the extension shall in all other respects conform to the requirements of the Building Code; that under Section 7i there may be minor repairing with hand tools only for adjustments maintained solely within the accessory building; that the term of this variance is extended for a term of 15 years from the date of this amended resolution; that the requirements of the resolutions above cited shall be complied with where not inconsistent with this amended resolution and that this resolution affirms the prior action as applying to the rezoning of the premises as to use and area in 1947 to retail and in 1953 as to area; that all permits shall be obtained and a new Certificate of Occupancy shall be obtained and all work completed within the requirements of Section 22A of the Zoning Resolution."

68-40-BZ—Vol. II

APPLICANT—Noah N. Sherman, for 81 East 116th Realty Corporation, owner.

SUBJECT—Application July 29, 1954 (decision of the borough superintendent), under section 7f of the zoning resolution, to permit in a business use district, for a term of fifteen years, the erection and maintenance of a gasoline service station, lubritorium and to permit the parking of more than five motor vehicles and the sale of used motor vehicles.

PREMISES AFFECTED—75-85 East 116th street, north side, 110 ft. east of Madison avenue, Block 1622, Lots 25, 27, 28 and 127, Borough of Manhattan.

APPEARANCES—

For Applicant: Noah N. Sherman.

For Opposition: None.

For Administration: Samuel L. Becker, Dep't of Housing and Buildings.

ACTION OF BOARD—Application granted on condition.

THE VOTE—

Affirmative: Chairman Murdock, Commissioners Kleinert and Keating and Deputy Chief Connolly 4

Negative 0

THE RESOLUTION—

WHEREAS, this application was reopened as Vol. II on September 14, 1954 subject to regular procedure, to consider new proposal; and

MINUTES

WHEREAS, a public hearing was held on this application on January 4, 1955 after due notice by publication in the Bulletin; laid over to January 25, 1955, for inspection and decision without further argument—hearing closed; and

WHEREAS, the district maps accompanying the zoning resolution show that the site is in a business use, B area, class 1½ height district; East 116th street is in retail and business use, B area, class 1½ height districts; Madison avenue is in a retail use, B area, class 1½ height district; and

WHEREAS, the decision of the borough superintendent, dated July 12, 1954 acting on N.B. Applic. 57-54, reads:

"1. A gasoline station, lubritorium, parking lot for more than 5 motor vehicles, sale of second hand motor vehicles, located in a business use district is contrary to Art. II, P. 4, Zoning Resolution."

and

WHEREAS, the applicant states that the premises consist of a plot, 100 ft. frontage by 100.11 ft. in depth, on which is located a parking lot for more than five motor vehicles and for the sale of used motor vehicles, for which certificate of occupancy No. 41997-53 has been filed; that the use district of East 116th street between Park and Madison avenues has not been changed from the original business use since adoption of the zoning resolution; that in the last 14 to 20 years there has not been any material improvement in this section either in the residential or business type building or new construction of same; that in 1940 lot 25 was vacant and no tenant could be induced to use the property for a conforming use and the property was first put to a conforming use in 1953; that it is proposed to erect on the front portion of the existing lot area, a modern gas station and lubritorium consisting of six 550-gallon storage tanks and three dispensing pumps; that the proposed building will be of class 3 construction with a frontage of 44 ft. and depth of 27 ft. 8 in., one story in height, containing uses of lubritorium, office and storage; that the balance of the lot will be continued for use of parking lot for more than 5 motor vehicles and sales of second hand motor vehicles; and

WHEREAS, the applicant contends that East 116th street is a two way main auto lane from Morningside Park to the East River drive and is heavily travelled; that this proposed gas station is a required service in conjunction with the existing use of the parking lot as there are no other like uses within the affected area; that the present use of the property as parking lot for more than five motor vehicles and sales of second hand motor vehicles does not return sufficient revenue; that this site and block has deteriorated to the extent where it cannot support a conforming use that would cover all expenses and still show a profit; and

WHEREAS, the applicant states that the present owner has held title to Lots 27, 28 and 127 since October 2, 1950 and to lot 25 since February 18, 1953 and that the assessed valuation of land is \$41,400; and

WHEREAS, the premises and surrounding area were inspected by a committee of the Board, which has taken into account the fact an application was previously denied for a smaller sized plot and recommended that in view of the larger plot and the fact that the present uses on the premises have been permitted by the Department of Housing and Buildings, that the application be granted under certain conditions; and

WHEREAS, the Board found that this was an appropriate case in which to exercise discretion to grant under Section 7, Subdivision f of the Zoning Resolution.

Resolved, that the Board of Standards and Appeals does hereby *make a variation* in the application of the use district regulations of the zoning resolution and that the application be and it hereby is *granted* under Section 7f for a term of fifteen (15) years, to permit the plot to be maintained as a gasoline service station with accessory uses, substantially as proposed and as indicated on plans filed with this application marked "Received July 29, 1954" (5 sheets); that all buildings and uses on the premises shall be removed and

the premises arranged, constructed and maintained substantially as proposed; that there shall be no cellar under the accessory building; that such building shall in all other respects comply with the requirements of the Building Code; that there shall be erected on the side and rear lot lines where walls of adjoining buildings do not occur a woven wire fence of the chain link type with no openings therein to a height of five feet six inches; that curb cuts shall be restricted to two located substantially where shown, each not over 20 feet in width; that the sidewalks and curbing around the premises shall be reconstructed or restored to the satisfaction of the Borough President; that such curb cuts may temporarily be in the present curb but shall be removed upon the widening of East 116th street and reinstated at the new curb location; that the number of gasoline storage tanks shall be limited to ten 550 gallon approved tanks; that pumps shall be of an approved low type erected not nearer than 15 feet to the street building line; that the balance of the premises shall be paved with concrete or asphaltic paving; that under section 7h for a similar term there may be parking of motor vehicles limited to those of the pleasure type on vacant portion of plot; that suitable bumpers shall be maintained against the walls and fences on the side and rear lot lines for protection thereof; that there shall be no sales of motor vehicles; that such portable fire-fighting appliances shall be maintained and installed as the fire commissioner shall direct; that signs shall be restricted to a permanent sign attached to the facade of the accessory building and the illuminated globes of the pumps' excluding all roof signs and temporary signs, but permitting the erection within the building line of a post standard for supporting a sign which may be illuminated, advertising only the brand of gasoline on sale and permitting such sign to extend not more than 4 feet beyond the building line; that such post standard shall be not nearer than 15 feet to the buildings on adjoining lot to the east; that the facade of the accessory building shall be face brick on the front and east side and with stucco on the west side and rear; and that all permits, including a certificate of occupancy shall be obtained and all work completed within the requirements of Section 22A of the zoning resolution.

332-46-BZ

APPLICANT—Kenneth W. Milnes, for Harry J. and Gilbert S. Brown, owners.

SUBJECT—Application reopened December 7, 1954 for consideration as to extension of term of variance—re (decision of the commissioner of Marine and Aviation) previously granted on condition, under section 7f of the zoning resolution, permitting in a business use district, the installation of a 1500 gallon gasoline storage tank and discharge pump.

PREMISES AFFECTED—142 Mansion avenue, southeast corner of McKee avenue, Block 5202, Lot 5, Great Kills, Borough of Richmond.

APPEARANCES—

For Applicant: Kenneth W. Milnes.

For Opposition: None.

ACTION OF BOARD—Resolution amended and term of variance extended.

THE VOTE—

Affirmative: Chairman Murdock, Commissioner Keating and Deputy Chief Connolly 3

Negative 0

Not Voting: Commissioner Kleinert 1

THE RESOLUTION—

WHEREAS, on July 16, 1946 this application was granted by the Board on certain conditions, under section 7f of the zoning resolution, to permit in a business use district, for a term of five years, the installation of a 1500 gallon gasoline storage tank to be located on the upland, with one gasoline pump at the end of dock, with sale of gasoline solely for boats; and

MINUTES

WHEREAS, on January 21, 1947 the application was reopened and time extended to obtain permits and complete the work; and

WHEREAS, on June 8, 1954 the Board denied request for reopening as to an additional 1500 gasoline storage tank; and

WHEREAS, the applicant requested reopening of this application and extension of the term of variance which had expired by time limitation; and

WHEREAS, this application was reopened on December 7, 1954 and set for hearing on January 18, 1955 at 10 A. M. subject to regular procedure, waiving all requirements except new decision of the borough superintendent which has not been obtained and filed and two publications in the Bulletin, the variance having expired January 16, 1951; and

WHEREAS, a public hearing was held on this application on January 18, 1955 after due notice by publication in the Bulletin; laid over to January 25, 1955, for the preparation of digest; applicant to be notified.

WHEREAS, the decision of the Department of Marine and Aviation, dated January 4, 1955, reads:

"Please be advised that your application of April 19, 1954 for permission to install an additional 1500-gal. gasoline tank to existing gasoline service station, at 142 Mansion Avenue, Great Kills, Borough of Richmond, is denied for the following reasons:

The above location is zoned as a business district and the installation of the tank is not permitted under Art. 2, Paragraph 4, Div. 46 of the Zoning Resolution of the City of New York.

The installation of an additional 1500-gal. gasoline storage tank in a non-conforming gasoline service station, for which a variance was granted by the Board of Standards and Appeals under Cal. No. 332-46-BZ for a period of 5 years and which has expired, is not permitted."

and

WHEREAS, the applicant requests that the Board consider and amend the resolution, to permit the additional installation of three 550-gallon gasoline storage tanks; that the request to install a 1500-gallon gas tank was denied and the owners have therefore abandoned the idea of installing any gasoline tank larger than 550-gallon capacity; and

WHEREAS, there is no appeal provided for by law from a decision of the Commissioner of the Department of Marine and Aviation; that the Board is entertaining this application under its original jurisdiction as empowered by the State Legislature.

Resolved, that the Board of Standards and Appeals does hereby *amend* the resolution adopted on July 16, 1946 and under the original powers of the Board as granted by the Legislature, to *amend* by adding the following:

"that in the event the owner desires to install three additional tanks, such tanks may be permitted, provided they are approved 550 gallon gasoline storage tanks, installed adjacent to the existing tank on the upland of the premises; and that the term for such tanks and the tank originally permitted under resolution adopted by the Board on July 16, 1946, may be continued for an additional term of fifteen years from the date of this amended resolution; and that in all other respects the resolution above cited shall be complied with."

1067-47-BZ—Vol. II

APPLICANT—Irving Margon, for New York Lerner Co. Inc., owner.

SUBJECT—Application October 21, 1953 (decision of the borough superintendent), under sections 7c, 19-A(j) and 21 of the zoning resolution, to permit in a residence and business use, C area district, the demolition of frame buildings and the upper floors of loft building fronting on 53rd street, and the alteration and extension of existing buildings fronting on 5th avenue, using more than the area

permitted and without the required rear yard and without the required loading berth.

PREMISES AFFECTED—5308-5310 5th avenue, north side, 25 ft. west of 53rd street and 466-472 53rd street, west side, 100 ft. north of 5th avenue, Block 815, Lots 35 and 40, Borough of Brooklyn.

APPEARANCES—

For Applicant: Irving Margon.

For Opposition: None.

For Administration: Samuel L. Becker, Dep't of Housing and Buildings.

ACTION OF BOARD—Application granted on condition.

THE VOTE—

Affirmative: Chairman Murdock, Commissioners Klein-ert and Keating and Deputy Chief Connolly 4

Negative 0

THE RESOLUTION—

WHEREAS, this application was reopened as Vol. II on November 10, 1953 subject to regular procedure, to consider excessive area; and

WHEREAS, a public hearing was held on this application on December 21, 1954 after due notice by publication in the Bulletin; laid over to January 25, 1955, for inspection and decision; hearing closed; and

WHEREAS, the district maps accompanying the zoning resolution show that the site and 53rd street are in residence and business use, C area, class 1¼ height districts; 5th avenue is in a business use, C area, class 1¼ height district; and

WHEREAS, the decision of the borough superintendent, dated September 23, 1954 acting on Alt. Applic. 4013-52, reads:

"4. Proposed structure, partly in a 'Business' use zone and partly in a 'Residence' use zone to be used for store and storage is in violation of Article II, P. 3 of the Zoning Resolution.

5. Proposed extension in excess of 60% of the surplus area of lot is contrary to Article IV, P. 13b of the Zoning Resolution.

6. Provide off-street loading berth as per Article IV, P. 19-A of the Zoning Resolution.

7. Provide rear yard for the portion of the building within the business use district; such rear yard is to be located where the business portion of the lot abuts the residence use district."

and

WHEREAS, the applicant states that the premises consist of a plot, 50 ft. and 60 ft. frontage by 100 ft. and 160 ft. in depth; that the site is now occupied by a group of buildings; that on the 5th avenue frontage, lot 40, are two store buildings each two stories in height, in a business district; that on the 53rd street frontage, lot 35, are three buildings of which No. 472 is a 4 story and cellar loft building and the others are 3 story frame multiple dwellings in a residential district; that the site is a C zone and 1¼ height district; that a search of the records revealed nothing as to the age of these buildings but it is estimated that Nos. 5308 and 5310 5th avenue are about 45 years old, 472 53rd street about 25 years old and the frame buildings about 65 years old; that a certificate of occupancy for the 5th avenue buildings, obtained May 13, 1953, is filed with this application; that it is proposed to remove the frame buildings on 53rd street and demolish the upper floors of the loft building at 472 53rd street; that the street floor of the buildings on 5th avenue and 472 53rd street will be altered into one store and extended on 53rd street; that the 2nd floor of the 5th avenue frontage will be extended to a point 100 ft. from 5th avenue; that the entire building as altered will be occupied by the Lerner company using the store floor as a retail store, the 2nd floor for storage of stock and the cellar for storage and boiler room; and

WHEREAS, the applicant further states that the proposed extension into the more restricted district will be one story high with no cellar; that the only opening to the street will be one exit door at approximately the same location as the entrance to the present building known as 472 53rd street;

MINUTES

that the 3 upper floors of 472 53rd street (store and loft building) will be removed, thus greatly reducing the number of persons using such door in a residential district; that the buildings directly opposite the site on 53rd street (Nos. 465-469 and 471) now have business occupancy (stores); that this also applies to No. 457; that a rear yard and side court will be provided at the extension increasing exit facilities for present store area on 5th avenue side of plot; that the new condition as shown on plans will not adversely affect the residential aspect of the street and will decrease business traffic due to buildings on the site; that lot 40 and the adjoining 20 ft. of lot 35 are now used for business; that it is proposed to join these buildings on the street floor and extend such use further on lot 35; that there are no existing exits from the rear of the above buildings and the proposed alteration and extension will provide adequate exits from such areas; that this plot consists of lots 35 and 40 and the present building on lot 40 now occupies 100% of that portion of the plot; that the present building at 472 53rd street now occupies 2,000 sq. ft. of lot 35, extending from front to rear lot line and will be shortened 10 ft. on the 1st floor after removal of the 3 upper floors; that the balance of lot 35 will have 80% coverage; that the proposed extension to the 2nd floor of the building on lot 40 will make the 2nd floor coverage 45.4% of the plot; that the 2nd, 3rd and 4th floors of the adjoining building on lot 35, which is in the residential district, will be removed and such area is approximately equivalent to area of new 2nd story extension on lot 40, which is in the business district; that approval of new conditions is requested because removal of 3 upper floors and rear 10 ft. of 1st floor of 472 53rd street deletes 6,200 sq. ft. of floor area used for business on the site; that the area of new extension of lot 35 is 3,140 sq. ft. making a reduction of 3,060 sq. ft. devoted to business with a corresponding decrease in the allowable number of persons employed in a residential area; that omission of the off street loading berth is requested for the following reasons: that the retail establishment which will occupy the entire premises as proposed to be altered and extended is engaged in the sale of items of clothing and related accessories of the lightest possible nature; that delivery of this merchandise is accomplished by motor vehicles of small and moderate size, which require brief stopping periods to handle the unloading of stock, which because of its minimum weight is handled rapidly and without delay; and

WHEREAS, the applicant contends that both 53rd street and 5th avenue at this location are not highly congested by pedestrian or vehicular traffic and it is believed the proposed use will not materially affect traffic conditions; that the condition of street traffic will further be improved by the removal of the loft building and occupancy at 472 53rd street; that the use of this building with its various manufacturing processes requires the receiving and shipping of crates, cartons and other items of a heavy and bulky nature, and the obstruction of the street with heavy trucks parked over long periods of time; and

WHEREAS, the applicant states that the present building on lot 40 occupies 100% of the lot area on the 1st floor; that the yard at the rear of the building on the 2nd floor starts at the level of the roof over the 1st floor and extends back into the side wall of the present four story loft building occupying 100% of the depth of the lot at 472 53rd street; that this rear yard is enclosed on one side by a two story building and on the other side by a four story building, occupying 100% of the lot, and thus actually becomes an inner court between buildings, as a result of which it serves no purpose in improving the ventilation of the block and spaces between buildings; that it is requested that the omission of the rear yard be approved for the following reasons: that it does not now exist on the 1st floor as hereinbefore set forth; that it is proposed to remove the upper floors of the loft building at 472 53rd street and the adjacent two frame buildings on lot 35 will be entirely removed; that these 3 buildings are each of greater height than the buildings proposed and since the proposed building occupies 45.4% of the plot on the 2nd floor, this will leave a yard

above the level of the 1st floor of 6,000 sq. ft. and open to 53rd street; that the building on the 1st floor will have a rear and side yard totaling 1,050 sq. ft.; that this proposed arrangement will substantially increase the amount of light and ventilation for adjacent properties and the remainder of the block; and

WHEREAS, the applicant contends that the premises submitted under this application consist of lots 35 and 40; that lot 40 is 50 ft. by 100 ft. and 100% occupied at present and will remain 100% occupied after the proposed alteration; that lot 35 is 60 ft. by 100 ft., or 6,000 sq. ft. and is now occupied by a loft building and two frame multiple dwellings; that these 3 buildings on lot 35 will be demolished leaving an open unbuilt area of 6,000 sq. ft.; that the surplus area of lot (unbuilt open portion) is 6,000 sq. ft., coverage permitted in a C zone at 60% is 3,600 sq. ft., the proposed coverage is 4,950 sq. ft. and excess coverage is 1,350 sq. ft.; and

WHEREAS, the applicant states that the present owner has held title to the property since June 15, 1946; that the assessed valuation of land is \$85,500 and of the buildings \$52,500 making a total of \$138,000; and

WHEREAS, the premises and the surrounding area were inspected by a committee of the Board; and

WHEREAS, the Board found that this was an appropriate case in which to exercise discretion to grant under Section 7, Subdivision c of the zoning resolution, as to use, and that the applicant had substantiated a basis to warrant exercise of discretion to grant under Section 21, and is therefore entitled to relief, as to area, on the grounds of unnecessary hardship.

Resolved, that the Board of Standards and Appeals does hereby *make a variation* in the application of the use and area district regulations of the zoning resolution and that the application be and it hereby is *granted* under Section 7c as to use, and Section 21 as to extension of area, to permit the extension of the existing mercantile building substantially as proposed and as indicated on plans filed with this application marked, "Received, October 21, 1953" (6 sheets), and "Received, June 4, 1954," (one sheet), *on condition* that the building shall not be increased in height beyond what is now proposed, and in all other respects shall comply with the requirements of the Building Code; that there shall be no window opening in the lot line walls to adjoining premises; that the yard and court space as indicated and proposed on such plans shall be maintained with exits located to such open spaces leading to 53rd street; that suitable fences shall be maintained on the lot lines where rear yard and court spaces occur; that such existing buildings and parts of buildings as are proposed to be demolished shall be demolished; that such fire fighting equipment shall be maintained throughout the present and proposed extension as the Fire Commissioner shall require; that the requirements of Section 19 A, j as to loading area may be waived; and that all permits shall be obtained and all work completed within the requirements of Section 22A of the Zoning Resolution.

124-49-BZ—Vol. II

APPLICANT—Carl H. Salminen, for MacGrotty Chevrolet, Inc., owner.

SUBJECT—Application January 14, 1954 (decision of the borough superintendent), under sections 7f, 7i and 21 of the zoning resolution, to permit in a retail use district the erection and maintenance of an extension to existing structure, maintaining present uses of show room, service, office, storage and parts department and to add the use of storage of parts, body shop, welding with acetylene and oxygen, machine room, painting, spraying and undercoating, with storage of paints and to permit the storage of new and used cars waiting to be serviced, and the parking of cars on the roof.

PREMISES AFFECTED—137-80 Northern boulevard, southwest corner of Union street, Block 4977, Lot 52, Flushing, Borough of Queens.

MINUTES

APPEARANCES—

THE RESOLUTION—

WHEREAS, this application was reopened as Vol. II on February 2, 1954 subject to regular procedure, to consider extension of use; and

WHEREAS, a public hearing was held on this application on December 14, 1954 after due notice by publication in the Bulletin; laid over to January 25, 1955, for inspection and decision; hearing closed; and

WHEREAS, the district maps accompanying the zoning resolution show that the site and Northern boulevard are in a retail use, B and C area, class 1½ height district; Union street is in retail and retail-1 use, C area, class 1½ height districts; and

WHEREAS, the decision of the borough superintendent, dated January 12, 1954 acting on Alt. Applic. 2877-53, reads:

"1. The use of the premises as boiler, storage of parts, body shop, welding with acetylene oxygen torch, machine room, undercoating, paint spraying and paint storage complying with rules and regulations of Board of Standards & Appeals, locker room & toilets, storage of new and used cars waiting to be serviced in the cellar and—

lubritorium, car washing, undercoating brake testing, wheel alignment, motor vehicle repair shop and servicing for more than 5 new and used cars and trucks, serviced, display and sale of parts and parts storage, sale and display of new and used cars, locker room, wash room and toilets, fan room, compressor room, and offices on the first floor and—

excess parts storage and offices on the second floor and—

roof parking of new and customers cars waiting to be serviced on the roof is contrary to Board of Standards and Appeals decision BZ 124-49 dated May 10, 1949 and is hereby referred back to the Board for reconsideration as above is contrary to Par. 4 Subdivision (a) 15, 29."

and

WHEREAS, the applicant states that the premises consist of a plot, 50 ft. 262.33 ft. and 33 ft. frontage by 150 ft. and 262.33 ft. in depth; that the premises is located in block No. 4977 and known as lot 52, having a frontage of 50 ft. on Northern boulevard, 262.33 ft. on Union street and 64.25 ft. on 37th avenue; that this parcel was formerly known as lots 52, 55, 57, 58, 59 and part of 70, 71 and 73; that the property is situated in a retail B and C use district, class 1½ height district and on April 8, 1946 the use district was changed from business to retail and was business back to July 25, 1916; that the area district was changed on April 8, 1946 from C to B 100 ft. west of Union street; that the height district has not been changed since July 25, 1916 and there are no changes pending in the city planning commission; and

WHEREAS, the applicant further states that the property is improved with a one-story masonry class 3 building erected in 1923, and a one and two-story masonry extension erected in 1950; that a previous application was filed with the Board under Cal. No. 500-23-BZ permitting the use of the building as an automobile showroom and motor vehicle repair and service structure; that on February 11, 1949 application was filed with the Board under Cal. No. 124-49-BZ permitting to extend the use of existing non-storage garage for more than five motor vehicles, previously granted, to include auto showroom, motor vehicle repair shop, servicing

of motor vehicles, motor parts, sales and office; that plans were approved by the department of housing and buildings under Alt. No. 986-48 for a one-story masonry service building with 2nd floor offices over existing structure; that certificate of occupancy No. Q-63035 dated April 24, 1950 was issued to cover these uses; that the above structure was set back 20 ft. from the present property line for future widening of Union street, which is contemplated by the city planning commission (CP 5783); that when this widening goes into effect it will condemn 37% of the building now located along Union street, practically eliminating one half of the area of the showroom and parts department; that realizing this the owner purchased adjoining parcels formerly known as lots 58, 59, part of 70, 71 and 73; that he has maintained the new property as a used car lot and customer parking area and has also secured property at Northern boulevard and 157th street for a used car sales lot; and

WHEREAS, the applicant contends that due to the tremendous expansion of the automobile business, servicing and parking of customers' cars constitutes a major part of the automobile business; that 60% of the repair and service business is turned away due to lack of space to adequately handle the business, which is causing a practical hardship to the owner; that the MacGrotty Chevrolet is one of the largest Chevrolet agencies on Long Island and has been in business since 1923; that the owner has 12,738 sq. ft. of building area at present, but according to requirements of General Motors zone office, a franchise of the size of MacGrotty Chevrolet should cover at least 26,000 sq. ft. to properly service customers' cars within the boundaries of his franchise; that if this application is granted the owner would gain 12,490 sq. ft. under cover and with the present area of 12,738 sq. ft. would make a total area of 25,228 sq. ft., which would be 772 sq. ft. less than required by General Motors; that the acquired plot area, consisting of lots formerly known as 58, 59, part of 70, 71 and 73, in a retail B and C area district is 20,404 sq. ft. or a land coverage of 36% of the total area, which is within the regulation of the zoning resolution; that the total area of the proposed structure will be 7,338 sq. ft.; and

WHEREAS, the applicant states that it is proposed to leave the present structure intact and maintain its present use and to build an extension 64 ft. 11½ in. by 114 ft. 6 in.; that the entire project when completed will include the following uses; cellar—boiler, storage of parts, body shop, welding with acetylene oxygen torch, machine room, undercoating, paint spraying and paint storage complying with rules and regulations of the Board, locker room and toilets, storage of new and used cars waiting to be serviced; 1st floor—lubritorium, car wash, undercoating, brake testing, wheel alignment, motor vehicle repair shop and servicing for more than five new and used cars and trucks, storage of customers' cars and cars waiting to be serviced, display and sale of parts and parts storage, sale and display of new and used cars, locker room, wash room and toilets, fan room, compressor room and offices; 2nd floor—excess parts storage and offices; roof—parking of new and customers' cars waiting to be serviced; that access to the roof parking area and basement body shop will be by ramps; and

WHEREAS, the applicant further states that the building as proposed will constitute a modern up-to-date car agency consisting of the latest equipment for repairing of cars and trucks; that there will be a carbon monoxide system for the elimination of all obnoxious gases; that it would alleviate the congested and unsatisfactory condition which now prevails not only in the premises but also in the narrow street adjacent thereto, with the consequent impeding of normal movement of traffic; that the plans were given careful study for the greatest efficiency of operation and economy; that more than 50% of surrounding property owners within the affected area have consented in writing to the extension of the present premises for the uses as stated in this application; and

WHEREAS, the applicant states that the present owner has held title to lots 52, 55 and 57 since October 16, 1944; lot 58 since April 21, 1950; lot 59, February 23, 1949; lot 71, September 17, 1948; lot 73, August 31, 1948 and to lot 70

MINUTES

since December 3, 1953; that the assessed valuation of land \$178,000; that the building was erected 1923 and the extension in 1950; and

WHEREAS, the premises and area were inspected by a committee of the Board.

Resolved, that the Board of Standards and Appeals does hereby *amend* the resolution adopted by the Board on May 10, 1949, by adding thereto:

"that in the event the owner desires to extend the uses for showroom and other uses substantially as proposed and as indicated on plans filed with this application marked, 'Received, January 14, 1954' (11 sheets); that such extension of the open parking area and proposed building as indicated on such plans may be permitted provided such building and uses complies with the requirements of the Building Code and fire prevention code in all other respects the resolution above cited, as extended to include these premises, shall be complied with; that there shall be maintained such fire fighting equipment in the additional building as the Fire Commissioner shall direct; that the extension may be used, under Section 7i, where proposed for motor vehicle repairs including paint spraying, welding, painting and undercoating; and that fencing shall be maintained along the interior lot lines and street building line of 37th Avenue, as proposed, with no additional opening to 37th Avenue, other than those now existing; that the resolution above cited shall be complied with where not inconsistent with this amended resolution; that all permits shall be obtained and work completed and a new Certificate of Occupancy obtained within the requirements of Section 22A of the Zoning Resolution."

187-52-BZ—Vol. II

APPLICANT—Henry C. Brockman, for Gulf Oil Corporation, owner.

SUBJECT—Application December 22, 1953 (decision of the borough superintendent), under sections 7e, 7i and 7A of the zoning resolution, to permit in a local retail use district, the reconstruction and size of proposed accessory building on proposed gasoline service station (previously granted by the Board—extended from time to time—expired December 1, 1954), with a curb cut nearer the residence use district than is permitted.

PREMISES AFFECTED—220-10 Hempstead avenue and 102-33 to 102-37 221st street, southeast corner, Block 11157, Lot 5, Queens Village, Borough of Queens.

APPEARANCES—

For Applicant: Joseph B. Lynch.

For Opposition: None.

For Administration: Samuel L. Becker, Dep't of Housing and Buildings.

ACTION OF BOARD—Resolution amended.

THE VOTE—

Affirmative: Chairman Murdock, Commissioners Kleintert and Keating and Deputy Chief Connolly 4
Negative 0

THE RESOLUTION—

WHEREAS, this application was reopened as Vol. II on January 5, 1954 subject to regular procedure, to consider rearrangement of premises; and

WHEREAS, a public hearing was held on this application on January 25, 1955 after due notice by publication in the Bulletin; and

WHEREAS, the district maps accompanying the zoning resolution show that the site and Hempstead avenue are in a local retail use, D area, class 1 height district; 221st street is in residence and local retail use, D area, class 1 height districts; and

WHEREAS, the decision of the borough superintendent, dated October 11, 1954 acting on N.B. Applic. 6607-51, and superseded by amendment to N.B. 6607-51, dated November 30, 1954, reads:

"1. Proposed use of premises located in a local retail use district as a gasoline service station, servicing lubricatorium, car washing (non-automatic), minor auto repair shop with hand tools only, display, storage of parts and parking of motor vehicles awaiting service is contrary to Section 4C of the Zoning Resolution and must be approved by the Board of Standards & Appeals. Any change from original approval of the Bd. of S. & A. under Cal. #187-52-BZ must be re-submitted to said Board for approval.

2. The location of a curb cut beyond 25 ft. of the intersection of a local retail district abutting a residence use district is contrary to Art. II Sec. 7A Zoning Resolution."

and

WHEREAS, the applicant states that the premises consist of a plot, 170 ft. frontage by 75 ft. in depth, presently vacant; that the rearrangement of premises now requested deals solely with the size and design of the proposed accessory building; that in all other respects the resolution adopted October 21, 1952 as amended April 14, 1953 and December 1, 1953 will be complied with; that the time is which to obtain permits and complete the work now expires on December 1, 1954; that it is proposed to rearrange the accessory building which will consist of reducing the length or front of the building facing Hempstead avenue with an approved frontage of 84 ft. with angle corner, per amended resolution adopted April 14, 1953, to a frontage of 80 ft. with a square corner; that the depth of the building will be increased from about 25 ft. to 28 ft. 8 in. at the sales and display space, including the store room with ceiling suspended furnace for heating purposes; that the depth of the building for the service bays will be decreased from 30 ft. to 28 ft. 8 in.; that the square area of the entire building will be approximately the same; that the radial corner, at the sales and display space, of glass with metal framing as well as the flat roof construction, as approved April 14, 1953, will be changed to provide a brick pier at the corner and a full sloping roof will be erected over the entire display and sales space, the combination heater and store room and the rest rooms; that the roof over the four service bays will be flat and a full cornice will be provided along the front and side of the building; that the building will be constructed entirely of brick, with the two street fronts being finished with face brick; and

WHEREAS, the applicant contends that inasmuch as this application is filed solely for a minor amendment as to rearrangement of accessory building with no change in general layout of plot, nor any change in any of the uses as permitted by original resolution adopted October 21, 1952, the Board is requested to consider Vol. I of this application as an integral part of Vol. II; that the premises are presently zoned for local retail use, D area, class 1 height; that the premises were zoned for business on July 25, 1916 and re-zoned to local retail use on January 21, 1947, with no change in area or height; that it is further requested that this amendment be considered under sections 7e, 7i and 7A, similar to the application under Vol. I, in the event the Board deems it necessary in reviewing this application; that substantiation of the various sections as enumerated above are similar to Vol. I; and

WHEREAS, the applicant states that the present owner has held title to the property since May 28, 1953 and that the assessed valuation of land is \$17,000; and

WHEREAS, it appears that there has been a change of ownership of the premises.

Resolved, that the Board of Standards and Appeals does hereby *amend* the resolution adopted by the Board on October 21, 1952, under Volume I as thereafter amended by resolution adopted April 14, 1953, and further amended by resolutions adopted through December 1, 1953, by adding thereto:

"that the Board *affirms* the grant of variance under Sections 7e, 7i, and 7A under the terms of the resolution above cited and to include the terms of this amendment where not inconsistent with the terms of the resolutions above cited;

MINUTES

that the premises may be constructed and arranged as now proposed and as indicated on plans marked, 'Received, November 10, 1954' (4 sheets), *on condition* that the resolution above cited, where not inconsistent with these revised plans, shall be complied with in all respects; that all permits shall be obtained and all work completed with the requirements of Section 22A of the Zoning Resolution; and that the term of this variance may be extended for a term of 15 years from the date of this *amended* resolution."

62-53-BZ—Vol. II

APPLICANT—Holtzman, Sharf, Mackell and Hellenbrand, for La Guardia Hotel, owner.

SUBJECT—Application June 2, 1954 (decision of the borough superintendent), under sections 7e and 21 of the zoning resolution, to permit in a residence use, E area district the off-street parking of motor vehicles within the required open spaces and required setback, and to permit the erection of electric signs on building and also on the roof.

PREMISES AFFECTED—99-01 to 99-19 Ditmars boulevard, north side, from 22nd avenue to 22nd road; 99-02 to 99-12 22nd avenue and 100-01 to 100-17 22nd road, Block 1634, Lot 101, East Elmhurst, Borough of Queens.

APPEARANCES—

For Applicant: Edward Sharf and Ingram S. Carner.

For Opposition: Edward Hoffman for the Park Dept.

For Administration: Samuel L. Becker, Dep't of Housing and Buildings.

ACTION OF BOARD—Application granted on condition.

THE VOTE—

Affirmative: Chairman Murdock, Commissioners Kleinert and Keating and Deputy Chief Connolly 4

Negative 0

THE RESOLUTION—

WHEREAS, this application was reopened as Vol. II on June 22, 1954 subject to regular procedure, to consider new proposal; and

WHEREAS, a public hearing was held on this application on November 16, 1954 after due notice by publication in the Bulletin; laid over to November 30, 1954, for applicant to submit plans of signs which conform to the requirements of the State Conservation Law; then to December 14, 1954, for further consideration and decision by the Board; hearing previously closed; then to January 18, 1955, for applicant to furnish decision from the Commissioner of Parks as to signs proposed under Section 675 of the State Conservation Law; then to January 25, 1955, for applicant to file revised plans; and

WHEREAS, the district maps accompanying the zoning resolution show that the site, Ditmars boulevard, 22nd avenue and 22nd road are in a residence use, E area, class ½ height district; and

WHEREAS, the decision of the borough superintendent, dated May 24, 1954 acting on N.B. Applic. 69-53, reads:

"Multiple Dwelling

35M. Proposed parking in required open spaces is contrary to Sec. 60 M.D.L. and Sec. 19-B Zoning Resolution.

36M. Proposed parking in required setback is contrary to Sec. 15 (d) Zoning Res.

37M. Proposed parking in residence use district is contrary to Sec. 3 Zoning Res.

Construction

1. The erection of electric signs in a residence use district is contrary to Art. #2 Sec. 3 of the Building Zone Resolution of the City of New York.

2. The erection of a roof sign (sign #1) in a residence use district is contrary to Art. 2 Section 3 of the Zoning Resolution."

and
WHEREAS, the applicant states that the premises consist of a plot, 202.13 ft. and 220.52 ft. frontage by 180.14 ft. and 116.71 ft. in depth, irregular, improved with a class B mul-

tiply dwelling of fireproof construction as approved under N.B. 69-53; that the present use designation is residence since December 14, 1934; that from July 25, 1916 to December 14, 1934 the western half of the subject property was unrestricted and the eastern half was residential; that the present area designation is E since December 14, 1934; that from July 25, 1916 to December 14, 1934 the property was in C area; that the present designation is ½ times since December 14, 1934; that between July 25, 1916 and December 14, 1934 the western half of the premises was 1½ district and the eastern half was 1 height district; that it is proposed to provide off street parking on the site; that due to the fact that this is a class B multiple dwelling, it is contrary to the zoning resolution and the departmental parking rules to allow parking of cars for this use in a residential zone; that it is apparent that off street parking is sorely needed for any type of transient use in the City and especially since the alternative is to find space for the parking of cars in the street, thus creating unnecessary congestion; that it is further proposed to erect three signs on the buildings which are intended to give to the transient, mainly from LaGuardia airport driving along Ditmars boulevard or Grand Central parkway, directions as to how to approach the premises; that these proposed signs would merely state the name of the hotel and no other words are proposed; that these signs would be non-flashing and would in no way adversely affect the highway vista as these signs are designed in suitable proportions so as to be clear, and not unsightly; that furthermore, they would not be unique in this area as there now exist signs for the various hangar buildings at LaGuardia airport, the Aeronautical school and the Bulova factory to the west; and

WHEREAS, the applicant contends that in view of the fact that this proposed parking and the signs are a result of a carefully studied solution to a use of this type and that the neighborhood will not be adversely effected by these requested uses but will be provided with relief from inevitable confusion resulting from lack of direction to the premises and congestion on the streets, it is requested that this appeal be granted; and

WHEREAS, the applicant states that the present owner has held title to the property since May 12, 1953 and that the assessed valuation of land is \$11,000; and

WHEREAS, the premises and surrounding area were inspected by a committee of the Board; and

WHEREAS, the Board found that this was an appropriate case in which to exercise discretion to grant under Section 7, Subdivision e of the Zoning Resolution.

Resolved, that the Board of Standards and Appeals does hereby *make a variation* in the application of the use district regulations of the zoning resolution and that the application be and it hereby is *granted* under Section 7e for a term of twenty (20) years, to permit the erection of electric signs, as passed on by the Borough Superintendent under N.B. App. 69/53, Objection #1, as now indicated on revised plans marked "Received January 21, 1955" (2 sheets), *on condition* that the formerly proposed sign No. 1 shall be eliminated and the signs shall be as shown on such revised plans, namely Sign #2 with aluminum letters set off from the brick work approximately 6 inches and illuminated but not flashing; and Sign No. 3 shall be erected similarly, *on condition* that no additional signs shall be constructed or maintained; that in all other respects the building and occupancy shall comply with all laws, rules and regulations applicable thereto; and *withdrawn* as to Objections 35M, 36M and 37M of the borough superintendent's decision in view of the statement by the applicant that permits have been issued by the borough superintendent for parking where lawfully permitted; and that all permits required shall be obtained, including a revised certificate of occupancy to include the signs herein permitted and all work completed within the requirements of Section 22A of the Zoning Resolution.

201-54-BZ

APPLICANT—Harry A. Yarish, for Atlas Lumber Corp., owner.

MINUTES

SUBJECT—Application March 17, 1954 (decision of the borough superintendent), under section 19A(j) of the zoning resolution, to permit in a business use district an entrance (curb cut), to loading berth, nearer the intersection than is permitted.

PREMISES AFFECTED—260-266 Manhattan avenue and 131-135 Powers street, northeast corner, Block 2776, Lots 1 to 4, inclusive, Borough of Brooklyn.

APPEARANCES—

For Applicant: Harry A. Yarish.

For Opposition: J. Lefante.

For Administration: Samuel L. Becker, Dep't of Housing and Buildings.

ACTION OF BOARD—Application granted on condition.

THE VOTE—

Affirmative: Chairman Murdock, Commissioners Kleintert and Keating and Deputy Chief Connolly 4

Negative 0

THE RESOLUTION—

WHEREAS, a public hearing was held on this application on January 25, 1955 after due notice by publication in the Bulletin; and

WHEREAS, the district maps accompanying the zoning resolution show that the site, Manhattan avenue and Powers street are in a business use, B area, class 1½ height district; and

WHEREAS, the decision of the borough superintendent, dated March 12, 1954 acting on N.B. Applic. 653-52, reads:

"4. Curb cut and garage type door in building within 50' of the corner is considered as a loading berth and is in violation of Article IV, P. 19-A of the Zoning Resolution."

and

WHEREAS, the applicant states that in 1930 the Department of housing and buildings issued permit No. 4227 and certificate of occupancy No. 62796 for office and lumber storage; that in 1937 the department issued permit No. 5929 to repair a fire damage and issued certificate of occupancy No. 89471 for a lumber shed; that the dropped curb which is the subject of this appeal is now an existing condition since some time prior to 1930; that the records of the department of highways do not show that the fee for same was ever paid, however, if this appeal is granted the fee will be paid by the owner; and

WHEREAS, the applicant contends that this appeal should be granted because the lumber yard is now existing for more than 23 years and that it is impractical to use the yard without the use of the present dropped curb, and it is felt that this presents a practical difficulty and unnecessary hardship; and

WHEREAS, the applicant states that the present owner has held title to the property since March 4, 1947; that the assessed valuation of land is \$13,000 and of the building \$5,500; making a total of \$18,500; that the building was erected 1930; and

WHEREAS, the premises and surrounding area were inspected by a committee of the Board; and

WHEREAS, the Board found that this was an appropriate case in which to exercise discretion to grant under Section 19-A, Subdivision j of the Zoning Resolution.

Resolved, that the Board of Standards and Appeals does hereby make a variation in the application of the district regulations of the zoning resolution and that the application be and it hereby is granted under Section 19-A(j) to permit, in connection with the proposed new building to replace the present frame building, curb cuts located as at present within the herein permitted distance from the intersection, as indicated on plans marked "Received March 17, 1954" (4 sheets) and "October 20, 1954" (1 sheet), on condition that any other curb cuts and the construction of the building and uses shall comply with all laws, rules and regulations applicable thereto; and that all permits shall be obtained and work completed within the requirements of Section 22A of the Zoning Resolution.

222-54-BZ

APPLICANT—Max Horn, for 95-26 Sutphin Boulevard Corp., owner.

SUBJECT—Application March 31, 1954 (decision of the borough superintendent), under sections 7f and 7e of the zoning resolution, to permit in a residence use district the parking and storage of motor vehicles of patrons and employees of adjoining building, loading and unloading, with a business entrance (curb cut).

PREMISES AFFECTED—95-25 Waltham street, east side, 150 ft. north of 97th avenue, Block 10026, Lots 35, 37 and 39, Jamaica, Borough of Queens.

APPEARANCES—

For Applicant: Max Horn and Samuel Romanoff.

For Opposition: Peter T. Yannucci, John J. Bickar, Mae Leonard Lichtenstein, Margot DePietri, Michael Sheehan, Peter Psychogios and Irene Clausen.

For Administration: Samuel L. Becker, Dep't of Housing and Buildings.

ACTION OF BOARD—Application granted on condition.

THE VOTE—

Affirmative: Chairman Murdock, Commissioners Kleintert and Keating and Deputy Chief Connolly 4

Negative: 0

THE RESOLUTION—

WHEREAS, a public hearing was held on this application on November 16, 1954 after due notice by publication in the Bulletin; laid over to December 14, 1954, for inspection and decision; hearing closed; then to January 25, 1955, for applicant to file revised plans; and

WHEREAS, the district maps accompanying the zoning resolution show that the site is in a residence use, E area, class 1 height district; Waltham street is in residence and business use, E area, class 1 height districts; 97th avenue is in residence and unrestricted use, E area, class 1 height districts; and

WHEREAS, the decision of the borough superintendent, dated March 29, 1954 acting on Alt. Applic. 493-54 and superseded by Alt. Applic. 493-54 dated September 21, 1954, reads:

"1. The use of a vacant lot within a Residence Use District for the parking and storage of motor vehicles for use of personnel and patrons of adjoining building, and for loading and unloading is contrary to Art. II Sec. 3 of the Zoning Resolution.

2. The construction of a business entrance (curb cut) within a Residence Use District is contrary to Art. II Sec. 3 of the Zoning Resolution."

and

WHEREAS, the applicant states that the premises consist of a plot, 100.08 ft. frontage by 100.14 ft. in depth, presently vacant; that it is now in a residence use, E area, class 1 height district, having been changed on June 30, 1947 from residence D to residence E, and on June 19, 1925 from unrestricted D to residence D; that it is proposed to use the vacant plot for the parking and storage of patrons' and employees' cars, loading and unloading; and

WHEREAS, the applicant further states that the owner of this parcel also owns the building at 95-26 Sutphin boulevard, lot No. 14, which is in an unrestricted use zone, in which he conducts a television sales and service; that this plot on Waltham street is to be used for the personnel and patrons of the TV business and no fee will be charged for parking of cars; that it will also be used for loading and unloading of merchandise; and

WHEREAS, the applicant contends that in view of the fact that parking on Sutphin boulevard is impractical for the personnel and patrons, it is imperative that space be provided for that purpose; that loading and unloading of merchandise on Sutphin boulevard would block both vehicular and pedestrian traffic; and

WHEREAS, the applicant states that the present owner has held title to the property since July 7, 1953 and that the assessed valuation of land is \$4,400; and

MINUTES

WHEREAS, the premises and surrounding area were inspected by a committee of the Board; and

WHEREAS, the Board found that this was an appropriate case in which to exercise discretion to grant under Section 7, Subdivision h of the Zoning Resolution.

Resolved, that the Board of Standards and Appeals does hereby *make a variation* in the application of the use district regulations of the zoning resolution and that the application be and it hereby is *granted* under Section 7 Subdivision h to permit for a term of five years the plot to be occupied for parking and storage of cars (no fee to be charged) belonging to the personnel and patrons of the building adjoining on Lot 14 on Sutphin Boulevard under same ownership as indicated on plans marked "Received March 31, 1954" (2 sheets) and December 27, 1954" (1 sheet), *on condition* that all uses shall be removed from the premises and the plot levelled substantially to the grade of Waltham Street; that there shall be erected on the interior lot line to the north a woven wire fence of the chain link type not less than 5 ft. 6 in. in height; that a similar fence shall be erected along the street line of Waltham Street except for an entrance and exit not over 12 feet in width; that there shall be planted against such fence suitable hedges to shut out the view of the parking use; that on the lot line to the south there shall be erected a masonry fence of cement block not less than 5 ft. 6 in. in height, removed three feet northerly from the street building line and with a continuation of hedges along such wall for a distance of approximately 20 feet from Waltham Street; that the plot shall be surfaced with clean gravel or steam cinders and treated with a binder and properly rolled; that the sidewalk and curbing in front of the premises shall be reconstructed or restored to the satisfaction of the Borough President; that there may also be loading and unloading through this lot to the rear of the building facing on Sutphin Boulevard in an unrestricted use district provided that the trucks used for such loading and unloading are of a non-trailer type; that during the term of this variance the premises shall be occupied for no other use and no building shall be erected thereon; that there may be a sign attached to the fence near the opening advertising the private use of the premises and such other information as the Commissioner of Licenses may require; that such portable fire fighting appliances shall be maintained in the building to the rear, accessible to the parking lot, as the Fire Commissioner shall require; that at the opening there shall be gates which shall be closed and locked when the parking lot is not being used after business hours; and that all permits and a new Certificate of Occupancy shall be obtained and all work completed within six months of the date of this resolution.

227-54-BZ

APPLICANT—Raymond Irrera, for John Micari, owner.

SUBJECT—Application April 2, 1954 (decision of the borough superintendent), under section 7c of the zoning resolution, to permit in a residence use district the maintenance of existing garages for five cars, for other than tenants of dwelling on front of plot, if tenants do not use them.

PREMISES AFFECTED—31-30 38th street, west side, 277.83 ft. south of 31st avenue, Block 657, Lots 53 and 54, Long Island City, Borough of Queens.

APPEARANCES—

For Applicant: Raymond Irrera and John Micari.

For Opposition:

For Administration: Samuel L. Becker, Dep't of Housing and Buildings and John J. Saunders, B'd of Education.

ACTION OF BOARD—Application granted on condition.

THE RESOLUTION—

WHEREAS, a public hearing was held on this application on December 7, 1954 after due notice by publication in the

Bulletin; laid over to December 14, 1954, for further consideration by the Board; hearing closed; then to December 21, 1954, at the request of applicant; then to January 4, 1955, for decision after applicant has filed revised plans; then to January 25, 1955, for inspection and decision; and

WHEREAS, the district maps accompanying the zoning resolution show that the site is in a residence use, B area, class 1¼ height district; 38th street is in residence and business use, B area, class 1¼ height districts; 31st avenue is in a business use, B area, class 1¼ height district; and

WHEREAS, the decision of the borough superintendent, dated March 10, 1954 acting on Alt. Applic. 80-54, reads:

"1. The use of garages in a residence use district not accessory to a dwelling on the same lot is contrary to Art. II Sect. 3 of the Zoning Resolution."

and

WHEREAS, the applicant states that the premises consist of a plot, 50 ft. frontage by 100 ft. in depth, on which is located a two story, two family dwelling of class 3 construction and a two car and three car garage at the rear of the plot; that it is proposed to maintain the existing garages for five cars and rent them to neighbors; and

WHEREAS, the applicant states that at the rear of the plot, which consists of two lots, there was erected under N.B. 16190-22 a two car brick garage as an accessory use on lot 53, and in 1930 a three car brick and block garage was erected under N.B. 5710-30 on lot 54, also as an accessory use, for which certificate of occupancy No. Q73261 was issued May 25, 1951; that all of these buildings were erected by the former owner of the premises; that the present owner purchased this property and took possession on May 6, 1952 and on February 13, 1953 received notice from the fire department advising owner to obtain a permit and subsequently Order No. 49611LC, dated April 23, 1953, was issued; that further search in the department of housing and buildings revealed that violation Z 135-53 has been placed on the premises; that the fire department was notified that a violation was filed and no accessory use for three car garage, although a certificate of occupancy was issued; that a search of the records prior to the closing revealed that Zone Viol. 34-51 was placed on the premises reading as follows: "premises being unlawfully used as a garage—premises 50 x 100 with a 2 family house (front) 5 car garages rear. Garages on lot adjoining building in violation of Zoning laws. N.B. 5710/30 disapproved but owner built same knowing same"; that this violation evidently contradicts the facts whereby N.B. 5710-30 was approved and a certificate issued; that approval of this application was inspected by him in the department records; and

WHEREAS, the applicant contends that in view of discrepancies in the records, it is felt that the present owner should not be penalized for any errors that may have been made prior to his obtaining possession; that permission is requested to maintain such five car garages at the rear of the plot and also to be permitted to rent these garages to neighboring tenants if occupants of the dwelling on the front of the lot do not desire to rent any of the garages; that in view of the fact that the three car garage has been in existence for about 24 years and the evidence submitted, the Board is requested to consider this building legally approved and erected; that due to the parking situation in this area the Board is requested to grant this application which will to some extent ease the street parking situation in this block, particularly since there is an elementary public school directly opposite the site in question; and

WHEREAS, the applicant states that the present owner has held title to the property since May 6, 1952; that the assessed valuation of land is \$7,200 and of the buildings \$6,600 making a total of \$13,800; that the building was erected 1930; and

WHEREAS, the Board finds that no certificate of occupancy could lawfully be issued for the garages in question where not accessory to an existing dwelling; and

WHEREAS, the premises and surrounding area were inspected by a committee of the Board, which recommended that the application be granted under certain conditions; and

MINUTES

WHEREAS, the Board found that this was an appropriate case in which to exercise discretion to grant under Section 7, Subdivision c of the Zoning Resolution.

Resolved, that the Board of Standards and Appeals does hereby *make a variation* in the application of the use district regulations of the zoning resolution and that the application be and it hereby is *granted* under Section 7c for a term of five (5) years, to permit the existing garages which were permitted to be constructed as accessory to a dwelling which was never constructed, to be continued, substantially as proposed and as indicated on plans filed with this application, marked "Received April 2, 1954" (2 sheets), *on condition* that only cars of the pleasure car type shall be stored or parked; that no additional use other than the existing buildings and the permitted uses therefor shall be maintained on the premises and no signs shall be maintained; that there shall be no curb cuts other than those now existing for which permits are on file or shall be obtained; that the fence in front of and around the building line, including the gates shall be maintained; and that all permits required, including a certificate of occupancy shall be obtained and all work completed within six (6) months from the date of this resolution.

553-54-BZ

APPLICANT—Sidney Snyderman, for Ismo Estates Inc., owner.

SUBJECT—Application June 29, 1954 (decision of the borough superintendent), under section 7h of the zoning resolution, to permit in a residence and business use district, the parking and storage of motor vehicles, with an entrance to or an exit from proposed parking located in residence use portion of lot.

PREMISES AFFECTED—30-09 38th street, east side, 76 ft, south of 30th avenue, Block 660, Lot 39, Astoria, Borough of Queens.

APPEARANCES—

For Applicant: Sidney Snyderman.

For Opposition: None.

For Administration: Samuel L. Becker, Dep't of Housing and Buildings.

ACTION OF BOARD—Application granted on condition.

THE VOTE—

Affirmative: Chairman Murdock, Commissioners Klei-
ert and Keating and Deputy Chief Connolly 4

Negative: 0

THE RESOLUTION—

WHEREAS, a public hearing was held on this application on December 21, 1954 after due notice by publication in the Bulletin; laid over to January 25, 1955, for inspection and decision; hearing closed; and

WHEREAS, the district maps accompanying the zoning resolution show that the site and 38th street are in residence and business use, B area, class 1¼ height districts; 30th avenue is in a business use, B area, class 1¼ height district; and

WHEREAS, the decision of the borough superintendent, dated June 15, 1954 acting on Alt. Applic. 1126-54, reads:

"1. Parking & storage of more than 5 motor vehicles located partly in a business use district & partly in a residence use district is contrary to Art. II Sec. 3 of the Zoning Resolution.

2. Entrance to or exit from a business located in a residence use district is contrary to Art. 7A of the Zoning Resolution."

and

WHEREAS, the applicant states that the premises consist of a plot, 50 ft. frontage by 99 ft. 6½ in. in depth, irregular, on which is located a frame dwelling 18 ft. by 20 ft. and a one story metal garage which is to be removed; that it is proposed to permit a change of use of the vacant portion of the plot for parking and storage of motor vehicles; that it is also proposed to construct a 5 ft. 6 in. high woven wire fence along all interior lot lines, except where walls of

adjoining buildings occur, and a similar fence will be constructed along the building line in front of the vacant area; and

WHEREAS, the applicant further states that the premises consist of a parcel 50 ft. front by 99.6½ ft. in depth, irregular; that there is an existing frame dwelling on one corner of the lot, located entirely within the business use district, occupying 20 ft. front by 18 ft. in depth; that at present it is proposed to allow this building to remain, but in the future, when the present tenant vacates the dwelling, it is proposed to demolish the building and include this area within the parking use; that the entire plot will be levelled to the street grade and surfaced with gravel, rolled and treated with a binder; that one curb cut for ingress and egress will be installed opposite the center of the plot; that there is a small one story metal garage on the rear of the lot which will be demolished; and

WHEREAS, the applicant contends that the type of parking lot will not be objectionable to surrounding property but on the contrary will enhance the beauty of the area, which was recently improved by the erection of a new building which is directly opposite the subject property, housing a federal savings and loan association; that the bank property has been rezoned and placed in a business area, which also includes a parking lot for bank employees; that the area in question is in dire need of parking space as it is within one block of the Steinway avenue shopping district and the merchants will welcome the use of this lot for parking space; and

WHEREAS, the applicant states that the present owner has held title to the property since February 8, 1927; that the assessed valuation of land is \$7,200 and of the building \$1,400 making a total of \$8,600; that the building was erected in 1912; and

WHEREAS, the premises and surrounding area were inspected by a committee of the Board

WHEREAS, the Board found that this was an appropriate case in which to exercise discretion to grant under Section 7, Subdivision h of the Zoning Resolution.

Resolved, that the Board of Standards and Appeals does hereby *make a variation* in the application of the use district regulations of the zoning resolution and that the application be and it hereby is *granted* under Section 7h for a term of five years, to permit the plot partly in residence use and partly in business use area to be occupied where unbuilt upon for the parking of motor vehicles of the pleasure-car type only, *on condition* that the existing metal garage toward the rear shall be removed; that the premises where unbuilt upon shall be leveled substantially to the grade of the street and surfaced with clean gravel or steam cinders treated with a binder and properly rolled; that on the interior lot lines where walls of adjoining building do not occur there shall be constructed and maintained as proposed a woven wire fence of the chain link type, not less than 5 ft. 6 in. in height; that a similar fence shall be erected in front of the parking area along the street building lines with no openings therein except one for exit and entrance with curb cut opposite not exceeding 11 ft. in width; that such opening shall be fitted with gates of similar construction which shall be kept closed and locked except when the parking area is in use; that during the term of this variance the premises shall be occupied for no other use except for the frame dwelling and no sign shall be erected thereon except one sign attached to the fence near the entrance, advertising only the parking and storage use, the rates charged and such other information as may be required by the Commissioner of Licenses; that such sign shall not exceed 15 sq. ft. in area, shall not be illuminated and shall not extend beyond the building line; that such portable fire-fighting appliances shall be maintained in an accessible location as determined by the Fire Commissioner as he may require; that this resolution does not include permission for future extension of the parking area by the removal of the dwelling; and that all permits required, including a certificate of occupancy shall be obtained and all work completed within six (6) months from the date of this resolution.

566-54-BZ

APPLICANT—Lama, Proskauer and Prober, for Otto Muller and Herbert J. C. Wells, owners.

SUBJECT—Application July 6, 1954 (decision of the borough superintendent), under sections 7f, 7i and 7h of the zoning resolution, to permit in a business use district, for a term of fifteen years, the erection and maintenance of a gasoline service station, lubritorium, car washing, motor vehicle repairs, utility room and office, and to permit the parking and storage of motor vehicles.

PREMISES AFFECTED—1741-1751 Bronxdale avenue and 900-910 Morris Park avenue, southeast corner, Block 4044, Lots 1, 3, 41 and 42, Borough of The Bronx.

APPEARANCES—

For Applicant: Alfred A. Lama.

For Opposition: Thomas McErlean.

For Administration: Samuel L. Becker, Dep't of Housing and Buildings.

ACTION OF BOARD—Application denied.

THE VOTE TO GRANT—

Affirmative: 0

Negative: Chairman Murdock, Commissioners Kleinert and Keating and Deputy Chief Connolly 4

THE RESOLUTION—

WHEREAS, a public hearing was held on this application on December 7, 1954 after due notice by publication in the Bulletin; laid over to December 14, 1954, at request of an objector; then to January 25, 1955, for inspection and decision; hearing closed; and

WHEREAS, the district maps accompanying the zoning resolution show that the site, Bronxdale avenue and Morris Park avenue are in a business use, B and C area, class 1¼ height district; and

WHEREAS, the decision of the borough superintendent, dated July 2, 1954 acting on N.B. Applic. 499-54, reads:

"1. In a business district the proposed gasoline service station, lubritorium, minor auto repairs, car washing, utility room, store, parking and storage of motor vehicles is contrary to Section #4 of the Zoning Resolution."

and

WHEREAS, the applicant states that the premises consist of a plot, 114.08 ft. frontage by 75.57 ft. in depth, irregular, presently vacant; that the use district maps accompanying the building zone resolution show that the premises are in a business use district and a class 1¼ height district; that the part of the premises within 100 ft. of Bronxdale avenue is in a class B area district and the balance is in a class C area district; that it is proposed to erect a modern gasoline service station consisting of eight 550-gallon gasoline tanks and four dispensing pumps; that the proposed accessory building will be one story in height, of class 3 construction, having a frontage of 44 ft. and a depth of 27 ft. 8 in., and will contain the conjunctive uses of car washing, lubritorium, minor auto repairs, utility room and store; that part of the site will be reserved for the open parking and storage of motor vehicles; and

WHEREAS, the applicant contends that Morris Park avenue and Bronxdale avenue are main auto lanes leading across the Bronx and as such the proposal is entirely in keeping at this point; that there is a distinct need for a gasoline station for that reason and also for the fact that there are no other gasoline stations within the affected area; that the modern design of the building will go far towards improving the appearance of the community; that there are sufficient stores in the vicinity for public requirements and the high assessed value of the site makes it mandatory that it be developed at this time, and the only feasible development that would render the owner an equitable return on his investment and permit him to continue to pay taxes would be a gas station as proposed; that the land has been in the present ownership since 1931, 1935 and partly since 1941, with no feasible way of development under the present zoning ordinance; and

WHEREAS, the applicant states that the present owner has held title to lot 1 since July 1, 1931; lot 3 since April 5, 1935

and to lots 41 and 42 since October 24, 1940; that the assessed valuation of land is \$15,700; and

WHEREAS, the premises and surrounding area were inspected by a committee of the Board; and

WHEREAS, the Board found that there was no justification for the exercise of discretion to grant a zoning variance under section 7, subdivisions f, i and h of the zoning resolution.

Resolved, that the decision of the borough superintendent, acting on N.B. App. 499-54 be and it hereby is *affirmed* and that the application be and it hereby is *denied*.

Adjourned: 1:20 P. M.

JOSEPH J. DOYLE, Chief Clerk.

REGULAR MEETING

TUESDAY AFTERNOON, JANUARY 25, 1955, 2 P. M.

Present: Chairman Murdock, Commissioners Kleinert and Keating and Deputy Chief Connolly.

39-54-A

APPLICANT—Leonard F. Rothkrug, for Riccardo Verdim, owner.

SUBJECT—Application January 22, 1954—Appeal from a decision of the borough superintendent.

PREMISES AFFECTED—81-10 102nd avenue, south side, 82.90 ft. east of 81st street, Block 9052, Lot 13, St. Albans, Borough of Queens.

APPEARANCES—

For Applicant: Leonard F. Rothkrug.

For Administration: Samuel L. Becker, Dep't of Housing and Buildings.

ACTION OF BOARD—Appeal granted on condition.

THE VOTE—

Affirmative: Chairman Murdock, Commissioners Kleinert and Keating and Deputy Chief Connolly 4

Negative: 0

THE RESOLUTION—

WHEREAS, the decision of the Borough Superintendent dated December 24, 1953 on Alt. Applic. 2266/53, reads:

"1. Proposed use of cellar for living rooms is contrary to Sec. 5.1.1.b."

and

WHEREAS, the applicant states that the building is one story, 13 ft. 13 ft. in height, by 45 ft. in area, of class 3 construction, erected 1949, 67.22 ft. front by 100.11 ft. in depth, in a business and residence use, D area, class 1 height district and used and occupied since 1949; cellar—ordinary use; 1st floor—dwelling, one-family, for which Certificate of Occupancy #Q-65583 was issued August 4, 1950 upon completion of work under N.B. Applic. 7326/49; and

WHEREAS, the applicant states that it is now proposed to change the use of the building from one-family dwelling to one-family dwelling on the 1st floor and one-family dwelling in the cellar; that 3 rooms in the rear portion of the cellar will be occupied as follows: kitchen—11 ft. 6 in. by 12 ft.; living room—9 ft. by 15 ft.; bed room—9 ft. by 11 ft.; and

WHEREAS, the applicant contends that the living room has 2 windows one to the rear yard and the other to the side yard; that the kitchen, bed room and bath room will each have one window to a side yard; that the cellar is 8 ft. in height; that at the front of the building the cellar floor is 6 ft. below grade; that at the rear of the building, at the portion to be arranged for dwelling, the cellar floor is only 2 ft. below rear yard grade; that this results from the sloping grade; that the proposed portion of the premises to be occupied can be considered a basement for at no part of that

MINUTES

portion is the distance from the grade level to the cellar ceiling less than one half the height of the cellar; and

WHEREAS, the applicant states that the principal objection under section 5.1.1.b. to the cellar occupancy is the difficulty of insuring adequate ventilation and avoidance of dampness associated with cellar areas; that in the present case the ceiling is 8 ft. clear with adequate provision for ventilation of each room directly through windows to the outer air; and

WHEREAS, the premises were inspected by a committee of the Board and the space was found to be occupied by a family; the committee recommends that the appeal should be granted in view of the fact that the grade of the lot means that the apartment in the lower story, which is technically the cellar as far as the street is concerned but is in effect a basement as far as the yard is concerned; that the three rooms and bath apartment in the rear of the cellar has excellent light and should be permitted as long as it does not extend into the balance of the cellar, which the Committee is informed is not the intention.

Resolved, that the decision of the Borough Superintendent, acting on Alt. App. 2266 of 1953, Objection 1, dated December 24, 1953, be and it hereby is *modified* and that the appeal be and it hereby is *granted* to permit the apartment in the cellar rear, consisting of three rooms and bath, to be occupied for living purposes *on condition* that the building shall not be increased in height or area and that no other living apartments shall be provided in the building other than the owner's apartment on the first floor and the apartment in question at the rear of the cellar; that in all other respects the building and occupancy shall comply with all laws, rules and regulations applicable thereto; that a new certificate of occupancy shall be obtained; and that the garage in the rear shall be in accordance with the requirements therefor.

665-54-A

APPLICANT—Lama, Proskauer and Prober, for Nonpareil Social and Athletic Club, owner.

SUBJECT—Application September 7, 1954—Appeal from a decision of the borough superintendent.

PREMISES AFFECTED—1149 Eastern parkway, north side, 190 ft. 9 in. west of Utica avenue, Block 1391, Lot 66, Borough of Brooklyn.

APPEARANCES—

For Applicant: Alfred A. Lama.

For Administration: Samuel L. Becker, Dep't of Housing and Buildings.

ACTION OF BOARD—Appeal granted on condition.

THE VOTE—

Affirmative: Chairman Murdock, Commissioners Kleintert and Keating and Deputy Chief Connolly 4

Negative: 0

THE RESOLUTION—

WHEREAS, the decision of the Borough Superintendent, dated August 13, 1954, acting on Alt. App. 2237/54, reads:

"1. Public occupancy on the 1st and 2nd floors of a Class III, two story and attic building is contrary to Sect. 4.2.1 as it exceeds the allowable tabular height of 20 ft.

2. All doors leading to exterior stairs and to street on 1st floor are contrary to Sect. 6.2.1 as they should be 3' wide.

3. Provide an enclosure for rear steel stair extending from yard to second floor, as per sect. 6.4.1.8.1.

4. Provide two means of exits accessible to all occupants for second floor and attic floor as per sect. 6.1.2.2.3.

5a. Interior stair is contrary to section 6.4.1.1 as it should be 3'-8" wide from cellar floor to first floor and from 2nd floor to attic floor.

5b. Interior stair enclosure is contrary to sect. 6.4.1.8.1 as they are not enclosed in two hour fire resistive materials.

6. Termination of stairs to street and roof is contrary to Sect. 6.4.1.11 as stair from attic to second floor

is not enclosed in two hour fire resistive material.

7. Fire retard first floor ceiling as per Sect. 10.11 subsect. (c).

8. Fire retard cellar ceiling as per Sect. 10.11."

and

WHEREAS, the applicant states the building is 2 stories and attic, 35 ft. in height, 70 ft. 4 in. by 63 ft. 9 in. in area at street level, 48 ft. by 28 ft. 4 in. in area at 2nd floor level, of Class 3 construction, located on a lot 78 ft. 5 in. front by 120 ft. 7 in. in depth, in a residence use, C area, Class 1 height district; used and occupied since 1954: Cellar—boiler room, storage and locker room, 10 persons; 1st floor—club, 100 persons; 2nd floor—club, 30 persons; 3rd floor—caretaker's apartment, 2 persons; no change in use or occupancy is now proposed. The building will be provided with an approved sprinkler system located in the 2nd floor public hall having one source of supply. There is one interior steel stairs, unenclosed, equipped with wood doors which are not self-closing; stairs are 3 and 4 ft. in width; in addition there is one fire escape on the rear extending to street by stair and to yard by stair; egress from rear termination of fire escape is by a 5 ft. 2 in. wide passage between buildings to street; window and door openings on course of fire escape are not fireproof, self-closing; and

WHEREAS, the applicant states that the building was erected as a one-family dwelling under N.B. App. 1580/1910 and no certificate of occupancy issued; that it was altered under Alt. App. 16494 of 1925 which established the occupancy as follows: Cellar—boiler room and recreation room; 1st, 2nd and attic floors combined occupied for office and one family; that the existing 1-story Class 3 constructed 1-car garage was erected under N.B. App. 5260/10; that it is proposed to maintain the present occupancy and use as follows: Cellar—boiler room, storage and locker room; 1st and 2nd floors combined—club; attic—club—caretakers apartment; that the existing 1-car garage will be maintained; and

WHEREAS, the applicant contends as to Objection 1, that although the building has a total height of 35 feet, the attic floor is used as a caretaker's apartment, which is a permissible use for this height building; that the public use is only 5 ft. over the permissible 20 ft. height; that inasmuch as the first and second floors are occupied by the club which is not a hazardous use, it is requested that the use of the building be accepted; and

WHEREAS, the applicant contends as to Objection 2, that the first floor is now provided with one 3 ft. 6 in. exit door, two 2 ft. 8 in. exit doors and one 2 ft. 6 in. exit door; that as the longest travel to any door is only 32 feet, it is requested that the present exits be accepted; and contends as to Objection 3, that as the new 3 ft. wide open steel stair from the 2nd floor to the yard will only serve as a secondary means of egress for a small number of people on the 2nd floor, it is requested that it be accepted without enclosure; that all openings adjoining this new steel stair will be bricked up on the 1st and 2nd floors; and contends as to Objection 4, that the 2nd floor will have an occupancy of 30 people and it is proposed that the second means of egress consisting of a new 3 ft. wide exterior steel stair be accepted; that the attic is used only by the caretaker and the present interior wood stair will be replaced by a steel stair and the proposed sprinkler heads in the 2nd floor public hall will create a safer condition than a second stair from the attic; and contends as to Objection 5a, that as the cellar is provided with two additional means of egress by means of two 3 ft. wide concrete stairs, it is proposed that the stair leading from the cellar to the 1st floor be accepted in its present width of 3 ft.; that the cellar will be used only for boiler, storage and locker rooms; that the attic floor will only be used by the caretaker and a 3 ft. wide steel stair will be more than adequate egress from this floor; and contends as to Objection 5b, that the stair hall partitions consist of 2 x 4 studs wood lath and plaster and it is proposed that this be accepted inasmuch as the plaster is of very substantial quality and in order to maintain the club aspect, these main stairs should be open; and contends as to Objection 6, that as the attic

MINUTES

will only be used by a caretaker, the stair from 2nd to 3rd floor will be 3 ft. wide and of steel construction and it is therefore proposed that it be accepted, as to require an enclosure at this point would disfigure the 2nd floor; and contends that the proposed sprinkler heads in 2nd floor public hall will give greater safety than now exists; and contends as to Objection 7, that inasmuch as the 1st floor ceiling is of excellent wood lath and plaster and in good condition and the occupancy is of a non-hazardous nature, that this be accepted; and as to Objection 8, contends that as only a small portion of the cellar has wood lath and plaster of very good quality and has three means of exit from the cellar, it is proposed this existing condition be accepted; that the 2nd floor will be reinforced to sustain a liveload of 100 lbs. per square foot; and in view of these facts, it is requested that this application be granted; and

WHEREAS, the premises was inspected by a committee of the Board which recommended that with certain changes the appeal should be granted.

Resolved, that the decision of the Borough Superintendent, acting on Alt. App. 2237/54, Objection 1, be and it hereby is *modified* and that the appeal be and it hereby is *granted on condition* that the building shall not be increased in height or area; as to objection 2, that the doors leading to exterior stairs and to the street on the first floor may be continued, provided they are not less than the width shown on plans, filed with this appeal, marked "Received September 7, 1954" (8 sheets); as to Objection 3, that the proposed exterior rear steel stair may have the enclosure omitted; as to Objection 4, that the stairs from the second floor to the attic shall be enclosed with fire-retarded partitions and fireproof self-closing door and the soffit of the stairs shall be fire-retarded; that there shall be a second means of exit from the attic space which may be an extension of the proposed fire escape up to the rear dormer window; that if such stairway is enclosed as above required, a steel stair need not be installed; as to Objection 5a, that the stair to cellar may be continued as at present, provided there is no public assembly occupancy of any kind in the cellar; as to Objection 5b, that the interior stair enclosure shall be of not less than one-hour approved fire-resistive materials; as to Objection 7, that the first floor ceiling shall be fire-retarded throughout; as to Objection 8, that the cellar ceiling shall be fire-retarded throughout; that the building shall be repaired and put in good useable condition; that the ceiling over the heater in the boiler room in cellar shall be made to comply with the requirements therefor; that the existing frame extension that is a glassed-in porch on the easterly side of the building may be permitted to be continued; that the proposed sprinkler heads in stairway to attic may be omitted; that in all other respects the building and occupancy shall comply with all laws, rules and regulations applicable thereto; and that the work shall be completed before occupancy starts and a certificate of occupancy shall be obtained.

142-54-A

APPLICANT—Irving Berg, for King Solomon Affiliation, 2nd District Jurisdiction, owner.

SUBJECT—Application February 24, 1954—re Appeal from a decision of the borough superintendent.

PREMISES AFFECTED—1252-1254 Bedford avenue, west side, 118 ft. 4 in. north of Fulton street, Block 2000, Lot 31, Borough of Brooklyn.

APPEARANCES—

For Applicant: Irving Berg.

For Administration: Samuel L. Becker, Dep't of Housing and Buildings.

ACTION OF BOARD—Appeal granted on condition.

THE VOTE—

Affirmative: Chairman Murdock, Commissioners Kleinert and Keating and Deputy Chief Connolly 4

Negative: 0

THE RESOLUTION—

WHEREAS, the decision of the Borough Superintendent dated January 26, 1954, on Alt. App. 2921/53 reads:

"1. Public occupancy in a Class 3 structure over two stories in height is contrary to 4.2.1 (a) of Administrative Code."

and

WHEREAS, the applicant states the building is 4 stories, 52 ft. 6 in. in height, 45 ft. front by 89 ft. 7 in. in depth, of Class 3 construction, erected in 1888 on a lot 45 ft. front by 91 ft. 7 in. in depth, in a business use, B area, Class 1½ height district; used and occupied since 1926 as follows: Cellar—ordinary use; 1st floor, stores, 2nd floor—dancing school and hall, 20 persons; 3d floor—factory, 35 persons; 4th floor—factory, number of occupants not stated; proposed to be used and occupied as follows—Cellar—ordinary use and boilerroom; 1st floor—office, 50 persons; 2nd floor—social room, 200 persons; 3rd floor—lounge rooms, 198 persons; 4th floor—lodge rooms, 198 persons. The building is provided with one 3 ft. 8 in. wide steel stairs and two 5 ft. 6 in. wide steel stairs; all stairs are 3-hour enclosed, equipped with 1-hour fireproof self-closing doors and lead from roof bulkhead direct to street; and

WHEREAS, Certificate of Occupancy 7646 issued October 4, 1926, upon completion of work under Permit 1832/26 permits the use of the building as follows: 1st floor—stores; 2nd floor—dancing hall; 3rd and 4th floors—light manufacturing; and

WHEREAS, the applicant contends that this building was purchased by the Masonic Order February 1953 for conversion to lodge use; that it is proposed to eliminate the present stairway and install 3 new stairways for the 3rd and 4th floors in accordance with requirements for occupancy and construction; that new partitions will be installed on all floors so that building can be used for Masonic meetings and functions, that the 1st floor will be used for office, lobby, checkroom, lounge and toilet facilities; the 2nd floor for social functions and the 3rd and 4th floors to be used for lodge meetings for the "Masons" and the "Eastern Star"; that the number of persons to occupy Lodge Rooms #1 on the 3rd and 4th floors respectively, in accordance with the 10 sq. ft. allowable area permitted by the Building Code is 115 persons; that Lodge Rooms #2 on 3rd and 4th floors respectively is for 62 persons; that while various Masonic groups are to occupy this building as their headquarters, the number of persons occupying Lodge Rooms #1 and 2 will perhaps very seldom amount to one-half the allowable occupancy; that the meetings to be held in these rooms are the regular monthly meetings of the various chapters; that as a general rule full attendance of a chapter very seldom occurs; that the chapters have about 60 to 70 members each; that when a combined meeting of various groups is required, it will be held on the 2nd floor; that lodge rooms #1 and 2 on the 3rd and 4th floors will be provided with two remote exits to a public hall; that the public hall will be fire-retarded both sides as well as the ceiling and will lead into three stairways of width and construction required in the Code; that under normal operating schedules not more than two floors could be fully occupied at once and only by members who are familiar with the building layout; and

WHEREAS, the premises was inspected by a committee of the Board, which recommended that the appeal be granted under certain conditions.

Resolved, that the decision of the Borough Superintendent, acting on Alt. App. 2921/53, Objection 1, be and it hereby is *modified* and that the appeal be and it hereby is *granted on condition* that the buildings shall not be increased in height or area; that the buildings shall be completely overhauled by closing the openings between this and adjoining buildings and removing existing fire escapes and installing new enclosed stairs substantially as proposed complying with the Code therefor and general repairing so as to be in good useable condition for the occupancy proposed; that such fire-fighting equipment shall be installed as the Fire Commissioner shall direct; and that all new partitions shall be fire-retarded.

721-54-A

APPLICANT—Sutter Construction Inc., owner.

SUBJECT—Application August 5, 1954—re Appeal from a decision of the borough superintendent, re revocation of approval of N.B. 585-51.

PREMISES AFFECTED—354-364 Fountain avenue, northwest corner of Blake avenue, Block 4263, Lot 54, Borough of Brooklyn.

APPEARANCES—

For Applicant: Nathan Ringel.

For Administration: Samuel L. Becker, Dep't of Housing and Buildings.

ACTION OF BOARD—Appeal granted.

THE VOTE—

Affirmative: Chairman Murdock, Commissioners Kleintert and Keating and Deputy Chief Connolly 4

Negative: 0

THE RESOLUTION—

WHEREAS, the decision of the Borough Superintendent dated March 22, 1954 reads:

"Premises: 354-364 Fountain Avenue, N. W. cor. Blake Avenue, Brooklyn—Block 4263, Lot 54—Application N.B. 585/51.

Dear Madam & Gentlemen:

You are hereby advised that I have this day revoked approved application N.B. 585/51 by authority of Article V, Section 22-B of the Zoning Resolution.

Effective June 30, 1952, the use district in which these premises are located was changed from a "Business District" to a "Residence District" in which the proposed structure to be occupied as stores does not conform to Art. II, Sec. 3 of the Zoning Resolution.

The records in this office show that Permit 10385/51 issued on N.B. 585/51 expired on November 7, 1952.

An inspection of the premises on March 16, 1954 revealed that no work has been done above the foundations which is more than one year since the effective date of the change of zoning."

and

WHEREAS, the decision of the borough superintendent dated July 7, 1954 reads:

"Re: 354-64 Fountain Avenue
N.B. Appl. #585/51.

Dear Sir:

This will acknowledge receipt of your letter of July 6th concerning the above premises, in which you request that I cancel my revocation of March 22nd, 1954 of the above numbered application, and in which you further request that I also cancel the pending violations on these premises.

The reasons for the revocation of this application are fully stated in my letter of March 22nd, 1954 to Sutter Construction Inc., owner-builder, and Morris B. Adler, architect. I have carefully reviewed the facts in this case and find that both the revocation and the violations were properly and legally issued.

Your request is therefore hereby denied."

and

WHEREAS, the applicant states that the premises consist of a lot 100 ft. front by 100 ft. in depth, located in a residence use, D area, class 1 height district, upon which the building in question, now under construction, will be one story, 20 ft. 4 in. in height, 100 ft. front by 90 ft. in depth, of class 3 construction; and

WHEREAS, violation No. 964-54 issued by the Borough Superintendent March 30, 1954, reads:

"You will please take notice that there exists a violation of Section 8.2.8 at the premises above described, in that

"Construction work on described building has been suspended leaving an abandoned excavation N.B. 585/51 has been revoked as proposed structure is in violation of the Zoning Resolution.

"See violation Zone Sec. 22B #56/54, and construction may not be resumed.

Remedy:

You are hereby ordered and directed to fill in excavation to legal grade."

and

WHEREAS, violation No. 56/54 issued by the Borough Superintendent March 31, 1954, reads:

"You will take notice that there exists a violation of Section 22B of the Zoning Resolution of the City of New York at the premises above described, in that being located in a residence use district, said building or premises is being unlawfully used as a:

"New Building application 585/51 has been revoked as of March 22, 1954. Proposed structure is designated to be occupied as stores. These premises are presently zoned as a Residence District in which the erection of a building for such use is not permissible.

You are hereby ordered to permanently discontinue the above unlawful use and cease operating said building or premises:

Fill in present excavation to grade.

Note: Filed in conjunction with violation 961/54."

and

WHEREAS, a prosecution in the municipal term of the magistrate's court relating to the building in question resulted in an adjournment from September 13, 1954 to October 25, 1954 to permit the defendant to file an appeal with the Board; and

WHEREAS, the applicant contends that on July 16, 1951 the Borough Superintendent approved plans and applications for the construction of the building in question and on November 15, 1951 issued a permit for the construction as reflected in said plans; that at the time of the filing of plans and the issuance of the permit, the premises were in a business use district; that in furtherance of the plans and permit, the applicant caused to be constructed the foundation for the structure set forth in said plans; that the foundation was installed after excavation therefor and said excavation and foundation were constructed in accordance with law; that at the time of the excavation and installation of the foundation, the premises were zoned for business; that the applicant has expended a sum in excess of \$7,000 for the excavation, construction of the foundation and architectural fees and had progressed with the construction as to acquire a vested interest in the use for business purposes; that on or about June 30, 1952 the use district was changed from a business to a residence district; that the Borough Superintendent refused to recognize the vested interest of the applicant in a business use and revoked the application and permit and placed violations against the premises; that the said Borough Superintendent refused to cancel his revocation and violations despite the vested interest of the applicant; that section 22-b of the zoning resolution, effective April 7, 1952, upon which the Borough Superintendent relies, is inapplicable to the premises in that prior to the time of the enactment thereof, the applicant had acquired a vested right to use the premises for business purposes and the said statute is applicable only to construction commenced subsequent to the enactment thereof; and

WHEREAS, the premises was inspected by a committee of the Board which is of the opinion that the applicant obtained vested rights by having completed the excavation and foundations to grade prior to the change of zone and that the requirements of Section 22B do not apply in view of the fact the work was completed up to grade before Section 22B became effective.

Resolved, that the decisions of the Borough Superintendent, dated March 22, 1954 and July 7, 1954, be and they hereby are reversed in view of the above statement and that the appeal be and it hereby is granted, and that Permit #10385/51 issued against NB 585/51 shall be reinstated.

362-54-A

APPLICANT—Technicon Chemical Co., Inc., owner.

SUBJECT—Application reopened November 30, 1954 and restored to docket—Re: Packaging, storage and sale of

MINUTES

mixture known as Technicon (clearing agent) Dchydant, Type C650 in glass containers (capacity of containers in excess of 32 oz., contrary to Administrative Code requirements), previously dismissed for lack of prosecution.

APPEARANCES—

For Applicant: Howard Greenberg.

For Administration: Lieut. John P. Manfredi, Fire Dept.

ACTION OF BOARD—Appeal granted on condition.

THE VOTE—

Affirmative: Chairman Murdock, Commissioners Klein-
ert and Keating and Deputy Chief Connolly 4

Negative: 0

THE RESOLUTION—

WHEREAS, order No. 1013-4 issued by the Fire Commissioner February 15, 1954 and repeated in a decision of the Fire Commissioner dated April 14, 1954, reads:

"Inflammable Mixtures

Before a permit for the purpose indicated above may be issued to you, the following order must be complied with. Kindly notify this Department when such order has been complied with.

1. Discontinue the storage or sale of any combustible mixture which is not manufactured under a permit or certificate of approval issued by the Fire Department, and which is not properly labelled with the number of such permit or certificate of approval.

3. Discontinue storage of combustible mixture "Technicon Clearing Agent" Certificate of Approval 1777 in unapproved containers. C19.62.0.B."

and

WHEREAS, the applicant states that it is proposed to package Technicon clearing agent No. C-650 in amber glass bottles of the Boston round type having a capacity of 128 ounces as manufactured by the Owens Illinois Glass Company, each such gallon container to be packaged in a 275 lb. test corrugated cardboard double wall carton with 275 lb. corrugated inserts on all 4 sides and top and bottom; and

WHEREAS, the applicant contends that the use of metal containers as normally required for combustible mixtures is completely unsatisfactory due to a corrosive action on the tin plate of the containers which on prolonged storage affects not only the quality of the contents but eventually corrodes the container and allows the contents to escape; that glass proves to be a completely satisfactory container from a non-corrosive point of view; that the product is not sold through dealers but is sold only directly to the laboratories of hospitals and to research institutions carrying on special laboratory work; that the use of material in laboratories is such that quantities required must be packaged in 4-liter containers; that the product was developed to replace highly inflammable products previously employed for the purpose; that the flash point of the material is 127.4°F. open cup; that Certificate of Approval #1777 has already been issued by the Fire Department for this material as a combustible mixture; that the product in question is for use in an apparatus called autotechnicon employed in the histology laboratories of all hospitals and in research laboratories throughout the country; that this device has been approved by the Underwriters' laboratories when used with the product which is the subject of this appeal.

Resolved, that the decision of the Fire Commissioner, as expressed in Order #1013-4, Objections 1 and 3, be and it hereby is *modified* and that the appeal be and it hereby is *granted*, to permit the project as proposed to be marketed in one gallon bottles, as proposed and as indicated on plan marked "Received May 3, 1954" (1 sheet), *on condition* that in shipping such bottles in packages, corrugated inserts as proposed shall be used; that the contents shall not have a flashpoint less than as stated and shall be labeled as may be required by the Fire Commissioner.

SUBJECT—Application May 13, 1953—Appeal from an order and a decision of the fire commissioner.

PREMISES AFFECTED—22-19 41st avenue, northwest corner of 23rd street (2nd and 3rd floors); (Block 409, Lot 1); Long Island City, Borough of Queens.

APPEARANCES—

For Applicant: James B. Anderson, Jr.

For Administration: Lieut. John P. Manfredi, Fire Dep't.

ACTION OF BOARD—Appeal granted on condition.

THE VOTE—

Affirmative: Chairman Murdock, Commissioners Klein-
ert and Keating and Deputy Chief Connolly 4

Negative 0

THE RESOLUTION—

WHEREAS, Order #42907 LC issued by the Fire Commissioner June 11, 1952 and referred to in his decision dated April 13, 1953, reads:

"7. Discontinue and remove the direct method of refrigeration from that part of the building prohibited by C19-98.0-b. Administrative Code."

and

WHEREAS, the applicant states the building is 7 stories in height, 175 ft. 10 in. by 100 ft. 10 in. in area, erected in 1924, in an unrestricted use, B area, Class 1½ height district; used and occupied since 1940: Basement—boiler and meter rooms, 2 persons; 1st floor—storage, shipping and receiving, 6 persons; 2nd floor—offices and storage, 60 persons; 3rd floor—packing candy, 125 persons; 4th floor—candy factory, 125 persons; 5th floor—candy factory, 80 persons; 6th floor—dry storage and processing, 75 persons; 7th floor—dry storage and processing, 50 persons. The building is provided with an approved standpipe system; there are two interior 44 in. wide fireproof stairs from roof bulkhead direct to street; and

WHEREAS, Certificate of Occupancy #10357 issued July 3, 1924, upon completion of work under N.B. 409/22 permits the use of the building as a factory, number of occupants not stated; and

WHEREAS, the owner was fined in Magistrates Court February 3, 1953, on charge of violation of the Administrative Code; and

WHEREAS, the applicant states the eight Freon 12 compressor and condensor units located on the 2nd floor are in a storage room and are all Class C systems, consisting of four ¾ h.p. units each containing 18 lbs. of refrigerant, two h.p. units each containing 15 lbs. of refrigerant and two 1½ h.p. units each containing 12 lbs. of refrigerant; that each unit is independently connected to a cooling coil located in a cooling tunnel on the 3rd floor; that the order of the Fire Department is objecting to the running of liquid and suction Freon 12 lines from the units on the 2nd floor to the 3rd floor; and

WHEREAS, the applicant contends there is no space available on the 3rd floor to locate this equipment all on that floor; that the entire building is occupied solely by the owner and the equipment is under the control of the owner and with licensed operators; that the installation does not constitute a hazard to either life or property; and

WHEREAS, the applicant contends that the entire occupancy is for the manufacture of candy and as the systems in question are all Class C, containing less than 20 lbs. of refrigerant, it is felt that the Fire Commissioner's order should be modified; and

WHEREAS, the applicant states that all the conditions imposed by the Board under Cal. No. 709-40-A are existing and the resolution of the Board under that calendar number has been complied with and the installation inspected and approved and permit issued; and

WHEREAS, on July 16, 1940, under Cal. No. 709-40-A the Board modified a decision of the Fire Commissioner dated June 24, 1940, relative to the relocation of a 60-ton air conditioning system on these premises extending from the 1st to the 2nd floor, on condition that ducts between the 1st and 2nd stories be equipped with fire dampers and with

APPEARANCES—

For Applicant: Ingram S. Carner.

For Administration: Samuel L. Becker, Dep't of Housing and Buildings.

ACTION OF BOARD—Application reopened and time to complete work extended.

THE VOTE—

Affirmative: Chairman Murdock, Commissioners Kleintert and Keating and Deputy Chief Connolly 4
Negative 0

THE RESOLUTION—

WHEREAS, this application was amended by the Board as Vol. II, on March 13, 1951, on certain conditions; and

WHEREAS, time to obtain permits and complete the work was extended on July 10, 1951 and January 19, 1954; and

WHEREAS, the resolution was amended on January 19, 1954 and July 13, 1954; and

WHEREAS, the applicant requested an extension of time to obtain permits and complete the work.

Resolved, that the Board of Standards and Appeals does hereby *amend* the resolution adopted on July 1, 1950, and thereafter *amended* by resolutions adopted through July 13, 1954, only so far as it has reference to the time within which to obtain permits and complete the work, so that as *amended* this portion of the resolution shall read:

"that, in view of the statement by the applicant that plans have been approved by the Department of Housing and Buildings that all permits required shall be obtained and all work completed and a new Certificate of Occupancy obtained within the requirements of Section 22A of the Zoning Resolution from the date of this *amended* resolution." (N.B. App. 1860/50 and Misc. 1579/54)

380-50-BZ

APPLICANT—Levy and Nevins, for Reiner Heating Corp., owner (Tremont Chevrolet Company, Inc., lessee).

SUBJECT—Application for consideration—reopening and amendment of resolution—re Application (decision of the borough superintendent), previously granted on condition, under section 7e of the zoning resolution, permitting in a residence use district, the erection and maintenance of a business building, for the storage and sale of auto parts, office, sale and display of new and used cars, motor vehicle repair shop, motor vehicle service to new and used cars, including lubrication greasing and washing.

PREMISES AFFECTED—Southeast corner of Bruckner boulevard and Colgate avenue, Block 3649, Lot 30, Borough of The Bronx.

APPEARANCES—

For Applicant: Saul S. Nevins.

For Administration: Samuel L. Becker, Dep't of Housing and Buildings.

ACTION OF BOARD—Application reopened and resolution amended.

THE VOTE—

Affirmative: Chairman Murdock, Commissioners Kleintert and Keating and Deputy Chief Connolly 4
Negative 0

THE RESOLUTION—

WHEREAS, this application was granted by the Board on July 25, 1950, on certain conditions; and

WHEREAS, the applicant requested an amendment of the resolution.

Resolved, that the Board of Standards and Appeals does hereby *amend* the resolution adopted on July 25, 1950, by adding thereto:

"that in connection with signs, the illuminated fixtures practically on the building line, consisting of six with 'O.K.' illuminated lights, one on each standard, as indicated on plans filed with this request for amendment, marked 'Received September 8, 1953' may be continued on condition that in all other respects the resolution above cited shall be complied with." (N.B. 515/50)

794-50-BZ

APPLICANT—Ervin Palmer, for Ruth G. Mandel, owner.

SUBJECT—Application for consideration—reopening and extension of term of variance—re Application (decision of the borough superintendent), previously granted on condition, under section 7h of the zoning resolution, permitting the parking and storage of motor vehicles for a term of years.

PREMISES AFFECTED—333-335 West 17th street, north side, 374 ft. west of 8th avenue, Block 741, Lots 17 and 18, Borough of Manhattan.

APPEARANCES—

*CORRECTION

The minutes of the meeting of the Board of Standards and Appeals held on December 7, 1954, as they appeared in Bulletin No. 50, Vol. 39, are hereby corrected to read as follows:

663-54-BZ

APPLICANT—Samuel Rosenblum for Marchant Estates, Inc., owner.

SUBJECT—Application September 9, 1954 (decision of the borough superintendent), under section 7c of the zoning resolution, to permit in a retail use district the reconstruction of existing gasoline service station to include lubricatorium, washing of cars, storage and sale of accessories and office; and to permit the parking of cars waiting to be serviced.

PREMISES AFFECTED—24-34 Lafayette street, 530-532 Pearl street, northwest corner and 41 Elk street, Block 168, Lot 12, Borough of Manhattan.

APPEARANCES—

For Applicant: Samuel Rosenblum, H. Christian and H. Rosenblum.

For Opposition: Edw. Hoffman for Park Dep't.

For Administration: Samuel L. Becker, Dep't of Housing and Buildings.

ACTION OF BOARD—Application granted on condition.

THE VOTE—

Affirmative: Commissioners Kleinert and Keating and Deputy Chief Connors 3

Negative: Chairman Murdock 1

THE RESOLUTION—

WHEREAS, a public hearing was held on this application on November 16, 1954 after due notice by publication in the Bulletin, laid over to December 7, 1954, for additional information from the Park Department and for further consideration by the Board; hearing closed; and

MINUTES

WHEREAS, the district maps accompanying the zoning resolution show that the site and Pearl street are in a retail use, B area, class 2½ height district; Elk street is in retail and business use, B area, class 2½ height districts; Lafayette street is in residence and retail use, B area, class 2½ height districts; and

WHEREAS, the decision of the borough superintendent, dated September 2, 1954 acting on N.B. Applic. 103-54, reads:

"1. Proposed reconstruction of existing gasoline service station, lubritorium, office, sales of accessories, washing and parking of cars waiting to be serviced in a Retail Use District is contrary to Section 4A & 4(a) (46) of the Zoning Resolution."

and

WHEREAS, the applicant states that the premises consist of a plot, 154 ft. 5¾ in. frontage by 69 ft. 10¼ in. in depth, on which is located a gasoline service station now operating under certificate of occupancy and permits from the fire department; that the plot is a triangular plot, block 168, Lot 12 having a frontage of 154 ft. 10 in. on Lafayette street, 70 ft. on Pearl street and 140 ft. 3 in. on Elk street; that it has been in operation since 1923 when certificate of occupancy No. 6085-23 was issued for a gasoline and oil station, after completion under N.B. 610-22; that a copy of this certificate is filed with this application; that the district was unrestricted at that time and was unrestricted until June 30, 1952 when it was changed from unrestricted to retail; that in 1927 under N.B. 102-27 a one story office of the gasoline station was erected and received certificate of occupancy No. 12862 dated August 16, 1927; that in 1948 under Alt. Applic. 1779-47 six underground gasoline storage tanks were installed as part of the alteration; that this installation was approved by the fire department under date of March 24, 1948 and a temporary certificate of occupancy was issued, No. 33863 dated April 1, 1948 for said use followed shortly by a permanent certificate of occupancy No. 34430 dated August 27, 1948 for a gasoline service station and storage and parking of more than five motor vehicles; that the records of the department of housing and buildings indicate that the existing curb cuts were approved by the department of borough works and referred to in letter of the department of borough works dated August 20 1948 and filed with Alt. Applic. 1779-47; that an additional curb cut of 30 ft. on the Pearl street front was approved under N.B. 48-48; that subsequent to the approvals of the fire department, department of borough works and building department, the new certificate of occupancy numbered 34430 was issued, which is the existing certificate of occupancy; that permits have been obtained from the fire department, the latest one being E.114366, for the gasoline storage system and air compressor and lubricating oil and kerosene oil for use; and

WHEREAS, the applicant states that it is proposed to remodel this station, removing the grease pits which are now in the open and place them under cover in a one story structure covering the Pearl street side; that a modern office and rest rooms will be provided so as to present an harmonious architectural design; that the present one story office will be replaced by this new office; that as this office structure covers the section where the old tanks were installed in 1948, it is intended to remove same and a new bank of gasoline tanks and lubricating oil tanks will be installed; that all old existing tanks will be properly filled in, in accordance with the rules, and the new eight tanks will replace the two existing banks of 6 and 7 tanks; that the same number of pumps will be maintained; and

WHEREAS, the applicant contends that under the proposed operation of a leading oil company, it is not intended to store parked cars as evidenced by the photographs; that only cars coming in to be serviced are to be stored here; that there will be no washing as the principal business of the establishment, only that incidental to the operation of a gas station; that the office structure will be of modern design; that as a further improvement, the curb cuts existing on Pearl street will be closed up and also the most southerly

cut on Elk street; that the most southerly existing curb cut on Lafayette street will be moved north to beyond the new office structure and there will thus be a decrease in the amount of curb cuts heretofore approved; that in connection with the answer to question L3 of the application, there is on the east side of Lafayette street a small park with entrances on the side streets—Pearl and Worth streets; that parking meters have been provided along the streets surrounding this park on Lafayette, Pearl and Centre streets; that this application is not for a new gas station as the premises is operating under an existing certificate of occupancy; that it is only because of the change to retail district that the department of housing and buildings raised this objection; that the proposed work will be a vast improvement over existing conditions; that all old signs now on the premises will be removed and a non-flashing sign will be erected in conjunction with the office and a new sign and pole at the intersection of Elk and Lafayette streets; that the regular storage of cars will be eliminated—only those being serviced; that inasmuch as the proposed modernization will be a vast improvement to the neighborhood over that existing today and as this gas station has been in continuous operation since 1923, under existing certificates of occupancy, permission is requested to make the improvements as outlined in plans submitted with this application; and

WHEREAS, the applicant states that the present owner has held title to the property since April 26, 1922; that the assessed valuation of land is \$105,000 and of the building \$5,000 making a total of \$110,000; that the building was erected 1922; and

WHEREAS, the premises and the surrounding area were inspected by a Committee of the Board; and

WHEREAS, the premises appear to be within an area to be acquired by the City of New York for the improvement of the surface street system in connection with the Manhattan approaches to the Brooklyn Bridge; and

WHEREAS, there appears to be no final approval of such plans as yet and no appropriation of funds to carry them out; and

WHEREAS, the Board deemed that the arrangement of the present gasoline service station is undesirable and that it has objectionable signs and open greasing pits which under the resolution herein proposed would be eliminated; and

WHEREAS, the Board deems that if and when the City desires to condemn the property for such street purposes as proposed, the arrangement as herein permitted would not, in the opinion of the Board involve a materially greater damage cost than the present construction, which is lawfully maintained; and

WHEREAS, the Board found that this was an appropriate case in which to exercise discretion to grant under Section 7, Subdivision c of the Zoning Resolution.

Resolved, that the Board of Standards and Appeals does hereby make a variation in the application of the use district regulations of the zoning resolution and that the application be and it hereby is *granted* under Section 7, subdivision c of the Zoning Resolution to permit the lawfully existing gasoline service station to be rearranged and reconstructed substantially as proposed and as indicated on plans filed with this application marked, "Received, September 9, 1954" (4 sheets), and "October 13, 1954" (one sheet), *on condition* that all structures shall be removed from the premises; that the premises shall be rearranged substantially as indicated on such plans above cited, except that no signs shall be erected above the roof, including the proposed non-flashing pylon as shown; that all signs permitted shall be restricted to a permanent sign attached to the facade of the accessory building and the illuminated globes of the pumps and a post standard for supporting a two leafed sign at the intersection of Lafayette Street and Elk Street, which may be illuminated as indicated to extend over the building lines for a distance of not more than four feet and excluding all roof signs and temporary signs; that the accessory building shall be arranged and constructed substantially as proposed and shall be of face brick; that there shall be no cellar under such accessory building; that the number of gasoline storage

MINUTES

tanks shall be restricted to ten 550 gallon approved tanks; that the gasoline pumps shall be of the low type and shall be erected not nearer than *ten* (10) feet to the street building line; that the sidewalk and curbing around the premises shall be reconstructed or repaired to the satisfaction of the Borough President; that curb cuts shall be restricted to two curb cuts not over thirty feet in width from Lafayette Street and one curb cut of similar width from Elk Street; that no curb cut shall be constructed within fifteen feet of an intersection; that the premises where not occupied by the accessory building and pumps shall be paved with concrete or asphaltic pavement; that parking of cars waiting to be

served may be permitted provided that such parking is on spaces that do not interfere with the servicing of the station; that there shall be no repairing of cars; that there shall be no sale of cars; that such portable fire fighting appliances shall be maintained as the Fire Commissioner shall require; and that all permits shall be obtained and all work completed within the requirements of Section 22A of the Zoning Resolution.

* Correction—Reference to the distance of the gasoline pumps from the street building line changed from "fifteen" feet to "*ten*" feet, as indicated in italics in the resolution.

WARNING

Notice is hereby given to all appellants and applicants, and to all lawyers, architects and engineers representing owners or lessees in proceedings before the Board—

First, That if they do not appear in person or by representative at the hearing of their case, dismissal for lack of prosecution is likely to result.

Second, That due and ample notice of the date set for hearing is provided in the publication in this BULLETIN of the calendars of the Board, each case being set down by Calendar Number and the premises under the date of the hearing.

Third, That no plea of ignorance of the date of the hearing can be entertained in view of this publication and of the posting of the calendars on the bulletin board in the offices of the Board and of the further publication of the calendars in the daily press.

Fourth, That no one is entitled to written notice of the date for the hearing in his case, and that the plea of failure

to receive such notice is no excuse for neglect to appear.

Fifth, That the business of the Board is to dispose of all cases promptly; therefore, no appeal or application will be held in abeyance by reason of failure of the appellant or applicant to file necessary data, or by any other method of delay.

Sixth, That no appeal or application will be accepted for filing unless, at the time of filing, all papers, plans and data required by law are supplied, as specified on the blank appeal or application forms.

Applicants, under the building zone resolution, are entitled to one copy of Form 7NO.

If they desire additional copies, for their own convenience in notifying proper owners, they may obtain such copies at the office of the Board of Standards and Appeals, Room 1014, Municipal Building, Manhattan, at five cents each—postage to be added if the forms are forwarded by mail.

THE BUILDING LAWS AND AMENDMENTS THERETO

THE VARIOUS BUILDING LAWS OF THE CITY OF NEW YORK ARE published in FOUR SEPARATE VOLUMES, consisting of matters affecting or relating to the construction, maintenance, alteration, demolition or removal of structures and buildings in the City of New York; including excerpts from the STATE LABOR LAW, the PLUMBING CODE, ELEVATOR RULES, THE NEW YORK CITY CHARTER, the complete BUILDING CODE OF THE CITY OF NEW YORK; the MULTIPLE DWELLING LAW, the STATE PLASTERING LAW, various local laws, and building and construction rules and regulations adopted by various City and State agencies.

These volumes are now ON SALE at the office of the Supervisor of the City Record, ROOM 2213, MUNICIPAL BUILDING, MANHATTAN, NEW YORK 7, N. Y. The price for the complete set of four volumes is \$4 (\$4.25 by mail), single volumes each containing certain parts of the above described laws, \$1 (by mail \$1.10).

Checks for \$3 or more must be certified.

FEBRUARY 8, 1955, 10 A. M.

NOTICE IS HEREBY GIVEN of a public hearing Tuesday morning, February 8, 1955, at 10 o'clock in Room 1013, Municipal Building, Manhattan, on the following matters:

377-54-BZ

APPLICANT—Charles M. Spindler, for Muller Bros. Holding Corp., owner.

SUBJECT—Application May 11, 1954—re (decision of the borough superintendent) under section 7e of the zoning resolution, to permit in a residence use district the change in occupancy from storage garage for more than five motor vehicles to warehouse, packaging and crating (incidental to movers' business) and office, for a term of ten years.

PREMISES AFFECTED—70-01 67th place and 67-26 to 67-34 70th avenue, southeast corner, Block 3653, Lot 1, Glendale, Borough of Queens.

Laid over from December 14, 1954, to February 8, 1955, for inspection and decision; hearing closed.

525-54-BZ

APPLICANT—Lama, Proskauer and Prober, for David M. and Joseph Fisch, owners.

SUBJECT—Application June 23, 1954—re (decision of the borough superintendent) under section 7e of the zoning resolution, to permit in a residence use district, for a term of ten years, the change in occupancy from garage to florist supply, manufacturing of florist ornaments and decoration, sales and storage, loading and unloading, and the storage of two trucks.

PREMISES AFFECTED—1236-1240 President street, south side, 275.2 ft. west of New York avenue, Block 1283, Lot 26, Borough of Brooklyn.

Laid over from December 14, 1954, to February 8, 1955, for inspection and decision; hearing closed.

673-53-BZ—Vol. II

APPLICANT—Lama, Proskauer and Prober, for Simone V. Shaw and Sylvia Lubash, owners.

SUBJECT—Application reopened September 28, 1954 as Vol. II—re (decision of the borough superintendent) under sections 7e, 7h and 21 of the zoning resolution, to permit in a residence use district for a term of twenty years the erection and maintenance of a gasoline service station, lubricatorium, car wash, motor vehicle repairs, storage and sale of accessories and office; and to permit the erection of a two story dwelling, constituting the erection of two buildings on one lot; and to permit the parking and storage of motor vehicles on unbuilt upon portion of lot.

PREMISES AFFECTED—196-23 to 196-43 (196-25 official) Hillside avenue and 87-88 to 87-98 197th street, northwest corner and 196 38 to 196-46 (196-40 official) Foothill avenue, Block 10509, Lot 265, Borough of Queens.

Laid over from January 4, 1955, to February 8, 1955, for inspection and decision without further argument; applicant to file revised plans.

51-54-BZ

APPLICANT—Henry C. Brucker, for Ph. Dietz Coal Co., Inc., owner.

SUBJECT—Application January 28, 1954—re (decision of the borough superintendent) under section 7e of the zoning resolution, to permit in a residence use district the change in occupancy from storage garage and motor vehicle repair shop to factory (light manufacturing).

PREMISES AFFECTED—70-01 to 70-09 65th street, southeast corner of Otto road, Block 3644, Lot 1, Glendale, Borough of Queens.

Laid over from January 4, 1955, to February 8, 1955, for inspection and decision without further argument; hearing closed.

641-54-BZ

APPLICANT—Paul Friedman, for Albert Gotlieb, owner (Rich-Haven Motor Sales, Inc., lessee).

SUBJECT—Application August 5, 1954—re (decision of the borough superintendent) under sections 7e and 7h of the zoning resolution, to permit in the residence and business use district the free parking of employees' and patrons' cars as accessory to authorized automobile dealer's use, located at 98-09 Jamaica avenue, for a term of fifteen years.

PREMISES AFFECTED—98-02 to 98-14 Jamaica avenue and 87-01 to 87-19 98th street, southeast corner, Block 9286, Lot 123, Woodhaven, Borough of Queens.

Laid over from January 4, 1955, to February 8, 1955, for inspection and decision; applicant to file new decision of the Borough Superintendent; hearing closed.

384-20-BZ—Vol. II

APPLICANT—Leonard F. Rothkrug, for Catherine Egenberger, owner (Quality Mirror Works, Inc., lessee).

SUBJECT—Application reopened March 23, 1954 as Vol. II—re (decision of the borough superintendent) under section 7e of the zoning resolution, to permit in a residence and business use district the change in occupancy from public garage to manufacturing of mirrors and the installation of a spray booth, without the required height for loading and unloading berth.

PREMISES AFFECTED—754-764 Jamaica avenue and 1-7 Chestnut street, southeast corner, Block 4104, Lot 24, Borough of Brooklyn.

Laid over from January 11, 1955, to February 8, 1955, for inspection and decision without further argument; hearing closed.

354-39-BZ—Vol. II

APPLICANT—Lama, Proskauer and Prober, for Direct Realty Company, owner (Socony Vacuum Oil Company, Inc., lessee).

CALENDAR

SUBJECT—Application reopened September 21, 1954 as Vol. II—re (decision of the borough superintendent) under sections 7c and 7i of the zoning resolution, to permit in the business use portion of a lot located in a residence and business use district the maintenance of existing gasoline service station, car washing, lubritorium, utility room, office and the parking of motor vehicles waiting to be serviced, and to add the use of motor vehicle repairs and to permit the facing of the front and two sides of accessory building with porcelain enamel.

PREMISES AFFECTED—3525-3529 White Plains road, west side, 115.44 ft. north of Gun Hill road, Block 4643, Lot 9, Borough of The Bronx.

Laid over from January 11, 1955, to February 8, 1955, for inspection and decision without further argument; hearing closed.

ACTION OF BOARD—Resolution amended.

THE VOTE—

Affirmative: Chairman Murdock, Commissioners Kleinert and Keating and Deputy Chief Connolly 4

Negative 0

THE RESOLUTION—

WHEREAS, on May 4, 1926 this application (Vol. I) was granted by the Board on certain conditions, under section 21 of the zoning resolution, to permit in a business use district the erection and maintenance of a gasoline service station; and

WHEREAS, on July 7, 1953 this application was reopened

as Vol. II, subject to regular procedure, to consider reconstruction; and

WHEREAS, on April 20, 1954, under Vol. II, this application was granted under sections 7c and 7i of the zoning resolution, to permit the existing gasoline service station to be reconstructed and rearranged, under certain conditions; and

WHEREAS, the applicant requested reopening of this application and amendment of the resolution; and

WHEREAS, this application was reopened on January 4, 1955 and set for hearing on February 1, 1955 at 10 A.M., subject to regular procedure, waiving all requirements except a new decision of the borough superintendent and two publications in the Bulletin; and

WHEREAS, a public hearing was held on this application on February 1, 1955 after due notice by publication in the Bulletin; and

WHEREAS, the decision of the borough superintendent, dated January 12, 1955 acting on N.B. Applic. 7122-52, reads:

"1. Proposed reconstruction of the gasoline service station is contrary to the plans incorporated in the resolution of Cal. #1169-25-BZ, adopted by the Bd. of Stds. and Appeals on April 20, 1954."

Resolved, that the Board of Standards and Appeals does hereby *amend* the resolution adopted on April 20, 1954, by adding thereto:

"that as proposed temporarily until the street widening of Braddock avenue and Springfield boulevard takes place, the layout of the premises as to location of pumps and rest rooms may be as proposed on revised plan marked 'Received December 15, 1954' (2 sheets), designated as 'proposed plot plan before street widening' and after such street widening, the pumps shall be removed and relocated into an island within the premises, as indicated on plan marked 'Received December 15, 1954' designated as 'proposed plot plan after widening'; that no other changes in the resolution above cited shall be made, except that the design and arrangement of the building may be as indicated on revised plan marked 'Received January 6, 1955', 2 sheets; that such changes of pumps when the street widening occurs shall be made at the expense of this owner and no claim made except for the portion of the land as may be condemned by the city for such widening; and that all permits required shall be obtained and all work completed within the requirements of Section 22A of the zoning resolution from the date of this amended resolution." (N.B. 7122/52 dated January 12, 1955)

747-48-BZ—Vol. III

APPLICANT—Leonard F. Rothkrug, for John Exeter Realty Corp., owner.

SUBJECT—Application reopened January 4, 1955 for consideration as to extension of time to complete—re (decision of the borough superintendent) previously granted on condition, permitting in a business use district, the proposed extension of an existing building used as a poultry market and slaughtering of poultry (previously granted an extension by the Board); the proposed extension to be for mercantile use, the poultry market not to be extended except for loading and unloading at the rear and for the proposed plucking room.

PREMISES AFFECTED—6224 17th avenue and 1685-1693 63rd street, northwest corner, Block 5531, Lot 48, Borough of Brooklyn.

APPEARANCES—

For Applicant: Leonard F. Rothkrug.

For Opposition: None.

For Administration: Samuel L. Becker, Dep't of Housing and Buildings.

ACTION OF BOARD—Time extended to complete the work.

MINUTES

THE VOTE—

Affirmative: Chairman Murdock, Commissioners Klein-
ert and Keating and Deputy Chief Connolly 4
Negative 0

THE RESOLUTION—

WHEREAS, on October 26, 1948 this application (Vol. I) was granted by the Board on certain conditions under section 7c of the zoning resolution, to permit in a business use district, the construction of an extension to an existing poultry market (slaughtering of poultry); and

WHEREAS, the resolution was amended on June 1, 1949; and

WHEREAS, time to obtain permits and complete the work was extended on June 1, 1949 and May 31, 1950; and

WHEREAS, on November 18, 1952 the Board reopened the application as Vol. II, subject to regular procedure, to consider extension of building and uses; and

WHEREAS, the applicant submitted a proposal different from that under Vol. II, and requested reopening of the application and amendment of the resolution; and

WHEREAS, this application was reopened on May 12, 1953 as Vol. III and set for hearing on June 9, 1953 at 10 A.M., subject to regular procedure, waiving all requirements except a new decision of the borough superintendent and two publications in the Bulletin, and notice by regular mail to all owners in the area; laid over to June 19, 1953, for inspection and decision without further argument; then to July 7, 1953, for inspection and decision; and

WHEREAS, on July 7, 1953, under Vol. III, the Board amended the resolution, stating in part "that in event the owner desires to improve the balance of the premises as now proposed and indicated on plans marked 'Received May 27, 1953,' one sheet, and revised plans marked 'received April 28, 1953,' two sheets, such extension of the building may be permitted for mercantile use on condition that the poultry market shall not be extended except for loading and unloading at rear and for proposed plucking room * * *"; and

WHEREAS, the applicant requested reopening of this application and extension of the term of variance, which had expired by time limitation; and

WHEREAS, this application was reopened on January 4, 1955 and set for hearing on February 1, 1955 at 10 A.M., subject to regular procedure, waiving all requirements except a new decision of the borough superintendent and two publications in the Bulletin; and

WHEREAS, a public hearing was held on this application on February 1, 1955 after due notice by publication in the Bulletin; and

WHEREAS, the decision of the borough superintendent, dated December 10, 1954 acting on Alt. Applic. 2866-52, reads:

"1. As there was no work started within the year from 7-7-53, the proposed extension of time violates Sect. 22A of zoning resolution."

Resolved, that the Board of Standards and Appeals does hereby amend the resolution adopted by the Board on July 7, 1953, only so far as it has reference to the obtaining of permits and the completion of work so that, as amended, this portion of the resolution will read:

"that all permits shall be obtained and all work completed within the requirements of Section 22A of the Zoning Resolution, from the date of this amended resolution." (Alt. App. 2866-52)

23-54-BZ

APPLICANT—Charles L. Koester, for R. O. and Marguerite C. Barr, owners.

SUBJECT—Application January 19, 1954 (decision of the borough superintendent), under section 21 of the zoning resolution, to permit in a residence use, G area district the maintenance of existing car port without the required setback and side yard.

PREMISES AFFECTED—139-27 Coolidge avenue, north side, 160 ft. west of 141st street, Block 6638, Lot 37, Jamaica, Borough of Queens.

APPEARANCES—

For Applicant: C. L. Koester.

For Opposition: None.

For Administration: Samuel L. Becker, Dep't of Housing and Buildings.

ACTION OF BOARD—Application granted on condition.

THE VOTE—

Affirmative: Chairman Murdock, Commissioner Klein-
ert and Deputy Chief Connolly 3

Negative 0

Absent: Commissioner Keating 1

THE RESOLUTION—

WHEREAS, a public hearing was held on this application on November 30, 1954 after due notice by publication in the Bulletin; laid over to January 11, 1955, for inspection and decision; applicant to have complete examination of plans made by the Department of Housing and Buildings; then to February 1, 1955, for inspection and decision; hearing previously closed; and

WHEREAS, the district maps accompanying the zoning resolution show that the site, Coolidge avenue and 141st street are in a residence use, G area, class 1 height district; and

WHEREAS, the decision of the borough superintendent, dated January 5, 1954 acting on Alt. Applic. 2771-53 and superseded by Alt. Applic. 2771-53 dated October 4, 1954, which reads:

"1. Proposed construction of car port encroaches required side yard which is contrary to Sec. 16B(c) of Zoning Res."

and

WHEREAS, the applicant states that the premises consist of a plot, 60 ft. frontage by 77.07 ft. in depth, irregular, on which is located a one family dwelling; that it is proposed to permit the use of existing car port within the required side yard; and

WHEREAS, the applicant contends that the particular structure to which this application relates is an awning on the east side of the house located approximately 17 ft. from the street, having supporting pillars approximately 5 ft. from the property boundary line; that the lot itself has a 60 ft. street frontage; that at the time the house was originally built the zone was designated as an F zone and as a result, the house itself is only approximately 17 ft. from the street; that in order to fit harmoniously with the house, the proposed awning should be the same distance from the street, even though under G zone regulations the required distance from the street is 20 ft.; that there was originally a basement garage in the rear of the house, but this garage was of faulty design in that it involved an acute 180 degree U turn and the difference between street level and the garage level was approximately 5 to 6 feet; that because of this sharp gradient the garage was impractical for use at any time and in winter weather it was impossible to use the garage under snow and ice conditions and it was therefore necessary to abandon using the garage; that there was a rock garden along the east side of the house that over a period of years channeled the rain water down the basement wall, causing severe water seepage into the basement; that the contractor estimated that it would cost between \$500 and \$600 to excavate along the basement wall and attempt to water-seal it and he could not guarantee that this operation would stop further water seepage; that in an attempt to find an alternative remedy to the water seepage and at the same time to remove the car from the public street, there was constructed a concrete hard stand over the space previously occupied by the rock garden, thereby making a suitable parking stand for the car adjacent to the east side of the house; that this construction reduced the water seepage but there was still considerable trouble in cases of driving rains from the east; that the contractor then suggested the advisability of placing a roof over the concreted area; that this solution appeared completely unfeasible for a long period of time since to roof it with the usual materials

MINUTES

would have cut off the light and air from the east side of the house, including an important dining room window; that subsequently a new material called fibre glass plastic was developed, which seemed to offer a satisfactory solution to the problem; that this material when used as an awning would permit some degree of shelter to the car and at the same time eliminate the water seepage problem; that this material would permit the retention of all light and air and also provide an awning for a side porch suitable for recreation; that in order to be practical for these various purposes, it was necessary that the three supporting pillars for this awning be located approximately 5 ft. from the east boundary line; that it was not appreciated that the construction of such an awning, as distinguished from a walled-in garage, would violate the zoning regulations and construction was begun but was discontinued under instruction from the authorities of the Borough of Queens; that photographs submitted with this application show the partially completed construction; that if this application is granted it is planned that the facade of the awning would be so finished as to harmonize with the house; that it is not contemplated that the sides of the structure will ever be closed in as to wall in the sides of the awning would in large part destroy the advantages which the fibre glass plastic building material offers with respect to retention of light and air; that the completed structure will be an attractive addition to the house and be in harmony with the general purpose and intent of the zoning regulations; and

WHEREAS, the applicant states that the present owner has held title to the property since December 10, 1937; that the assessed valuation of land is \$4,000 and of the building \$20,000 making a total of \$24,000 that the building was erected 1936; and

WHEREAS, the premises and surrounding area were inspected by a committee of the Board, which recommended that the application be granted for a temporary term under certain conditions, and noted that some of the roof construction was missing and that there is no record that the roof construction is of a type approved by the Board; and

WHEREAS, the Board found that the applicant had substantiated a basis to warrant exercise of discretion to grant under Section 21 of the zoning resolution, and is therefore entitled to relief as to area on the grounds of unnecessary hardship.

Resolved, that the Board of Standards and Appeals does hereby *make a variation* in the application of the area district regulations of the zoning resolution and that the application be and it hereby is *granted* under section 21 to permit for a term of five (5) years, the use of the premises within the side yard for a car port, which has been constructed, *on condition* that in all other respects the construction and use of materials shall comply with all laws, rules and regulations applicable thereto other than as modified by the Board this day under Cal. 24-54-A; and that all permits, including a certificate of occupancy shall be obtained within six months from the date of this resolution.

24-54-A

APPLICANT—Charles L. Koester, for R. O. and Marguerite C. Barr, owners.

SUBJECT—Application January 19, 1954—re Appeal from a decision of the borough superintendent.

PREMISES AFFECTED—139-27 Coolidge avenue, north side, 160 ft. west of 141st street, Block 6638, Lot 37, Jamaica, Borough of Queens.

APPEARANCES—

For Applicant: C. L. Koester.

For Administration: Samuel L. Becker, Dep't of Housing and Buildings.

ACTION OF BOARD—Appeal granted on condition.

THE VOTE—

Affirmative: Chairman Murdock, Commissioner Kleinert and Deputy Chief Connolly 3

Negative 0

Absent: Commissioner Keating 1

THE RESOLUTION—

WHEREAS, the decision of the Borough Superintendent dated January 5, 1954, on Alt. App. 2771/53 reads:

"2. Proposed construction of a car port without the req'd enclosure walls is contrary to 8.4.1.10 of B.C."

and

WHEREAS, the applicant states the building is 2 stories, 25 ft. in height, 36 ft. by 22 ft. in area of Class 4 construction, erected in 1936 on a lot 60 ft. front by 68.47 ft. and 77.07 ft. in depth in a residence use, G area, Class 1 height district, for which no certificate of occupancy has been issued; that the building has been in use since 1936 as a dwelling; and

WHEREAS, the applicant states it is proposed to increase the building on the first floor level to 48 feet front and to occupy it as a dwelling and a 1-car carport, as more fully described under application for a zoning variance filed under Cal. 23-54-BZ.

Resolved, that the decision of the borough superintendent, acting on Alt. App. 2771/53, Objection 2, be and it hereby is *modified* and that the appeal be and it hereby is *granted*, to permit the continuation of the car port, in accordance with the requirements of the resolution adopted this day under Cal. 23-54-BZ, and to permit such car port to continue without enclosing walls as existing, *on condition* that the roofing materials used in such car port shall be as approved by the Board.

133-54-BZ

APPLICANT—Gabriel Nathan, for Beach 98th and Boardwalk Corp., owner.

SUBJECT—Application February 15, 1954 (decision of the borough superintendent), under section 21 of the zoning resolution, to permit in a business use, C area district, the erection and maintenance of an extension to existing structure, using more than the area permitted.

PREMISES AFFECTED—98-02 to 98-10 Rockaway Beach parkway, west side, 450.96 ft. and 432.96 ft. south of Rockaway Beach boulevard and 141-151 Beach 98th street, Block 637, Lot 66, Rockaway Beach, Borough of Queens.

APPEARANCES—

For Applicant: Gabriel Nathan.

For Opposition: Florence Allen Sharp, Mary Allen McGrath, Rose Allen, Rev. William F. Burke, Edward A. Cibbarelli and G. Allen McGrath.

For Administration: Samuel L. Becker, Dep't of Housing and Buildings.

ACTION OF BOARD—Application denied.

THE VOTE TO GRANT—

Affirmative 0

Negative: Chairman Murdock, Commissioners Kleinert and Keating and Deputy Chief Connolly 4

THE RESOLUTION—

WHEREAS, a public hearing was held on this application on February 1, 1955 after due notice by publication in the Bulletin; and

WHEREAS, the district maps accompanying the zoning resolution show that the site, Rockaway Beach parkway and Beach 98th street are in a business use, C area, class 1 height district; and

WHEREAS, the decision of the borough superintendent, dated February 1, 1954 acting on Alt. Applic. 2187-53, reads:

"4. The covered area of the plot is contrary to Art. 4. Sec. 13(b) of Zone Res."

and

WHEREAS, the applicant states that the premises consist of a plot, 119.73 ft. frontage by 101.8 ft. in depth, on which is located a one story masonry building erected under N.B. 1163-40 and extended under Alt. 2700-47, now occupied as concession stores, refreshment stand and restaurant; that it is proposed to construct an outdoor baseball batting range above the roof of the present structure; and

MINUTES

WHEREAS, the applicant further states that the area of the plot is 10,900 sq. ft.; that the permitted additional coverage under section 19e is 5,010 sq. ft.; that an extension of 3,150 sq. ft. was built in 1947; that the proposed new coverage is 3,422 sq. ft. making the total 6,572 sq. ft. which is an excess of 1,562 sq. ft.; and

WHEREAS, the applicant contends that the extra coverage consists of minor construction for the purpose of retrieving hit balls by a few employees; that the main portion of the structure comes within the permissive area; and

WHEREAS, the applicant states that the present owner has held title to the property since June 24, 1940; that the assessed valuation of land is \$30,800 and of the building \$23,200 making a total of \$54,000; that the building was erected 1940; and

WHEREAS, the applicant failed to substantiate a basis to warrant exercise of discretion to grant under Section 21 of the Zoning Resolution and was therefore not entitled to relief on the grounds of practical difficulty or unnecessary hardship.

Resolved, that the decision of the borough superintendent, acting on Alt. Applic. 2187-53, be and it hereby is *affirmed*, and that the application be and it hereby is *denied*.

134-54-A

APPLICANT—Gabriel Nathan, for Beach 98th and Boardwalk Corp., owner.

SUBJECT—Application February 15, 1954—Appeal from a decision of the borough superintendent.

PREMISES AFFECTED—98-02 to 98-10 Rockaway Beach parkway, west side, 450.96 ft. and 432.96 ft. south of Rockaway Beach boulevard and 141-151 Beach 98th street (Block 637, Lot 66), Rockaway Beach, Borough of Queens.

APPEARANCES—

For Applicant: Gabriel Nathan.

For Administration: Samuel L. Becker, Dep't of Housing and Buildings.

ACTION OF BOARD—Appeal withdrawn.

Affirmative: Chairman Murdock, Commissioners Klei-
ert and Keating and Deputy Chief Connolly 4

Negative 0

THE RESOLUTION—

WHEREAS, the applicant has stated that he wishes to withdraw this appeal in view of the action taken by the Board this day under Calendar No. 133-54-BZ.

Resolved, that the appeal be and it hereby is *withdrawn*.

202-54-BZ

APPLICANT—Patrick D. Concagh, for Fannie DiLello, owner.

SUBJECT—Application reopened December 7, 1954 for consideration as to amendment of resolution—re (decision of the borough superintendent) previously granted on condition, permitting in a residence use district, the extension of accessory building on existing gasoline service station, lubritorium, car wash, motor vehicle repairs and office, to be used for lubritorium and car wash (non-automatic).

PREMISES AFFECTED—3020 Eastchester road, east side, 150.06 ft. north of Adey avenue, Block 4766, Lots 43 and 46, Borough of The Bronx.

APPEARANCES—

For Applicant: P. D. Concagh.

For Opposition: None.

For Administration: Samuel L. Becker, Dep't of Housing and Buildings.

ACTION OF BOARD—Resolution amended.

THE VOTE—

Affirmative: Chairman Murdock, Commissioner Klein-
ert and Deputy Chief Connolly 3

Negative 0

Absent: Commissioner Keating 1

THE RESOLUTION—

WHEREAS, on October 5, 1954 this application was granted by the Board on certain conditions, under section 7c of the zoning resolution, to permit in a residence use district, to permit the extension of the lawfully existing gasoline service station by the addition of an extension to the existing accessory building; and

WHEREAS, the applicant requested reopening of this application and amendment of the resolution; and

WHEREAS, this application was reopened on December 7, 1954 and set for hearing on January 18, 1955 at 10 A.M., subject to the regular procedure, waiving all requirements except a new decision of the borough superintendent and two publications in the Bulletin, to consider amendment of the resolution due to change of zoning prior to adoption of same; and

WHEREAS, a public hearing was held on this application on January 18, 1955 after due notice by publication in the Bulletin; laid over to February 1, 1955, applicant to furnish an additional objection as to tanks; and

WHEREAS, the decision of the borough superintendent, dated November 22, 1954 acting on amendment to Alt. Applic. 95-54, reads:

"1. In a local retail district the proposed extension for 'Auto repair shop, office, lubritorium and car wash' is contrary to Sect. 4-c of the Zon. Res."

and

WHEREAS, the applicant states that the borough superintendent will not issue the permit because the use, height and area district designations were changed on August 26, 1954 (CP 10953); that the change is from residence to local retail, from C to D area and from one times to ½ times height district; that the plans filed with and approved by the Board on October 5, 1954 were approved by the borough superintendent on October 28, 1954 but apparently the department did not learn of the change until after approval by the superintendent; that the change in use is less restrictive and that height or area are not involved; that he was informed that before a permit may be issued, the case must first be remitted to the Board for approval.

Resolved, that the Board of Standards and Appeals does hereby *amend* the resolution adopted on October 5, 1954, by adding thereto:

"that the Board *affirms* the resolution adopted on October 5, 1954, in view of the change in zoning as adopted by the Board of Estimate on August 26, 1954 and that two additional 550 gallon approved gasoline storage tanks may be installed in position as indicated on plan marked 'Received January 24, 1955' (1 sheet), and as passed on by the Borough Superintendent under Alt. App. 95-54, objection dated January 21, 1955, and that in all other respects the resolution above cited shall be complied with."

210-54-BZ

APPLICANT—Harry A. Yarish, for Nick Tortorello, owner.

SUBJECT—Application March 17, 1954 (decision of the borough superintendent), under section 21 of the zoning resolution, to permit in a business use, C area district the maintenance of existing extension, using more than the area permitted.

PREMISES AFFECTED—227 Smith street, east side, 25 ft. south of Butler street, Block 409, Lot 8, Borough of Brooklyn.

APPEARANCES—

For Applicant: Harry A. Yarish and Nick Tortorello.

For Opposition: **None.**

For Administration: Samuel L. Becker, Dep't of Housing and Buildings.

ACTION OF BOARD—Application granted on condition.

MINUTES

THE VOTE—

Affirmative: Chairman Murdock, Commissioners Klein-
ert and Keating and Deputy Chief Connolly 4
Negative 0

THE RESOLUTION—

WHEREAS, a public hearing was held on this application on February 1, 1955 after due notice by publication in the Bulletin; and

WHEREAS, the district maps accompanying the zoning resolution show that the site and Smith street are in a business use, C area, class 1 height district; Butler street is in residence and business use, C area, class 1 height districts; and

WHEREAS, the decision of the borough superintendent, dated March 10, 1954 acting on amendment to Alt. Applic. 3100-51, reads:

"1. As proposed reconstruction of structure exceeds 50% of value, in accordance with 4.1.6 Bldg. Code the area coverage of the structure exceeds permitted percentage and is therefore contrary to Article IV, P. 13 of the Zoning Resolution."

and
WHEREAS, the applicant states that the premises consist of a plot, 25 ft. frontage by 80 ft. in depth; that the subject building, immediately prior to its present alteration, was a 3 story frame structure 25 ft. wide, 42 ft. deep on the 1st story and 26 ft. deep on the 2nd and 3rd stories; that under Alt. 3100-51 the 2nd and 3rd stories were to be removed; that the second tier of beams was also to be removed and a new tier of roof beams was to be installed at a level of 2 ft. above the level of the then existing second tier of floor beams; that the one story rear extension, 16 ft. deep on the 1st floor, was also to be removed; that after the removal of all work according to the plans it was discovered that it was not only highly impractical to install the roof beams according to plan, but that it would be creating a very dangerous condition to do so, with the existing frame walls in place; that the solution to this problem was replacing the frame wall with longer wood studs or with a masonry wall and the contractor chose the masonry wall; and

WHEREAS, the applicant contends that the error on the part of the contractor was that he replaced the frame wall with masonry instead of wood without a proper permit; that the work is practically all in place now with the exception of a small portion where the front wall meets the roof; that the loss involved will have to be borne by the owner; that construction has now been stopped for several months and to comply with the orders of the borough superintendent imposes a severe and unnecessary hardship on the owner; that the Board is therefore requested to grant the relief herein applied for under such conditions as they deem fair and just; and

WHEREAS, the applicant states that the present owner has held title to the premises since June 15, 1948; that the assessed valuation of land is \$5,000 and of the building \$1,500 making a total of \$6,500; that the building was erected prior to 1909; and

WHEREAS, the Board found that the applicant had substantiated a basis to warrant exercise of discretion to grant under Section 21 of the zoning resolution, and is therefore entitled to relief as to area on the grounds of unnecessary hardship.

Resolved, that the Board of Standards and Appeals does hereby *make a variation* in the application of the area district regulations of the zoning resolution and that the application be and it hereby is *granted* under section 21 to permit the area of coverage provided that the building, as reconstructed, shall in all other respects comply with all requirements of the Zoning Resolution and the Building Code, with a coverage as shown and as indicated on plans filed with this application marked, "Received, March 17, 1954" (6 sheets), and "October 20, 1954" (one sheet), *on condition* that the rear yard, as proposed, shall be left unbuilt upon, and shall be surfaced and fences constructed on the lot lines as the building superintendent may require; and that all permits shall be

obtained and all work completed within the requirements of Section 22A of the Zoning Resolution.

513-54-BZ

APPLICANT—Burke, Green and Groh, for Giovanni and Maria Cirilli, owners.

SUBJECT—Application June 16, 1954 (decision of the borough superintendent), under section 21 of the zoning resolution, to permit in a residence use, E-1 area district, the maintenance of existing one family dwelling nearer to street line than is permitted, southwest corner of building.

PREMISES AFFECTED—118-77 Francis Lewis boulevard, northeast corner, 119th avenue, Block 12754, Lot 44, St. Albans, Borough of Queens.

APPEARANCES—

For Applicant: Robert T. Groh.

For Opposition: None.

For Administration: Samuel L. Becker, Dep't of Housing and Buildings.

ACTION OF BOARD—Application granted on condition.

THE VOTE—

Affirmative: Chairman Murdock, Commissioners Klein-
ert and Keating and Deputy Chief Connolly 4

Negative 0

THE RESOLUTION—

WHEREAS, a public hearing was held on this application on February 1, 1955 after due notice by publication in the Bulletin; and

WHEREAS, the district maps accompanying the zoning resolution show that the site, Francis Lewis boulevard and 119th avenue are in a residence use, E-1 area, class 1 height district; and

WHEREAS, the decision of the borough superintendent, dated June 7, 1954 acting on N.B. Applic. 2115-53, reads:

"1. The southwest corner of the bldg. encroaches upon the required 15' offset of a front wall in an E-1 dist. This is contrary to Art. 4 Sec. 15A(c) of Zone Res."

and

WHEREAS, the applicant states that the premises consist of a plot, 51.14 ft. frontage by 120 ft. in depth, irregular, on which is located a bldg. 24.9 ft. front by 39.12 ft. in depth, 2 stories, 16 ft. in height, of class 4 construction, used as a one family dwelling; that as of July 25, 1916 the property in question was in one times and D districts; that the portion of the property within 100 ft. of Springfield boulevard and within 100 ft. of Rosedale boulevard (Francis Lewis boulevard) as then mapped was in a business district and the remainder was zoned residence; that the business portion of the property referred to received its present residence designation on January 21, 1947 and the present 1/2 and E-1 designations became effective on June 30, 1952; that no zoning amendment relating to this property is pending at the present time; that it is proposed to permit the building as constructed to remain as is; and

WHEREAS, the applicant contends that when this building was constructed it was originally intended to be filed as an interior lot but the tax department insisted that it be filed as a corner lot; that the original specification sheet which will show the changes made by the building department from an interior to a corner lot will be submitted at the time of the hearing; that when final surveys came in the owners received the objection of encroachment in the front yard; that they maintained that it was filed as a corner and in an E-1 area 15 ft. setback in the front yard was permissible; that the chief engineer ruled that this was not actually a corner since it was greater than a 135 degree, the angle actually being 139 degrees; that the chief engineer claimed that this was an interior plot and that the required setback was not adhered to; and

WHEREAS, the applicant states that the present owner has held title to the property since March 5, 1954; that the assessed valuation of land is \$1,600 and of the building \$10,300

MINUTES

making a total of \$11,900; that the building was erected March 5, 1954; and

WHEREAS, the Board found that the applicant had substantiated a basis to warrant exercise of discretion to grant under Section 21 of the zoning resolution, and is therefore entitled to relief as to area on the grounds of unnecessary hardship.

Resolved, that the Board of Standards and Appeals does hereby make a variation in the application of the area district regulations of the zoning resolution and that the application be and it hereby is granted under section 21 to permit the reduction of the front yard, as proposed and existing and as indicated on plans filed with this application, marked, "Received, June 16, 1954," (4 sheets), due to the proposed widening of Francis Lewis Boulevard, on condition that in all other respects the building and occupancy shall comply with all laws, rules and regulations applicable thereto; and that all permits shall be obtained and all work completed and a new Certificate of Occupancy obtained within six months from the date of this resolution.

520-54-BZ

APPLICANT—Lama, Proskauer and Prober, for George Grammas, owner.

SUBJECT—Application June 21, 1954 (decision of the borough superintendent), under sections 7e and 7A of the zoning resolution, to permit in a residence use district for a term of fifteen years, the erection and maintenance of a gasoline service station, lubritorium, car washing, motor vehicle repairs, storage and sale of accessories and office, and to permit the parking and storage of motor vehicles.

PREMISES AFFECTED—78-01 to 78-03 Parsons boulevard and 158-02 to 158-12 78th avenue, southeast corner, Block 6829, Lot 9, Jamaica, Borough of Queens.

APPEARANCES—

For Applicant: James E. Vassalotti.

For Opposition: Isaac Weinberg.

For Administration: Samuel L. Becker, Dep't of Housing and Buildings.

ACTION OF BOARD—Application denied.

THE VOTE TO GRANT—

Affirmative 0

Negative: Chairman Murdock, Commissioner Kleinert and Deputy Chief Connolly 3

Absent: Commissioner Keating 1

THE RESOLUTION—

WHEREAS, a public hearing was held on this application on November 30, 1954 after due notice by publication in the Bulletin; laid over to January 11, 1955, for inspection and decision; hearing closed; then to February 1, 1955 for inspection and decision; and

WHEREAS, the district maps accompanying the zoning resolution show that the site is in a residence use, E-1 area, class 1 height district; and

WHEREAS, the decision of the borough superintendent, dated June 18, 1954 acting on N. B. Applic. 1366-54, reads:

"1. The use of the premises as a gasoline service station, lubritorium, car washing, minor auto repairs, office and sales, storage, parking and storage of motor vehicles in a residence use district is contrary to Art. II Sec. 3 of Zoning Resolution."

and

WHEREAS, the applicant states that the premises consist of a plot, 40.41 ft. frontage by 114 ft. in depth, irregular, presently vacant; that the use district maps show that the premises are located in a residence use district, class 1 height district and class E-1 area district; that as of July 25, 1916 the premises were in a class D area district and the present area designation became effective on February 7, 1949; that as of July 25, 1916 that part of the premises within 100 ft. of Parsons boulevard was in a business use district and the present use designation became effective September 18, 1947; that it is proposed to erect a modern gas station, consisting

of four 550 gallon gasoline storage tanks and two dispensing pumps; that the proposed accessory building, having a frontage of 45 ft. and a depth of 25 ft., one story in height, of class 3 construction, will contain the conjunctive uses of office and sales, storage, car wash and minor auto repairs; that a part of the site at the easterly end will be reserved for the open parking and storage of motor vehicles; and

WHEREAS, the applicant contends that the proposed modern design of the building will help improve the appearance of the community; that the proposal to park and store motor vehicles on part of the site will help alleviate the parking problem now existing; that the 5 ft. 6 in. high brick wall to be erected on the easterly and southerly lot lines will confine the station to its lot limits and avoid any possible interference with the adjoining land; that although Parsons boulevard is zoned for residence, it has not developed along residence lines and therefore the proposal is entirely in keeping at this point; that there are many non-conforming uses in that part of the residence zone within the affected area as follows: block 6814, lot 21—office; block 6812, lot 39—gas station; block 6829, lot 4—billboard; block 6828, lots 39 and 32—billboards; block 6827, lots 27, 28 and 29—stores; that the large theatre in block 6815, lot 20, although in a business zone, is visible from the site in the residence zone; that Parsons boulevard is a main auto lane leading across Queens and as such the proposed gas station is entirely in keeping at this point; and

WHEREAS, the applicant states that the present owner has held title to the property since January 4, 1928 and that the assessed valuation of land is \$2,300; and

WHEREAS, the premises and surrounding area were inspected by a committee of the Board, which recommended that the application should not be granted; and

WHEREAS, the Board found that there was no justification for the exercise of discretion to grant a zoning variance under Section 7, subdivision e and Section 7A of the zoning resolution.

Resolved, that the decision of the borough superintendent, acting on N. B. App. 1366/54 Objection 1, be and it hereby is affirmed and that the application be and it hereby is denied.

645-54-BZ

APPLICANT—Karl E. Blomberg, for Berkshire-8th Corp., owner, Ritz-Berk Theatre Corp., lessee.

SUBJECT—Application August 10, 1954 (decision of the borough superintendent), under section 19A(j) of the zoning resolution, to permit in a business use district a loading berth without the required width and without the required width of entrance and curb cut.

PREMISES AFFECTED—5911-5923 8th avenue and 801-811 60th street, northeast corner, Block 5707, Lot 1, Borough of Brooklyn.

APPEARANCES—

For Applicant: Karl E. Blomberg, Stanley Lieberman and Edward C. Holvorsen.

For Opposition: Thomas J. Cataletto, Francis Villa, Lucy Romano, Dorothy Klein, D. Petrucci, Maurice Tugender and Joseph Siconolei.

For Administration: Samuel L. Becker, Dep't of Housing and Buildings.

ACTION OF BOARD—Application granted on condition.

THE VOTE—

Affirmative: Chairman Murdock, Commissioners Kleinert and Keating and Deputy Chief Connolly 4

Negative 0

THE RESOLUTION—

WHEREAS, a public hearing was held on this application on February 1, 1955 after due notice by publication in the Bulletin; and

WHEREAS, the district maps accompanying the zoning resolution show that the site, 8th avenue and 60th street are in a business use, C area, class 1½ height district; and

WHEREAS, the decision of the borough superintendent, dated July 22, 1954 acting on Alt. Applic. 1746-54, reads:

MINUTES

"16. The space for loading berth does not comply in width of berth, entrance and curb cut with the requirements of the Zoning Res. Art. IV Sect. 19-A."

and

WHEREAS, the applicant states that the premises consist of a plot, 120 ft. 2½ in. frontage by 100 ft. in depth, in which is located a building 120 ft. front by 91 ft. in depth, two stories in height, occupied on the 1st floor by 5 stores and a motion picture theatre and on the 2nd floor as office space, with a mezzanine at the rear of the theatre auditorium for toilets, projection booth and theatre manager's office; that the cellar is used for ordinary storage and boiler room; that the structure faces 8th avenue for the full frontage of the lot and has a depth along 60th street of 91 ft., with a 9 ft. wide rear yard, running northerly for the full width of the lot, 120 ft., 2½ in.; that for its present usage the building is not required to have off street berthing provisions; that the Sons of Norway Realty corporation, an association of Norwegian American lodges, has made a contractual agreement with the owner of record to purchase the building, for the purpose of altering and occupying it; and

WHEREAS, the applicant contends that the purpose of this appeal is to request a variation of section 19-A with respect to the width of the berth, its entrance and curb cut; that it is proposed to use the portion of the existing court, for the distance from the 60th street building line to a point outside of the kitchen door opening to the yard, about 95 ft., as the legal off street loading berth; that the berth will comply, relative to length and height, being unenclosed, but with respect to width, it will be 9 ft. in lieu of the required 12 ft.; that the building will not be what is customarily known as a catering establishment for large affairs; that the kitchen adjoining the auditorium is primarily for the purpose of preparing light refreshments and if dinners or suppers are served, much of the food will be brought from home by various members and carried to the building; that the 2 kitchenettes on the 2nd floor are mainly for the purpose of preparing light refreshments after lodge meetings and here too food will be brought to the meetings; that portions of the building may, from time to time, be rented to various outside organizations; that the bar, in the main lounge, will be strictly a private bar, with no outside trade; that because of the limited delivery of food stuffs by vehicular means, no trucks will be required to make deliveries to the building; that the berth being 9 ft. wide and the tread width of an automobile only about 4 ft. 10 in. wide, a 7 ft. 6 in. wide drop curb has been designed; and

WHEREAS, the applicant states that in 1924 the height district was changed from 1 times, to Class 1¼, which is its present status; and

WHEREAS, the applicant states that the present owner has held title to the property since January 9, 1948; that the assessed valuation of land is \$35,000 and of the building \$65,000 making a total of \$100,000; that the building was erected 1925.

Resolved, that the decision of the borough superintendent, acting on Alt. Applic. 1746-54, Objection 16, be and it hereby is *modified* under the powers vested in the Board by Section 19A, subdivision j of the Zoning Resolution, and that the application be and it hereby is *granted*, to permit the existing court of the former theatre as shown and as indicated on plans filed with this application marked, "Received, August 10, 1954," 9 sheets showing existing conditions and "August 10, 1954," 9 sheets and "December 22, 1954," one sheet, showing proposed conditions to meet the technical requirements for loading berth *on condition* that there shall be no loading platform installed; that there shall be maintained gates at the street line; that such yard of such court with gates shall be normally closed, but openable from the inside for exit purposes; that on occasional use of the court the gates may be opened but shall be closed as soon as the loading or unloading has taken place; that a curb cut opposite such court may be permitted of a width of seven feet, six inches; that the building and occupancy shall in all other

respects comply with all laws, rules and regulations applicable thereto other than as modified this day under Calendar No. 646-54-A; that the loading berth shall be of the proposed depth and shall be for the proposed use but not including existing stores, and that all permits shall be obtained and work completed and a new Certificate of Occupancy obtained within the requirements of Section 22A of the Zoning Resolution.

646-54-A

APPLICANT—Karl E. Blomberg, for Berkshire-8th Corp., owner (Ritz-Berk Theatre Corp., lessee).

SUBJECT—Application August 10, 1954—Appeal from a decision of the borough superintendent.

PREMISES AFFECTED—5911-5923 8th avenue and 801-811 60th street, northeast corner, Block 5707, Lot 1, Borough of Brooklyn.

APPEARANCES—

For Applicant: Karl E. Blomberg, Stanley Lieberman and Edward C. Holvorsen.

For Administration: Samuel L. Becker, Dep't of Housing and Buildings.

ACTION OF BOARD—Appeal granted on condition.

THE VOTE—

Affirmative: Chairman Murdock, Commissioners Klei-
ert and Keating and Deputy Chief Connolly 4

Negative 0

THE RESOLUTION—

WHEREAS, the decision of the borough superintendent, dated July 22, 1954, on Alt. App. 1746/54, reads:

"15. The auditorium portion of the structure with unprotected roof steel and porrete roof planking is a Class III structure and exceeds the area of 6000 #' permitted for a public use by Sect. 4.2.1 of the Bldg. Code."

and

WHEREAS, the applicant states the building is one and two stories, 29 ft. 4 in. and 30 ft. in height, 120 ft. front by 91 ft. in area, Class 3 construction, erected in 1925 on a lot 120 ft. 2½ in. front by 100 ft. in depth, in a business use, C area, Class 1¼ height district, used and occupied since 1925: cellar—ordinary storage and boilerroom, 0 persons; 1st floor—stores and motion picture theatre, 981 seats; 2nd floor—office, toilets, projection booth and theatre manager's office; proposed to be used and occupied: cellar—same; 1st floor—5 stores, auditorium, lounges, kitchen, bar checkroom and off-street loading, 801 persons; 2nd floor—lodge rooms, ante-rooms, lounges, toilets, checkroom and boardroom, 234 persons; that the building is equipped with an approved stand-pipe system; that there are four stairs, two of which are open; that the enclosed stairs are 3 ft. 5 in. and 3 ft. 1 in. in width; open stairs are 3 ft. 2 in. and 4 ft. in width; stair construction is incombustible, enclosed with 3 hr. partitions, equipped with 1½ hour fireproof, self-closing doors; stairs lead direct to street; and

WHEREAS, certificate of occupancy 36356 issued November 6, 1925, upon completion of work under Permit #3338/25 permits the use and occupancy of the building as follows: 1st floor—5 stores and motion picture theatre, 981 seats; 2nd floor—offices; and

WHEREAS, the applicant states that the Sons of Norway Real Estate Corp. and association of Norwegian-American lodges has contracted to purchase the property for the purpose of altering and occupying the building; and

WHEREAS, the applicant contends the building is divided into two portions, divided by a 2-story high fire wall, parallel with 8th avenue and a 1-story fire wall at right angles to 8th avenue, separating the theatre entrance lobby from the first floor store area; that the ceiling over the lobby, separating it from the 2nd floor nonfireproof office area is of steel beams and concrete arches with a 4-hour rating; that according to plans approved under N. B. App. 3338/25, the portion of the building comprising the motion picture auditorium and the mezzanine at rear, also the entrance lobby, is of

MINUTES

fireproof construction in accordance with the Building Code at the time of its erection; that the two-story portion fronting on 8th avenue west of the two-story fire wall is of non-fireproof construction; that the roof construction of the fireproof portion of building is of steel girders and beams, supporting 1½ in. thick reinforced concrete Porete slabs, finished with ½ in. thick cement grout and 5 ply tar and slag roofing; that the height of the top of the roof steel at the highest point from the curb at the center line of facade on 8th avenue is approximately 30 feet; that for fireproofing the roof steel, the approved plans indicate a wrapping of wire lath and 2" thick Portland cement plaster at sides and bottoms of roof girders and the fireproofing extended from girder to girder below the bottoms of the steel roof beams; that the discrepancy between the approved plans and the actual condition found at the building with respect to the fireproofing of the roof steel is the reason for this appeal; that upon checking the structure, it was discovered that in lieu of the roof steel being fireproofed according to the approved plans, the fireproofing had been omitted and in lieu thereof the underneath side of the bottom flanges of the five girders had been protected by a suspended ceiling consisting of metal lath and gypsum or cement plaster ceiling, approximately 7/8 in. thick, supported on horizontal metal runners and steel hangers; that in all other respects this portion of the building is of Class 1 construction; and

WHEREAS, the applicant states that in the proposed alteration the five stores on the 1st floor will remain; that the cross-over at rear of auditorium will be enlarged into a main lounge with checkroom, bar, private lounge and kitchen; that the sloped floor of auditorium will be made level with the main lounge; that on the 2nd floor the office space fronting on 8th avenue will be converted to lodge rooms, each with an anteroom with recessed kitchenette; that the mezzanine at rear of theatre auditorium will be increased in depth to accommodate lounges and toilets, a checkroom and Board room; that there will be practically no changes in the cellar, except that the ceiling will be fire-retarded; and

WHEREAS, the applicant states that the existing mezzanine ceiling will remain and the existing auditorium ceiling will be used as a ceiling for the extended portion of the mezzanine; that at the southerly wall line of the extended mezzanine it is proposed to install a fire-stop in the hung ceiling space, extending from the suspended ceiling to the underside of the roof slabs for the full width of the auditorium, thus dividing the area into two separate areas, one of 2,621 sq. ft. over the mezzanine, and the other, 4,945 sq. ft. above the main portion of auditorium; that the fire stopping will consist of metal furring and lath and 1" thick vermiculite plaster; that this fire stop will not be pierced for ducts or any other equipment; and

WHEREAS, the approval of 1½" thick Porete slabs as permitted by the Department of Buildings under N.B. Application 3338 of 1925 has not been submitted to the Board for approval; there have been approved by the Board several thicknesses of Porete, the thinnest being 1¾".

Resolved, that the decision of the borough superintendent, acting on Alt. App. 1746-54, Objection 15, be and it hereby is *modified*, and that the appeal be and it hereby is *granted* to permit the continuation of the existing roof construction and fire-stopped as proposed for the area as shown and as indicated on plans filed the application for Building Zone Variance under Cal. No. 645-54-BZ, and marked, "Received, August 10, 1954" (9 sheets), showing existing conditions and "August 10, 1954," 9 sheets and "December 22, 1954," one sheet showing proposed conditions, *on condition* that in all other respects the building and occupancy shall comply with all laws, rules and regulations applicable thereto other than as modified this day under Cal. No. 645-54-BZ.

754-53-BZ

APPLICANT—Paul Friedman, for Mary Gianos and Marie Colonna, owners.

SUBJECT—Application June 12, 1954 (decision of the borough superintendent), under section 7e of the zoning resolution, to permit in a residence use district the erection and maintenance of a gasoline service station, office, lubricatorium, auto washing, storage and sale of auto accessories and office, and to permit the parking of cars waiting to be serviced, for a term of fifteen years.

PREMISES AFFECTED—76-37 to 76-43 164th street and 164-01 to 164-09 77th avenue, northeast corner, Block 6969, Lot 1, Flushing, Borough of Queens.

APPEARANCES—

For Applicant: Paul Friedman.

For Opposition: Isaac Weinberg.

For Administration: Samuel L. Becker, Dep't of Housing and Buildings.

ACTION OF BOARD—Application denied.

THE VOTE TO GRANT—

Affirmative: Commissioner Kleinert 1

Negative: Chairman Murdock and Deputy Chief Conolly 2

Absent: Commissioner Keating 1

THE RESOLUTION—

WHEREAS, this application was reopened on May 4, 1954 subject to regular procedure (previously withdrawn) and permitting the usage of such papers as were filed in this case that are not out of date and new plans showing proposed changes; and

WHEREAS, a public hearing was held on this application on November 30, 1954 after due notice by publication in the Bulletin; laid over to January 11, 1955, for inspection and decision; hearing closed; then to February 1, 1955, for inspection and decision; and

WHEREAS, the district maps accompanying the zoning resolution show that the site and 164th street are in a residence use, E-1 area, class 1 height district; 77th avenue is in residence and local retail use, E-1 area, class 1 height districts; and

WHEREAS, the decision of the borough superintendent, dated June 24, 1954 acting on N. B. Applic. 3853-53, reads:

"1. The proposed erection of a gasoline service station, office, lubricatorium, auto washing, storage & sales of auto accessories, & parking of cars waiting to be serviced on a plot in a res. use dist. is contrav to Art. 2, Sec. 3 of Zone Res."

and

WHEREAS, the applicant states that the premises consist of a plot, 85.20 ft. frontage by 111.21 ft. in depth, presently vacant; that as of July 25, 1916 the portion of the property within 100 ft. of 164th street was in a business use district and the remainder was in a residence district; that the present residence use designation became effective on September 18, 1947; that as of July 25, 1916 the property was in a D area district and the present designation became effective on February 1, 1949; that the height designation has not been changed since July 25, 1916 and no zoning amendment relating to this property is pending at the present time; that it is proposed to construct and maintain for a stated term of fifteen years a parkway type gasoline service station with accessory office, lubricatorium, auto washing, storage and sales of auto accessories and parking of cars waiting to be serviced; and

WHEREAS, the applicant contends that this application differs from the previously withdrawn application in the following salient respects: that a driveway and curb cut had been proposed on 77th avenue which will now be omitted; that the proposed brick and steel picket fence wall on 77th avenue, commencing at the easterly lot line and terminating 25 ft. east of the intersection of 77th avenue and 164th street will now be extended to the intersection of 77th avenue and 164th street; that the previously proposed building located within 20 ft. of the 77th avenue building line will now be set back 37 ft. 8 in. from the 77th avenue building line and an ornamental cupola is now also proposed; that the formerly proposed landscaped area along the easterly lot line, approximately 10 ft. in width and occupying approximately 850

MINUTES

sq. ft. or 10% of the area of the plot will now be approximately 16 ft. in width and along the 77th avenue lot line approximately 5 ft. in width and will occupy approximately 1,850 sq. ft. or 23% of the area of the plot; that a 4 ft. 6 in. woven wire fence on a 6 in. high concrete base had been proposed on the easterly lot line and the present application proposed a 5 ft. 6 in. high brick and steel picket fence wall; and

WHEREAS, the applicant further contends that the subject premises is not adaptable for development with a conforming residential use because it is on a busy thoroughfare; that it adjoins a nonconforming use which includes a one story frame building used for two car garage and storage of builder's material and a one story frame building used as an office; that it is opposite a public utility electric substation; that the subject premises is particularly adaptable for the erection of a parkway type gasoline station as it is located along a thoroughfare which sustains a substantial volume of automobile traffic and which is divided by a center mall, except at intersections, to separate northbound and southbound traffic; that the proposed use would not adversely affect the neighborhood and will permit the owners to develop the property in the only way possible to obtain a reasonable return from the property; and

WHEREAS, the applicant states that the present owner has held title to the property since July 9, 1949 for lot 1 and since August 10, 1953 for lot 3; that the assessed valuation of land is \$2,900; and

WHEREAS, the premises and surrounding area were inspected by a committee of the Board; and

WHEREAS, there appears to be ample facilities to obtain gasoline and auto motive services within the nearby area on 164th street and Union turnpike; and

WHEREAS, the Board found that there was no justification for the exercise of discretion to grant a zoning variance under Section 7, subdivision e of the zoning resolution.

Resolved, that the decision of the borough superintendent, acting on N. B. Applic. 3853/53, Objection 1, be and it hereby is *affirmed* and that the application be and it hereby is *denied*.

797-54-BZ

APPLICANT—Ginsberg and Brody, for Anthony Trotta, owner.

SUBJECT—Application October 21, 1954 (decision of the borough superintendent), under sections 7f and 7i of the zoning resolution, to permit in a business use district the extension to existing five car garage and the change in occupancy from a five car garage and parking of more than five cars, to gasoline service station, lubritorium, motor vehicle repairs, storage and sale of accessories and office, and to permit the parking of more than five motor vehicles on unbuilt upon portion of plot.

PREMISES AFFECTED—690-700 Utica avenue, southwest corner of Clarkson avenue, Block 4636, Lot 6, Borough of Brooklyn.

APPEARANCES—

For Applicant: Jacob Ginsberg and Abraham Brody.

For Opposition: Noel W. Hauser.

For Administration: Samuel L. Becker, Dep't of Housing and Buildings.

ACTION OF BOARD—Application denied.

THE VOTE TO GRANT—

Affirmative: Commissioner Kleinert 1

Negative: Chairman Murdock, Commissioner Keating .. 2

Not Voting: Deputy Chief Connolly 1

THE RESOLUTION—

WHEREAS, a public hearing was held on this application on January 11, 1955 after due notice by publication in the Bulletin; laid over to February 1, 1955, for inspection and decision without further argument; hearing closed; and

WHEREAS, the district maps accompanying the zoning resolution show that the site, Utica avenue and Clarkson avenue are in a business use, C area, class 1 height district;

WHEREAS, the decision of the borough superintendent, dated September 23, 1954 acting on Alt. Applic. 3223-54, reads:

"1. On a lot located in a business use district, the proposed extension to the existing five car garage and the change in occupancy from 'five car garage and Parking for more than 5 cars' to 'Gasoline Service station, minor auto repairs, lubritorium, sales & office, and parking for more than 5 cars', is contrary to Art. 11 Sec. 4(a) subdivisions 29 & 46 of the Zoning Resolution."

and

WHEREAS, the applicant states that the premises consist of a plot, 95 ft. 9¾ in. frontage by 100 ft. in depth, on which is located a parking lot which is improved in part with a garage for five motor vehicles, for which certificate of occupancy No. 138078 has been issued; that the present zoning has existed since July 25, 1916; that it is proposed to erect a modern gasoline service station consisting of eight 550-gallon gas tanks and four dispensing pumps; that it is further proposed to alter and extend the existing garage to be one story in height, of class 3 construction and will contain accessory uses of lubritorium, office and sales, car wash, minor auto repairs and storage; that a portion of the site will be reserved for parking; that the buildings will be of contemporary design and will harmonize architecturally with the abutting residences to the rear; that a masonry wall will be erected along the Clarkson avenue frontage if the Board deems necessary; and

WHEREAS, the applicant contends that Utica avenue is a principal artery of traffic; that there is a bus line now operating where formerly a trolley line existed; that an inspection of the avenue from East New York avenue to Kings highway will show that except for a few blocks east and west of Church avenue, Utica avenue has vacant lots, lumber yards, electric motor shops, gas stations, garages, venetian blind and chimney cleaning establishments, a pump factory, concrete stone and brick works, wholesale meat packing markets, a poultry market, a paint factory and warehouses; that Utica avenue, other than a few blocks on either side of Church avenue, has not kept pace with the rate of progress characteristic of other parts of Brooklyn; that vacant lots are conspicuous on every block and makeshift use of space such as parking and storage is evident on every hand; that a number of parcels abutting the property and within a short distance from it are presently owned by the City, because of non-payment of taxes; that the general area is not conducive for other types of uses, yet the property must be developed in order to permit a better utilization so that an equitable return may be realized to warrant continued payment of taxes and maintenance; that the present owner has not been able in the past 14 years to exploit the use of the property beyond a return which barely pays for taxes; that the gas station will be in complete harmony with the affected area and the public health, safety and general welfare will not be affected; and

WHEREAS, the applicant states that the present owner has held title to the property since April 22, 1940; that the assessed valuation of land is \$12,500 and of the building \$7,500 making a total of \$20,000; that the building was erected January 6, 1953; and

WHEREAS, the Board found that there was no justification for the exercise of discretion to grant under Section 7, subdivision f of the zoning resolution; and

WHEREAS, the Board found that the presence of the hospitals in this area and the facilities for gasoline and other motor vehicle uses to the north of this area supplies all required services.

Resolved, that the decision of the borough superintendent, acting on Alt. Applic. 3223-54, be and it hereby is *affirmed* and that the application be and it hereby is *denied*.

929-54-BZ

APPLICANT—James E. Casale, for Fleur and Gardner Cowles Charitable Trust, owners.

SUBJECT—Application December 6, 1954—(decision of the borough superintendent) under section 7e of the zoning resolution, to permit in a residence use district, the use of an existing building as administrative offices by the National Municipal League.

PREMISES AFFECTED—47 East 68th street, north side, 125 ft. west of Park avenue, Block 1383, Lot 31, Borough of Manhattan.

APPEARANCES—

For Applicant: J. E. Casale, H. Eliot Kaplan and Alfred Willoughby.

For Opposition: None.

For Administration: Samuel L. Becker, Dep't of Housing and Buildings.

ACTION OF BOARD—Application granted on condition.

THE VOTE—

Affirmative: Chairman Murdock, Commissioner Klei-

ert and Deputy Chief Connolly 3

Negative 0

Not Voting: Commissioner Keating 1

THE RESOLUTION—

WHEREAS, a public hearing was held on this application February 1, 1955, after due notice by publication in the Bulletin; and

WHEREAS, the maps accompanying the zoning resolution show that the site is in a residence use, B area, Class 1½ height district; and that the area generally is similarly zoned except for premises located within 100 feet of Madison avenue, which area is zoned for restricted retail use; and

WHEREAS, the decision of the borough superintendent, dated November 8, 1954, on Alt. App. 1846/54, reads:

"1. The proposed use by the Municipal League would be in violation of the Zoning Resolution, as the case cannot be cleared as philanthropic, eleemosynary or any other use permitted in a residence use district. Art. II, Sect. 3, Zone Resolution."

and

WHEREAS, the applicant states the proposed use of the building is for the administrative offices of the National Municipal League, a philanthropic organization devoted to civic education and the improvement of the technique of administration of governmental affairs, particularly in state and municipality; that it is a non-profit organization for the improvement of public affairs and the education of the public to the importance of responsible citizenship and the promotion of the welfare of human beings in a democratic system; and

WHEREAS, the applicant requests a variation under the powers granted to the Board by Section 7, subdivision e of the zoning resolution to permit the proposed use of the building; and

WHEREAS, the applicant contends that the proposed use will not alter the essential character of an otherwise residential neighborhood; that the proposed use is a public use not a private one; that the neighborhood of premises in question while predominantly residential includes the offices of a great many comparable organizations, one of which Council of Foreign Relations, Inc., is in the affected area; that other civic organizations located in residence use districts between 81st and 98th streets and Fifth and Lexington avenues are listed on schedule filed with this application; and

WHEREAS, the premises and surrounding area were inspected by a committee of the Board; and

WHEREAS, the Board found that this was an appropriate case in which to exercise discretion to grant under Section 7, subdivision e of the Zoning Resolution.

Resolved, that the Board of Standards and Appeals does hereby make a variation in the application of the use district regulations of the zoning resolution and that the application be and it hereby is granted under Section 7e for a term of fifteen years, to permit the proposed use, as indicated on plans marked "Received December 6, 1954", showing proposed conditions, 7 sheets, and "December 30, 1954",

one sheet, showing proposed conditions and plans marked "December 6, 1954," 5 sheets and "December 30, 1954," one sheet, showing existing conditions, on condition that in all other respects the building and occupancy shall comply with all laws, rules and regulations applicable thereto other than as modified by the Board this day by resolution adopted under Cal. 930-54-A; and that all permits required, including a certificate of occupancy shall be obtained and all work completed within the requirements of Section 22A of the Zoning Resolution.

930-54-A

APPLICANT—James E. Casale, for Fleur and Gardner Cowles Charitable Trust, owner.

SUBJECT—Application December 6, 1954—Appeal from a decision of the borough superintendent.

PREMISES AFFECTED—47 East 68th street, north side, 125 ft. west of Park avenue, Block 1383, Lot 31, Borough of Manhattan.

APPEARANCES—

For Applicant: J. E. Casale, H. Eliot Kaplan and Alfred Willoughby.

For Administration: Samuel L. Becker, Dep't of Housing and Buildings.

ACTION OF BOARD—Appeal granted on condition.

THE VOTE—

Affirmative: Chairman Murdock, Commissioners Klei-

ert and Keating and Deputy Chief Connolly 4

Negative 0

THE RESOLUTION—

WHEREAS, the decision of the Borough Superintendent, dated November 8, 1954, on Alt. App. 1846/54, reads:

"1. The proposed use by the Municipal League would be in violation of the Zoning Resolution as the case cannot be cleared as philanthropic, eleemosynary or any other use permitted in a residence use district. Art. II, Sect. 3 Zon. Res.

2. All doors opening on required stway are required to be f.p.s.c: 6.4.1.8.1 B:C:

3. Winders are not permitted in a required stway. 6.4.1.4. B.C

4. It shall be unlawful to open lavatories and elevators into the enclosures of req'd stway. 6.4.1.8.2 B.C."

and

WHEREAS, the applicant states the building is 6 stories, 74 ft. in height, 25 ft. by 100 ft. 5 in. in area at 1st floor, 25 ft. by 75 ft. in area at typical floor, of fireproof construction erected in 1906 on a lot 25 ft. by 100 ft. 5 in. in area, in a residence use, B area, Class 1½ height district; used and occupied since 1906 as a one family dwelling, for which Certificate of Occupancy #34675 was issued October 29, 1948, describing the building as Class 1, fireproof construction, and permitting its use as a one-family dwelling, upon completion of work under Alt. App. 558/48; and

WHEREAS, the applicant states it is now proposed to use and occupy the building as follows: cellar—central heating plant, mail room, elevator machinery and storage, 2 persons; 1st floor—offices and reception, 5 persons; 2nd floor—offices and library, 7 persons; 3rd floor—offices, 6 persons; 4th floor—offices, 11 persons; 5th floor—meeting room and ½ duplex apartment, 10 persons; 6th floor—½ duplex apartment; that the building is provided with two interior concrete and steel stairs, 3 ft. 2 in. and 4 ft. 6 in. wide, enclosed in partitions of 6 in. t. c. blocks, equipped with fireproof self-closing doors; one stair leads to roof bulkhead and direct to street; and

WHEREAS, the applicant states the proposed use of the building is for the administrative offices of the National Municipal League, a philanthropic organization; and

WHEREAS, the applicant contends as to Objection 1 issued by the Borough Superintendent that the National Municipal League is an eleemosynary institution and therefore the proposed use comes clearly within the uses permitted in a

MINUTES

residence use district by Subdivision 5 of Section 3, Article III of the Zoning Resolution; that the activities and purposes of this league aim to improve public affairs and to educate the public to the importance of responsible citizenship and to promote the welfare of human beings in a democratic system; and

WHEREAS, the applicant contends as to objections 2, 3 and 4 that some of the existing doors opening on the stairhall are 2 in. oak with heavy oak jambs and trim; that it is requested that these doors be permitted to remain in lieu of replacing them with fireproof doors; that all other doors opening into the stairhall which are not of this type will be replaced with fireproof, self-closing doors, retaining the oak jambs and trim; that the building is now provided with two fireproof stairways, the main stair being of concrete and elliptical in design; that the first flight is 5 ft. 2 in. wide and the remaining flights 4 ft. 6 in. wide; that the treads at inner edges are about 8 in. wide and taper out toward the wall side to a width of 20 inches; that the balustrade is wrought iron with wood handrail; that this stairs is within the fireproof enclosure of 6 in. terra cotta blocks from the first to 4th floors; that at the 4th floor it becomes necessary to cross the stairhall and ascend the second stair to the 5th, 6th floors and to the roof; that these stairs are of steel with slate treads and platforms; that these stairs are 3 ft. 2 in. wide and are within a 6 in. terra cotta enclosure; at the roof is an existing bulkhead of 6 in. terra cotta, sheathed with copper on the exterior; that the second stairway runs from the cellar to roof with access to each floor except the second; that it is this stairway which contains the winders referred to in Objection 3; and

WHEREAS, the applicant states that while plans and application provide for an occupancy of 41 persons, the normal permanent staff will be less than 25; that it is contemplated that on infrequent occasions when the meeting room is in use, the total occupancy of the building will not exceed 35 persons; and

WHEREAS, the applicant contends that the elevator openings in the stairhall are existing and to be required to provide a separate vestibule at each opening would detract from the appearance and character of the open stairhall; that the lavatory doors opening into the stairhall will be fireproof, self-closing and will not in any way impede traffic to the means of egress from either direction; that the building will be heated by steam from the New York Steam Corporation; that the building will not be increased in height or area; that there will be no direct sales or storage of merchandise in the building, so that whatever hazards are inherent in a six-story building used for residence will not be increased by the proposed use as administrative offices.

Resolved, that the decision of the borough superintendent, acting on Alt. App. 1846/54, Objections 2, 3 and 4, be and it hereby is *modified* and that the appeal be and it hereby is *granted on condition* that the alteration as proposed and as indicated on plans filed with Cal. No. 929-54-BZ, shall be made and complied with; that such fire-fighting appliances shall be maintained as the Fire Commissioner shall direct; and that this variance shall continue only so long as the premises are occupied as proposed by the National Municipal League; and withdrawn as to Objection 1 in view of the resolution adopted this day under calendar number 929-54-BZ; that in all other respects the building and occupancy shall comply with all laws and rules other than as modified by resolution adopted this day under calendar number 929-54-BZ and that the building shall not be increased in height or area.

THE RESOLUTION—

WHEREAS, the report of a Committee on Test reads:

REPORT OF COMMITTEE ON TEST

Re: Cal. 121-35-SA

Subject: Amendment to resolution to include additional model of Boiler Burner Unit.

Timken Silent Automatic Division of Timken, Detroit Axle Company requested by letter dated June 30, 1954 that the resolution adopted June 18, 1935 and amended at various times through June 2, 1954 under Cal. No. 121-35-SA be amended so as to include an additional model boiler burner unit. The application was reopened by a vote of the Board October 19, 1954.

Description

The requested model OBO-85 is similar to the Model IBG-85 (approved by the Board June 2, 1954 under Cal. No. 121-35-SA) differing only as to boiler base and cabinet changes.

Recommendation

The Committee on Test recommends that the resolution adopted June 18, 1935 and amended through June 2, 1954 under Cal. No. 121-35-SA be amended so as to include the following pieces of heating equipment when fired with the Model "J" Burner.

Boiler-Burner Units Models OBK-25; OBK-50; OBG-65; OBG-85; OBG-110; OBR-80A; OBR-100; OBR-100A and OBO-85; White Poe Oil Boilers Models OBW-80; OBW-100; Air Conditioning Oil Furnaces Models OFA-50; OFA-75; OFA-100; OFB-120; OFC-140; OFC-170; OFD-75; OFD-100; OFH-60; OFH-80 and OFJ-80.

Oil Fired Water Heater OWK-50; OWK-100; OWE-66 and OWB-130 on condition that all installation comply with the requirements of the Oil Burner Rules and Article 12 Chapter 26 Administrative Building Code and the requirements of the resolution adopted June 18, 1935 under Cal. No. 121-35-SA.

The Committee further recommends that in the event the owner-manufacturer augments his line of equipment, similar to that equipment recommended for approval under this recommendation and fired by the Model "J" burner, he shall notify the Board, in writing, listing the new model numbers.

THE RESOLUTION—

WHEREAS, the report of a Committee on Test reads:

REPORT OF COMMITTEE ON TEST

Re: Cal. 229-38-SM

Subject: Amendment to resolution as to change of owner-
ship.

The Ruberoid Co. New York requested by letter dated October 13, 1954 that the resolution adopted April 12, 1938 under Cal. No. 229-38-SM be amended so as to show a change of ownership.

The Ruberoid Company have submitted an affidavit dated December 14, 1954 which states that the Ruberoid Company New York has purchased all assets, trade marks and good will of the Ebsary Gypsum Company, Caledonia, New York.

Recommendation

The Committee on Test recommends that the resolution adopted April 12, 1938 under Cal. No. 229-38-SM be amended so that the owner of record shall be The Ruberoid Company New York but in all other respects the conditions of the resolution shall be complied with.

THE RESOLUTION—

WHEREAS, the report of a Committee on Test reads:

REPORT OF COMMITTEE ON TEST

Re: Cal. 582-53-SA

Subject: Trane Gas-fired Unit Heaters, Models G50, G80, G105, G135, G165 and G230 approval of.

The Trane Company of La Crosse, Wisconsin filed July 27, 1953 an application with the Board of Standards and Appeals for approval of the Trane Gas-fired Unit Heaters Models G50, G80, G105, G135, G165 and G230 under the provisions of C26-178.0.b and Article 12 of the Administrative Building Code.

Purpose

Direct-fired gas heating of commercial and industrial buildings.

Description

These are units suspended from the ceiling and automatically assure safe constant heat control. They are available in six sizes with input capacities ranging from 50000 to 230000 BTU per hour.

The burner heads and mixing tubes are combined in a single cast iron unit for smooth air gas mixture flow and positive freedom from misalignment when the thermostat call for heat automatic, the gas valve opens allowing gas to pass through the cast iron manifold. The gas is then fed evenly to the main burner through properly sized orifices. Primary air is added and gas and air are fully mixed before reaching the burner ports. Here the mixture is ignited by pilot burner. Correct gas pressure is maintained at all times by the pressure regulator. If for any reason pilot burner stops burning, the thermacouple element shuts off both the main line and the pilot line so that no gas can enter the unit. The fan control operated simultaneously with this automatic gas valve control so that the air flows through the heat exchanger at all times when the unit is being fired. Should the fan stop for any reason or any air delivery be obstructed gas is entirely shut off from the unit within one minute. This is accomplished by a self-resisting high limit switch operating in conjunction with an automatic gas valve. The Trane fan was developed for unit heater operation. The fan blade is broad for quiet operation.

Inspection and Test

The heater was inspected and tested at 1715 Avenue Z and found to operate as designed. Present at the inspection and test were Chief Engr. L. V. Huber of the Committee on Test and P. J. Shea and others representing the applicant. The heater has been approved by the American Gas Association for use with natural, manufactured and mixed gases—certificate Nos. 4-868.201, 4-868.101, 4-868.001, 4-868-3.001, 4-868-2.001, and 4-868-601.

Recommendation

On the basis of the inspection and test and the data submitted by the applicant, the Committee on Test recommends the approval of the Trane Gas-fired Unit Heaters, Models G50, G80, G105, G135, G165 and G230 for use in New York City with natural, manufactured and mixed gases when installed and operated in accordance with this report and the provisions of C26, Article 12 Administrative Building Code provided each burner shall be marked, labeled or stamped: — "Approved by the Board of Standards and Appeals for use in New York City under Cal. No. 582-53-SA.", and further that all ports and orifices shall be of a type approved by the A.G.A. for the type of gas used and further the unit shall not be installed in garages or places of explosive atmospheres.

(Sgd.) HARRIS H. MURDOCK,
Chairman,

LESLIE V. HUBER,
Chief Engineer,

JOHN A. DARTS,
Assistant Engineer,
Committee on Test.

Resolved, that the Board of Standards and Appeals does hereby *approve* this appliance in accordance with the above report.

THE RESOLUTION—

WHEREAS, the report of a Committee on Test reads:

REPORT OF COMMITTEE ON TEST

Re: Cal. 458-54-SM

Subject: Brownsville Cast and Cut Stone Company, Cast Stone Steps, approval of.

Wm. A. Lacerenza for Brownsville Cast and Cut Stone Company, filed May 24, 1954 an application with the Board of Standards and Appeals for approval of the material known as Brownsville Cast Stone Steps under the provisions of C26-191.0 and C26-468.0 Administrative Building Code.

Purpose

The material is a precast concrete step.

Description

The steps are made of one part sand two parts of grits and one part of portland cement. The steps are reinforced with (3) $\frac{3}{8}$ " round bars, in the tread and (1) $\frac{3}{8}$ " round bar in the riser. The tread and riser are both 3" in depth and the distance from tread to tread is $7\frac{3}{4}$ ". The steel reinforcing treads is placed 6" on center and 1" from the base of the slab.

The steps are for use as exterior residential stairs with maximum spans of 5'-0" with a minimum bearing of 4" on cheek pieces on either side and are designed for a total load, live and dead of 160 lbs. per sq. ft. Computations filed show that the design conforms to the requirement of C26-468.0 Administrative Building Code.

Inspection and Test

The manufacture of these steps was inspected at 762 East 92nd Street, Brooklyn, New York, by Asst. Engr. J. A. Darts Committee on Test.

The manufacture was found to be in accordance with the detail filed with the record.

Recommendation

On the basis of the inspection and test and the data submitted by the applicant, the Committee on Test recommends the approval of the Brownsville Cast Stone Steps for use in residence buildings in New York City, when designed, constructed and installed in accordance with this report for a maximum live load of 60 lbs. per sq. ft. and further that each unit on delivery to the site shall bear a tag or label reading:—"Approved by the Board of Standards and Appeals for use in New York City under Cal. No. 458-54-SM", or in lieu thereof, the bill of lading or invoice may be similarly marked.

(Sgd.) HARRIS H. MURDOCK,
Chairman,
LESLIE V. HUBER,
Chief Engineer,
JOHN A. DARTS,
Assistant Engineer,
Committee on Test.

Resolved, that the Board of Standards and Appeals does hereby approve this material in accordance with the above report.

THE RESOLUTION—

WHEREAS, the report of a Committee on Test reads:

REPORT OF COMMITTEE ON TEST

Re: 818-54-SA

Subject: Humphrey Radiant Fire Circulators (gas fired), Models 20HV, 40HV, and 60HV, approval of.

The General Gas Light Company, 23 Warren Street, New York, filed October 28, 1954 an application with the Board of Standards and Appeals for approval of the Humphrey Radiant Fire Circulator (gas fired), Models 20HV, 40HV and 60HV for space heating—domestic and commercial under the provisions of Article 12, Chapter 26 of the Administrative Building Code.

Purpose

Space Heating—Domestic and Commercial.

Description

These appliances consist of cast iron burners with raised ports, a pilot of stainless steel—Dust Proof Type, radiant type sections, a warm air outlet grille for heat circulation, an outer casing made of heavy gauge steel chrome front hearth and reflectors, a built in draft diverter, a heavy gauge steel heat exchanger, a gas pressure regulator, a hand valve for manual operation, automatic controls if desired, a flue opening in rear of the heater. The models differ as to input rating, Model 20HV has a rating of 20000 BTUs per hour input, Model 40HV has a rating of 40000 BTUs per hour and 60HV has a rating of 60000 BTUs per hour. The models operate on natural manufactured or mixed gases.

Inspection and Test

The burners were inspected and tested at 23 Warren Street, New York City, and found to operate as designed, present at the inspection and test were Chief Engr. L. V. Huber of the Committee on Test and J. A. Meier representing the applicant. The burner circulators have been approved by the American Gas Association Inc., 20HV Certificate Number 2-1291.201, 40HV No. 2-1291-1.101, and 60HV No. 2-1291-1.001.

Recommendation

On the basis of the Inspection and Test and the data submitted by the applicant the Committee on Test recommends the approval of the Humphrey Radiant Fire Circulator (gas fired), Models 20HV, 40HV and 60HV for domestic and commercial space heating under the provisions of Chapter 26, Article 12 Administrative Building Code when installed and operated in accordance with this report and the above provisions of the Administrative Code provided each Radiant Fire Circulator has a label permanently affixed reading: "Approved by the Board of Standards and Appeals for use in New York City under Cal. No. 818-54-SA;" and further that all ports and orifices shall be of a type approved by the A.G.A. for the type of gas used and further the unit shall not be installed in garages and places of explosive atmospheres.

(Sgd.) HARRIS H. MURDOCK,
Chairman,
LESLIE V. HUBER,
Chief Engineer,
JOHN A. DARTS,
Assistant Engineer,
Committee on Test.

Resolved, that the Board of Standards and Appeals does hereby approve this appliance in accordance with the above report.

MINUTES

491-43-S—Vol. II

APPLICANT—Irving Adelsohn, for Veg Packaging Corp., owner.

SUBJECT—Application reopened June 8, 1954 as Vol. II—re Appeal from a decision of the borough superintendent.

PREMISES AFFECTED—108-112 West 3rd street, south side, 97 ft. West of Sullivan street, Block 540, Lot 17, Borough of Manhattan.

APPEARANCES—

For Applicant: Irving Adelsohn.

For Administration: Samuel L. Becker, Dep't of Housing and Buildings.

ACTION OF BOARD—Appeal granted on condition.

THE VOTE—

Affirmative: Chairman Murdock, Commissioners Kleinert and Keating and Deputy Chief Connolly 4

Negative 0

THE RESOLUTION—

WHEREAS, the decision of the Borough Superintendent, dated May 13, 1954, on Alt. App. 531/54, reads:

- "2. Both stairs must terminate at roof.
3. Stair egress through cellar passageway not definitely permitted by section 270 Labor Law.
4. Wicket doors (3' x 6'-8") in overhead doors not accepted as means of egress from first story.
5. Vertical opening at ramp must be enclosed as required by section 270 Labor Law."

and

WHEREAS, the applicant states the building is 2 stories, 32 feet in height, 78 ft. front by 90 ft. 7 in. in depth, of Class 3 construction, erected in 1916 and used and occupied since 1943 as follows: Cellar—boiler room, 0 persons; 1st floor—vegetable packaging, 30 persons; 2nd floor—same, 20 persons. The building is provided with two interior 3 ft. 8 in. wide concrete stairs, enclosed in terra cotta blocks, equipped with fireproof, self-closing doors and leading direct to street; one stair leads to roof by bulkhead and the other is provided with ladder and scuttle to roof; and

WHEREAS, Certificate of Occupancy #36211 (temporary) issued October 6, 1949, on Alt. App. 899/43 permits the present use and occupancy for a term of five years, in accordance with the resolution adopted by the Board under Cal. No. 491-43-S, Vol. I; and

WHEREAS, on June 8, 1954, the Board extended the term of the variance previously granted November 9, 1943, for an additional term of five years from June 8, 1954; and

WHEREAS, the applicant contends there is a 3 ft. 8 in. wide interior fireproof stairs at front of building leading to the roof and 3 ft. 8 in. wide interior fireproof stairs at the rear provided with double rung ladder to grade and with 2 x 3 ft. scuttle to roof, equipped with an easy-opening device; that the rear stairs leads to a fireproof passageway below the first floor, connecting to the primary means of egress at front of building and thence to street; that there is also an 11 ft. wide ramp from rear of 2nd floor to front of 1st floor, enclosed on 1st floor with fireproof partitions, equipped with fireproof doors; that the ceiling of 1st floor is reinforced concrete; that the roof girders are reinforced concrete and the roof beams covered with metal lath and portland cement plaster; and

WHEREAS, the applicant contends that although the exits may not conform fully to the Labor Law, they answer the spirit of the law; and

WHEREAS, the applicant states it is proposed to provide fire extinguishers, sand pails, etc. as may be required by the Fire Commissioner, and that the landings of front stairs at 2nd floor will be enlarged by erecting a fireproof vestibule so that the exit doors will not obstruct the landing; and

WHEREAS, the premises were inspected by a Committee of the Board.

Resolved, that the Board of Standards and Appeals does hereby make a variation in the requirements of the Labor Law, as cited in a decision of the Borough Superintendent, acting on Alt. App. 531 of 1954, Objections 2, 3, 4 and 5, and that the appeal be and it hereby is granted, to permit the

continuation of the conditions substantially as proposed and as indicated on plans filed with this appeal marked, "Received, November 22, 1954" (5 sheets) only so long as the type of occupancy continues and the building is not increased in height or area; that such fire-fighting equipment shall be maintained as the Fire Commissioner shall direct; that the requirements of the resolution adopted by the Board on November 9, 1943 shall be complied with in all respects where not inconsistent with the terms of this resolution, including amendments as adopted through June 8, 1954, which permitted the continuation of the variance for a term five years, expiring on June 8, 1959.

340-54-A

APPLICANT—Miles A. Gordon, for St. James Holding Corp., owner, Becker's Dress Shop, lessee.

SUBJECT—Appeal reopened November 16, 1954, previously dismissed re a decision of the borough superintendent.

PREMISES AFFECTED—118-122 East 59th street, south side, 165 ft. West of Lexington avenue, Block 1313, Lots 63 and 164, Borough of Manhattan.

APPEARANCES—

For Applicant: Miles A. Gordon.

For Administration: Samuel L. Becker, Dep't of Housing and Buildings.

ACTION OF BOARD—Appeal granted on condition.

THE VOTE—

Affirmative: Chairman Murdock, Commissioner Keating and Deputy Chief Connolly 3

Negative: Commissioner Kleinert 1

THE RESOLUTION—

WHEREAS, the decision of the Borough Superintendent, dated July 1, 1954 on Alt. Applic. 733-52, redented April 26, 1954, reads:

- "18. Provide a lawful means of egress from 'selling area' in cellar as per 6.1.2.2.3 B.C.; a continuous one hour enclosure to the street is required as per 6.4.1.11 and 6.4.1.8.1 B.C."

and

WHEREAS, the applicant states that the building is 4 stories, 40 ft. in height, 50 ft. by 100 ft. 5 in. in area at street floor, 50 ft. front by 45 ft. in depth at typical floor, of class 3 construction, erected 1892, located in a retail use, B area, class 1½ height district, and used and occupied since 1924: cellar—storage; 1st floor—store, 25 persons; 2nd floor—store, 5 persons; 3rd floor—offices, 5 persons; 4th floor—offices, 5 persons; proposed to be used and occupied as follows: cellar—store, 2 persons; 1st floor—store, 5 persons; 2nd, 3rd and 4th floors—offices, 5 persons each floor; that the building is provided with one 4 ft. wide interior steel stairs, enclosed in 4 in. block and plaster partitions, equipped with kalamein self-closing doors; stairhall does not lead to roof or to street; and

WHEREAS, Certificate of Occupancy #7683 was issued January 29, 1924 upon completion of work under Alt. Applic. 1750/23 and permits the following use and occupancy: cellar—storage; 1st floor—store, 30 persons; 2nd, 3rd and 4th floors—offices, 16 persons each floor; and

WHEREAS, the applicant states that the alteration involved is the modernization and combination of three adjoining 4-story and cellar buildings, erected prior to 1892, and having a combined frontage of 50 ft.; that these buildings are all constructed the full depth of the lot on the 1st floor and only 45 ft. deep on the cellar, 2nd, 3rd and 4th floors; that the objection of the Borough Superintendent relates solely to the means of egress from the cellar of the easterly building at 122 East 59th street; that it is proposed to alter the existing easterly cellar and 1st floor store to a women's apparel shop and extend the existing cellar, now used for storage, to the rear line of the 1st floor above and to provide a new exit door to the adjoining rear yard and to replace the existing wood cellar stairs which does not lead directly to the street; and

MINUTES

WHEREAS, the applicant states that the Borough Superintendent requires the exit stair from the cellar to go directly to the street which would prevent supervision by the store management of customers entering and leaving the cellar store area, which is used in conjunction with the 1st floor store; and

WHEREAS, the applicant contends that under section 6.1.7 of the building code a variance from the strict requirement of the code is authorized when such compliance would be impractical; that the proposed addition of a new rear yard exit, the removal of the existing wood cellar stairs and replacement of same with a new steel stair with fireproof enclosure at the cellar level and the discharge of this stair within 6 ft. 6 in. of the exit door on the 1st floor presents a practical solution to the cellar exit problem while permitting management to maintain control of store customers; that the occupancy of the cellar will be a maximum of 2 permanent employees, plus possibly 6 customers accompanied by saleswomen; and

WHEREAS, this appeal was dismissed for lack of prosecution on October 19, 1954, there being no appearance for the applicant; and

WHEREAS, on November 16, 1954, the Board restored this appeal to the docket and set it for hearing December 14, 1954, at 2 P.M.

Resolved, that the decision of the Borough Superintendent, acting on Alt. Applic. 733/52, Objection 18, dated July 1, 1954, be and it hereby is *modified* and that the appeal be and it hereby is *granted on condition* that the second means of exit from the cellar display area at No. 122 East 59th Street shall be as proposed and as indicated on revised plans marked "Received January 24, 1955" (2 sheets); that in addition to such exits the door of the basement area of the store at No. 122 East 59th Street shall be left unlocked at all times during business hours; that sprinkler heads proposed back of the show windows in the store at No. 122 East 59th Street shall be maintained; that these sprinkler heads may be fed from the domestic water supply provided such water supply is not less than one and one-half inches in diameter; that the proposed opening in the masonry wall in the cellar between No. 122 and 120 East 59th Street shall have a three-hour proof self-closing fire door fitted with fusible link; that in all other respects the building and occupancy shall comply with all laws, rules and regulations applicable thereto.

346-54-A

APPLICANT—Charles M. Spindler, for Club O-Two-Six, Inc., owner.

SUBJECT—Application May 4, 1954—re Appeal from a decision of the borough superintendent.

PREMISES AFFECTED—895 Ocean parkway and 615 Avenue I, northeast corner, Block 6509, Lot 48, Borough of Brooklyn.

APPEARANCES—

For Applicant: Joseph C. Haus.

For Administration: Samuel L. Becker, Dep't of Housing and Buildings.

ACTION OF BOARD—Appeal granted on condition.

THE VOTE—

Affirmative: Chairman Murdock, Commissioners Kleintert and Keating and Deputy Chief Connolly 4

Negative 0

THE RESOLUTION—

WHEREAS, the decision of the Borough Superintendent dated April 9, 1954, on Alt. App. 5512/53, reads:

"2. Stair exit from 2nd fl. violates Sec. C26-292.0

Admin. Code.

a. 3 hr enclos. req'd.

b. termination of stair to street.

c. handrails req'd on both sides.

3. 100# min. liveload capacity required for 1st & 2nd floors as per Sec. C26-344.0 A.C."

and

WHEREAS, the applicant states the building is 2 stories, 29 ft. 6 in. average in height, 49 ft. 6 in. by 50 ft. irregular in depth on the 2nd floor; 63 ft. 6 in. by 50 ft. irregular in depth on the 1st floor, erected in 1920 on a lot 100 ft. front by 150 ft. in depth, in a residence use, E area, Class 1 height district; used and occupied since 1951: Cellar—clubrooms, 50 persons; 1st floor, clubrooms, 50 persons; 2nd floor—clubrooms and office, 30 persons. No change in use or occupancy is now proposed. The building is provided with one interior wood stairs, 3 ft. and 3 ft. 4 in. wide, enclosed with stud, lath and plaster partitions, equipped with wood doors which are not self-closing; stairhall does not lead to street nor to roof bulkhead. In addition there is one exterior stair on the rear right side of the building leading to yard by ladder; and

WHEREAS, Certificate of Occupancy #128483 issued January 17, 1951, upon completion of work under Alt. App. 3829/50 permits the following use and occupancy: Cellar—clubrooms, 50 persons; 1st floor—clubrooms, 50 persons, 100 lbs. liveload; 2nd floor—one family dwelling for caretaker, 40 lb. liveload; and

WHEREAS, Violation #421 issued by the Borough Superintendent February 5, 1951, was for occupying the building contrary to Certificate of Occupancy #128483; and

WHEREAS, the applicant states this appeal is filed for a modification of the Code requirements as to exits and floor loads for the second floor; and

WHEREAS, the applicant states the lot in question is occupied by two buildings, the main building is the subject of this appeal; that the other building consists of a small two-story accessory garage and caretaker's apartment, which is not affected by this appeal; that the main building was erected under NB 1654/20 as a one-family dwelling; that the 1st floor and cellar were altered as clubrooms under Alt. App. 3829/50, with the 2nd floor to be used as the caretaker's apartment; and

WHEREAS, the applicant states it is now proposed to extend the clubroom use to the 2nd floor; and

WHEREAS, the applicant contends as to Objection 2, that exit from the 2nd floor consists of the primary interior stairway 3 ft. 10 in. in width for most of its run and 3 ft. 4 in. wide at the intermediate landing; that this stairway has a metal handrail and baluster and terminates at the 1st floor and center hall in typical Georgian architecture; that this center hall exits directly to the street through a 3 ft. door swinging outwardly; that there are two additional exits to the 1st floor leading directly to the open air; that the interior stairway also continues down to the cellar, from which there are two exits direct to the exterior; that it is proposed to install an approved Multiple Dwelling Law type sprinkler system throughout the stairhall on both the first and second floors as an additional precautionary measure; that in addition to the primary exit there is a fire escape balcony with sliding drop ladder to rear yard from 2nd floor, as approved under Alt. App. 3829/50; and

WHEREAS, the applicant contends the 2nd floor is small in area and will contain toilet rooms and a small office in addition to three former bedrooms which will be used as clubrooms; the total occupancy of the 2nd floor will never exceed 30 persons and usually contains 15 or 20 persons; that the building is elaborately furnished and decorated and the construction of a masonry stairwell would completely destroy the fine character of the interior; that it is felt the sprinkler system will constitute adequate exit facilities for this small area; and

WHEREAS, the applicant contends as to Objection 3, that the 2nd floor was constructed for 45 lbs. per square foot; that the occupancy proposed will impose lighter floor loads than the typical dwelling; that there will be no dancing or public meetings of any type; that whenever necessary to assemble a large group of members, this assemblage will be conducted in the cellar; that to be required to reinforce the 2nd floor would constitute an extreme hardship and seriously impair the decorative character of the present ceiling construction; that the building is located on a large plot and is accessible for egress and ingress; that there is a fire hydrant in front of the building; that the cellar ceiling is fire-

MINUTES

retarded and the boiler is located in a fireproof enclosure; that the building is roofed with incombustible Spanish tile; and

WHEREAS, the applicant states the two-story building on rear of the lot will be occupied as a caretaker's apartment on the 2nd floor and the two-car garage on the first floor will be accessory to the dwelling above; and

WHEREAS, the premises were inspected by a Committee of the Board.

Resolved, that the decision of the Borough Superintendent, acting on Alt. App. 5512 of 1953, Objections 2 and 3, be and it hereby is *modified* and that the appeal be and it hereby is *granted* to permit the occupancy of the building, as extended to the second floor, as proposed and as indicated on plans filed with this application marked "Received, May 4, 1954," (5 sheets) *on condition* that the fire escape at the rear shall have a counterbalanced stair to grade; that the building shall not be increased in height or area; that in all other respects the building and occupancy shall comply with all laws, rules and regulations applicable thereto; and that a new Certificate of Occupancy shall be obtained.

966-54-A

APPLICANT—Charles Abrahams, for The Queensboro Corp., owner.

SUBJECT—Application December 21, 1954—Appeal from a decision of the borough superintendent.

PREMISES AFFECTED—37-06 82nd street and 81-20 37th avenue, southwest corner, Block 1292, Lot 6, Jackson Heights, Borough of Queens.

APPEARANCES—

For Applicant: Charles Abrahams and Alfred H. Lindberg.

For Administration: Samuel L. Becker, Dep't of Housing and Buildings.

ACTION OF BOARD—Appeal granted on condition.

THE VOTE—

Affirmative: Chairman Murdock, Commissioners Kleintert and Keating and Deputy Chief Connolly 4
Negative 0

THE RESOLUTION—

WHEREAS, the decision of the Borough Superintendent, dated December 8, 1954, on Alt. App. 2816/54 reads:

"1. The floor above the cellar in a Class III structure over 40' in height shall be constructed of incombustible material having a fire-resistive rating of three hours. 3.2.3 Building Code."

and

WHEREAS, the applicant states the building is 3 stories, 40 ft. 8 in. in height, 99 ft. by 97 ft. 6 in. in area, Class 3 construction, erected in 1929 on a lot 100 ft. by 100 ft. in area, in a business use, B area, Class 1½ height district; used and occupied since 1929: Cellar—boiler room and storage; 1st floor—stores and offices; 2nd and 3rd floors—offices; proposed to be increased to four stories, 49 ft. 4 in. in height, Class 3 construction and used and occupied after alteration without change except that the new 4th floor will be occupied for offices. The building is provided with two 3 ft. 8 in. wide interior iron stairs, enclosed with fire-retarded partitions, equipped with fireproof, self-closing doors, extending from roof bulkhead direct to street; and

WHEREAS, Certificate of Occupancy #40257 issued upon completion of work under N.B. 6008/28 permits the use and occupancy of building as follows: 1st floor—stores, 75 lb. liveload; 2nd floor—offices, 60 lb. liveload; 3rd floor—offices, 60 lb. liveload; and

WHEREAS, the applicant states that the building has an area of 9580 square feet; that at the time of its erection the Building Code permitted nonfireproof construction of a corner building for the specified use having an area not exceeding 12,000 sq. ft. or a height not exceeding 75 sq. ft.; that the present roof is constructed with mansards having a ridge height of approximately 13 feet above roof level; that the base area of mansard at roof level is about 4500 square feet

which is nearly half the area of the building; that in the event of fire, these existing mansards constitute an additional hazard; that it is proposed to eliminate these mansards in the alteration; that the 1st floor is constructed of wood joists and 4 in. concrete arches on steel framing; that the 4 in. concrete arches are over the boiler and storage room and above the soffit of both first floor stair enclosures; that the wood joist area is fire-retarded with metal lath and cement plaster; that the floor of the centrally located stairway is constructed of 4 in. concrete arches on the 2nd and 3rd floors; the proposed alteration will extend the fireproof construction of the stairway to the 4th floor and roof; both stairways have 3-hour fireproof enclosures; that with the exception of the three stores on the 1st floor, the entire building is occupied by the Shell Oil Company as offices; that they are in need of additional space and there is none available in the area; and

WHEREAS, the applicant states that in order to provide additional safety for the building, it is proposed to construct the new roof of Class II construction and to fireproof the columns on the new 4th floor for a two-hour fire rating.

Resolved, that the decision of the Borough Superintendent, acting on Alt. App. 2816/54, Objection 1, be and it hereby is *modified*, and that the appeal be and it hereby is *granted* to permit the additional story, substantially as proposed and as indicated on plans filed with this appeal marked, "Received, December 21, 1954" (6 sheets), *on condition* that the construction of the additional story shall be of a type of construction as proposed, or better; that the building throughout shall be occupied only as stores and offices and for no other use; and that in all other respects the building and occupancy shall comply with all laws, rules and regulations applicable thereto.

Negative 0

THE RESOLUTION—

WHEREAS, this application was amended by the Board as Vol. III, on January 19, 1954, on certain conditions; and

WHEREAS, the applicant requested an extension of time to obtain permits and complete the work.

Resolved, that the Board of Standards and Appeals does hereby *amend* the resolution adopted on June 6, 1944, as thereafter *amended* by approval of plans on November 14, 1944 and by amendment on January 19, 1954, only so far as it has reference to the time within which to obtain permits and complete the work, so that as *amended* this portion of the resolution shall read:

"that in view of the statement by the applicant that plans have been approved by the Department of Housing and Buildings, permits obtained and work has been commenced, that all permits including a certificate of occupancy required shall be obtained and all work completed within six months from the date of this *amended* resolution" (Alt. 1359/53).

739-48-BZ

APPLICANT—Lama, Proskauer and Prober, for Estate of Hyman Arkway, owner (Abraham Wolodarsky, Executor).

SUBJECT—Application for consideration—reopening and extension of term of variance—re Application (decision of the borough superintendent) previously granted on condition, under section 7e of the zoning resolution, permitting

MINUTES

in a residence use district, the change in occupancy of apartment on 2nd floor to private telephone exchange, for a term of years.

PREMISES AFFECTED—601 Crown street, north side, 305 ft. west of Troy avenue, Block 1412, Lot 61, Borough of Brooklyn.

APPEARANCES—

For Applicant: Ernest Cordova.

For Administration: Samuel L. Becker, Dep't of Housing and Buildings.

ACTION OF BOARD—Application reopened and term of variance extended and time to complete.

THE VOTE—

Affirmative: Chairman Murdock, Commissioners Kleinert and Keating and Deputy Chief Connolly 4

Negative 0

THE RESOLUTION—

WHEREAS, this application was granted by the Board on December 7, 1948, on certain conditions; and

WHEREAS, time to obtain permits and complete the work was extended from time to time and last extended on January 6, 1953; and

WHEREAS, the term of variance was extended on December 27, 1950 and January 6, 1953; and

WHEREAS, the applicant requested a further extension of the term of variance and time to complete the work.

Resolved, that the Board of Standards and Appeals does hereby *amend* the resolution adopted on December 7, 1948, only so far as it has reference to the term of the variance, so that as *amended* this portion of the resolution shall read:

"* * * granted under Section 7, Subdivision e for a term of two (2) years, from the date of this amended resolution, to permit * * *; that other than as herein *amended* the resolution above cited shall be complied with in all respects; and that all permits, including a certificate of occupancy shall be obtained and all work completed within six months from the date of this *amended* resolution" (Alt. 2144/48).

948-48-BZ

APPLICANT—Lama, Proskauer and Prober, for Boston Realty Corp., owner.

SUBJECT—Application for consideration—reopening and extension of time to complete—re Application (decision of the borough superintendent), previously granted on condition, under section 21 of the zoning resolution, permitting in an unrestricted use, C area district, the erection of a building using more than the area permitted.

PREMISES AFFECTED—2156-2164 Tilden avenue, south side, 206 ft. 5½ in. east of Flatbush avenue, Block 5132, Lot 12, Borough of Brooklyn.

APPEARANCES—

For Applicant: Ernest Cordova.

For Administration: Samuel L. Becker, Dep't of Housing and Buildings.

ACTION OF BOARD—Application reopened and time to complete work extended.

THE VOTE—

Affirmative: Chairman Murdock, Commissioners Kleinert and Keating and Deputy Chief Connolly 4

Negative 0

THE RESOLUTION—

WHEREAS, this application was granted by the Board on January 25, 1949, on certain conditions; and

WHEREAS, time to obtain permits and complete the work was extended from time to time and last extended on January 19, 1954; and

WHEREAS, the applicant requested a further extension of time to obtain permits and complete the work.

Resolved, that the Board of Standards and Appeals does hereby *amend* the resolution adopted on January 25, 1949, as thereafter *amended* by resolutions adopted through January 19, 1954 only so far as it has reference to the time within which to obtain permits and complete the work, so that as *amended* this portion of the resolution shall read:

"that in view of the statement by the applicant that plans have been approved by the Department of Housing and Buildings and in view of statement from the owner that the work of construction is about to commence that all permits required shall be obtained and all work completed within the requirements of Section 22A of the Zoning Resolution from the date of this *amended* resolution." (N.B. 1481/52, N.B. 1501/48)

367-51-BZ

APPLICANT—Norman Lederer and Leonard Joseph, for Flood Oldsmobile Company, Inc., owner.

SUBJECT—Application for consideration—reopening and approve working plans—re Application (decision of the borough superintendent), previously granted on condition under Sections 7f and 7i of the zoning resolution, permitting in a business use district, the erection and maintenance of a building to be used as an automobile showroom, sales room, motor vehicle repairs, auto painting, welding, body repairs, parts storage and office, with roof parking of customer's cars; and permitting a gasoline supply for private use only and permit the sale and display of used cars on open portion of plot and parking on the roof.

PREMISES AFFECTED—14-36 Pennsylvania avenue and 2617-2639 Fulton street, northwest corner; 50-66 Jamaica avenue and 1-23 Sheffield avenue, Block 3659, Lot 1, Borough of Brooklyn.

APPEARANCES—

For Applicant: Leonard Joseph.

For Administration: Samuel L. Becker, Dep't of Housing and Buildings.

ACTION OF BOARD—Application reopened, resolution amended and revised working drawings approved.

THE VOTE—

Affirmative: Chairman Murdock, Commissioners Kleinert and Keating and Deputy Chief Connolly 4

Negative 0

THE RESOLUTION—

WHEREAS, this application was granted by the Board as Vol. II, on June 22, 1954, on certain conditions; and

WHEREAS, working drawings, submitted as being in substantial compliance with the Board's requirements, were approved on July 13, 1954; and

WHEREAS, the resolution was amended on November 9, 1954; and

WHEREAS, the applicant requested an amendment and submitted revised working drawings, for approval by the Board, as being in substantial compliance with the requirements of the resolution.

Resolved, that the Board of Standards and Appeals does hereby *amend* the resolution adopted on December 18, 1951, as *amended* by resolutions adopted on March 4, 1952 and November 9, 1954 and *approve* revised working drawings marked "Received January 14, 1955" (6 sheets), as being in substantial accord with the requirements of the resolution above cited as adopted on March 4, 1952, and to permit as shown thereon, an increase in the size of building for storage of parts in the cellar, 1st and 2nd floors from 51 feet to 70 feet, 2 inches, and to permit the installation of an 1100 gallon lubricating oil storage tank, *on condition* that a sprinkler system shall be installed and that the proposed pylon roof sign shall be eliminated; that in all other respects the requirements of the resolution above cited, shall be complied with. (N.B. 467/51)

446-53-BZ

APPLICANT—Lama, Proskauer and Prober, for Fulton Rcid Realty and Holding Corporation, owner.

SUBJECT—Application for consideration—reopening and extension of time to complete—re Application (decision of the borough superintendent), previously granted on condition, under sections 7c and 21 of the zoning resolution, permitting in a local retail use, C area district, the demolition of the three 2 story frame buildings on the

MINUTES

corner of Fulton street and Reid avenue and to permit the erection of a new 2 story extension to be used in conjunction with existing meat processing, with offices, toilets and locker rooms on the 2nd floor, using more than the area permitted, and permitting the change in use from garage for five cars and bar and grill, to meat processing.

PREMISES AFFECTED—70-74 Marion street, 349-359 Reid avenue, southeast corner and 1763-1775 Fulton street, Block 1695, Lot 1, Borough of Brooklyn.

APPEARANCES—

For Applicant: Ernest Cordova.

For Administration: Samuel L. Becker, Dep't of Housing and Buildings.

ACTION OF BOARD—Application reopened and time to complete work extended.

*CORRECTION

The minutes of the meeting of the Board of Standards and Appeals held on January 19, 1954, as they appeared in Bulletin No. 4, Vol. 39, are hereby corrected to read as follows:

631-53-BZ

APPLICANT—Saul Goldsmith, for 52 Building Corp., owner.

SUBJECT—Application August 27, 1953 (decision of the borough superintendent), under section 21 of the zoning resolution, to permit in the business use, C area district portion of the plot located in a residence and business use district, the erection and maintenance of a business building (factory), using more than the area permitted.

PREMISES AFFECTED—72-02 51st avenue, 51-01 to 51-15 72nd street, southeast corner, 72-10 to 72-20 51st road and 51-02 to 51-10 72nd place (Block 2461, Lot 16), Winfield, Borough of Queens.

APPEARANCES—

For Applicant: Saul Goldsmith.
For Opposition: Ann Figlock and B. Conway.
For Administration: Samuel L. Becker, Dep't of Housing and Buildings.

ACTION OF BOARD—Application granted on condition.

THE VOTE—

Affirmative: Chairman Murdock, Commissioner Keating and Deputy Chief Connors 3
Negative 0
Absent: Commissioner Kleinert 1

THE RESOLUTION—

WHEREAS, a public hearing was held on this application on December 22, 1953 after due notice by publication in the Bulletin; laid over to January 19, 1954, for inspection and decision; hearing closed; and

WHEREAS, the district maps accompanying the zoning resolution show that the site, 72nd street and 72nd place are in residence and business use, C area, class 1½ height districts; 51st avenue is in business and unrestricted use, C area, class 1½ height districts; and

WHEREAS, the decision of the borough superintendent, dated August 14, 1953 acting on N.B. Applic. 2083-53, reads:

"1. Proposed bldg. within the business use district exceeds the permissible area occupancy as permitted under Art. IV, Sec. 13 of the Zone Resolution."

and

WHEREAS, the applicant states that the premises consist of a plot, 200 ft. frontage by 125 ft. in depth, irregular, presently vacant; that it is proposed to erect a one-story building 17 ft. in height, 199 ft. front, irregular, and 99 ft. deep, 19,010 sq. ft. in area; that the building will be of steel, fireproof and of class 1 construction; that in addition, an area of 5,100 sq. ft. at the south of the building will be used as a buffer zone which will be graded, seeded and enclosed with an 8 ft. high cyclone fence; and

WHEREAS, the applicant contends that the building will be used for factory purposes and that liberal off street loading is provided; that the area of the plot is 24,387 sq. ft.

located partially in a business and residential use and in a C area, 1½ height district, of which 20,037 sq. ft. are located in the business district and 4,330 sq. ft. in the residential district; that the proposed building will lie entirely within the business use district and it is proposed to occupy a total of 19,010 sq. ft. with the following breakdown of area use:

Area of lot	24,387 sq. ft.
Area of proposed building	19,010 sq. ft.
Allowable area	
75% of 15,000 sq. ft. (3 corners)	11,250 sq. ft.
60% of 5,037 sq. ft. (interior lot)	3,022 sq. ft.

Loading berth	726 sq. ft.
---------------------	-------------

Total allowable	14,998 sq. ft.
Excess	4,012 sq. ft.

that the 25 ft. 7 in. by 200 ft. area to the south will be a grass plot which will be kept permanently as a buffer zone; that the proposed structure will have no access door from the building to this buffer zone; that in view of existing conditions and the beneficial effect of the proposed development, substantial justice would be done and a great hardship relieved if this application is granted; and

WHEREAS, the premises and the surrounding area were inspected by a committee of the Board; and

WHEREAS, the Board deemed, in view of the zoning permitting business use with limited factory occupancy within the business use area and unrestricted use zoning opposite the proposal to leave all the portion of the plot of 5,000 square feet area in the residence use district unbuilt upon and unused and kept grassed with trees properly fenced and with no openings for motor vehicles on the side streets, that the one story fireproof building with the above cited safeguards and protection will be an asset and no detriment to the resident district in the rear and that this solution is just and reasonable and consistent with the intent and purpose of the Zoning Resolution; and

WHEREAS, the Board found that the applicant had substantiated a basis to warrant exercise of discretion to grant under Section 21 of the zoning resolution, and is therefore entitled to relief, as to area, on the grounds of unnecessary hardship.

Resolved, that the Board of Standards and Appeals does hereby make a variation in the application of the area district regulations of the zoning resolution and that the application be and it hereby is granted under section 21, of the zoning resolution, as to area, on condition that the proposed building shall be solely in that portion of the plot zoned for business use, as proposed and as indicated on plans filed with this application marked "Received August 27, 1953" 5 sheets, and with no openings other than a pedestrian exit as shown to 72nd street and 72nd place, and with vehicular openings only on 51st avenue, located where and of the width as shown; that in all other respects the building and occupancy shall comply with all laws, rules and regulations applicable thereto; that such fire fighting equipment shall be installed as the Fire Commissioner shall direct; that there shall be no signs erected or maintained except on the front wall of the building facing 51st avenue, excluding all roof signs and all temporary signs and all signs at the rear and side of the building; that the rear portion of the plot within the residence use district shall be suitably landscaped as proposed; and enclosing fences shall be of a woven wire chain link type and shall be constructed on the interior and street lines with no opening therein, except a gate for access as shown for taking care of the premises; that there shall be along the rear lot line, inside the fence, oriental plane trees planted approximately 25 ft. on centers; that such trees shall be at least four inch caliber and not less than 10 ft. in height; that all permits shall be obtained and all work completed within the requirements of Section 22A of the Zoning Resolution.

* Correction—Premises affected corrected to read "72-02 51st avenue" instead of "72-05 51st avenue".

RULES

RULES FOR THE TESTING AND USE OF BLENDED CEMENTS

ADOPTED BY THE BOARD OF STANDARDS AND APPEALS, AUGUST 2, 1940. EFFECTIVE, IN ACCORDANCE WITH SECTION 665, SUBDIVISION C, OF THE NEW YORK CITY CHARTER, AUGUST 26, 1940.

(584-39-SR)

Authority:

Pursuant to the Authority vested in the Board of Standards and Appeals by Section 666, paragraph 2, Charter of the City of New York, and C26-189.0, Administrative Building Code (2.2.1.1), and C26-312.0, paragraph c, subdivision 2, Administrative Building Code (7.1.1.7.3) reading: "Nothing herein contained shall be construed to prohibit the use of cements of other types which are approved by the board and are used in accordance with rules of the board governing their use."

1.0 Scope.

1.1 The intent of these rules is to provide a basis for the use of blended cements other than Portland Cement. Subject to the restrictions in the approval of the Board as to each brand, such blended cements may be used as substitutes for Portland Cement on an equivalent weight basis where Portland Cement is permitted.

2.0 Blended Cements.

2.1 Blended cements shall include an intimately interground mixture of approved Portland Cement with natural or artificial products composed of silica and alumina, which shall be mixed with Portland Cement in limited proportions, (except as may be otherwise provided for in the Administrative Code) and which will react in the presence of water to form a hydraulic cement.

2.2 Admixtures to Portland Cement shall have a previous record of satisfactory experience.

2.3 These rules shall not be applicable to harmless materials used as coloring, waterproofing, plasticizing, and freezing preventatives when used as admixtures to Portland Cement in quantities not in excess of 1%.

3.0 Manufacture and quality of Blended Cements.

3.1 A flow sheet in duplicate showing the process of manufacture and blending shall be filed with the Board as part of any application for approval which shall include the origin and the amount of materials used and proof as to quality and uniformity.

4.0 Available supply of raw materials.

4.1 Evidence shall be filed with the Board showing the potential supply of raw material available to the manufacture.

5.0 Fineness.

5.1 The specific surface shall be not less than 1800 sq. cm. per gram, as determined by methods of test described in A.S.T.M. specifications C115-38T.

5.2 The residue shall not exceed 15% by weight on a No. 325 standard sieve.

6.0 Soundness.

6.1 A pat of neat cement of normal consistency shall be subjected to tests for soundness by the methods outlined in A.S.T.M. specifications C77-36, and when

so tested it shall show no signs of distortion, cracking, checking or disintegration when subjected to the steam test, nor shall the expansion of the pat be greater than 5mm, when molded in Le Chatelier tongs and stored in a standard moist closet for 24 hours.

6.2 In addition to these requirements, the expansion of three 1" x 1" x 10" bars of neat cement of normal consistency when subjected to the Autoclave test, A.S.T.M. tentative method, shall not have an expansion in excess of 0.75%.

7.0 Time of set.

7.1 Time of setting shall be determined by test described in A.S.T.M. Specification C77-36, and the mortar so tested shall not develop initial set in less than one hour and final set in more than 10 hours, as tested with Vicat or Gillmore needle.

8.0 Compressive strength for normal blended cements.

8.1 The average compressive strength of five 2-inch mortar cubes composed of one part of blended cement and 2.75 parts graded Ottawa sand by weight shall be not less than the following:

Age at Test	Storage of Cubes	*Compressive Strength
7 days	1 day in moist air, 6 days in water	2200 lbs. sq. in.
28 days	1 day in moist air, 27 days in water	3500 lbs. sq. in.

*When tested in accordance with Fed. Spec. SS-C-158.

8.2 Tensile Strength.

The average tensile strength in lbs. sq. in. of not less than 5 mortar briquets composed of one part cement and 3 parts of Ottawa sand, by weight, shall be equal to or greater than the following:

Age at Test	Storage of Briquets	Tensile Strength Lbs. Sq. In.
3 days	1 day in moist air, 2 days in water	175
7 days	1 day in moist air, 6 days in water	275
28 days	1 day in moist air, 27 days in water	350

The average tensile strength of the mortar at 7 and 28 days shall be higher than that at 3 and 7 days respectively.

9.0 Blended cements having other properties.

9.1 When approval of the board is requested for the use of Blended Cements having high early strength, sulfate resistance or low heat of hydration, application shall be made to the board for additional tests to develop these properties.

PUBLIC HEARING

PROPOSED AMENDMENTS TO THE RULES FOR ARC AND GAS WELDING AND OXYGEN CUTTING, COVERING THE SPECIFICATIONS FOR DESIGN, FABRICATION AND INSPECTION OF ARC AND GAS WELDED STRUCTURES AND THE QUALIFICATIONS OF WELDERS AND SUPERVISORS (CAL. NO. 1-38-SR—VOL. II)

NOTICE IS HEREBY GIVEN that a public hearing will be held by the Board of Standards and Appeals on *Friday morning, March 18, 1955*, at 10 A. M. in Room 1013, Municipal Building, Manhattan, on the following Proposed amendments to the Rules for Arc and Gas Welding and Oxygen Cutting, Covering the Specifications for Design, Fabrication and Inspection of Arc and Gas Welded Structures and the Qualifications of Welders and Supervisors.

ADOPTED BY THE BOARD OF STANDARDS AND APPEALS FEBRUARY 25, 1938.

EFFECTIVE MARCH 21, 1938. AMENDED MAY 17, 1940, EFFECTIVE JUNE 10, 1940; AND SEPTEMBER 17, 1954, EFFECTIVE OCTOBER 18, 1954.

Authority:

Pursuant to the authority vested in the Board of Standards and Appeals by Section 666, paragraph 2, of the Charter of the City of New York and C26-514.0 of the Administrative Code (8.6.2.2).

These Proposed Amendments to the Rules for Arc and Gas Welding and Oxygen Cutting, as printed herein in *italics*, are as suggested by the Allied Building Metal Industries as to welding of light structural steel such as fire-escapes, railings, gratings, door-bucks, etc., which are generally shop welded.

Old matter, in brackets [], to be deleted; new matter, in *italics*, to be substituted therefor.

Rule 1. Application for Permits.

- 1.2 [The commencement of any structural welding work is forbidden until an application for a permit to perform such work is filed with and approved by the

Borough Superintendent. The Borough Superintendent shall be notified in writing at least 48 hours prior to the date when the structural welding work is to commence.]

Structural welding work shall be performed only by approved contractors employing certified welders.

Rule 9. Supervision and Inspection.

- 9.1 [Any welding to be done on a structure or any part thereof shall be performed under the supervision of a representative of a standard testing agency or an inspection agency responsible to the owner or licensed architect or licensed engineer. Such agency shall be acceptable to the Borough Superintendent.]

Any welding to be done on a structure or any part thereof, in the field, excluding bar joists, shall be performed under the supervision of a representative of the Department of Housing and Buildings, or a representative of a standard testing agency or an inspection agency responsible to the owner or licensed architect, or licensed engineer. Such agency shall be acceptable to the Borough Superintendent. Shop welding on structural steel performed by approved contractors shall be the responsibility of the approved contractor, and shall not require supervision or inspection.

Rule 11. Metal Chimneys, Tanks, Stairs and Fire-Escapes.

- 11.1 [Stairs and fire-escapes shall be considered as light structural steel and where shop welded, shall have attached thereto a tag or label, affixed by the standard Testing Agency, to the effect that these Rules have been complied with.]

Stairs, fire-escapes, railings, gratings, door-bucks and other miscellaneous and ornamental metal, ferrous and non-ferrous work, shall not be considered as structural steel and therefore when welded need not be inspected by a standard testing agency.

PROPOSED RULES COVERING DRY CLEANING ESTABLISHMENTS PURSUANT TO THE ZONING RESOLUTION OF THE CITY OF NEW YORK (CAL. 958-47-SR VOL. II)

NOTICE IS HEREBY GIVEN that a public hearing will be held by the Board of Standards and Appeals on *Friday, March 25, 1955*, at 10 A.M., in Room 1013, Municipal Building, Manhattan, on the Proposed Rules Covering Dry Cleaning Establishments, Pursuant to the Zoning Resolution of The City of New York.

These Rules are proposed to supersede those previously proposed under Calendar No. 958-47-SR, Vol. II on which a hearing was held March 12, 1954.

Authority

Section 666, Subd. 2 of the Charter of the City of New York and Article V, Section 21 and Article II, Section 4(a), Subd. 53 of the Zoning Resolution of the City of New York.

Application of Rules.

These rules shall be deemed to apply only to those excepted dry cleaning establishments existing or hereafter established, pursuant to Article II, Sections 4(a), Subd. 53, 4-A, 4-B and 4-C of the Zoning Resolution.

These rules shall not be deemed to modify or repeal Chapter 19 of the Administrative Code of the City of New York.

Zoning Resolution.

ARTICLE I—DEFINITIONS

§1. Definitions. * * *

(cc) For the purpose of this resolution, "dry cleaning" includes cleaning textiles, fabrics, garments or other articles by the use of solvents other than water, extraction of the

PUBLIC HEARING

solvents therefrom, and drying the same. A "dry cleaning unit" is the machinery or equipment in which textiles, fabrics, garments or other articles are carried through a complete cleaning cycle. A "dry cleaning unit" may consist of one or more detached component machines.

ARTICLE II—USE DISTRICTS

§4. Business Districts. (a) In a business district no building or premises shall be used, and no building shall be erected which is arranged, intended or designed to be used, for any of the following specified trades, industries or uses:

(11) Dyeing establishments.

(53) Dry cleaning establishments, except for establishments which conform to the restrictions set forth below:

(a) Not more than two dry cleaning units shall be installed, and such units shall have an aggregate dry load capacity of not more than 60 pounds, as rated by the Board.

(b) The gross floor area of the dry cleaning establishment, including space used for dry cleaning, pressing and incidental operations, and space used for storage, service of customers and convenience of employees, shall not exceed 2,000 square feet. However, additional space may be used on a lower floor which is either a basement or a cellar, provided that on such floor there shall be no dry cleaning and no storage of recently cleaned articles.

(c) No solvent having a flash point less than 138.2 degrees Fahrenheit shall be used, except for incidental removal of spots.

To protect the public health, safety and welfare in accordance with the general purpose and intent of this resolution, to safeguard the character of the predominant types of uses located in the districts affected, and to protect the occupants of nearby residences and other premises from traffic congestion, fire, explosion, vibration, noise, heat, smoke, odors, toxic vapors and other forms of air pollution, the Board, after public notice and hearing, may adopt, and from time to time amend, rules and regulations for the operation and maintenance of dry cleaning establishments permitted under subsections (a), (b) and (c) above. Such rules and regulations may cover inter alia location of entrances to and exits from such establishments, installation of equipment and hours of operation of such establishments. Such rules and regulations may also prescribe the conditions under which such establishments may exist in buildings in which residences are located.

Any dry cleaning establishment which was in existence prior to January 1, 1953 in any use district to which the provisions of this section apply, may be continued, but no such establishment shall be enlarged or extended, nor shall the capacity of its dry cleaning units be enlarged, except in conformity with all the provisions of this section. Such existing establishments shall be subject to the aforesaid rules and regulations of the Board.

Section 4-A. Retail Districts. In a retail district the same regulations and restrictions shall apply as are provided for business districts except that no manufacturing or treatment of products shall be carried on other than such as are incidental to the conduct of a retail business conducted on the premises, or such other manufacturing as is now permitted in a business district, provided that in such other manufacturing not more than five per cent (5%) of the total floor space of the building is so used. However, any use or uses specifically authorized under the provisions of §3 (10) shall be permitted in a retail district. In addition, dry cleaning establishments conforming to the provisions of §4(a) (53) shall be permitted in a retail district, provided such establishments are for retail purposes where services are performed directly for consumers or for transient hotels, or as an accessory use in transient hotels and department stores.

Section 4-B. Restricted Retail Districts. In a restricted retail district, the same regulations and restrictions shall apply as are provided for retail districts except, that in a restricted retail district no building or premises shall be used

and no building shall be erected which is arranged, intended or designed to be used for any of the following purposes:

(m) Dry cleaning establishments, other than an establishment conforming to the provisions of §4-A, which is located in a passenger terminal, or as an accessory use in a transient hotel or a department store.

Section 4-C. Local Retail Districts. In a local retail district, the same regulations and restrictions shall apply below the level of that first story ceiling as are provided for restricted retail districts, except that no manufacturing of any kind shall be permitted; and no building shall be erected or structurally altered which is arranged, intended or designed to be used above the level of the first story ceiling for any use not permitted in a residence district. However, the provisions of this section shall not apply to projects authorized pursuant to §3 (10) of this resolution. In addition, the provisions of §4-B(m) shall not apply, and dry cleaning establishments conforming to the provisions of §4-A shall be permitted in local retail districts.

Rule 1. Definitions.

For the purpose of these Rules, the following definitions shall apply.

1.1. The term "dry cleaning establishment" shall mean any room, place or space in which dry cleaning is performed, as defined in the Zoning Resolution.

1.1.1. Dry Cleaning establishments to which these Rules shall apply shall be divided into two classes: Class A and Class B.

1.1.2. Class A dry cleaning establishments shall mean dry cleaning establishments in which the dry cleaning solvent used in the dry cleaning unit shall be non-inflammable and non-combustible when tested in a tagliabue open cup tester and as rated by the Fire Commissioner.

1.1.3. Class B dry cleaning establishments shall mean dry cleaning establishments in which the dry cleaning solvent used in the dry cleaning unit shall have a flashpoint of not lower than 138.2 F. when tested in a tagliabue open cup tester and as rated by the Fire Commissioner.

1.1.4. For other purposes a dry cleaning establishment shall be as defined in Chapter 19 of the Administrative Code.

1.2. For the purposes of Sections 4-A and 4-C of the Zoning Resolution the terms "retail", "retail purposes" and "retail business" shall refer only to those dry cleaning establishments which perform services on articles conveyed directly by a retail customer to such dry cleaning establishment or collected directly from and delivered to the retail customer by any vehicle or any other means of effecting the same and such dry cleaning establishment directly processes such articles for such customer.

1.3. The term "existing" shall mean those dry cleaning establishments established prior to January 1, 1953.

1.4. The term "heretofore established" shall mean those dry cleaning establishments established on or after January 1, 1953 up until the effective date of these Rules.

1.5. The term "hereafter established" shall mean those dry cleaning establishments established after the effective date of these Rules.

1.6. The term "inflammable liquid solvents" shall mean such as will emit an inflammable vapor at a temperature below 100 degrees Fahrenheit when tested in a tagliabue open cup tester.

PUBLIC HEARING

- 1.7. The term "spotting" or "sponging" shall mean the local application of an "inflammable liquid solvent" to remove spots of dirt, grease, paint or stains from wear-apparel, textiles, fabrics or articles of any other sort.
- 1.8. All other terms used shall be as defined in the Zoning Resolution, Administrative Code, Multiple Dwelling Law, or Labor Law, when not inconsistent with the specific terms defined herein.

Rule 2. Approvals and Affidavits.

- 2.1. It shall be unlawful to use any premises for any hereafter established dry cleaning establishments without filing plans of that portion of the premises to be so used with the Department of Housing and Buildings by either the owner, lessee or agent of such premises on forms customarily furnished by the Department and an approval of the Department of Housing and Buildings obtained thereon.
 - 2.1.1. Before the Department of Housing and Buildings shall approve any plans of such hereafter established dry cleaning establishment which are Class B dry cleaning establishments the Fire Commissioner shall approve the plans submitted to the Department of Housing and Buildings as required by Rule 2.1.
- 2.2. The proprietors or agents of any heretofore established cleaning establishment shall file with the Department of Housing and Buildings statements under oath on forms furnished by the Department of Housing and Buildings as to the aggregate dry load capacity of the dry cleaning unit or units and the gross floor area of said establishment used in accordance with the Zoning Resolution, Sections 4(a), 53(b), and Rules 3.1 and 3.2.
- 2.3. The requirements of Rules 2.1, 2.1.1 and 2.2 shall not apply to existing dry cleaning establishments. The requirements of Rule 2.2 shall not apply to those heretofore established dry cleaning establishments which have previously obtained approvals on plans from the Department of Housing and Buildings where information substantially similar to that required to be furnished under said Rule 2.2. is on file with the said Department of Housing and Buildings.
- 2.4. All premises which contain existing dry cleaning establishments as well as all heretofore established and hereafter established dry cleaning establishments complying with the provisions of Rules 2.1, 2.1.1, 2.2 and 2.3 shall not be required to obtain a special certificate of occupancy relating to the use of the premises for a dry cleaning establishment.
- 2.5. No dry cleaning unit shall be installed six months after the effective date of these Rules unless such unit is approved by the Board of Standards and Appeals or unless an application for approval of the cleaning unit is filed with the Board of Standards and Appeals and a calendar number issued in connection therewith and a statement under oath is filed by the proprietor of the dry cleaning establishment or his agent that the dry load capacity of such dry cleaning unit is not greater than sixty pounds as defined below in Rule 2.6.
- 2.6. The dry load capacity of all dry cleaning units for the purpose of these rules and the Zoning Resolution shall be rated by the Board of Standards and Appeals on the basis of 2.8 pounds per cubic foot of the volume of the washing compartment for each washing cycle.
- 2.7. No dry cleaning solvent shall be used six months after the effective date of these Rules unless such solvent has been tested and rated by the Fire Commissioner or unless an application for such testing

and rating of such dry cleaning solvent is made with the Fire Commissioner.

- 2.7.1. It shall be unlawful to use any dry cleaning solvent in any dry cleaning unit having a flash-point other than that for which the dry cleaning unit is designed.

- 2.8. Except as otherwise expressly required by these Rules, nothing shall require any change in the construction, use of occupancy of any existing dry cleaning establishment or any change in the construction, use or occupancy in any heretofore established dry cleaning establishment which conforms with Sections 4(a), 53(a), (b) and (c), and Sections 4 (A), 4 (B) and 4 (C) of the Zoning Resolution adopted by the City Planning Commission on January 21, 1953.
- 2.9. No non-conforming existing dry cleaning establishment shall be enlarged or extended unless such extension or enlargement be made in a conforming manner.

Rule 3. Restrictions on Locations and Areas.

- 3.1. No dry cleaning establishment which is a heretofore established dry cleaning establishment or a hereafter established dry cleaning establishment shall have a gross floor area exceeding the aggregate of 2,000 square feet to be used for dry cleaning, pressing and incidental operations as well as space used for storage, service of customers and the convenience of employees. The square foot area limitation shall apply to the aggregate of all space so used on all floors and mezzanines of the premises involved above the cellar or basement thereof. Additional space may be used on a lower floor which is either a basement or cellar provided that on such floor there shall be no dry cleaning and no storage of recently cleaned articles. The use of such basement or cellar area may include the installation and use of a boiler, dead or cold storage, storage of supplies, storage and filtration of solvents and space utilized for specialized washing equipment.
 - 3.1.1. In calculating the gross floor area pursuant to Rule 3.1, the area restriction shall not include the area used by the non-dry cleaning operations of a multiple use type of service establishment where, in addition to dry cleaning, there may be a launderette, shirt laundering, shoe repairing, tailoring and alteration of garments, fur cleaning and glazing, and fur storage.
- 3.2. No Class B dry cleaning establishment hereafter established shall be permitted within any building:
 - 3.2.1. which is of wood frame construction;
 - 3.2.2. which is classified as a public building pursuant to Section C-26-235.0 of the Administrative Building Code;
 - 3.2.3. any part of which establishment is within 20 feet of any public building.

Rule 4. Egress.

- 4.1. The means of egress in all dry cleaning establishments shall be in conformity with the applicable provisions of the building laws and regulations governing such establishments. In addition thereto, all establishments shall conform to the following:
 - 4.1.1. A three foot (3 feet 0 inches) wide aisle providing access from the main work area to the required means of egress shall be provided. Such required aisle shall not be obstructed by any fixed obstruction in any manner whatsoever.

PUBLIC HEARING

- 4.1.2. In all hereafter established dry cleaning establishments all required exit doorways shall be arranged to swing outwardly in the direction of the egress.

Rule 5. Fire Prevention—Class B Establishments.

All hereafter established Class B dry cleaning establishments shall comply with the following:

- 5.1. No power or heating boiler shall be permitted in the same area or space where dry cleaning units are located, whether on the cleaning floor or floors or cellar or basement level unless either

(a) the boiler or boilers shall be enclosed in a 3-hour unpierced masonry enclosure and entered only from the outer air; or

(b) the boiler or boilers shall be enclosed in a 3-hour masonry enclosure with a one-hour fire proof self-closing door which opens into a ventilated vestibule similarly enclosed and entered by a one-hour fire proof self-closing door opening onto the interior of the premises or establishment.

- 5.1.2. The ceiling of all such boiler rooms as required in Rule 5.1 and the adjoining entrance vestibule referred to in Rule 5.1.(b) above shall be fire-retarded with one-hour fire resistive material.

- 5.2. Non-fire proof enclosing partitions and ceilings of any such dry cleaning establishment shall be fire-retarded with one-hour fire resistive materials and doors or in lieu thereof with one approved automatic one-inch wet pipe sprinkler head located over the cleaning unit which shall have its source of supply from the house water system.

- 5.3. All openings from any such dry cleaning establishment leading to a fire escape shall be equipped with a one-hour fire proof self-closing door or fire-proof window assembly.

- 5.4. Except as provided in Rule 5.1, there shall not be employed in any such dry cleaning establishment any device or apparatus employing flame or fire which is likely to produce an exposed spark except electric apparatus placed at least five feet above the floor, or approved type of "explosion proof electric motors". In such establishments all lighting shall be fitted with keyless sockets and all switches and receptacles shall be placed at least four feet above the floor. Nothing contained in this rule or Rule 5.1 shall prohibit the installation of any gas, oil or electric heating device of a type approved by the Fire Commissioner under such conditions as he shall prescribe.

- 5.5. All solvent used in the dry cleaning unit shall be either (a) received and stored in metal containers not exceeding 55 gallons each and pumped directly into a dry cleaning unit or units by means of a detachable leakproof pump and pipe system, or (b) received and stored in a tank or tanks in accordance with the rules of the Board of Standards and Appeals relating to the receiving and storing of fuel oils and pumped directly into a dry cleaning unit or units by means of a closed leakproof pipe and pump system.

Rule 6. Fire Prevention—Class A Establishments.

All hereafter established Class A dry cleaning establishments shall comply with the following:

- 6.1. No power or heating boiler having a grate area in excess of 3 square feet shall be permitted in the same area or space where dry cleaning units are located

unless such boiler or boilers shall be enclosed in a one-hour fire proof partition and entered by a one-hour fireproof self-closing door whether from the interior of the premises or establishment or to the outer air.

- 6.2. All ceilings of all such boiler rooms as provided in Rule 6.1 shall be fire-retarded with one-hour fire resistive material.

- 6.3. All openings from any such dry cleaning establishment leading to a fire escape shall be equipped with a fireproof self-closing door or fireproof window assembly.

Rule 7. Fire Prevention—All Dry Cleaning Establishments.

All existing, heretofore established or hereafter established dry cleaning establishments whether Class A or Class B shall comply with the following:

- 7.1. The provisions of Section C-19.161.0 of Chapter 19 of the Administrative Code.

- 7.2. No smoking shall be permitted in any such establishment except Class A establishments where fewer than six employees are employed. Approved signs shall be conspicuously posted to that effect as directed by the Fire Commissioner.

- 7.3. It shall be unlawful to store any inflammable liquids or solvents in quantities aggregating more than five gallons without a permit as provided in Article 9 of Chapter 19 of the Administrative Code.

- 7.4. All inflammable liquids and solvents used for spotting and sponging shall be contained in approved individual metal containers not exceeding two-quart capacity each.

- 7.5. All sludge or residue removed from a dry cleaning unit shall be placed in a metal container not exceeding 55 gallons of capacity with a tight fitting cover and shall be removed from the premises and disposed of in a lawful manner.

Rule 8. Ventilation.

- 8.1. All hereafter established dry cleaning establishments whether Class A or Class B shall be equipped with adequate ventilation to provide four complete changes of air volume an hour of such establishments during the operation of any dry cleaning units.

- 8.2. All Class A dry cleaning establishments whether existing, heretofore established or hereafter established shall have sufficient ventilation so as to prevent an excessive concentration of solvent vapors in the dry cleaning establishment. An excessive concentration of solvent vapors shall be that which exceeds the average of 200 parts of solvent vapors per one million parts of air during any working day.

- 8.3. The direct equipment exhausts or vents of any hereafter established dry cleaning establishment whether Class A or Class B shall terminate to the outer air in the following manner:

(1) At least 7 feet above the roof or legal street grade of the premises in which said establishment shall be located, and

(2) the exhaust shall be under static pressure by reason of a mechanical fan and the terminal of the exhaust, shall be at least five feet from any legal ventilating openings if said legal ventilating windows or legal ventilating openings lie on the

PUBLIC HEARING

same plane as the said exhaust terminal and when the said legal ventilating windows, or other legal ventilating openings lie on a plane which faces in the direction of the exhaust terminal the said terminal shall be at least 10 feet away from the same.

- 8.4. In all Class A dry cleaning establishments whether existing, heretofore established or hereafter established, all solvent used in the dry cleaning unit shall either (a) be received and stored in metal containers not exceeding 55 gallons each and pumped directly into a dry cleaning unit or units by means of a detachable leakproof pump and pipe system; or (b) be received and stored in a tank or tanks and pumped directly into a dry cleaning unit or units by means of a closed leakproof pipe and pump system.

Rule 9. Operating Precautions.

- 9.1. A printed notice embodying these Rules shall be posted in a conspicuous place in all dry cleaning establishments whether of Class A or Class B or whether existing, heretofore established or hereafter established.

- 9.2. The proprietor of any Class A establishment whether existing, heretofore established or hereafter established, shall furnish to any person cleaning out a dry cleaning unit containing any chlorinated hydrocarbon solvent an approved type respirator for his use during the process of cleaning out any such unit.

- 9.3. All equipment shall be installed in such manner as to minimize noise, vibration, smoke, and odors, and other forms of nuisances to the occupants of the premises in which such cleaning establishment may be located or to the occupants of any adjacent premises.

Rule 10. Penalties.

Any violation of these Rules shall be subject to the penalties prescribed in the Zoning Resolution therefor, in addition to other penalties prescribed by law.

Rule 11. Date of Rules.

The effective date of these rules is (the date of actual adoption).

WARNING

Notice is hereby given to all appellants and applicants, and to all lawyers, architects and engineers representing owners or lessees in proceedings before the Board—

First, That if they do not appear in person or by representative at the hearing of their case, dismissal for lack of prosecution is likely to result.

Second, That due and ample notice of the date set for hearing is provided in the publication in this BULLETIN of the calendars of the Board, each case being set down by Calendar Number and the premises under the date of the hearing.

Third, That no plea of ignorance of the date of the hearing can be entertained in view of this publication and of the posting of the calendars on the bulletin board in the offices of the Board and of the further publication of the calendars in the daily press.

Fourth, That no one is entitled to written notice of the date for the hearing in his case, and that the plea of failure

to receive such notice is no excuse for neglect to appear.

Fifth, That the business of the Board is to dispose of all cases promptly; therefore, no appeal or application will be held in abeyance by reason of failure of the appellant or applicant to file necessary data, or by any other method of delay.

Sixth, That no appeal or application will be accepted for filing unless, at the time of filing, all papers, plans and data required by law are supplied, as specified on the blank appeal or application forms.

Applicants, under the building zone resolution, are entitled to one copy of Form 7NO.

If they desire additional copies, for their own convenience in notifying proper owners, they may obtain such copies at the office of the Board of Standards and Appeals, Room 1014, Municipal Building, Manhattan, at five cents each—postage to be added if the forms are forwarded by mail.

Notice of Hearing Calendar.

Minutes of Regular Meeting, Tuesday Morning, February 8, 1955, Affecting Calendar Numbers 26-52-BZ—Vol. II, 673-53-BZ—Vol. II, 51-54-BZ, 280-54-BZ, 592-54-BZ, 599-54-BZ, 636-54-BZ, 642-54-BZ, 657-54-BZ, 677-54-BZ, 855-54-BZ, 384-20-BZ—Vol. II, 354-39-BZ—Vol. II, 159-54-BZ, 377-54-BZ, 525-54-BZ, 641-54-BZ and 842-54-BZ.

Minutes of Regular Meeting, Tuesday Afternoon, February 8, 1955, Affecting Calendar Numbers 282-54-A, 334-54-A, 11-55-A, 392-48-A, 378-54-A—Vol. II, 382-43-A—Vol. V, 848-52-A—Vol. II, 129-54-A, 421-54-A, 484-54-A, 491-54-A, 675-54-A, 297-34-BZ—Vol. III, 1011-38-BZ, 806-40-BZ—Vol. II, 924-50-BZ—Vol. II, 465-53-BZ, 689-53-BZ, 78-54-BZ, 160-30-BZ—Vol. II, 489-38-BZ—Vol. II, 708-38-BZ—Vol. III, 1085-38-BZ—Vol. II, 303-49-BZ—Vol. II, 659-50-BZ—Vol. III, 544-52-BZ, 694-53-BZ and 790-42-SM—Vol. II.

PUBLIC HEARINGS

Tuesdays at 10 a.m. to 2 p.m.

Special meetings as published in this Bulletin.

All hearings are held in Room 1013, Municipal Building,
Borough of Manhattan.

HOURS OF CONSULTATION

10. A. M. to 1 P. M.

Any person desiring to consult the chairman or the
engineers, pertaining to the work of the board, will be
seen only between the hours of ten in the morning and
one in the afternoon—Saturdays excepted.

NOTICE TO APPELLANTS AND APPLICANTS

No appeal or application will be entertained in connection
with which court proceedings are pending or in progress,
unless exception is granted by the chairman, nor accepted
which is not filed within thirty days from the date of the
action of the Administrative Official.

Any communication purporting to be an appeal or appli-
cation shall be regarded as a mere notice of intention to seek
relief until it is filed on the form required by the rules of
this board.

Upon receipt of any such communication the writer will
be supplied with the official forms for presenting his appeal
or application.

At the time of filing an appeal or application, the appel-
lant or applicant shall forward a signed notice of appeal
addressed to the administrative official either borough super-
intendent of buildings or fire commissioner and file with
this board a duplicate of said notice.

Appellant and applicants are advised that their plans must
indicate the points of the compass so as to establish the true
location and position of the property, the subject of the
appeal or application.

Appeals and applications will be simplified and disposition
of same expedited by conforming to these directions.

HARRIS H. MURDOCK, *Chairman*.

CALENDAR

DOCKET

New Cases filed up to February 8, 1955

Cal. No. Dept. Premises Affected

56-55-SM—Sta-Dri-Lin (bonding agent), manufactured by American Sta-Dri Co., Material.

57-55-A—H.B.M.—127-133 West 30th street, south side, 320.2 ft. west of Avenue of The Americas (6th), Block 806, Lot 58, Borough of Manhattan, B.N.—1008-54—re egress.

58-55-BZ—H.B.Q.—134-14 218th street, west side, 81.79 ft. south of Merrick boulevard, Block 13011, Lot 46, Springfield Gardens, Borough of Queens, Alt. 3048-54—re loading and unloading, storage for builders' materials; parking; curb cuts.

59-55-BZ—H.B.Bx.—4085-4099 Baychester avenue and 1970-1978 Edenwald avenue, southwest corner, Block 4981, Lots 49, 50, 53 and 54, Borough of The Bronx, N.B. 1541-54—re gasoline service station, lubritorium, auto washing (non automatic), parking and storage of cars to be serviced, etc.

60-55-BZ—H.B.B.—1111-1113 Bedford avenue and 312-324 Gates avenue, southeast corner, Block 1812, Lots 7 and 10, Borough of Brooklyn, N.B. 1644-54—re gasoline service station, auto washing, lubritorium, sales, minor repairs, etc.

61-55-BZ—H.B.Q.—19-21 Parsons boulevard, northeast corner of 20th avenue, Block 4630, Lot 1, Whitestone, Borough of Queens, N.B. 4735-54—re gasoline service station, lubritorium, auto laundry, parking of motor vehicles to be serviced, etc.

62-55-A—H.B.Q.—19-21 Parsons boulevard, northeast corner of 20th avenue, Block 4630, Lot 1, Whitestone, Borough of Queens—under section 35, General City Law re construction in bed of mapped street—proposed widening of Parsons boulevard, N.B. 4735-54.

63-55-BZ—H.B.Q.—45-09 161st street and 161-02 to 161-10 45th avenue, southeast corner, Block 5440, Lot 36, Bayside, Borough of Queens, Alt. 2931-54—re storage of lumber trim and building materials, etc.

64-55-SR—Rules for testing and use of air entraining cement, New York City Charter, Sec. 666, etc.

65-55-A—H.B.M.—417-431 28th street, north side, 375 ft. east of 10th avenue, Block 726, Lot 18, Borough of Manhattan, Alt. 514-54—re egress.

66-55-A—H.B.B.—224 Avenue N and 1494-1496 East 3rd street, southwest corner, front and rear buildings, Block 6584, Lot 10, Borough of Brooklyn, N.B. 1875-50—re multiple dwelling—yard required.

67-55-SM—Picone Cinder Brick (for use in masonry construction), manufactured by Picone Brothers Builders Supplies, Inc., Material.

68-55-SM—Kwik-Weld (bonding agent), manufactured by Chemical Products Co., Material.

69-55-A—F.D.—220 East 42nd street, south side, 230 ft. west of 3rd avenue, Block 1315, Lot 24; 10th and 11th floors, Borough of Manhattan, Decision re Order No. 4200-4—re sprinkler system.

70-55-BZ—H.B.M.—142-148 East 41st street, south side and 145-147 East 40th street, north side, 100 ft. west of 3rd avenue, Block 1295, Lots 29, 30, 41 and 44, Borough of Manhattan, Alt. 2047-54—re change in use in cellar from storage to storage garage, etc.; parking of cars on roof, etc.

71-55-A—H.B.M.—142-148 East 41st street, south side, and 145-147 East 40th street, north side, 100 ft. west of 3rd avenue, Block 1295, Lots 29, 30, 41 and 44, Borough of Manhattan, Alt. 2047-54—re stairway; opening in wall; non-fireproof building; enclosed stairways, egress.

Restored to Docket

378-54-A—Vol. II—H.B.B.—580-598 Fulton street and 63-81 Rockwell place, southeast corner, 1st floor; Block 2107, Lot 15, Borough of Brooklyn, Alt. 5545-53.

392-48-A—Vol. II—H.B.Q.—1043 48th avenue, north side, 150 ft. west of 11th street, ground floor; Block 45, Lot 19, Long Island City, Borough of Queens, Amendment to Alt. 1254-47.

790-42-SM—Vol. II—USG Rocklath and Diamond Liner (gypsum lath) Plasterboard with Aluminum Foil Backing (reopened to consider adding similar Canadian products for sale in New York City), manufactured by United Gypsum Co., Material.

694-53-BZ—H.B.Q.—253-11 Hillside avenue and 83-52 to 83-60 Little Neck parkway, northeast corner and 83-51 to 83-59 253rd street, Block 8596, Lot 33, Bellerose, Borough of Queens, N.B. 3525-53.

1085-38-BZ—Vol. II—H.B.B.—5307-5315 21st avenue and 1072-1082 Dahill road, southeast corner, Block 5495, Lot 465, Borough of Brooklyn, N.B. 1528-54.

659-50-BZ—Vol. III—H.B.Q.—251-61 to 251-71 Jamaica avenue, north side, 200.09 ft. west of Little Neck parkway, Block 8668, Lot 118, Bellerose, Borough of Queens, N.B. 3875-53.

THE VOTE—

Affirmative: Chairman Murdock, Commissioners Klei-
ert and Keating and Deputy Chief Connolly 4

Negative: 0

384-20-BZ—Vol. II

APPLICANT—Leonard F. Rothkrug, for Catherine Egenberger, owner, Quality Mirror Works, Inc., lessee.

SUBJECT—Application March 2, 1954 (decision of the borough superintendent), under section 7c of the zoning resolution, to permit in a residence and business use district the change in occupancy from public garage to manufacturing of mirrors and the installation of a spray booth, without the required height for loading and unloading berth.

PREMISES AFFECTED—754-764 Jamaica avenue and 1-7 Chestnut street, southeast corner, Block 4104, Lot 24, Borough of Brooklyn.

APPEARANCES—

For Applicant: Leonard F. Rothkrug.

For Opposition: None.

For Administration: Samuel L. Becker, Dep't of Housing and Buildings.

ACTION OF BOARD—Application granted on condition.

THE VOTE—

Affirmative: Chairman Murdock, Commissioners Klein-
ert and Keating and Deputy Chief Connolly 4

Negative: 0

THE RESOLUTION—

WHEREAS, this application was reopened as Vol. II on March 23, 1954 subject to regular procedure, to consider new proposed use; and

WHEREAS, a public hearing was held on this application on January 11, 1955 after due notice by publication in the Bulletin; laid over to February 8, 1955, for inspection and decision without further argument; hearing closed; and

WHEREAS, the district maps accompanying the zoning resolution show that the site, Jamaica avenue and Chestnut street are in residence and business use, C area, class 1 height districts; and

WHEREAS, the decision of the borough superintendent, dated February 10, 1954 acting on Alt. Applic. 3710-53, reads:

"1. Proposed change of occupancy from public garage to mfg. of mirrors & installation of a spray booth in a bldg. located partly within a residential district is contrary to Art. 2 Sect. 3 of the zone resolution.

2. Provisions for a loading & unloading berth in accordance with Sect. 19A (g1 & g2) of the zone resolution."

and

WHEREAS, the applicant states that the premises consist of a plot, 100 ft. 8 in. and 108 ft. 4 in. frontage by 116 ft.

MINUTES

6 in. and 150 ft. in depth, irregular, on which is located a one story building, 14 ft. 10 in. in height, erected in 1920 under N.B. 7553-20, of class 3 construction and used and occupied at that date in accordance with certificate of occupancy No. 7845 issued March 21, 1921 and in accordance with the resolution of the Board acting on Cal. No. 384-20-BZ dated July 20, 1920, permitting the use of the building as a garage; that application was again made to the Board under the same calendar number for the inclusion of a gasoline service station in the garage for more than five cars, which was granted on condition on December 14, 1937; that the district maps accompanying the zoning resolution show Jamaica avenue and for a distance of 100 ft. south of and parallel with Jamaica avenue is in a business use district, the remaining portion being in a residence use district; that the entire site is located in a C area, class 1 height district; and

WHEREAS, the applicant contends that the building was occupied as a garage for more than five cars until October 1952, about which time the owner leased the premises as an ice cream plant in violation of the resolution of the Board and the certificate of occupancy; that in August of 1953 the present lessee entered into possession under a 19 year lease, to occupy the building for light manufacturing; that the lessee is engaged in the manufacture of small hand mirrors sold principally for the pocketbook trade and manufacture of mirrors for automobiles; and

WHEREAS, the applicant further contends that it is now proposed to legalize the change in use to permit the manufacturing of mirrors and the maintenance of a spray booth used in connection with such manufacturing; that it is not proposed to structurally alter the building, other than to provide a women's dressing room adjacent to the existing office and toilet rooms and to close up both windows in the residence use portion of the premises; and

WHEREAS, the applicant states that the premises occupy an area of approximately 13,300 sq. ft. of which all but approximately 2,300 sq. ft., or less than 20%, is located in a residence use district; that there are to be no openings on any of the lot lines and there is only one exit, 3 ft. in width, out to Chestnut street, in compliance with Labor law provisions; that the premises is located opposite the Salem Field cemetery and the adjoining lots in this block, facing Jamaica avenue, are used as a stone and cemetery monumental works, which is a non-conforming use; that the proposed loading and unloading in the premises will take place through the Jamaica avenue entrance, located adjoining the monument works; that there are two existing curb cuts on Jamaica avenue which will be maintained; that loading and unloading will take place through the easterly existing opening, which is 12 ft. in width and 11 ft. 11 in. in height; that it is proposed to maintain the opening, which is sufficient, but the requirement that the opening be a minimum of 14 ft. will effect a hardship upon the occupant of the building because of the structural changes which would become necessary; that any trucks used are small trucks rather than the large trailer trucks; and

WHEREAS, the applicant states that the present owner has held title to the property since May 6, 1932; that the assessed valuation of land is \$18,000 and of the building \$30,000 making a total of \$48,000; that the building was erected in 1920; and

WHEREAS, the premises and surrounding area were inspected by a committee of the Board; the committee has taken cognizance of the objections raised and also of the method of the manufacturing processes that are used in the building, which appear to be substantially noiseless, and recommends that the application should be granted on condition; and

WHEREAS, the Board found that this was an appropriate case in which to exercise discretion to grant under Section 7, Subdivision c of the Zoning Resolution.

Resolved, that the Board of Standards and Appeals does hereby make a variation in the application of the use district regulations of the zoning resolution and that the application be and it hereby is granted under Section 7c to permit the

existing building, formerly approved for the area and use, as a storage garage to be occupied within the area as proposed and shown on plans marked, "Received, March 2, 1954," (one sheet) and, "December 1, 1954" (2 sheets), on condition that the building shall not be increased in height or area; that there shall be no windows or other openings on the lot lines within the residential district; that any windows or openings existing shall be closed; that no additional openings shall be erected to Chestnut Street, other than the existing three (3) foot door opening which shall be only for exit purposes in the event of emergency; that this variance shall continue only as long as the building is maintained for the use now existing on the premises and for no other; that the type of machinery shall not be substantially different from what is now used; that under Section 19A subdivision j the loading space may be as proposed and shown on such drawings above cited; that such fire fighting equipment shall be maintained as the Fire Commissioner shall direct; that in all other respects the building and occupancy shall comply with all laws, rules and regulations applicable thereto; that spraying equipment shall be relocated within the business use area and ventilated through the roof with exhaust facing Jamaica avenue; that gasoline dispensing pumps shall be removed and storage tanks sealed; and that all permits shall be obtained, including a new Certificate of Occupancy, within six months of the date of this resolution.

354-39-BZ—Vol. II

APPLICANT—Lama, Proskauer and Prober, for Direct Realty Company, owner, Socony Vacuum Oil Company, Inc., lessee.

SUBJECT—Application August 19, 1954 (decision of the borough superintendent), under sections 7c and 7i of the zoning resolution, to permit in the business use portion of a lot located in a residence and business use district, the maintenance of existing gasoline service station, car washing, lubritorium, utility room, office, and the parking of motor vehicles waiting to be serviced, and to add the use of motor vehicle repairs, and to permit the facing of the front and two sides of accessory building with porcelain enamel.

PREMISES AFFECTED—3525-3529 White Plains road, west side, 15.44 ft. north of Gun Hill road, Block 4643, part of Lot 9, Borough of the Bronx.

APPEARANCES—

For Applicant: Alfred A. Lama.

For Opposition: None.

For Administration: Samuel L. Becker, Dep't of Housing and Buildings and C. J. Cammarata, N. Y. C. Housing Authority.

ACTION OF BOARD—Application granted on condition.

THE VOTE—

Affirmative: Chairman Murdock, Commissioners Kleinfert and Keating and Deputy Chief Connolly 4

Negative: 0

THE RESOLUTION—

WHEREAS, this application was reopened as Vol. II on September 21, 1954 subject to regular procedure, to consider alteration and additional uses; and

WHEREAS, a public hearing was held on this application on January 11, 1955 after due notice by publication in the Bulletin; laid over to February 8, 1955, for inspection and decision without further argument; hearing closed; and

WHEREAS, the district maps accompanying the zoning resolution show that the site and White Plains road are in residence and business use, C area, class 1½ height districts; Gun Hill road is in retail and business use, C area, class 1½ height districts; and

WHEREAS, the decision of the borough superintendent, dated July 2, 1954 acting on Alt. Applic. 303-54, reads:

"1. The proposed change of use of the gasoline service station, lubritorium, car washing, office, parking of cars being serviced to gasoline service station, lubri-

MINUTES

torium, car washing, office, parking of cars being serviced and minor auto repairs (hand tools only) in a Residence and Business use district, said use is wholly in a business use district is contrary to Art. II Sec. 4 (a) 29 Zoning Resolution.

2. Facing of trim and two (2) sides with Porcelain Enamel are not in agreement with plans on file."

and

WHEREAS, the applicant states that the premises consist of a plot, 104.16 ft. frontage by 103 ft. in depth, irregular, on which is located a gasoline service station consisting of four 550 gallon gas tanks and four dispensing pumps, a one story building of class 3 construction having a frontage of 57 ft. 1/2 in., a depth of 25 ft. 8 3/4 in., being used for car washing, lubritorium, utility room and office; that the open area is being used for parking of cars waiting to be serviced; that the existing gas station was erected under N.B. No. 698 of 1938 and a variance of the Board under Cal. No. 354-39-BZ; that certificate of occupancy No. 1426 was issued on May 21, 1940 for use of the premises as a gas station; that under Cal. No. 354-39-BZ the Board restricted the size of the gas station to that part of lot No. 9 having a frontage of 104.16 ft. on White Plains road, 75 ft. on the southerly lot line, 103 ft. on the northerly lot line and 100 ft. on the imaginery westerly lot; that these metes and bounds place the entire gas station within the business zone part of lot No. 9; that it is proposed to maintain the same size plot entirely in the business zone, and the existing use of gas station, car wash, lubritorium, utility room, office, parking of cars being serviced, and add the use of minor auto repairs with hand tools only; that it is also proposed to face the front and two sides of the accessory building with porcelain enamel; and

WHEREAS, the applicant contends that inasmuch as this is a legal existing gas station, which has proven its necessity by continuous operation since its inception, the addition of minor auto repairs, which today is a vital necessity to the successful operation of a gas station, will not affect the surrounding property owners and will be a better service to the community; that all servicing will be done within the building; that facing of the building with porcelain enamel will improve the appearance of the gas station; and

WHEREAS, the applicant states that the present owner has held title to the property since May 29, 1906; that the assessed valuation of land is \$29,000 and of the building \$6,000 making a total of \$35,000; that the building was erected in 1938; and

WHEREAS, the premises were not inspected by a committee of the Board but the Board is generally familiar with the area on White Plains Road near Gun Hill Road where these premises are located and it appears that there is no change in the proposed area of the portion of the plot; and

WHEREAS, the Board found that this was an appropriate case in which to exercise discretion to grant under Section 7, subdivisions c and i of the Zoning Resolution.

Resolved, that the Board of Standards and Appeals does hereby make a variation in the application of the use district regulations of the zoning resolution and that the application be and it hereby is granted under Section 7c, to permit the existing service station on the area, as previously permitted, and as now proposed to be reconstructed and rearranged substantially as proposed and as indicated on plans filed with this application marked, "Received, August 19, 1954" (4 sheets) and "November 18, 1954" (one sheet), and to permit the addition of two (2) 550 gallon approved type gasoline storage tanks, and the rearrangement and refacing of the building as proposed, provided the refacing is of a type of material that has been approved by the Board for such use; that under Section 7i there may be minor repairing with hand tools for adjustments only maintained solely within the accessory building; that the building and occupancy shall in all other respects comply with all laws, rules and regulations applicable as previously permitted under resolution adopted by the Board on July 18, 1939, where not inconsistent with this amended resolution; that

such portable fire fighting appliances shall be maintained as the Fire Commissioner shall direct; and that all permits shall be obtained, all work completed and a new Certificate of Occupancy obtained within the requirements of Section 22A of the Zoning Resolution.

159-54-BZ

APPLICANT—J. Paul Frampton, for Harry Bram, owner, Ciro Sanicola, lessee.

SUBJECT—Application March 4, 1954 (decision of the borough superintendent), under section 7c of the zoning resolution, to permit in a residence use district the reconstruction and extension of existing gasoline service station to include lubritorium, store and office.

PREMISES AFFECTED—779-787 Crescent street, southwest corner of Linden boulevard, Block 4486, Lot 1, formerly lots 1 and 4, Borough of Brooklyn.

APPEARANCES—

For Applicant: J. Paul Frampton, Harry Bram and Ciro Sanicola.

For Opposition: None.

For Administration: Samuel L. Becker, Dep't of Housing and Buildings.

ACTION OF BOARD—Application granted on condition.

THE VOTE—

Affirmative: Chairman Murdock, Commissioners Kleinert and Keating and Deputy Chief Connolly 4

Negative: 0

THE RESOLUTION—

WHEREAS, a public hearing was held on this application on December 14, 1954 after due notice by publication in the Bulletin; laid over to February 8, 1955, for applicant to file revised plans showing accessory building along the easterly wall of the premises; hearing previously closed; and

WHEREAS, the district maps accompanying the zoning resolution show that the site, Crescent street and Linden boulevard are in a residence use, D area, class 1 height district; and

WHEREAS, the decision of the borough superintendent, dated February 18, 1954 acting on N.B. Applic. 1330-53, reads:

"1. In a residence use district, the proposed reconstruction of the existing gasoline service station and the extension of the use to the adjoining lot is contrary to Art. II Sec. 3 of the Zoning Resolution."

and

WHEREAS, the applicant states that the premises consist of a plot, 100 ft. and 90 ft. frontage by 73 ft. 3 in. in depth, irregular; that the premises, present lot No. 1, was formerly recorded as two separate lots, Nos. 1 and 4; that former lot No. 1 consisted of a frontage of 90 ft. along Crescent street and a frontage of 60 ft. along Linden boulevard; that permitted non-conforming use of this lot is as indicated on certificate of occupancy No. 67627 issued June 6, 1932 for gas station and two car greasing pits, which superseded certificate of occupancy No. 57565 issued August 29, 1929; that certificate of occupancy No. 57565 permitted the use of this lot as a gasoline service station along with a store and workroom in conjunction with the station; that former lot No. 4, the adjoining interior lot with a frontage of 40 ft. on Linden boulevard, was zoned for residence use and is now so zoned, and unoccupied; and

WHEREAS, the applicant requests permission, in a residence use district, for the following: extension of the non-conforming use of gasoline service station to the entire premises now recorded as lot No. 1 (combined lots 1 and 4); and

WHEREAS, the applicant contends that the portion of present lot No. 1, formerly recorded as lot No. 4, is unsuited for residence use because of the adjoining non-conforming uses; that the ground level is considerably below the legal grade and is unsightly; that it is proposed to bring the surface to legal grade and pave with asphalt, thereby improving the appearance of this section of the lot, which, if restricted

MINUTES

to residence use, will continue to detract from the appearance of the neighborhood; that it is also proposed to demolish the present frame structure, now used as a store and workroom, and to construct a new building, to be used as a store, lubricatorium and utility room in conjunction with the gas station; that the present frame building, 17 ft. by 24 ft., is entirely inadequate in size to serve the needs of a modern gas station; that material and equipment ordinarily kept indoors must of necessity be kept outside of the building, with the resulting untidy appearance; that an indoor lubricatorium will greatly improve the appearance of the neighborhood by permitting the removal of the outdoor grease pits; that future residents of the nearby new housing developments will also benefit by the better service rendered with modern facilities; and

WHEREAS, the applicant states that the present owner has held title to lot No. 1 since 1930 and to a section of lot No. 1, formerly balance of lot No. 4, since 1944; that the assessed valuation of land is \$14,700 and of the building \$2,500 making a total of \$17,200; that the building was erected 1928; and

WHEREAS, the premises and surrounding area were inspected by a committee of the Board; and

WHEREAS, the Board found that this was an appropriate case in which to exercise discretion to grant under Section 7, Subdivision c of the Zoning Resolution.

Resolved, that the Board of Standards and Appeals does hereby make a variation in the application of the use district regulations of the zoning resolution and that the application be and it hereby is granted under Section 7c to permit the rearrangement and reconstruction of the legally existing gasoline service station substantially as proposed and as indicated on plans filed with this application marked, "Received, March 4, 1954" (4 sheets), "November 3, 1954" (one sheet), "December 9, 1954" (3 sheets), and "February 4, 1955" (one sheet), on condition that all buildings on the premises shall be removed and the premises shall be levelled substantially to the grade of Linden Boulevard, and shall be rearranged and reconstructed substantially as indicated on revised plans marked, "Received, February 4, 1955"; that there shall be no cellar under the accessory building; that the accessory building shall be arranged and located as indicated on such revised plans marked, "Received, February 4, 1955" and shall be of a design as indicated on plans marked, "Received, March 4, 1954"; that the structure shall be faced with face brick; that there shall be no windows in the accessory building opening on a lot line of adjoining premises; that curb cuts shall be limited to two (2) curb cuts to Linden Boulevard located substantially where shown, each not over 25 feet in width, and two (2) curb cuts to Crescent Street of similar width, located where shown; that there shall be erected within the intersection of Linden Boulevard and Crescent Street a block of concrete extending for a distance of not less than five feet along either building line and not less than 12 inches in height; that signs shall be restricted to a permanent sign attached to the facade of the accessory building and to the illuminated globes of the pumps, excluding all roof signs, but permitting the erection within the intersection of Linden Boulevard and Crescent Street of one post standard for supporting a sign, which may be illuminated, advertising the brand of gasoline on sale and permitting such sign to extend beyond the building line, with either one or two leaves, for a distance of not more than four feet; that no post standard shall be erected at the locations as shown on revised plans marked, "Received, February 4, 1955"; that the sidewalks and curbing around the premises shall be constructed or repaired to the satisfaction of the Borough President; that the balance of the premises, where not occupied by accessory building and pumps, shall be paved with concrete or asphaltic pavement; that the existing open grease pit for truck work may be retained in the position where shown provided no additional open pits or equipment are installed; that pumps shall be of a low approved type and shall not be erected nearer than ten feet to the street building line of Linden Boulevard and Crescent Street, as shown on such revised plans marked, "Received, February 4, 1955"; that such fire fighting appliances shall be main-

tained as the Fire Commissioner shall direct; that along the interior lot lines to the east and south there shall be erected a masonry wall where walls of the existing accessory building do not occur; that such wall shall not be less than five feet six inches in height but may be reduced to a height of four feet six inches within ten feet of either street building line; and that all permits shall be obtained and all work completed within the requirements of Section 22A of the Zoning Resolution.

377-54-BZ

APPLICANT—Charles M. Spindler, for Muller Bros. Holding Corp., owner.

SUBJECT—Application May 11, 1954 (decision of the borough superintendent), under section 7e of the zoning resolution, to permit in a residence use district the change in occupancy from storage garage for more than five motor vehicles to warehouse, packaging and crating (incidental to movers' business) and office, for a term of ten years.

PREMISES AFFECTED—70-01 67th place, 67-26 to 67-34 70th avenue, southeast corner, Block 3653, Lot 1, Glendale, Borough of Queens.

APPEARANCES—

For Applicant: Joseph C. Haus.

For Opposition: Henry A. Giesler.

For Administration: Samuel L. Becker, Dep't of Housing and Buildings.

ACTION OF BOARD—Application granted on condition.

THE VOTE—

Affirmative: Chairman Murdock, Commissioners Kleintert and Keating and Deputy Chief Connolly 4

Negative: 0

THE RESOLUTION—

WHEREAS, a public hearing was held on this application on December 14, 1954 after due notice by publication in the Bulletin; laid over to February 8, 1955, for inspection and decision; hearing closed; and

WHEREAS, the district maps accompanying the zoning resolution show that the site and 70th avenue are in a residence use, C area, class 1 height district; 67th place is in residence and business use, C area, class 1 height districts; and

WHEREAS, the decision of the borough superintendent, dated April 13, 1954 acting on Alt. Applic. 735-54, reads:

"1. The change of occupancy from storage garage for more than five motor vehicles to warehouse, office, packaging and crating (incidental to movers' business) in a Residential Use District is contrary to Art. II Sec. 3 of Zoning Resolution."

and

WHEREAS, the applicant states that the premises consist of a plot, 87.90 ft. frontage by 96.08 ft. in depth, on which is located a one story brick building located on the southeast corner of 70th avenue and 67th place; that this building was constructed in 1924 under N.B. 19905-24, at which time the premises was in an unrestricted use district; that certificate of occupancy No. Q66600 was issued for a storage garage for more than five motor vehicles; that this building is now occupied without a permit as a warehouse for the crating and shipping of household effects and a violation has been issued for this change in occupancy; and

WHEREAS, the applicant further states that this building is now owned and occupied by a moving and storage firm and is being used for the crating and shipping of army officers' furniture and household effects; that the owner has a contract with the Mitchel Air Force Base to do this work for all of their commissioned personnel who are sent on overseas duty; that a photostatic copy of a letter from the Air Force base certifying to this fact and stating the importance to the army of this work is filed with this application; that no changes are proposed in the construction or layout of the building, which remains exactly as it was when occupied as a garage; that the only physical change proposed is to remove the existing gasoline pump and discontinue and seal the gas tank; that the building has un-

MINUTES

pierced masonry walls along both interior lot lines as well as a 4 ft. court along the south lot line; that business is conducted only during normal working hours and the premises are never open on Sunday or legal holidays; that there are only a few shipments each day and the warehousing conducted on the premises is only the temporary storage of household effects awaiting assembly and crating; and

WHEREAS, the applicant contends that the proposed occupancy is far less objectionable than the permitted garage use, which would ordinarily be open 24 hours a day and 7 days a week; that the garage use would also generate far more traffic than the use proposed; that there is a sliver of land paralleling this building and extending a number of blocks to the east; that this sliver, known as lot No. 5, has no owner, is less than 3 ft. wide and represents the old line of Edsall avenue; that apparently the lines of this old street did not coincide with the lines of 70th avenue as laid out on the final city map and this strip became a fragment of lost property; that the use zone of these premises was changed from unrestricted to residence on June 19, 1926; and

WHEREAS, the applicant requests that the variance herein sought be granted for a temporary term of 10 years with permission to revert to the original legal garage occupancy upon completion of this period; that in view of the fact that the change in occupancy herein requested will in no way change the appearance of the building and will reduce the traffic and the business hours below those permitted as a garage, it is requested that this application be granted; and

WHEREAS, the applicant states that the present owner has held title to the property since May 5, 1952; that the assessed valuation of land is \$9,500 and of the building \$30,500 making a total of \$40,000; that the building was erected 1924; and

WHEREAS, the premises and surrounding area were inspected by a committee of the Board and the committee finds that the use proposed at the present time seems to be a use which is no more objectionable than the former garage use and the committee recommends that the application should be granted on condition; and

WHEREAS, the Board found that this was an appropriate case in which to exercise discretion to grant under Section 7, Subdivision c of the Zoning Resolution.

Resolved, that the Board of Standards and Appeals does hereby *make a variation* in the application of the use district regulations of the zoning resolution and that the application be and it hereby is *granted* under Section 7e for a term of ten (10) years to permit the building, formerly approved as a storage garage, to be used and occupied substantially as proposed and as indicated on plans filed with this application marked, "Received, May 11, 1954" (4 sheets) *on condition* that the building shall not be increased in height or area; that this variance shall continue only so long as the premises are occupied by Muller Bros. Holding Corp. for the purpose for which the building is presently used; that there shall be no storage of motor vehicles or repairing of motor vehicles within the premises; that the former gasoline storage equipment shall be removed or sealed to the satisfaction of the Fire Commissioner; that no power driven wood working machinery shall be used on the premises; that there shall be no signs erected, except that there may be a small sign not over five (5) square feet erected near an entrance door stating the owner's name and type of business; that such fire fighting equipment shall be installed as the Fire Commissioner shall require; and that all permits and a new Certificate of Occupancy shall be obtained within six months of the date of this resolution.

525-54-BZ

APPLICANT—Lama, Proskauer and Prober, for David M. and Joseph Fisch, owners.

SUBJECT—Application June 23, 1954 (decision of the borough superintendent), under section 7e of the zoning resolution, to permit in a residence use district, for a term of ten years, the change in occupancy from garage to florist

supply, manufacturing of florists' ornaments and decorations, sales and storage, loading and unloading and the storage of two trucks.

PREMISES AFFECTED—1236-1240 President street, south side, 275.2 ft. west of New York avenue, Block 1283, Lot 26, Borough of Brooklyn.

APPEARANCES—

For Applicant: Alfred A. Lama.

For Opposition: Joseph Krinsky, Isadore Spevack and Mabel Goldberg.

For Administration: Samuel L. Becker, Dep't of Housing and Buildings.

ACTION OF BOARD—Application granted on condition.

THE VOTE—

Affirmative: Chairman Murdock, Commissioners Kleintert and Keating and Deputy Chief Connolly 4

Negative: 0

THE RESOLUTION—

WHEREAS, a public hearing was held on this application on December 14, 1954 after due notice by publication in the Bulletin; laid over to February 8, 1955, for inspection and decision; hearing closed; and

WHEREAS, the district maps accompanying the zoning resolution show that the site is in a residence use, B area, class 1¼ height district; President street is in residence and business use, B area, class 1¼ height districts; New York avenue is in a business use, B area, class 1¼ height district; and

WHEREAS, the decision of the borough superintendent, dated June 8, 1954 acting on Alt. Applic. 1011-54, reads:

"7. The change of use from a garage to florist supply, manufacturing of florist ornaments and decorations, sales and storage, loading and unloading and storage of two (2) trucks in a residence use district is contrary to Art. II Sec. 3 of the Zoning Resolution.

and

WHEREAS, the applicant states that the premises consist of a plot, 50 ft. frontage by 27 ft. 9½ in. in depth, on which is located a class 3 building, one story in height, erected under N.B. 1441 of 1914, to be used as a garage and for which no certificate of occupancy has been issued; that it is proposed to secure a variance, for a term of 10 years, in order to change the use of the building to florist supply, manufacturing of florist ornaments and decorations, sales and storage, loading and unloading, and storage of two trucks; and

WHEREAS, the applicant contends that inasmuch as the building now has a non-conforming use, installed before the enactment of the zoning resolution, it is only proposed to replace the present non-conforming use with another non-conforming use; that the new use will be less hazardous and have no adverse effect on the area as compared to the present garage; that although President street is in a residence zone, the street at this point is definitely unrestricted in character as shown by the garage use on the site, the garage use directly opposite in block 1276, lot 58, the garage in block 1276, lot 72 diagonally across the street and the garage building immediately adjacent to the site in block 1283, lot No. 1; that the proposed use will be entirely in harmony with President street as it has developed at this point; and

WHEREAS, the applicant states that the use, height and area designations have not been changed since 1916; and

WHEREAS, the applicant states that the present owner has held title to the property since January 5, 1954; that the assessed valuation of land is \$16,500 and of the building \$13,500 making a total of \$30,000; that the building was erected 1914; and

WHEREAS, the premises and surrounding area were inspected by a committee of the Board; and

WHEREAS, the committee has taken account of the existence of this building, formerly a garage, also a garage across the street and a building beginning at this site and extending towards Nostrand avenue that formerly was a trolley car barn and is now used for storage of busses, presumably with a Certificate of Occupancy and which is reported to be

MINUTES

one of several sites under consideration for a new junior high school, and the committee recommends that in view of the proposed use, which appears to be no more objectionable than the former storage garage use, the application should be granted for a term of ten years.

Resolved, that the Board of Standards and Appeals does hereby *make a variation* in the application of the use district regulations of the zoning resolution and that the application be and it hereby is *granted* under Section 7e, for a term of ten (10) years from the date of this resolution, to permit the building to be occupied substantially as proposed as a place for the storage of florist supplies, as indicated on plans filed with this application marked, "Received, June 23, 1954" (4 sheets), *on condition* that the building shall not be increased in height or area; that this variance shall continue only so long as the building is occupied for the use proposed, which is already in the building; that such fire fighting equipment shall be maintained as the Fire Commissioner shall direct; that all permits, and a Certificate of Occupancy for the proposed use, shall be obtained within six (6) months of the date of this resolution; that the gasoline dispensing system, including the tanks, shall be removed or sealed to the satisfaction of the Fire Commissioner; and that in all other respects the building and occupancy shall comply with all laws, rules and regulations applicable thereto and the building shall not be increased in height or area.

641-54-BZ

APPLICANT—Paul Friedman, for Albert Gotlieb, owner, Rich-Haven Motor Sales, Inc., lessee.

SUBJECT—Application August 5, 1954 (decision of the borough superintendent), under sections 7e and 7h of the zoning resolution, to permit in the residence use district portion of a lot located in a residence and business use district, the free parking of employees' and patrons' cars as accessory to authorized automobile dealer's use, located at 98-09 Jamaica avenue, for a term of fifteen years.

PREMISES AFFECTED—98-02 to 98-14 Jamaica avenue and 87-01 to 87-19 98th street, southeast corner, Block 9286, Lot 123, Woodhaven, Borough of Queens.

APPEARANCES—

For Applicant: Paul Friedman.

For Opposition: None.

For Administration: Samuel L. Becker, Dep't of Housing and Buildings.

ACTION OF BOARD—Application granted on condition.

THE VOTE—

Affirmative: Chairman Murdock, Commissioners Klei-
ert and Keating and Deputy Chief Connolly 4

Negative: 0

THE RESOLUTION—

WHEREAS, a public hearing was held on this application on January 4, 1955 after due notice by publication in the Bulletin; laid over to February 8, 1955, for inspection and decision; applicant to file new decision of the Borough Superintendent; hearing closed; and

WHEREAS, the district maps accompanying the zoning resolution show that the site and 98th street are in residence and business use, C area, class 1 and class 1¼ height districts; Jamaica avenue is in business and unrestricted use, C area, class 1 and class 1¼ height districts; and

WHEREAS, the decision of the borough superintendent, acting on Alt. Applic. 1267-54 dated July 7, 1954 and superseded by a decision dated January 15, 1955 reads:

"1. The extension of the use of the premises to include free parking of new cars belonging to Rich Haven Sales and free parking of employees' and patrons' cars in the Residential portion of the lot is contrary to Art. II Sec. 3 of Zoning Resolution."

and

WHEREAS, the applicant states that the premises consist of a plot, 147.49 ft. frontage by 200 ft. 10 in. in depth, irregular, on which is located, in the portion of the premises

within 100 ft. of Jamaica avenue, in a business use district, a one story private garage and sales and display of more than five used cars and attendant's office, for which certificate of occupancy Q-65102 was issued July 19, 1950 and is still in force; that the portion of the premises more than 100 ft. from Jamaica avenue is within the residence use district and is vacant; that in conjunction with the existing use of the business use district portion of the subject premises, it is proposed to permit in the residence use portion the free parking of cars of employees and patrons of Rich-Haven Motor Sales, Inc., an authorized automobile dealer with new car showroom located at 98-09 Jamaica avenue, across the street from the subject premises; that no change in the use of the premises in the business use district portion of the plot is proposed; that no additional curb cuts are proposed, as entrance to and exit from the parking area will be via the existing curb cuts on Jamaica avenue only; and

WHEREAS, the applicant contends that there is no economic demand for the use of the subject premises for residential purposes but that there is an economic demand for the use of the residence portion of the premises for free parking of cars of patrons and employees of the lessee as present facilities are inadequate to provide this proposed free parking service; that the balance of the subject premises, in the business use portion, is also leased by Rich-Haven Motor Sales and is used for the sale and display of used cars; that the use of the residence use portion will not have any adverse effect upon adjoining property owners; that the southerly and westerly lot lines within the residence use portion are to be seeded and landscaped to a depth of 3 ft., thereby enhancing the appearance of the plot, and an 8 ft. high woven wire fence will be maintained along the lot lines in the residence use district; that there are to be no entrances to or exits from the parking area along the 98th street frontage; that the present curb cut entrances along Jamaica avenue are to be maintained within the permissible business use district portion and access to the parking area will be via the existing curb cuts on Jamaica avenue only; that the facilities are to be used and made available only during business hours and there will be no traffic during the night or on Sundays and holidays; that the establishment of the free parking service will benefit adjoining residential property owners inasmuch as it will eliminate parking congestion; and

WHEREAS, the applicant states that the subject premises is presently zoned as a C area district; that the portion of the property abutting Jamaica avenue for a depth of 100 ft. is in a business use, class 1¼ height district and the remainder is in a residence use, class 1 height district; that as of July 25, 1916 the property was zoned unrestricted and on June 10, 1926 was changed to its present use designation; that the height and area designations have not been changed since July 25, 1916 and no zoning amendment relating to this property is pending at the present time; and

WHEREAS, the applicant states that the present owner has held title to the property since September 3, 1946; that the assessed valuation of land is \$47,000 and of the building \$5,500 making a total of \$52,500; that the building was erected 1950; and

WHEREAS, the premises and surrounding area were inspected by a committee of the Board and the committee finds that the objections raised by the objectors are not serious and the committee deems that the application should be granted under certain conditions, designed to protect the adjoining owners; and

WHEREAS, the Board found that this was an appropriate case in which to exercise discretion to grant under Section 7, Subdivision h of the Zoning Resolution.

Resolved, that the Board of Standards and Appeals does hereby *make a variation* in the application of the use district regulations of the zoning resolution and that the application be and it hereby is *granted* under Section 7h for a term of ten (10) years to permit the premises within the residential district to be occupied in conjunction with similar permitted use on the balance of the premises in the business use district, substantially as proposed and indicated on plans filed with

MINUTES

this application marked, "Received, August 5, 1954" (4 sheets), *on condition* that the existing fence shall be maintained at its present height and in good condition, and in addition, there shall be on the interior side, within the residential area along 98th street and along the lot line of the adjoining premises to the south, a split sapling fence not less than five feet six inches in height; there also shall be erected a masonry curb at a distance of not less than five feet from such lot lines so that no cars will be parked nearer than such distance to such fence; that the space between such curb and fence shall be planted with suitable planting material; that such curb shall be not less than eight inches in height and one foot in width; that the premises shall be levelled substantially to the grades of the street and shall be surfaced with steam cinders or clean gravel and treated with a binder and properly rolled; that there shall be no signs erected within the residential area or on the fences; that there shall be no opening from such lot, except to the business portion on Jamaica avenue; that the use herein permitted shall be restricted to storage of new cars dealt in by the Rich-Haven Motor Sales Inc. and parking of their employees and patrons cars; that during the term of this variance the premises shall be used for no other use; that the sidewalk along 98th street shall be kept clean between the building line and curb at all times; that such portable fire fighting appliances shall be maintained as the Fire Commissioner may direct; and that all permits shall be obtained and all work completed and a new Certificate of Occupancy shall be obtained within six months from the date of this resolution.

842-54-BZ

APPLICANT—Goldwater and Flynn, for Newex Corporation, owner, 20 Broad Street Corporation, lessee.

SUBJECT—Application October 28, 1954 (decision of the borough superintendent), under sections 19A(j) and 21 of the zoning resolution, to permit in a business use district the erection and maintenance of a structure to be used as an office building and stores, without the required loading berth.

PREMISES AFFECTED—20-26 Broad street, 65 Exchange place, north side, from Broad street to New street and 18-28 New street, Block 23, part of Lot 19, Borough of Manhattan.

APPEARANCES—

For Applicant: Monroe Goldwater and Samuel Rosenblum.

For Opposition: None.

For Administration: Samuel L. Becker, Dep't of Housing and Buildings.

ACTION OF BOARD—Application granted on condition.
THE VOTE—

Affirmative: Chairman Murdock, Commissioners Kleinert and Keating and Deputy Chief Connolly 4

Negative: 0

THE RESOLUTION—

WHEREAS, a public hearing was held on this application on February 8, 1955 after due notice by publication in the Bulletin; and

WHEREAS, the district maps accompanying the zoning resolution show that the site, Broad street, Exchange place, New street and Wall street are in a business use, B area, class 2½ height district; and

WHEREAS, the decision of the borough superintendent, dated October 14, 1954 acting on amendment to N.B. Applic. 21-54, reads:

"1. Proposal to omit loading berth in contrary to Sec. 19-A Article IV Zoning Resolution."

and

WHEREAS, the applicant states that the premises consist of a plot, 121 ft. 6¾ in. frontage by 150 ft. 8¾ in. in depth, irregular, on which is located a building being demolished; that it is proposed to erect a structure with a frontage of

121 ft. 6¾ in. on Broad street, 150 ft. 11 in. on Exchange place and 131 ft. 2 in. on New street; that the building will be of class 1 construction, 27 stories in height and will provide, in part, additional facilities for the New York Stock Exchange and will be occupied for office purposes, and mainly by tenants whose business needs require their location in the financial district; that a large percentage of the floors are expected to be rented as units and in fact, the Central Hanover Bank and Trust Co. has agreed to lease five complete floors and proposes to connect these premises to premises presently occupied by them at 70 Broadway, by an overhead bridge across New street; and

WHEREAS, the applicant contends that there is no district in New York city where there is less need for a loading berth than in the financial district, and in the building in question the tenancies will be made up generally of banks, financial firms, professional people and the like; that none of the activities of any of these tenants will involve commercial activity of a sort which would make necessary berth facilities for loading and unloading; that there will be no manufacturing in the premises with its incidental warehousing or storage; that traffic in the streets surrounding the proposed structure is comparatively light; that in view of the high character of tenancies in the proposed structure, tenancies which will create absolutely no necessity for a loading berth, it is requested that this variance be granted; and

WHEREAS, the applicant states that the present owner has held title to the property since June 29, 1954; that the assessed valuation of land is \$12,800,000 and of the building \$4,050,000 making a total of \$16,850,000; and

WHEREAS, the Board found that this was an appropriate case in which to exercise discretion to grant under Section 19A Subdivision j of the Zoning Resolution.

Resolved, that the Board of Standards and Appeals does hereby *make a variation* in the application of the area district regulations of the zoning resolution and that the application be and it hereby is *granted* under Section 19A, subdivision j of the zoning resolution, to permit the omission of the required loading berth, *on condition* that the building shall be occupied generally as proposed and as indicated on plans filed with this application, marked "Received October 28, 1954" (4 sheets); and that in all other respects the building and occupancy shall comply with all laws, rules and regulations applicable thereto.

Adjourned: 12:25 P. M.

JOSEPH J. DOYLE, Chief Clerk.

REGULAR MEETING

TUESDAY AFTERNOON, FEBRUARY 8, 1955, 2 P. M.

Present: Chairman Murdock, Commissioners Kleinert and Keating and Deputy Chief Connolly.

282-54-A

APPLICANT—Arthur Jovis, for Leah Wenig, Melba and Ruth Goldstein, owners.

SUBJECT—Application for consideration—reopening and amendment to resolution as to location of heating space—re Appeal from a decision of the borough superintendent; previously granted on condition.

PREMISES AFFECTED—614 Gates avenue, south side, 325 ft. east of Throop avenue, Block 1816, part of Lot 16, Borough of Brooklyn.

APPEARANCES—

For Applicant: Arthur Jovis.

For Administration: Samuel L. Becker, Dep't of Housing and Buildings.

MINUTES

ACTION OF BOARD—Application reopened and resolution amended.

THE VOTE—

Affirmative: Chairman Murdock, Commissioners Klei-
ert and Keating and Deputy Chief Connolly 4
Negative 0

THE RESOLUTION—

WHEREAS, this application was granted by the Board on December 14, 1954, on certain conditions; and

WHEREAS, the applicant requested an amendment of the resolution.

Resolved, that the Board of Standards and Appeals does hereby *amend* the resolution adopted on December 14, 1954, only as to reference to the exits from the cellar, in connection with Objection 2, so that as *amended* this portion of the resolution shall read:

"as to Objection 2, that the exits shown to each cellar may be permitted and that each cellar may be continued for use of heating equipment by oil burner only of type approved by the Board, as indicated on revised plans marked 'Received January 28, 1955' (2 sheets); and that in all other respects the resolution above cited shall be complied with." (Alt. 4201/46)

334-54-A

APPLICANT—Siegel and Green, for Estate of Louis Brenner, owner.

SUBJECT—Application for consideration—reopening as to extension of time to complete—re Appeal from a decision of the borough superintendent; previously granted on condition.

PREMISES AFFECTED—12 West 17th Street, south side, 220 ft. west of 5th avenue, Block 818, Lot 58, Borough of Manhattan.

APPEARANCES—

For Applicant: John M. Hronec.

For Administration: Samuel L. Becker, Dep't of Housing and Buildings.

ACTION OF BOARD—Application reopened and time to complete work extended.

THE VOTE—

Affirmative: Chairman Murdock, Commissioners Klein-
ert and Keating and Deputy Chief Connolly 4
Negative 0

THE RESOLUTION—

WHEREAS, this application was granted by the Board on July 20, 1954, on certain conditions; and

WHEREAS, the applicant requested an extension of time to obtain permits and complete the work.

Resolved, that the Board of Standards and Appeals does hereby *amend* the resolution adopted on July 20, 1954, only so far as it has reference to the time within which to obtain permits and complete the work, so that as *amended* this portion of the resolution shall read:

"that in view of the statement by the applicant that plans have been approved by the Department of Housing and Buildings the work is completed and additional time is required to obtain a certificate of occupancy, that all permits required shall be obtained and all work completed within six months from the date of this *amended* resolution." (Alt. 1193/53)

11-55-A

APPLICANT—Ervin Palmer, for C. E. G. Realty Corp., owner.

SUBJECT—Application January 10, 1955—filed pursuant to section 310 of the Multiple Dwelling Law for variation of section 172 of the Multiple Dwelling Law re minimum dimensions of yard.

PREMISES AFFECTED—24 East 73rd street, south side, 79 ft. west of Madison avenue, Block 1387, Lot 59, Borough of Manhattan.

APPEARANCES—

For Applicant: Ervin Palmer.

For Administration: Samuel L. Becker, Dep't of Housing and Buildings.

ACTION OF BOARD—Appeal granted on condition.

THE VOTE—

Affirmative: Chairman Murdock, Commissioners Klein-
ert and Keating and Deputy Chief Connolly 4
Negative 0

THE RESOLUTION—

WHEREAS, the decision of the Borough Superintendent, dated January 4, 1955, on amendment to Alt. App. 2116/54, reads:

"1. As this building is being converted to a multiple dwelling from a one family dwelling, it must have yard area in conformity with Sec. 172 Mult. Dwell. Law."

and

WHEREAS, the applicant states the building is 6 stories, 60 ft. in height, 20 ft. 3¾ in. front by 79 ft. 7½ in. in depth, of Class 3 construction, erected in 1906 on a lot 20 ft. 3¾ in. front by 79 ft. 7½ in. deep, in a restricted retail use, B area, Class 1½ height district, used and occupied since 1906 as a one-family dwelling; proposed to be used and occupied as follows: Cellar—storage, 0 persons; 1st floor—doctor's suite, 6 persons; 2nd, 3rd, 4th and 5th floors, two Class A apartments each floor; 6th floor—part of 5th fl. rear apartment. The building is provided with one interior 2 ft. 8 in. and 3 ft. wide steel and wood stairs, enclosed with stud, lath and plaster, equipped with wood doors which are self-closing; stairhall leads to roof bulkhead and direct to street; and

WHEREAS, the applicant states that four stories of the building have a rear extension extending to rear of lot; that the penthouse stories have no extension and have a 17 ft. 17½ in. deep rear yard; that plans have been approved for conversion of the building under Art. 6 of the Multiple Dwelling Law to a Class A multiple dwelling; that approved plans indicate the removal of part of the rear extension, consisting of about 77 square feet, thus obtaining the necessary total open space; that it would be a serious hardship on the owner to be required to remove this useful part of the building as nothing will be gained thereby, that neither the building in question or other buildings in the block would gain any appreciable ventilation by such removal; and

WHEREAS, the applicant states there is a valid existing easement which guarantees a permanent vacant yard space for the purpose of light protection; that this existing easement has a depth of 20 feet for the full width of the lot plus the width of adjoining premises to the east; that a copy of this easement is made part of this appeal; that the guaranteed vacant spaces are more than the area required by the Multiple Dwelling Law; and the existence of the tall fireproof apartment houses in the block within their required unbuilt upon spaces are a further guaranty of adequate light and ventilation; and

WHEREAS, the applicant contends that the 5th and penthouse stories have ample rear yard space to cover the requirements of Section 172 of the Multiple Dwelling Law; that the 1st to 4th floors have at the side of the rear extension a vacant unoccupied space of 186.96 sq. ft.; that the Multiple Dwelling Law requires the equivalent of 13 times the width of the lot or 263.7 square feet; that the existing unoccupied space is 76.74 sq. ft. less than required; and

WHEREAS, the applicant states that in lieu of a second means of egress a sprinkler system will be provided in compliance with Section 187 of the Multiple Dwelling Law; and

WHEREAS, the applicant contends that the intent of the law, requiring an open unoccupied space for ventilation at rear of these premises is fulfilled inasmuch as the easement guarantees the space to be left vacant as long as this building stands. For this reason it is requested the Board grant a variation of the requirements of the Multiple Dwelling Law so that the owner will not be required to enlarge the existing unoccupied space on the lot.

MINUTES

Resolved, that the decision of the Borough Superintendent, acting on amendment to Alt. App. 2116/54, Objection 1, be and it hereby is *modified* and that the appeal be and it hereby is *granted*, under the powers vested in the Board by Section 310 of the Multiple Dwelling Law, to permit the acceptance of the open area in lieu of the required yard space, as proposed and as indicated on plans filed with this appeal, marked "Received January 10, 1955" (4 sheets), showing proposed conditions and (4 sheets) showing existing conditions, *on condition* that this variance shall continue only so long as the space on the lot is unbuilt upon and in addition that the space to the rear marked "permanent easement" stated to be the property of the owner of lot 14 shall remain open and unbuilt upon; and that in all other respects the building and occupancy shall comply with all laws, rules and regulations applicable thereto.

392-48-A

APPLICANT—E. Augustus Acker, for Arthur Courtney, owner.

SUBJECT—Application for consideration—reopening as Vol. II and consider a new decision—re Appeal from a decision of the borough superintendent; previously granted on condition.

Negative 0

THE RESOLUTION—

WHEREAS, this application was granted by the Board as Vol. III, on January 12, 1954, on certain conditions; and

WHEREAS, the applicant requested an extension of time to obtain permits and complete the work.

Resolved, that the Board of Standards and Appeals does hereby *amend* the resolution adopted on January 12, 1954 only so far as it has reference to the time within which to obtain permits and complete the work, so that as *amended* this portion of the resolution shall read:

“that in view of the statement by the applicant's representative that plans have been approved by the Department of Housing and Buildings and that all work

has been completed but that additional time is needed to obtain a Certificate of Occupancy that all permits required shall be obtained, all work completed and a certificate of occupancy obtained within six months from the date of this amended resolution.” (Alt. App. 2368/52)

1011-38-BZ

APPLICANT—Socony-Vacuum Oil Company, Inc., owner.
SUBJECT—Application for consideration—reopening and amend as to removing parkway type pumps—re Application (decision of the borough superintendent of buildings), previously granted on condition, under sections 7a and 21 of the building zone resolution, permitting in a business use district, the erection and maintenance of an accessory building to an existing gasoline service station.
PREMISES AFFECTED—111-66 Corona avenue and 112-35 to 112-43 Colonial avenue, southwest corner, Block 1972, Lots 53 and 56, Corona, Borough of Queens.
APPEARANCES—
For Applicant: William C. Blaser.
For Administration: Samuel L. Becker, Dep't of Housing and Buildings.
ACTION OF BOARD—Application reopened and resolution amended.
THE VOTE—
Affirmative: Chairman Murdock, Commissioners Kleinert and Keating and Deputy Chief Connolly 4
Negative 0

THE RESOLUTION—

WHEREAS, this application was granted by the Board on February 15, 1939, on certain conditions; and

WHEREAS, the applicant requested an amendment of the resolution.

Resolved, that the Board of Standards and Appeals does hereby *amend* the resolution adopted on February 15, 1939, only so far as it has reference to the pumps, by adding thereto:

“that in lieu of the requirement in the resolution above cited as to pumps, the pumps may be of a low approved type located as to distance from the street as indicated on revised plans marked ‘Received January 14, 1955’ (3 sheets); that the requirements of the above cited resolution, as to enclosure of the corner to be planted extending 10 feet along each building line, may be *amended* so as to provide a concrete island not less than 12 in. in height extending for a distance of 5 feet along each building line, as shown on revised plans marked ‘Received January 14, 1955’ (2 sheets); and that in all other respects the requirements of the resolution above cited shall be complied with.” (NB 8880/38 and Misc. 1382/54)

MINUTES

ACTION OF BOARD—Application reopened and resolution amended.

THE VOTE—

Affirmative: Chairman Murdock, Commissioners Klei-
ert and Keating and Deputy Chief Connolly 4
Negative 0

THE RESOLUTION—

WHEREAS, this application was amended by the Board as Vol. II, on February 24, 1954, on certain conditions; and

WHEREAS, the applicant requested an amendment of the resolution.

Resolved, that the Board of Standards and Appeals does hereby *amend* the resolution adopted on March 18, 1941, and as thereafter *amended* by resolutions adopted through February 24, 1954, by adding to the resolution adopted by the Board on February 24, 1954, that an additional non-flashing sign may be permitted, replacing the signs as permitted in the above cited resolution, and as shown in revised plans marked, "Received, January 26, 1955" (one sheet); that such sign may be placed adjacent to the diner, on the west side, of the dimensions and inscription as indicated on such plan; and that in all other respects the above cited resolution shall be complied with. (N. B. 76/53)

924-50-BZ—Vol. II

APPLICANT—Kitzler and Nurick, for Abraham Bell, President of Speed-O-Mat Car Wash, owner of Lot 70 and Abraham Bell, President of Kathleen Court Realty Corporation, owner of Lot 72.

SUBJECT—Application for consideration—reopening and consider revised working plans—re Application (decision of the borough superintendent) previously granted on condition, under sections 7f, 7i, 7h and 7A of the zoning resolution, permitting for a term of years, in the business use portion of plot located in a residence and business use district, the erection and maintenance of a gasoline service station, lubricatorium, motor vehicle repairs and office, with show windows nearer to residence use district than is permitted; and to permit the parking of more than five motor vehicles in conjunction with an existing auto laundry.

PREMISES AFFECTED—2784-2806 Coney Island avenue and 741-751 Kathleen court, northwest corner and 744-754 Gerald court, Block 7224, Lots 70 and 72, Borough of Brooklyn.

APPEARANCES—

For Applicant: Henry J. Nurick.

For Administration: Samuel L. Becker, Dep't of Housing and Buildings.

ACTION OF BOARD—Application reopened, resolution amended and revised working drawings approved.

THE VOTE—

Affirmative: Chairman Murdock, Commissioners Klein-
ert and Keating and Deputy Chief Connolly 4
Negative 0

THE RESOLUTION—

WHEREAS, this application was granted by the Board as Vol. II, on April 27, 1954, on certain conditions; and

WHEREAS, working drawings, submitted as being substantial compliance with the Board's requirements, were approved on July 7, 1954; and

WHEREAS, the applicant submitted revised working drawings, for approval by the Board, as being in substantial compliance with the requirements of the resolution.

Resolved, that the Board of Standards and Appeals does hereby *amend* the resolution adopted on July 7, 1954, to approve working drawings marked, "Received, January 6, 1955" (5 sheets), except that the masonry wall shall be maintained as formerly approved by the former working drawings and not reduced to a combination masonry wall and steel picket fence; and permitting an increase in the approved 550 gallon tanks from eight to ten. (N.B. 75/53)

465-53-BZ

APPLICANT—Frank J. Ross, for Jane Fiorillo, owner.

SUBJECT—Application for consideration—reopening and amend to affirm resolution adopted May 11, 1954 in view of change of area zoning from C to D—re Application (decision of the borough superintendent), previously granted on condition, under sections 7c and 21 of the zoning resolution, permitting in a residence use C area district, the erection and maintenance of a business building (stores) using more than the area permitted.

PREMISES AFFECTED—5684A, 5684B and 5686 Riverdale avenue, east side, 80 ft. south of West 259th street, Block 3423, Lot 134, Borough of the Bronx.

APPEARANCES—

For Application: Peter R. Viscardi and Jane Fiorillo.

For Administration: Samuel L. Becker, Dep't of Housing and Buildings.

ACTION OF BOARD—Application reopened, resolution affirmed.

THE VOTE—

Affirmative: Chairman Murdock, Commissioners Klein-
ert and Keating and Deputy Chief Connolly 4
Negative 0

THE RESOLUTION—

WHEREAS, this application was granted by the Board on May 11, 1954, on certain conditions; and

WHEREAS, the applicant requested an amendment of the resolution; and

WHEREAS, it appears that the zoning was changed from "C" area to "D" area and use to local retail on June 11, 1954.

Resolved, that the Board of Standards and Appeals does hereby *amend* the resolution adopted by the Board on May 11, 1954, by adding thereto:

"that the resolution above cited is hereby *affirmed* in view of the change of zoning as hereinbefore referred to." (N. B. 26/52)

689-53-BZ

APPLICANT—Charles M. Spindler, for Sunshine Quaker Laundry Service, Inc. and L. D. B. Realty Corp., owners.

SUBJECT—Application for consideration—reopening and extension of time to complete—re Application (decision of the borough superintendent), previously granted on condition, under section 7c of the zoning resolution, permitting in a manufacturing use district, the change in occupancy of public garage, to steam laundry in conjunction with existing laundry, and the extension in height of portions of existing laundry building.

Negative 0

489-38-BZ—Vol. II

APPLICANT—Esso Standard Oil Company, owner.

SUBJECT—Application for consideration—reopening and extension of term of variance—re Application (decision of the borough superintendent), previously granted on condition, under section 21 of the zoning resolution, permitting in a residence use district, the erection and maintenance of a gasoline service station.

PREMISES AFFECTED—219-01 North Conduit boulevard and 144-01 to 144-09 Springfield boulevard, northeast corner, Block 3820, Lot 4, Springfield Gardens, Borough of Queens.

APPEARANCES—

For Applicant: Joseph B. Lynch.

For Administration: Samuel L. Becker, Dep't of Housing and Buildings.

ACTION OF BOARD—Application reopened and set for hearing on March 8, 1955, at 10 A.M., waiving all requirements except two publications in the Bulletin, new decision of the Borough Superintendent and new photographs; new plans to be filed if varying from original plans.

THE VOTE—

Affirmative: Chairman Murdock, Commissioners Kleinert and Keating and Deputy Chief Connolly 4
Negative 0

708-38-BZ—Vol. III

APPLICANT—Ribelle V. Perotto, for Bertlia M. Carroll, owner (Gulf Oil Corp., lessee).

SUBJECT—Application for consideration—reopening and amendment as to alteration required by street widening—re Application (decision of the borough superintendent) previously granted on condition, under section 7c of the zoning resolution, permitting in a business use district, the parking and storage of more than five motor vehicles on an existing gasoline service station.

PREMISES AFFECTED—92-28 Horace Harding boulevard, southeast corner of Queens boulevard, Block 2075, Lot 5, Elmhurst, Borough of Queens.

APPEARANCES—

For Applicant: Ribelle V. Perotto.

For Administration: Samuel L. Becker, Dep't of Housing and Buildings.

ACTION OF BOARD—Application reopened as Vol. III, subject to the regular procedure, waiving all requirements except two publications in the Bulletin and a new decision of the Borough Superintendent, new statement, new photographs and new plans showing the conditions, and set for hearing on March 29, 1955, at 10 A. M.

THE VOTE—

Affirmative: Chairman Murdock, Commissioners Kleinert and Keating and Deputy Chief Connolly 4
Negative 0

1085-38-BZ—Vol. II

APPLICANT—Lama, Proskauer and Prober, for Loha Realty Corporation, owner.

SUBJECT—Application for consideration—reopening as Vol. II and consider proposal and different section—re Application (decision of the borough superintendent), previously denied, under section 21 of the building zone resolution, to permit in a residence use district, the erection and maintenance of a gasoline service station.

PREMISES AFFECTED—5307-5315 21st avenue and 1072-1082 Dahill road, southeast corner, Block 5495, Lot 465, Borough of Brooklyn.

APPEARANCES—

For Applicant: Ernest Cordova.

For Administration: Samuel L. Becker, Dep't of Housing and Buildings.

ACTION OF BOARD—Application reopened as Vol. II,

MINUTES

subject to the regular procedure, to consider new proposal under a different section of the Zoning resolution, namely Section 7e; previously denied under Section 21.

THE VOTE—

Affirmative: Chairman Murdock, Commissioners Klei-
ert and Keating and Deputy Chief Connolly 4
Negative 0

303-49-BZ—Vol. II

APPLICANT—Norman Lederer and Leonard Joseph, for M. F. & S. Plumbing Supply Company, owner.

SUBJECT—Application for consideration—reopening and extension of time to complete—re Application (decision of the Borough Superintendent), previously granted on condition, under sections 7f and 7h of the zoning resolution, permitting in a business use district, the extension in use and area of existing gasoline service station and the parking and storage of motor vehicles to include auto laundry, lubricatorium and office.

PREMISES AFFECTED—251 Beach 73rd street and 73-05 Beach Channel drive, southwest corner, Block 542, Lot 1, Arverne, Borough of Queens.

APPEARANCES—

For Applicant: Norman Lederer.

For Administration: Samuel L. Becker, Dep't of Housing and Buildings.

ACTION OF BOARD—Application reopened and set for hearing on March 8, 1955, at 10 A. M. to permit two publications in the Bulletin, waiving all requirements except new decision of the Borough Superintendent, which has been filed.

THE VOTE—

Affirmative: Chairman Murdock, Commissioners Klein-
ert and Keating and Deputy Chief Connolly 4
Negative 0

659-50-BZ—Vol. III

APPLICANT—Kitzler and Nurick, for Harry Goldstein, owner.

SUBJECT—Application for consideration—reopening as Vol. III and consider changes subject to regular procedure—re Application (decision of the borough superintendent), previously granted on condition, under section 21 of the zoning resolution, permitting in a business use, C area district, the erection of an additional building into part of driveway (previously granted by the Board for 15 years, to permit woodworking equipment within the building) using more than the area permitted and with more than one building on the lot.

PREMISES AFFECTED—251-61 to 251-71 Jamaica avenue, north side, 200 ft. west of Little Neck parkway, Block 8668, Lot 118, Bellerose, Borough of Queens.

APPEARANCES—

For Applicant: Henry J. Nurick.

For Administration: Samuel L. Becker, Dep't of Housing and Buildings.

ACTION OF BOARD—Application reopened as Vol. III and set for hearing March 1, 1955, at 10 A. M. to permit two publications in the Bulletin, waiving filing of list of owners, but requiring new photographs, plans and decision of the Borough Superintendent, which have been filed.

THE VOTE—

Affirmative: Chairman Murdock, Commissioners Klein-
ert and Keating and Deputy Chief Connolly 4
Negative 0

544-52-BZ

APPLICANT—Abram Shelfstein, for Joseph I. Lubin and Joseph Eisner, owners (Carl Spiegel, lessee).

SUBJECT—Application for consideration—reopening and extension of term of variance—re Application (decision

of the borough superintendent) previously granted on condition, under sections 7h and 7e of the zoning resolution, permitting in a restricted retail use district, the parking and storage of more than five motor vehicles.

PREMISES AFFECTED—332-342 East 45th street and 797-803 First avenue, southwest corner, Block 1337, Lots 28 to 33, 129 and 130, Borough of Manhattan.

APPEARANCES—

For Applicant: Abram Shelfstein.

For Administration: Samuel L. Becker, Dep't of Housing and Buildings.

ACTION OF BOARD—Application reopened and set for hearing March 1, 1955, at 10 A.M., waiving all requirements except legal publication in Bulletin and new decision of the Borough Superintendent, which has been filed.

THE VOTE—

Affirmative: Chairman Murdock, Commissioners Klein-
ert and Keating and Deputy Chief Connolly 4
Negative 0

694-53-BZ

APPLICANT—Lama, Proskauer and Prober, for Thomas and Mary Skeados, owners.

SUBJECT—Application for consideration—reopening and to restore to docket subject to regular procedure—re Application (decision of the borough superintendent), previously withdrawn, under sections 7f, 7i, 7h and 7A of the zoning resolution, to permit in a retail use district, for a term of fifteen years, the erection and maintenance of a gasoline service station, car wash, lubricatorium, motor vehicle repairs, sale of accessories and office; and to permit the parking and storage of motor vehicles on unbuilt upon portion of lot, with curb cut nearer to residence use district than is permitted.

PREMISES AFFECTED—253-11 Hillside avenue, 83-52 to 83-60 Little Neck parkway, northeast corner and 83-51 to 83-59 253rd street, Block 8596, Lot 33, Bellerose, Borough of Queens.

APPEARANCES—

For Applicant: Ernest Cordova.

For Administration: Samuel L. Becker, Dep't of Housing and Buildings.

ACTION OF BOARD—Application reopened and restored to the docket, subject to the regular procedure, for further examination and for hearing to be set; previously withdrawn.

THE VOTE—

Affirmative: Chairman Murdock, Commissioners Klein-
ert and Keating and Deputy Chief Connolly 4
Negative 0

790-42-SM—Vol. II

APPLICANT—United States Gypsum Company, owner.

SUBJECT—Application for consideration—reopening and consider adding similar Canadian products for sale in NYC, for report—re USG Rocklath and Diamond Liner (gypsum lath) Plasterboard with Aluminum Foil Backing; previously approved.

APPEARANCES—

For Applicant: None.

ACTION OF BOARD—Application reopened as Vol. II for test and report as to similar products made in Canadian factory to be sold under provisions included in approval dated February 27, 1951.

THE VOTE—

Affirmative: Chairman Murdock, Commissioners Klein-
ert and Keating and Deputy Chief Connolly 4
Negative 0

Adjourned: 3:35 P. M.

JOSEPH J. DOYLE, Chief Clerk.

RULES

RULES FOR THE TESTING AND USE OF BLENDED CEMENTS

ADOPTED BY THE BOARD OF STANDARDS AND APPEALS, AUGUST 2, 1940. EFFECTIVE, IN ACCORDANCE WITH SECTION 665, SUBDIVISION C, OF THE NEW YORK CITY CHARTER, AUGUST 26, 1940.

(584-39-SR)

Authority:

Pursuant to the Authority vested in the Board of Standards and Appeals by Section 666, paragraph 2, Charter of the City of New York, and C26-189.0, Administrative Building Code (2.2.1.1), and C26-312.0, paragraph c, subdivision 2, Administrative Building Code (7.1.1.7.3) reading: "Nothing herein contained shall be construed to prohibit the use of cements of other types which are approved by the board and are used in accordance with rules of the board governing their use."

1.0 Scope.

1.1 The intent of these rules is to provide a basis for the use of blended cements other than Portland Cement. Subject to the restrictions in the approval of the Board as to each brand, such blended cements may be used as substitutes for Portland Cement on an equivalent weight basis where Portland Cement is permitted.

2.0 Blended Cements.

2.1 Blended cements shall include an intimately interground mixture of approved Portland Cement with natural or artificial products composed of silica and alumina, which shall be mixed with Portland Cement in limited proportions, (except as may be otherwise provided for in the Administrative Code) and which will react in the presence of water to form a hydraulic cement.

2.2 Admixtures to Portland Cement shall have a previous record of satisfactory experience.

2.3 These rules shall not be applicable to harmless materials used as coloring, waterproofing, plastizing, and freezing preventatives when used as admixtures to Portland Cement in quantities not in excess of 1%.

3.0 Manufacture and quality of Blended Cements.

3.1 A flow sheet in duplicate showing the process of manufacture and blending shall be filed with the Board as part of any application for approval which shall include the origin and the amount of materials used and proof as to quality and uniformity.

4.0 Available supply of raw materials.

4.1 Evidence shall be filed with the Board showing the potential supply of raw material available to the manufacture.

5.0 Fineness.

5.1 The specific surface shall be not less than 1800 sq. cm. per gram, as determined by methods of test described in A.S.T.M. specifications C115-38T.

5.2 The residue shall not exceed 15% by weight on a No. 325 standard sieve.

6.0 Soundness.

6.1 A pat of neat cement of normal consistency shall be subjected to tests for soundness by the methods outlined in A.S.T.M. specifications C77-36, and when

so tested it shall show no signs of distortion, cracking, checking or disintegration when subjected to the steam test, nor shall the expansion of the pat be greater than 5mm, when molded in Le Chatelier tongs and stored in a standard moist closet for 24 hours.

6.2 In addition to these requirements, the expansion of three 1" x 1" x 10" bars of neat cement of normal consistency when subjected to the Autoclave test, A.S.T.M. tentative method, shall not have an expansion in excess of 0.75%.

7.0 Time of set.

7.1 Time of setting shall be determined by test described in A.S.T.M. Specification C77-36, and the mortar so tested shall not develop initial set in less than one hour and final set in more than 10 hours, as tested with Vicat or Gillmore needle.

8.0 Compressive strength for normal blended cements.

8.1 The average compressive strength of five 2-inch mortar cubes composed of one part of blended cement and 2.75 parts graded Ottawa sand by weight shall be not less than the following:

Age at Test	Storage of Cubes	*Compressive Strength
7 days	1 day in moist air, 6 days in water	2200 lbs. sq. in.
28 days	1 day in moist air, 27 days in water	3500 lbs. sq. in.

*When tested in accordance with Fed. Spec. SS-C-158.

8.2 Tensile Strength.

The average tensile strength in lbs. sq. in. of not less than 5 mortar briquets composed of one part cement and 3 parts of Ottawa sand, by weight, shall be equal to or greater than the following:

Age at Test	Storage of Briquets	Tensile Strength Lbs. Sq. In.
3 days	1 day in moist air, 2 days in water	175
7 days	1 day in moist air, 6 days in water	275
28 days	1 day in moist air, 27 days in water	350

The average tensile strength of the mortar at 7 and 28 days shall be higher than that at 3 and 7 days respectively.

9.0 Blended cements having other properties.

9.1 When approval of the board is requested for the use of Blended Cements having high early strength, sulfate resistance or low heat of hydration, application shall be made to the board for additional tests to develop these properties.

PUBLIC HEARING

PROPOSED AMENDMENTS TO THE RULES FOR ARC AND GAS WELDING AND OXYGEN CUTTING, COVERING THE SPECIFICATIONS FOR DESIGN, FABRICATION AND INSPECTION OF ARC AND GAS WELDED STRUCTURES AND THE QUALIFICATIONS OF WELDERS AND SUPERVISORS (CAL. NO. 1-38-SR—VOL. II)

NOTICE IS HEREBY GIVEN that a public hearing will be held by the Board of Standards and Appeals on *Friday morning, March 18, 1955*, at 10 A. M. in Room 1013, Municipal Building, Manhattan, on the following Proposed amendments to the Rules for Arc and Gas Welding and Oxygen Cutting, Covering the Specifications for Design, Fabrication and Inspection of Arc and Gas Welded Structures and the Qualifications of Welders and Supervisors.

ADOPTED BY THE BOARD OF STANDARDS AND APPEALS FEBRUARY 25, 1938.

EFFECTIVE MARCH 21, 1938. AMENDED MAY 17, 1940, EFFECTIVE JUNE 10, 1940; AND SEPTEMBER 17, 1954, EFFECTIVE OCTOBER 18, 1954.

Authority:

Pursuant to the authority vested in the Board of Standards and Appeals by Section 666, paragraph 2, of the Charter of the City of New York and C26-514.0 of the Administrative Code (8.6.2.2).

These Proposed Amendments to the Rules for Arc and Gas Welding and Oxygen Cutting, as printed herein in *italics*, are as suggested by the Allied Building Metal Industries as to welding of light structural steel such as fire-escapes, railings, gratings, door-bucks, etc., which are generally shop welded.

Old matter, in brackets [], to be deleted; new matter, in *italics*, to be substituted therefor.

Rule 1. Application for Permits.

- 1.2 [The commencement of any structural welding work is forbidden until an application for a permit to perform such work is filed with and approved by the

Borough Superintendent. The Borough Superintendent shall be notified in writing at least 48 hours prior to the date when the structural welding work is to commence.]

Structural welding work shall be performed only by approved contractors employing certified welders.

Rule 9. Supervision and Inspection.

- 9.1 [Any welding to be done on a structure or any part thereof shall be performed under the supervision of a representative of a standard testing agency or an inspection agency responsible to the owner or licensed architect or licensed engineer. Such agency shall be acceptable to the Borough Superintendent.]

Any welding to be done on a structure or any part thereof, in the field, excluding bar joists, shall be performed under the supervision of a representative of the Department of Housing and Buildings, or a representative of a standard testing agency or an inspection agency responsible to the owner or licensed architect, or licensed engineer. Such agency shall be acceptable to the Borough Superintendent. Shop welding on structural steel performed by approved contractors shall be the responsibility of the approved contractor, and shall not require supervision or inspection.

Rule 11. Metal Chimneys, Tanks, Stairs and Fire-Escapes.

- 11.1 [Stairs and fire-escapes shall be considered as light structural steel and where shop welded, shall have attached thereto a tag or label, affixed by the standard Testing Agency, to the effect that these Rules have been complied with.]

Stairs, fire-escapes, railings, gratings, door-bucks and other miscellaneous and ornamental metal, ferrous and non-ferrous work, shall not be considered as structural steel and therefore when welded need not be inspected by a standard testing agency.

PROPOSED RULES COVERING DRY CLEANING ESTABLISHMENTS PURSUANT TO THE ZONING RESOLUTION OF THE CITY OF NEW YORK (CAL. 958-47-SR VOL. II)

NOTICE IS HEREBY GIVEN that a public hearing will be held by the Board of Standards and Appeals on *Friday, March 25, 1955*, at 10 A.M., in Room 1013, Municipal Building, Manhattan, on the Proposed Rules Covering Dry Cleaning Establishments, Pursuant to the Zoning Resolution of The City of New York.

These Rules are proposed to supersede those previously proposed under Calendar No. 958-47-SR, Vol. II on which a hearing was held March 12, 1954.

Authority

Section 666, Subd. 2 of the Charter of the City of New York and Article V, Section 21 and Article II, Section 4(a), Subd. 53 of the Zoning Resolution of the City of New York.

Application of Rules.

These rules shall be deemed to apply only to those excepted dry cleaning establishments existing or hereafter established, pursuant to Article II, Sections 4(a), Subd. 53, 4-A, 4-B and 4-C of the Zoning Resolution.

These rules shall not be deemed to modify or repeal Chapter 19 of the Administrative Code of the City of New York.

Zoning Resolution.

ARTICLE I—DEFINITIONS

§1. Definitions. * * *

(cc) For the purpose of this resolution, "dry cleaning" includes cleaning textiles, fabrics, garments or other articles by the use of solvents other than water, extraction of the

PUBLIC HEARING

solvents therefrom, and drying the same. A "dry cleaning unit" is the machinery or equipment in which textiles, fabrics, garments or other articles are carried through a complete cleaning cycle. A "dry cleaning unit" may consist of one or more detached component machines.

ARTICLE II—USE DISTRICTS

§4. Business Districts. (a) In a business district no building or premises shall be used, and no building shall be erected which is arranged, intended or designed to be used, for any of the following specified trades, industries or uses:

(11) Dyeing establishments.

(53) Dry cleaning establishments, except for establishments which conform to the restrictions set forth below:

(a) Not more than two dry cleaning units shall be installed, and such units shall have an aggregate dry load capacity of not more than 60 pounds, as rated by the Board.

(b) The gross floor area of the dry cleaning establishment, including space used for dry cleaning, pressing and incidental operations, and space used for storage, service of customers and convenience of employees, shall not exceed 2,000 square feet. However, additional space may be used on a lower floor which is either a basement or a cellar, provided that on such floor there shall be no dry cleaning and no storage of recently cleaned articles.

(c) No solvent having a flash point less than 138.2 degrees Fahrenheit shall be used, except for incidental removal of spots.

To protect the public health, safety and welfare in accordance with the general purpose and intent of this resolution, to safeguard the character of the predominant types of uses located in the districts affected, and to protect the occupants of nearby residences and other premises from traffic congestion, fire, explosion, vibration, noise, heat, smoke, odors, toxic vapors and other forms of air pollution, the Board, after public notice and hearing, may adopt, and from time to time amend, rules and regulations for the operation and maintenance of dry cleaning establishments permitted under subsections (a), (b) and (c) above. Such rules and regulations may cover inter alia location of entrances to and exits from such establishments, installation of equipment and hours of operation of such establishments. Such rules and regulations may also prescribe the conditions under which such establishments may exist in buildings in which residences are located.

Any dry cleaning establishment which was in existence prior to January 1, 1953 in any use district to which the provisions of this section apply, may be continued, but no such establishment shall be enlarged or extended, nor shall the capacity of its dry cleaning units be enlarged, except in conformity with all the provisions of this section. Such existing establishments shall be subject to the aforesaid rules and regulations of the Board.

Section 4-A. Retail Districts. In a retail district the same regulations and restrictions shall apply as are provided for business districts except that no manufacturing or treatment of products shall be carried on other than such as are incidental to the conduct of a retail business conducted on the premises, or such other manufacturing as is now permitted in a business district, provided that in such other manufacturing not more than five per cent (5%) of the total floor space of the building is so used. However, any use or uses specifically authorized under the provisions of §3 (10) shall be permitted in a retail district. In addition, dry cleaning establishments conforming to the provisions of §4(a) (53) shall be permitted in a retail district, provided such establishments are for retail purposes where services are performed directly for consumers or for transient hotels, or as an accessory use in transient hotels and department stores.

Section 4-B. Restricted Retail Districts. In a restricted retail district, the same regulations and restrictions shall apply as are provided for retail districts except, that in a restricted retail district no building or premises shall be used

and no building shall be erected which is arranged, intended or designed to be used for any of the following purposes:

(j) Dry cleaning establishments, other than an establishment conforming to the provisions of §4-A, which is located in a passenger terminal, or as an accessory use in a transient hotel or a department store.

Section 4-C. Local Retail Districts. In a local retail district, the same regulations and restrictions shall apply below the level of that first story ceiling as are provided for restricted retail districts, except that no manufacturing of any kind shall be permitted; and no building shall be erected or structurally altered which is arranged, intended or designed to be used above the level of the first story ceiling for any use not permitted in a residence district. However, the provisions of this section shall not apply to projects authorized pursuant to §3 (10) of this resolution. In addition, the provisions of §4-B(j) shall not apply, and dry cleaning establishments conforming to the provisions of §4-A shall be permitted in local retail districts.

Rule 1. Definitions.

For the purpose of these Rules, the following definitions shall apply.

1.1. The term "dry cleaning establishment" shall mean any room, place or space in which dry cleaning is performed, as defined in the Zoning Resolution.

1.1.1. Dry Cleaning establishments to which these Rules shall apply shall be divided into two classes: Class A and Class B.

1.1.2. Class A dry cleaning establishments shall mean dry cleaning establishments in which the dry cleaning solvent used in the dry cleaning unit shall be non-flammable and non-combustible when tested in a tagliabue open cup tester and as rated by the Fire Commissioner.

1.1.3. Class B dry cleaning establishments shall mean dry cleaning establishments in which the dry cleaning solvent used in the dry cleaning unit shall have a flashpoint of not lower than 138.2 F. when tested in a tagliabue open cup tester and as rated by the Fire Commissioner.

1.1.4. For other purposes a dry cleaning establishment shall be as defined in Chapter 19 of the Administrative Code.

1.2. For the purposes of Sections 4-A and 4-C of the Zoning Resolution the terms "retail", "retail purposes" and "retail business" shall refer only to those dry cleaning establishments which perform services on articles conveyed directly by a retail customer to such dry cleaning establishment or collected directly from and delivered to the retail customer by any vehicle or any other means of effecting the same and such dry cleaning establishment directly processes such articles for such customer.

1.3. The term "existing" shall mean those dry cleaning establishments established prior to January 1, 1953.

1.4. The term "heretofore established" shall mean those dry cleaning establishments established on or after January 1, 1953 up until the effective date of these Rules.

1.5. The term "hereafter established" shall mean those dry cleaning establishments established after the effective date of these Rules.

1.6. The term "flammable liquid solvents" shall mean such as will emit an inflammable vapor at a temperature below 100 degrees Fahrenheit when tested in a tagliabue open cup tester.

PUBLIC HEARING

- 1.7. The term "spotting" or "sponging" shall mean the local application of an "inflammable liquid solvent" to remove spots of dirt, grease, paint or stains from wear-apparel, textiles, fabrics or articles of any other sort.
- 1.8. All other terms used shall be as defined in the Zoning Resolution, Administrative Code, Multiple Dwelling Law, or Labor Law, when not inconsistent with the specific terms defined herein.

Rule 2. Approvals and Affidavits.

- 2.1. It shall be unlawful to use any premises for any hereafter established dry cleaning establishments without filing plans of that portion of the premises to be so used with the Department of Housing and Buildings by either the owner, lessee or agent of such premises on forms customarily furnished by the Department and an approval of the Department of Housing and Buildings obtained thereon.
 - 2.1.1. Before the Department of Housing and Buildings shall approve any plans of such hereafter established dry cleaning establishment which are Class B dry cleaning establishments the Fire Commissioner shall approve the plans submitted to the Department of Housing and Buildings as required by Rule 2.1.
- 2.2. The proprietors or agents of any heretofore established cleaning establishment shall file with the Department of Housing and Buildings statements under oath on forms furnished by the Department of Housing and Buildings as to the aggregate dry load capacity of the dry cleaning unit or units and the gross floor area of said establishment used in accordance with the Zoning Resolution, Sections 4(a), 53(b), and Rules 3.1 and 3.2.
- 2.3. The requirements of Rules 2.1, 2.1.1 and 2.2 shall not apply to existing dry cleaning establishments. The requirements of Rule 2.2 shall not apply to those heretofore established dry cleaning establishments which have previously obtained approvals on plans from the Department of Housing and Buildings where information substantially similar to that required to be furnished under said Rule 2.2. is on file with the said Department of Housing and Buildings.
- 2.4. All premises which contain existing dry cleaning establishments as well as all heretofore established and hereafter established dry cleaning establishments complying with the provisions of Rules 2.1, 2.1.1, 2.2 and 2.3 shall not be required to obtain a special certificate of occupancy relating to the use of the premises for a dry cleaning establishment.
- 2.5. No dry cleaning unit shall be installed six months after the effective date of these Rules unless such unit is approved by the Board of Standards and Appeals or unless an application for approval of the cleaning unit is filed with the Board of Standards and Appeals and a calendar number issued in connection therewith and a statement under oath is filed by the proprietor of the dry cleaning establishment or his agent that the dry load capacity of such dry cleaning unit is not greater than sixty pounds as defined below in Rule 2.6.
- 2.6. The dry load capacity of all dry cleaning units for the purpose of these rules and the Zoning Resolution shall be rated by the Board of Standards and Appeals on the basis of 2.8 pounds per cubic foot of the volume of the washing compartment for each washing cycle.
- 2.7. No dry cleaning solvent shall be used six months after the effective date of these Rules unless such solvent has been tested and rated by the Fire Commissioner or unless an application for such testing

and rating of such dry cleaning solvent is made with the Fire Commissioner.

- 2.7.1. It shall be unlawful to use any dry cleaning solvent in any dry cleaning unit having a flash-point other than that for which the dry cleaning unit is designed.

- 2.8. Except as otherwise expressly required by these Rules, nothing shall require any change in the construction, use of occupancy of any existing dry cleaning establishment or any change in the construction, use or occupancy in any heretofore established dry cleaning establishment which conforms with Sections 4(a), 53(a), (b) and (c), and Sections 4 (A), 4 (B) and 4 (C) of the Zoning Resolution adopted by the City Planning Commission on January 21, 1953.
- 2.9. No non-conforming existing dry cleaning establishment shall be enlarged or extended unless such extension or enlargement be made in a conforming manner.

Rule 3. Restrictions on Locations and Areas.

- 3.1. No dry cleaning establishment which is a heretofore established dry cleaning establishment or a hereafter established dry cleaning establishment shall have a gross floor area exceeding the aggregate of 2,000 square feet to be used for dry cleaning, pressing and incidental operations as well as space used for storage, service of customers and the convenience of employees. The square foot area limitation shall apply to the aggregate of all space so used on all floors and mezzanines of the premises involved above the cellar or basement thereof. Additional space may be used on a lower floor which is either a basement or cellar provided that on such floor there shall be no dry cleaning and no storage of recently cleaned articles. The use of such basement or cellar area may include the installation and use of a boiler, dead or cold storage, storage of supplies, storage and filtration of solvents and space utilized for specialized washing equipment.
 - 3.1.1. In calculating the gross floor area pursuant to Rule 3.1, the area restriction shall not include the area used by the non-dry cleaning operations of a multiple use type of service establishment where, in addition to dry cleaning, there may be a launderette, shirt laundering, shoe repairing, tailoring and alteration of garments, fur cleaning and glazing, and fur storage.
- 3.2. No Class B dry cleaning establishment hereafter established shall be permitted within any building:
 - 3.2.1. which is of wood frame construction;
 - 3.2.2. which is classified as a public building pursuant to Section C-26-235.0 of the Administrative Building Code;
 - 3.2.3. any part of which establishment is within 20 feet of any public building.

Rule 4. Egress.

- 4.1. The means of egress in all dry cleaning establishments shall be in conformity with the applicable provisions of the building laws and regulations governing such establishments. In addition thereto, all establishments shall conform to the following:
 - 4.1.1. A three foot (3 feet 0 inches) wide aisle providing access from the main work area to the required means of egress shall be provided. Such required aisle shall not be obstructed by any fixed obstruction in any manner whatsoever.

PUBLIC HEARING

4.1.2. In all hereafter established dry cleaning establishments all required exit doorways shall be arranged to swing outwardly in the direction of the egress.

Rule 5. Fire Prevention—Class B Establishments.

All hereafter established Class B dry cleaning establishments shall comply with the following:

5.1. No power or heating boiler shall be permitted in the same area or space where dry cleaning units are located, whether on the cleaning floor or floors or cellar or basement level unless either

(a) the boiler or boilers shall be enclosed in a 3-hour unpierced masonry enclosure and entered only from the outer air; or

(b) the boiler or boilers shall be enclosed in a 3-hour masonry enclosure with a one-hour fire proof self-closing door which opens into a ventilated vestibule similarly enclosed and entered by a one-hour fire proof self-closing door opening onto the interior of the premises or establishment.

5.1.2. The ceiling of all such boiler rooms as required in Rule 5.1 and the adjoining entrance vestibule referred to in Rule 5.1.(b) above shall be fire-retarded with one-hour fire resistive material.

5.2. Non-fire proof enclosing partitions and ceilings of any such dry cleaning establishment shall be fire-retarded with one-hour fire resistive materials and doors or in lieu thereof with one approved automatic one-inch wet pipe sprinkler head located over the cleaning unit which shall have its source of supply from the house water system.

5.3. All openings from any such dry cleaning establishment leading to a fire escape shall be equipped with a one-hour fire proof self-closing door or fire-proof window assembly.

5.4. Except as provided in Rule 5.1, there shall not be employed in any such dry cleaning establishment any device or apparatus employing flame or fire which is likely to produce an exposed spark except electric apparatus placed at least five feet above the floor, or approved type of "explosion proof electric motors". In such establishments all lighting shall be fitted with keyless sockets and all switches and receptacles shall be placed at least four feet above the floor. Nothing contained in this rule or Rule 5.1 shall prohibit the installation of any gas, oil or electric heating device of a type approved by the Fire Commissioner under such conditions as he shall prescribe.

5.5. All solvent used in the dry cleaning unit shall be either (a) received and stored in metal containers not exceeding 55 gallons each and pumped directly into a dry cleaning unit or units by means of a detachable leakproof pump and pipe system, or (b) received and stored in a tank or tanks in accordance with the rules of the Board of Standards and Appeals relating to the receiving and storing of fuel oils and pumped directly into a dry cleaning unit or units by means of a closed leakproof pipe and pump system.

Rule 6. Fire Prevention—Class A Establishments.

All hereafter established Class A dry cleaning establishments shall comply with the following:

6.1. No power or heating boiler having a grate area in excess of 3 square feet shall be permitted in the same area or space where dry cleaning units are located

unless such boiler or boilers shall be enclosed in a one-hour fire proof partition and entered by a one-hour fireproof self-closing door whether from the interior of the premises or establishment or to the outer air.

6.2. All ceilings of all such boiler rooms as provided in Rule 6.1 shall be fire-retarded with one-hour fire resistive material.

6.3. All openings from any such dry cleaning establishment leading to a fire escape shall be equipped with a fireproof self-closing door or fireproof window assembly.

Rule 7. Fire Prevention—All Dry Cleaning Establishments.

All existing, heretofore established or hereafter established dry cleaning establishments whether Class A or Class B shall comply with the following:

7.1. The provisions of Section C-19.161.0 of Chapter 19 of the Administrative Code.

7.2. No smoking shall be permitted in any such establishment except Class A establishments where fewer than six employees are employed. Approved signs shall be conspicuously posted to that effect as directed by the Fire Commissioner.

7.3. It shall be unlawful to store any inflammable liquids or solvents in quantities aggregating more than five gallons without a permit as provided in Article 9 of Chapter 19 of the Administrative Code.

7.4. All inflammable liquids and solvents used for spotting and sponging shall be contained in approved individual metal containers not exceeding two-quart capacity each.

7.5. All sludge or residue removed from a dry cleaning unit shall be placed in a metal container not exceeding 55 gallons of capacity with a tight fitting cover and shall be removed from the premises and disposed of in a lawful manner.

Rule 8. Ventilation.

8.1. All hereafter established dry cleaning establishments whether Class A or Class B shall be equipped with adequate ventilation to provide four complete changes of air volume an hour of such establishments during the operation of any dry cleaning units.

8.2. All Class A dry cleaning establishments whether existing, heretofore established or hereafter established shall have sufficient ventilation so as to prevent an excessive concentration of solvent vapors in the dry cleaning establishment. An excessive concentration of solvent vapors shall be that which exceeds the average of 200 parts of solvent vapors per one million parts of air during any working day.

8.3. The direct equipment exhausts or vents of any hereafter established dry cleaning establishment whether Class A or Class B shall terminate to the outer air in the following manner:

(1) At least 7 feet above the roof or legal street grade of the premises in which said establishment shall be located, and

(2) the exhaust shall be under static pressure by reason of a mechanical fan and the terminal of the exhaust, shall be at least five feet from any legal ventilating openings if said legal ventilating windows or legal ventilating openings lie on the

Urbana, Ill.

PUBLIC HEARING

same plane as the said exhaust terminal and when the said legal ventilating windows, or other legal ventilating openings lie on a plane which faces in the direction of the exhaust terminal the said terminal shall be at least 10 feet away from the same.

- 8.4. In all Class A dry cleaning establishments whether existing, heretofore established or hereafter established, all solvent used in the dry cleaning unit shall either (a) be received and stored in metal containers not exceeding 55 gallons each and pumped directly into a dry cleaning unit or units by means of a detachable leakproof pump and pipe system; or (b) be received and stored in a tank or tanks and pumped directly into a dry cleaning unit or units by means of a closed leakproof pipe and pump system.

Rule 9. Operating Precautions.

- 9.1. A printed notice embodying these Rules shall be posted in a conspicuous place in all dry cleaning establishments whether of Class A or Class B or whether existing, heretofore established or hereafter established.

- 9.2. The proprietor of any Class A establishment whether existing, heretofore established or hereafter established, shall furnish to any person cleaning out a dry cleaning unit containing any chlorinated hydrocarbon solvent an approved type respirator for his use during the process of cleaning out any such unit.

- 9.3. All equipment shall be installed in such manner as to minimize noise, vibration, smoke, and odors, and other forms of nuisances to the occupants of the premises in which such cleaning establishment may be located or to the occupants of any adjacent premises.

Rule 10. Penalties.

Any violation of these Rules shall be subject to the penalties prescribed in the Zoning Resolution therefor, in addition to other penalties prescribed by law.

Rule 11. Date of Rules.

The effective date of these rules is (the date of actual adoption).

WARNING

Notice is hereby given to all appellants and applicants, and to all lawyers, architects and engineers representing owners or lessees in proceedings before the Board—

First, That if they do not appear in person or by representative at the hearing of their case, dismissal for lack of prosecution is likely to result.

Second, That due and ample notice of the date set for hearing is provided in the publication in this BULLETIN of the calendars of the Board, each case being set down by Calendar Number and the premises under the date of the hearing.

Third, That no plea of ignorance of the date of the hearing can be entertained in view of this publication and of the posting of the calendars on the bulletin board in the offices of the Board and of the further publication of the calendars in the daily press.

Fourth, That no one is entitled to written notice of the date for the hearing in his case, and that the plea of failure

to receive such notice is no excuse for neglect to appear.

Fifth, That the business of the Board is to dispose of all cases promptly; therefore, no appeal or application will be held in abeyance by reason of failure of the appellant or applicant to file necessary data, or by any other method of delay.

Sixth, That no appeal or application will be accepted for filing unless, at the time of filing, all papers, plans and data required by law are supplied, as specified on the blank appeal or application forms.

Applicants, under the building zone resolution, are entitled to one copy of Form 7NO.

If they desire additional copies, for their own convenience in notifying proper owners, they may obtain such copies at the office of the Board of Standards and Appeals, Room 1014, Municipal Building, Manhattan, at five cents each—postage to be added if the forms are forwarded by mail.

(Remaining Minutes of the Meeting of February 15, 1955
will be printed in the Bulletin of March 1, 1955.)

Notice of Public Hearing on Proposed Rules for Ap-
proval and Use of Air Entraining Portland Cements.

PUBLIC HEARINGS

Tuesdays at 10 a.m. to 2 p.m.

Special meetings as published in this Bulletin.

All hearings are held in Room 1013, Municipal Building,
Borough of Manhattan.

HOURS OF CONSULTATION

10. A. M. to 1 P. M.

Any person desiring to consult the chairman or the
engineers, pertaining to the work of the board, will be
seen only between the hours of ten in the morning and
one in the afternoon—Saturdays excepted.

NOTICE TO APPELLANTS AND APPLICANTS

No appeal or application will be entertained in connection
with which court proceedings are pending or in progress,
unless exception is granted by the chairman, nor accepted
which is not filed within thirty days from the date of the
action of the Administrative Official.

Any communication purporting to be an appeal or appli-
cation shall be regarded as a mere notice of intention to seek
relief until it is filed on the form required by the rules of
this board.

Upon receipt of any such communication the writer will
be supplied with the official forms for presenting his appeal
or application.

At the time of filing an appeal or application, the appel-
lant or applicant shall forward a signed notice of appeal
addressed to the administrative official either borough super-
intendent of buildings or fire commissioner and file with
this board a duplicate of said notice.

Appellant and applicants are advised that their plans must
indicate the points of the compass so as to establish the true
location and position of the property, the subject of the
appeal or application.

Appeals and applications will be simplified and disposition
of same expedited by conforming to these directions.

HARRIS H. MURDOCK, *Chairman*

Notice of Public Hearing on Proposed Amendments to
the Rules for Arc and Gas Welding and Oxygen
Cutting.

Notice of Public Hearing on Proposed Rules Covering
Dry Cleaning Establishments Pursuant to the Zoning
Resolution of The City of New York.

CALENDAR

DOCKET

New Cases filed up to February 15, 1955

Cal. No. Dept. Premises Affected

72-55-SA—Gilbarco Calco-Meter Single Gasoline Dispensing Pump, Models 902, 903, 905 and 908, manufactured by Gilbert and Barker Manufacturing Co., Appliance.

73-55-BZ—H.B.Bx.—1680 Gun Hill road and 1674 Allerton avenue, intersection of Allerton avenue, Gun Hill road and Lodovick avenue, Block 4539, Lot 1, Borough of The Bronx, N.B. 33-55—re erection and maintenance of gasoline service station, lubrication, parking of cars to be serviced.

74-55-SA—Bendix Commercial Washer (automatic), Model WEC, manufactured by Bendix Home Appliance division of Avco Manufacturing Co., Appliance.

75-55-SM—Kant-Slam Door Check, manufactured by Kant-Slam Door Check Co., Material.

76-55-SM—General Filters Inc., filters for fuel oil, Models 1-25, 2-300, 2-700 and 2-17, manufactured by General Filters Inc., Material.

77-55-SM—General Filters Inc. Water Trap, Model 90, manufactured by General Filters Inc., Material.

78-55-SM—General Filters Inc. Unifilters for Fuel Oil, Models 75 and 77, manufactured by General Filters Inc., Material.

79-55-BZ—H.B.Q.—32-61 110th street, east side, 96.17 ft. north of Northern boulevard, Block 1704, Lot 148, Corona, Borough of Queens, Alt. 2883-54—re proposed change in use from garage to repair shop, office and welding—business use district.

80-55-A—H.B.Q.—219-28 to 219-38 Hillside avenue (219-30 official) and 88-01 to 88-09 Springfield boulevard, southeast corner, Block 10680, Lot 1, Hollis, Borough of Queens (under section 35, General City law re premises in bed of mapped street—proposed widening of Springfield boulevard), N.B. 3769-54.

81-55-A—H.B.M.—135-147 West 70th street, north side, 181 ft. 5½ in. east of Broadway, Block 1142, Lot 15, Borough of Manhattan, Alt. 415-54—re egress; exits.

82-55-A—H.B.Q.—227-15 to 228-21 (228-05 official) Northern boulevard, northeast corner of 228th street (proposed), Block 6331, Lot 20, Block 6335, part of Lot 7 and Block 6334, Lots 1 and 5, Bayside, Borough of Queens (under section 35, General City law re premises partly in bed of mapped street—43rd avenue and 228th street), Alt. 2054-54.

83-55-BZ—H.B.B.—345 Myrtle avenue, north side, 74 ft. 10¾ in. east of Carlton avenue, Block 2044, Lot 88, Borough of Brooklyn, Alt. 4068-46—re exit through kitchen and through adjoining property—residence use district.

84-55-A—H.B.M.—314 East 14th street, south side, 150 ft. east of 2nd avenue, Block 455, Lot 14, Borough of Manhattan, Alt. 111-55—re laboratory; stairs and elevator.

85-55-BZ—H.B.M.—417 West 50th street, north side, 250 ft. west of 9th avenue, Block 1060, Lot 22, Borough of Manhattan, Amendment to Alt. 1495-54—re music publishing in residence use district.

86-55-A—H.B.Bx.—1078 Kelly street, east side, 89.32 ft. south of East 167th street, Block 2716, Lot 29, Borough of The Bronx, Alt. 1118-53—re Class III construction; stairways; exits, etc.

87-55-A—H.B.Q.—37-20 10th street, west side, 175.15 ft. south of 37th avenue, Block 359, Lot 28, Long Island City, Borough of Queens, B.N. 1486-54—re Spray Rules, etc.

88-55-BZ—H.B.Bx.—3327 White Plains road, west side, 246.77 ft. north of Rosewood street, Block 4624, Lot 49, Borough of The Bronx, Alt. 11-55—re maintenance of motor vehicle repair shop and garage.

89-55-A—H.B.Bx.—3327 White Plains road, west side, 246.77 ft. north of Rosewood street, Block 4624, Lot 49, Borough of The Bronx, Alt. 11-55—re frame building.

90-55-A—F.D.—1278-1292 2nd avenue, east side, from East 67th to East 68th streets, 317 East 67th street and 316 East 68th street, Block 1442, Lot 1 (Julia Richman High School), Borough of Manhattan, City Order H.S. 112.01—re standpipe system.

91-55-BZ—H.B.B.—583-593 Liberty avenue and 279-295 Barbey street, northeast corner, Block 3965, Lot 1, Borough of Brooklyn, Alt. 3388-54—re increase in area; public garage.

92-55-BZ—H.B.B.—1431-1461 86th street, north side, 240 ft. east of 14th avenue, Block 6340, Lot 52, Borough of Brooklyn, N.B. 1505-54—re erection and maintenance of repair shop, showroom, gasoline service station, sale of auto accessories and parking of cars to be serviced.

93-55-BZ—H.B.M.—2501-2503 Amsterdam avenue and 481-499 West 184th street, northeast corner, Block 2149, Lots 30 and 35, Borough of Manhattan, N.B. 8-55—re loading berth, etc.

94-55-A—H.B.M.—213-215 West 64th street, north side, 200 ft. west of Amsterdam avenue, Block 1156, Lot 23, Borough of Manhattan, Alt. 2032-53—re stairs, etc.

95-55-BZ—H.B.B.—450-456 East 34th street, west side, 72 ft. north of Beverly road, Block 4918, Lot 27, Borough of Brooklyn, Alt. 5032-53—re change in occupancy from garage for 5 cars to public garage for 10 cars and use of vacant space at rear for parking of 10 cars, etc.

96-55-A—H.B.B.—137 Manhattan avenue, west side, 75 ft. north of Montrose avenue, Block 3051, Lot 20, Borough of Brooklyn, Alt. 5198-53—re frame construction—factory.

CALENDAR

97-55-A—H.B.B.—413-437 Liberty avenue and 187-209 Vermont street, northeast corner and 154-172 Wyona street, Block 3689, Lot 1, Borough of Brooklyn, Alt. 1517-53—re fire wall, etc.

98-55-A—H.B.B.—928 Halsey street, south side, 160 ft. east of Saratoga avenue, Block 1495, Lot 15, Borough of Brooklyn, Alt. 4475-52—re Class III construction over 50 ft. in height—changed from public occupancy (theatre) to business occupancy (manufacturing metal products); exits.

99-55-SM—Lamilux (roofing material and partitioning), manufactured by Laminated Fiberglass Corp. of America, Material.

100-55-BZ—H.B.R.—60 Richmond terrace, southwest corner of Wall street, Block 7, Lot 70, Tompkinsville, Borough of Richmond, N.B. 496-53—re reconstruction and extension in area of existing gasoline service station, lubritorium, etc. parking of more than five cars, auto laundry, and repair shop (hand tools only).

101-55-A—H.B.M.—87-89 Nassau street, southwest corner of Fulton street, Block 79, Lot 1, Borough of Manhattan, Alt. 1809-54—re fire escape, etc.

102-55-A—H.B.M.—20-28 East 68th street and 802-812 Madison avenue, southwest corner, Block 1382, Lots 56, 57, 58, 58½ and 59, Borough of Manhattan, Amendment to N.B. 76-46—re steel hoist tower, etc.

103-55-A—H.B.M.—605-607 West 115th street, north side, 125 ft. west of Broadway, Block 1896, Lot 61, Borough of Manhattan, Alt. 1003-54—re non-fireproof construction; egress.

104-55-A—F.D.—1 Whale square, south side, 391 ft. west of 1st avenue, Block 811, Lot 1, Borough of Brooklyn, Order No. 0162-5—re bulk oil storage plant, etc.

105-55-SA—Thatcher Winter Air Conditioner, Models 532-70, 532-100 and 532-140, oil fired, manufactured by Thatcher Furnace Co., Appliance.

106-55-SM—Masland Duran with Fabric Back Quality 2785 (flame resistant upholstery fabric), manufactured by The Masland Duraleather Co., Material.

107-55-A—H.B.M.—5 East 44th street, north side, 167 ft. east of 5th avenue, 6th floor, Block 1279, Lot 9, Borough of Manhattan, Alt. 40-55—re non-fireproof construction.

108-55-BZ—H.B.Bx.—614-616 East 180th street, south side, 145 ft. east of Arthur avenue, Block 3069, Lot 80, Borough of The Bronx, Amendment to Alt. 735-54—re proposed manufacturing use in residence use district.

109-55-A—H.B.Bx.—614-616 East 180th street, south side, 145 ft. east of Arthur avenue, Block 3069, Lot 80, Borough of The Bronx, Amendment to Alt. 735-54—re egress.

110-55-BZ—H.B.M.—635-637 East 12th street, north side, 183 ft. west of Avenue C, Block 395, Lots 43 and 44, Borough of Manhattan, Alt. 2000-54—re parking of more than 5 cars in residence use district.

Restored to Docket

540-32-A—Vol. III—H.B.M.—1605 Amsterdam avenue and 475 West 140th street, southeast corner, cellar, Block 2057, Lot 1, Borough of Manhattan, F. P. 2146-54.

297-52-SA—General Electric Gas-Fired Warm Air Furnace, Models 21LG10, 21LG20, 21LG30 and 21LG40 reopened for report as to additional model—21LG15), manufactured by General Electric Company, Appliance.

333-39-SM—Vol. II—Double V. Cinder Block, sizes 4x8x18, 8x8x18, 12x8x16, 6x8x18, 10x8x16, 12x8x18, and 8x9x18 (reopened for test and report as to additional sizes), manufactured by DeYorgi Bros., Inc., Material.

1429-39-SM—Vol. IV—Lelite Concrete Building Block concrete masonry construction), manufactured by Rock Crete Products, Inc., Material.

900-48-SM—Si-Flow No. 05 Non-Syphon Ballcock (water control valve for water closet tanks); (reopened for test and report as to modified design of ballcock), manufactured by Mansfield Sanitary Pottery, Inc., Material.

342-54-BZ—H.B.Q.—76-01 to 76-19 Main street, east side, from 76th avenue to 76th road, 144-02 to 144-10 76th avenue and 141-01 to 141-09 76th road, Block 6666, Lot 1, Flushing, Borough of Queens, N.B. 725-54.

119-29-BZ—Vol. II—H.B.B.—625 Halsey street, north side, 20 ft. west of Patchen avenue, Block 1662, Lots 59 and 61, Borough of Brooklyn, Alt. 4468-54.

482-48-BZ—Vol. II—H.B.M.—4342-4344 Broadway and 649-651 West 185th street, northeast corner, Block 2167, Lot 29, Borough of Manhattan, Alt. 1827-54.

833-27-BZ—Vol. IV—H.B.B.—1212 Avenue P, south side, 80 ft. east of East 12th street, Block 6775, Lot 5, Borough of Brooklyn, Alt. 1161-54.

DESIGNATIONS: H.B.—Department of Housing and Buildings; H.B.B.—Department of Housing and Buildings, Brooklyn; H.B.M.—Department of Housing and Buildings, Manhattan; H.B.Q.—Department of Housing and Buildings, Queens; H.B.R.—Department of Housing and Buildings, Richmond; H.B.Bx.—Department of Housing and Buildings, Bronx; H.D.—Health Department; F.D.—Fire Department, and M and A.—Dept. of Marine and Aviation.

APPEARANCES—

For Applicant: Robert T. Groh and O. L. Solomon.

For Opposition: Max M. Lome, Joseph Schmidt and J. C. Vlk.

For Administration: Samuel L. Becker, Dep't of Housing and Buildings.

ACTION OF BOARD—Laid over; date to be set; Board to inspect similar use; hearing previously closed.

MINUTES

162-54-BZ

APPLICANT—Paul Friedman, for Kollman Realty Corp., owner.

SUBJECT—Application March 8, 1954—re (decision of the borough superintendent) under sections 7f and 7e of the zoning resolution, to permit in the retail use district portion of a plot located in a residence and retail use district for a term of fifteen years the erection and maintenance of a gasoline service station, lubritorium, auto wash (non automatic), storage and sale of accessories and office, and to permit the parking of cars waiting to be serviced.

PREMISES AFFECTED—250-02 to 250-14 Hillside avenue (250-04 official) and 84-01 to 84-09 250th street, southeast corner, Block 8604, Lot 85, Bellerose, Borough of Queens.

APPEARANCES—

For Applicant: Paul Friedman and R. J. Kruger.

For Opposition: Joseph Lacalamita, M. Roche, Mrs. William Myers, Mrs. E. G. House, Thomas Lacalamita, E. Corsun and Mrs. Rachel Corsun.

For Administration: Samuel L. Becker, Dep't of Housing and Buildings.

ACTION OF BOARD—Laid over to March 22, 1955, at 10 A. M., for inspection and decision without further argument; hearing closed.

349-54-BZ

APPLICANT—Felix J. Wasselle, for Rita Brue, owner.

SUBJECT—Application May 5, 1954—(decision of the borough superintendent) under section 7e of the zoning resolution, to permit in a residence use district the erection and maintenance of a commercial building (luncheonette, with living quarters in the rear).

PREMISES AFFECTED—226 Beach 88th street, southeast corner of Long Island Railroad Freeway (Block 572, Lot 13), Rockaway Beach, Borough of Queens.

APPEARANCES—

For Applicant: Felix J. Wasselle and Rita Brue.

For Opposition: None.

For Administration: Samuel L. Becker, Dep't of Housing and Buildings.

ACTION OF BOARD—Laid over to March 22, 1955, at 10 A. M. for inspection and decision; hearing closed.

487-54-BZ

APPLICANT—LeRoy Holman, for Gloria and LeRoy Holman, owners.

SUBJECT—Application June 16, 1954—(decision of the borough superintendent) under section 21 of the zoning resolution, to permit in a residence use, G area district the erection and maintenance of a one family dwelling, nearer to the street line than is permitted.

PREMISES AFFECTED—278 Lighthouse avenue, south side, 240 ft. west of Ascot avenue, Block 2272, Lot 21, New Dorp, Borough of Richmond.

APPEARANCES—

For Applicant: John A. Lynch and LeRoy Holman.

For Opposition: L. D. Halama and Mrs. Helen Gard.

For Administration: Samuel L. Becker, Dep't of Housing and Buildings and P. L. Santoro for Boro President of Richmond.

ACTION OF BOARD—Laid over for inspection and decision; date to be set; no further argument; hearing closed.

599-54-BZ

APPLICANT—Burke, Green and Groh, for Carl and John Mangels, owners.

SUBJECT—Application July 22, 1954—(decision of the borough superintendent) under sections 7c, 7h and 7A of

the zoning resolution, to permit in a residence and retail use district the erection and maintenance of seven one car garages and to permit the parking and storage of patrons' and employees' cars (no fee to be charged) on unbuilt upon portion of plot, with curb cuts nearer the residence use district than is permitted.

PREMISES AFFECTED—255-13 Northern boulevard, north side, 55.05 ft. west of Glenwood street, Block 8139, Lot 41, Little Neck, Borough of Queens.

APPEARANCES—

For Applicant: Robert T. Groh and Carl Mangels.

For Opposition: Claude W. Carlstrom, Pauline Bierer and George W. Watson.

For Administration: Samuel L. Becker, Dep't of Housing and Buildings.

ACTION OF BOARD—Laid over to March 22, 1955, at 10 A. M., for inspection and decision, without further argument; hearing closed.

640-54-BZ

APPLICANT—Boris M. Dorfman, for 99 Ocean Avenue Corp., owner.

SUBJECT—Application August 5, 1954—re (decision of the borough superintendent) under section 7c of the zoning resolution, to permit in a residence and business use district the addition of catering use to existing dining room on first floor.

PREMISES AFFECTED—89-99 Ocean avenue, northeast corner of Lincoln road, Block 5024, Lots 1-4, Borough of Brooklyn.

APPEARANCES—

For Applicant: Boris M. Dorfman.

For Opposition: None.

For Administration: Samuel L. Becker, Dep't of Housing and Buildings.

ACTION OF BOARD—Laid over to March 1, 1955, at 10 A. M. for applicant to submit a letter from the Borough Superintendent as to whether existing dining room on premises is permitted, under the existing certificate of occupancy, to be used by non-residents of subject premises; hearing previously closed.

660-54-BZ

APPLICANT—Carl H. Salminen, for Brantlin J. Mecklenburg, owner (Herman Glicker, lessee).

SUBJECT—Application August 25, 1954—(decision of the borough superintendent) under section 7e of the zoning resolution, to permit in a residence use district the erection and maintenance of a gasoline service station, lubritorium, motor vehicle repairs and office, with business entrance (curb cuts) and signs; and to permit the parking of motor vehicles.

PREMISES AFFECTED—45-04 Bowne street and 142-16 45th avenue, southwest corner, Block 5202, Lot 7, Flushing, Borough of Queens.

APPEARANCES—

For Applicant: Carl H. Salminen and Herman Glicker.

For Opposition: Dorothy Ockershausen.

For Administration: Samuel L. Becker, Dep't of Housing

ACTION OF BOARD—Laid over to March 22, 1955, at 10 A. M. for inspection and decision; hearing closed.

661-54-A

APPLICANT—Carl H. Salminen, for Brantlin J. Mecklenburg, owner (Herman Glicker, lessee).

SUBJECT—Application August 25, 1954—Appeal from a decision of the borough superintendent.

PREMISES AFFECTED—45-04 Bowne street and 142-16 45th avenue, southwest corner, Block 5202, Lot 7, Flushing, Borough of Queens.

APPEARANCES—

For Applicant: Carl H. Salminen and Herman Glicker.

MINUTES

For Administration: Samuel L. Becker, Dep't of Housing and Buildings.

ACTION OF BOARD—Appeal withdrawn at request of the applicant, having been filed improperly as an administrative appeal; decision involves a question of zoning.

THE VOTE—

Affirmative: Chairman Murdock, Commissioners Kleinert and Keating and Deputy Chief Connolly 4
Negative 0

687-54-BZ

APPLICANT—Charles M. Spindler, for Louis and Kathleen Pillari, owners.

SUBJECT—Application August 17, 1954—(decision of the borough superintendent) under section 7c of the zoning resolution, to permit in a retail use district the reconversion of building from a factory, office, and laboratory to storage garage for more than five motor vehicles and offices.

PREMISES AFFECTED—11-06 to 11-08 30th avenue, and 9-40 Main avenue (street), southwest corner, Block 507, Lot 31, Astoria, Borough of Queens.

APPEARANCES—

For Applicant: Joseph C. Haus and Louis Pillari.

For Opposition: C. J. Cammarata for N. Y. C. Housing Authority

For Administration: Samuel L. Becker, Dep't of Housing and Buildings.

ACTION OF BOARD—Laid over to March 1, 1955, at 10 A.M. for inspection and decision; hearing closed.

764-54-BZ

APPLICANT—Lama, Proskauer and Prober, for Silvio Loria, owner.

SUBJECT—Application September 29, 1954—(decision of the borough superintendent) under sections 7c and 7i of the zoning resolution, to permit in a residence use district the maintenance of existing gasoline service station to include car washing, lubritorium, motor vehicle repairs and accessory store; and to permit the removal of pumps from building line of East 92nd street and to relocate them along easterly wall of the building line by removing existing store partition and to extend the gasoline service station to easterly wall of building.

PREMISES AFFECTED—1341 East 92nd street and 9202 Avenue K, southeast corner, Block 8238, Lot 35, Borough of Brooklyn.

APPEARANCES—

For Applicant: James E. Vassalotti.

For Opposition: Mrs. Mary Danisi, Mrs. Anna Santero and Charles F. Morgan.

For Administration: Samuel L. Becker, Dep't of Housing and Buildings.

ACTION OF BOARD—Laid over to March 22, 1955, at 10 A. M., for inspection and decision without further argument; hearing closed.

765-54-A

APPLICANT—Lama, Proskauer and Prober, for Silvio Loria, owner.

SUBJECT—Application September 29, 1954—Appeal from a decision of the borough superintendent.

PREMISES AFFECTED—1341 East 92nd street, and 9202 Avenue K, southeast corner, Block 8238, Lot 35, Borough of Brooklyn.

APPEARANCES—

For Applicant: James E. Vassalotti.

For Administration: Samuel L. Becker, Dep't of Housing and Buildings.

ACTION OF BOARD—Laid over to March 22, 1955, at 10 A. M., for inspection and decision without further argument; hearing closed.

853-54-BZ

APPLICANT—Lama, Proskauer and Prober, for Cono Liguori, owner.

SUBJECT—Application November 9, 1954—(decision of the borough superintendent) under section 7c of the zoning resolution, to permit in a residence and business use district the maintenance of present use by permitting change of use of building C from four truck garage to four truck and two pleasure car garage; and the use of existing gasoline pump and tank for owner's use only; and change of use of public garage in building D to storage of baled waste paper, rags and scrap iron; and the change of use of building E from repair shop and garage to storage of baled waste paper and rags. Building A and B to continue present legal uses of two family dwelling and store in building A, and rag shop in building B.

PREMISES AFFECTED—3027-3037 Atlantic avenue, northwest corner of Essex street, Block 3956, Lot 21, Borough of Brooklyn.

APPEARANCES—

For Applicant: James E. Vassalotti.

For Opposition: None.

For Administration: Samuel L. Becker, Dep't of Housing and Buildings.

ACTION OF BOARD—Laid over to March 22, 1955, at 10 A. M., for inspection and decision without further argument; applicant to file information as to status of violation on the building; hearing closed.

150-37-BZ—Vol. II

APPLICANT—Albert E. Deer, for Lourose Realty Corp., owner (Esso Standard Oil Company, lessee).

SUBJECT—Application reopened November 16, 1954 as Vol. II—re (decision of the borough superintendent) under sections 7e and 7h of the zoning resolution, to permit in a local retail use district the erection and maintenance of a gasoline service station, lubritorium, auto laundry, motor vehicle repairs, and office, and to permit the parking of motor vehicles waiting to be serviced; for a term of fifteen years.

PREMISES AFFECTED—255-263 Ralph avenue, northeast corner of Marion street, Block 1513, Lots 1, 3 and 4, Borough of Brooklyn.

APPEARANCES—

For Applicant: Joseph B. Lynch.

For Opposition: Edw. Hoffman for Park Dept. and C. J. Cammarata, N. Y. C. Housing Authority.

For Administration: Samuel L. Becker, Dep't of Housing and Buildings.

ACTION OF BOARD—Application withdrawn.

THE VOTE—

Affirmative: Chairman Murdock, Commissioners Kleinert and Keating and Deputy Chief Connolly 4

Negative 0

THE RESOLUTION—

WHEREAS, the applicant stated that it is desired to withdraw this application, in view of the fact that a public playground under construction in the area brings the subject site within the purview of Section 21A of the Zoning Resolution.

Resolved, that this application be and it hereby is *withdrawn*.

1-51-BZ—Vol. II

APPLICANT—Paul Friedman, for Arthur R. Mullin, owner (Meridian Motors, Inc., lessee).

SUBJECT—Application reopened November 3, 1954 as Vol. II—re (decision of the borough superintendent) under section 7e of the zoning resolution, to permit in a local retail use district the erection and maintenance of a gasoline service station, auto washing, lubritorium, storage and sale of accessories and office, for a term of fifteen years.

MINUTES

PREMISES AFFECTED—243-06 Northern boulevard, southeast corner of 243rd street, Block 8180, Lot 1, Douglaston, Borough of Queens.

APPEARANCES—

For Applicant: Paul Friedman.
For Opposition: S. Bellinson.
For Administration: Samuel L. Becker, Dep't of Housing and Buildings.

ACTION OF BOARD—Application withdrawn, at request of the applicant.

THE VOTE—

Affirmative: Chairman Murdock, Commissioners Kleiner and Keating and Deputy Chief Connolly 4
Negative 0

THE RESOLUTION—

WHEREAS, the premises and surrounding area were inspected by a committee of the Board; and

WHEREAS, a full hearing was held on this application; and

WHEREAS, the applicant requested withdrawal on the date set for decision.

Resolved, that this application be and it hereby is *withdrawn*.

747-54-BZ

APPLICANT—George H. Colin, for George H. Van Siclen, owner.

SUBJECT—Application October 1, 1954—(decision of the borough superintendent) under sections 7e and 21 of the zoning resolution, to permit in a residence use, E 1 area district the erection and maintenance of a business building (stores), without the required set backs from both streets and using more than the area permitted; and to permit the accessory parking of motor vehicles on unbuilt upon portion of plot.

PREMISES AFFECTED—39-11 to 39-21 Little Neck parkway and 250-08 39th road, southeast corner, Block 8144, Lot 82, Little Neck, Borough of Queens.

APPEARANCES—

For Applicant: Benjamin Mosher.
For Opposition: None.
For Administration: Samuel L. Becker, Dep't of Housing and Buildings.

ACTION OF BOARD—Application withdrawn, at request of the applicant.

THE VOTE—

Affirmative: Chairman Murdock, Commissioners Kleiner and Keating and Deputy Chief Connolly 4
Negative 0

THE RESOLUTION—

WHEREAS, the applicant has requested withdrawal of this application because he has been unable to obtain an extension of the contract for purchase.

Resolved, that this application be and it hereby is *withdrawn*.

748-54-A

APPLICANT—George H. Colin, for George H. Van Siclen, owner.

SUBJECT—Application October 1, 1954—filed pursuant to section 35, General City Law re erection of premises partly in bed of mapped street (proposed widening of Little Neck parkway), and a decision of the borough superintendent.

PREMISES AFFECTED—39-11 to 39-21 Little Neck parkway and 250-08 39th road, southeast corner, Block 8144, Lot 82, Little Neck, Borough of Queens.

APPEARANCES—

For Applicant: Benjamin Mosher.
For Administration: Samuel L. Becker, Dep't of Housing and Buildings.

ACTION OF BOARD—Appeal withdrawn, at request of the applicant.

THE VOTE—

Affirmative: Chairman Murdock, Commissioners Kleiner and Keating and Deputy Chief Connolly 4
Negative 0

THE RESOLUTION—

WHEREAS, the applicant has requested withdrawal of this appeal because he has been unable to obtain an extension of the contract for purchase.

Resolved, that this appeal be and it hereby is *withdrawn*.

38-30-BZ—Vol. II

APPLICANT—Lama, Proskauer and Prober, for Morben Properties, Inc., Rose Tague, Fames and Bertha Weinstein, owners.

SUBJECT—Application August 31, 1954 (decision of the borough superintendent), under section 7c of the zoning resolution, to permit in a business and unrestricted use district, the demolition of all structures on the plot, except public garage on lot 41 in the unrestricted use portion, and to change its use to high speed auto laundry and also to erect and maintain a gasoline service station in unrestricted use portion extending into the business use portion, and to include lubritorium, motor vehicle repairs, storage and sale of accessories, and to permit the parking and storage of motor vehicles on unbuilt upon portion of plot.

PREMISES AFFECTED—83-97 Boerum place, east side, from Atlantic avenue to Pacific street, 252-260 Atlantic avenue and 239-247 Pacific street, Block 181, Lots 1 to 10 inclusive, 41 and 42, Borough of Brooklyn.

APPEARANCES—

For Applicant: James E. Vassalotti.
For Opposition: None.
For Administration: Samuel L. Becker, Dep't of Housing and Buildings.

ACTION OF BOARD—Application granted on condition.

THE VOTE—

Affirmative: Chairman Murdock, Commissioners Kleiner and Keating and Deputy Chief Connolly 4
Negative 0

THE RESOLUTION—

WHEREAS, this application was reopened as Vol. II on September 28, 1954 subject to regular procedure, to consider a new proposal for a new owner; and

WHEREAS, a public hearing was held on this application on January 18, 1955 after due notice by publication in the Bulletin; laid over to February 15, 1955, for inspection and decision without further argument; hearing closed; and

WHEREAS, the district maps accompanying the zoning resolution show that the site, Boerum place and Pacific street are in business and unrestricted use, B area, class 1½ height districts; Atlantic avenue is in a business use, B area, class 1½ height district; and

WHEREAS, the decision of the borough superintendent, dated August 10, 1954 acting on Alt. Applic. 1883-54, reads:

"1. The change of use of premises located partly in a business and partly in an unrestricted district and the extension of the building now used as a public garage to high speed auto laundry, lubritorium, auto repairing, office and sales, parking and storage of motor vehicles and gasoline service station is contrary to the Zoning Res.: Art. II Sect. 4(a) (15) (29) (46) & (52)."

and

WHEREAS, the applicant states that the premises consist of a plot, 159 ft. 5 in. frontage by 100 ft. 3 in. in depth, irregular; that the use district maps show that the premises are in a class B area district and a class 1½ height district; that the portion of the premises within 100 ft. of Pacific street is in an unrestricted use district and the remainder in a business use district; that the premises are

MINUTES

presently developed with a one-story public garage of class 3 construction having a frontage of 25 ft. on Pacific street and a depth of 90 ft. and several two, three and four story brick dwellings and stores fronting on Boerum place and Atlantic avenue; that the department of housing and buildings records show that the public garage in block 181 on lot 41 was erected under N.B. 12485 of 1924 and certificate of occupancy No. 30525 was issued for a public garage for more than five motor vehicles on November 22, 1954; that it is proposed to demolish all the existing buildings on the plot except the public garage on lot 41, in block 181; that it is also proposed to change the use of this legal public garage located in the unrestricted portion of the site to a high speed auto laundry; that it is further proposed to install a gas station in the unrestricted portion of the lot extending into the business portion of the lot for a distance of 59 ft. 5 in., consisting of ten 550-gallon gasoline tanks and six dispensing pumps; that the contemplated accessory building will be one story in height of class 3 construction, having a frontage of 45 ft., a depth of 30 ft. and contain the conjunctive uses of lubratorium, minor auto repairs, office, sales and storage; that a portion of the open area will be reserved for parking and storage of motor vehicles; and

WHEREAS, the applicant contends that Atlantic avenue is a heavily trafficked auto lane and as such the proposal is entirely within keeping at this point; that the land is high in assessed valuation and the rehabilitation cost of the existing outmoded tenement homes is prohibitive; that the proposal is the only improvement that would help the owner continue to pay city taxes and give him an equitable return on his investment; that the large parking area will help alleviate the parking problem in this downtown area; that there are no other gas stations along Atlantic avenue and Boerum place within the affected area and it is only intended to extend the gas station use now permitted on part of the site to the entire site; that within the affected area along Boerum place, most of the property, except for a 100 ft. parallel to Atlantic avenue on both sides, is in either an unrestricted or a manufacturing zone wherein a gas station would be permitted; that with a greater percentage of the area in an unrestricted or manufacturing zone, the entire Boerum place could be used for gas stations and it is a hardship to deny this right to the applicant especially in view of the fact that the greater part of the site could be used for the contemplated gas station; that the premises opposite in block 75, lot 1, in a business zone, is being developed with a city prison and said use is not conducive to improving business conditions or a fitting use on a business street; that under Cal. No. 38-30-BZ the Board granted a variance for the erection of an 8-story garage on the same size plot; that neither zoning restrictions or conditions have changed since said grant and the proposed gas station is just as much in keeping as the approved garage; that the garage building was never erected; and

WHEREAS, the applicant states that the present owner has held title to lots 1 to 9 and 42 since May 28, 1954; lot 10 since November 23, 1942 and to lot 41 since April 2, 1947; that the assessed valuation of land is \$34,700 and of the building \$34,400 making a total of \$69,100; that the building was erected in 1924; and

WHEREAS, the Board has granted a variance, to permit a gasoline service station which has not as yet been constructed, on the opposite southwest corner, under Cal. No. 93-33-BZ, Vol. III; and

WHEREAS, the premises and surrounding area were inspected by a committee of the Board; and

WHEREAS, the Board found that this was an appropriate case in which to exercise discretion to grant under Section 7, Subdivisions c and i of the Zoning Resolution.

Resolved, that the Board of Standards and Appeals does hereby make a variation in the application of the use district regulations of the zoning resolution and that the application be and it hereby is granted under Section 7c, to permit extension into the more restricted district and to permit the proposed gasoline service station to be erected, substantially as

proposed and as indicated on plans filed with this application, marked "Received August 31, 1954", 4 sheets, *on condition* that the premises shall be leveled substantially to the grade of the adjoining streets and shall be constructed and arranged as indicated on such plans; that the accessory building shall be of the design, arrangement and location as shown; that there shall be no cellar in such building; that the building shall be faced with face brick; that the existing garage in the unrestricted area may be reconstructed as proposed for use as a high speed laundry, *on condition* that there shall be space left within the garage toward the Pacific street front to be used as a reservoir for cars awaiting service; that pumps shall be of a low approved type erected not nearer than 15 feet to either street building line; that where walls of adjoining buildings do not occur on the side lot line to the east there shall be erected a masonry brick wall not less than 5 ft. 6 in. high; that any exposed wall of adjoining building shall be faced with a facing wall of similar height; that curb cuts shall be limited to two 30 ft. in width each to Atlantic avenue, three of similar width to Boerum place and one of similar width to Pacific street, together with the existing 20 ft. curb cut to the present garage proposed to be changed to a high speed laundry; that at each intersection there shall be maintained within the building lines, a block of concrete extending for a distance of not less than five feet along each building line and not less than twelve inches in height; that the balance of the premises where no occupied by a building shall be paved with concrete or asphaltic paving; that the sidewalks and curbs abutting the premises shall be restored or reconstructed to the satisfaction of the Borough President; that the front face elevation of the existing garage shall be sand blasted or thoroughly cleaned and renovated; that the side of the garage where exposed by the demolition of the adjoining building shall be refaced with face brick or stucco; that signs shall be restricted to a sign attached to the accessory building and the illuminated globes of the pumps and any other signs that are lawful in the unrestricted portion of premises excluding all temporary signs, but permitting the erection at the intersections of both Atlantic avenue and Boerum place and at Pacific street and Boerum place a post standard each for supporting a sign which may be illuminated, advertising only the brand of gasoline on sale and permitting such signs to extend beyond the building line for a distance of not over 4 feet; that under section 7i there may be minor repairs for adjustments only, maintained solely within the accessory building; that there may also be parking of cars, provided such parking is located where it will not interfere with the servicing of the station or the proposed auto speed laundry; that such portable fire-fighting appliances shall be installed as the fire commissioner shall direct; and that all permits required shall be obtained, including a certificate of occupancy and all work completed within the requirements of Section 22A of the Zoning Resolution.

1228-40-BZ—Vol. II

APPLICANT—Larry Meltzer, for Avenue P and East 19th Street, Inc., owner.

SUBJECT—Application April 20, 1954 (decision of the borough superintendent), under sections 7c and 21 of the zoning resolution, to permit in a residence and business use, E area district, the extension of existing structure using more than the area permitted and without the required setback from street lines on Avenue P and East 19th street (previously denied, as to erection and maintenance of stores and offices).

PREMISES AFFECTED—1816-1824 Avenue P and 1610-1620 East 19th street, southwest corner, Block 6781, Lot 7, Borough of Brooklyn.

APPEARANCES—

For Applicant: Larry Meltzer.

For Opposition: Joseph Fennelly, Jr., Dominick J. Cistermino and Nathan Morgenstern.

MINUTES

For Administration: Samuel L. Becker, Dep't of Housing and Buildings.

ACTION OF BOARD—Application denied.

THE VOTE TO GRANT—

Affirmative 0

Negative: Chairman Murdock, Commissioners Klein-ert and Keating and Deputy Chief Connolly 4

THE RESOLUTION—

WHEREAS, this application was reopened as Vol. II on May 25, 1954 subject to regular procedure, to consider new proposal; and

WHEREAS, a public hearing was held on this application on December 14, 1954 after due notice by publication in the Bulletin; laid over to February 1, 1955, for inspection and decision; hearing closed; then to February 15, 1955, for applicant to submit revised plans showing less coverage of the vacant plot and with a substantial area vacant along side lot line of adjoining house to the west, eliminating unloading space and with planting in place thereof; suitable fences along the west line; hearing previously closed; and

WHEREAS, the district maps accompanying the zoning resolution show that the site and East 19th street is in residence and business use, E area, class 1¼ height districts; Avenue P is in a residence use, E area, class 1¼ height district; and

WHEREAS, the decision of the borough superintendent, dated April 5, 1954 acting on N. B. Applic. 1031-53, reads:

"1. Proposed commercial structure located partly in business and partly in residence use district violates Art. II, Sec. 3 Zoning Resolution.

2. Proposed extension of structure on a corner lot to exceed 45% of the lot in an 'E' area, residence district, violates Art. IV, Sec. 15c Zoning Resolution.

3. Erection of structure on the street lines on Ave. P and E. 19th street without a 10'-0" setback, violates Sec. 15, subd. d, Art. IV, Zoning Resolution."

and

WHEREAS, the applicant states that the premises consist of a plot, 100 ft. frontage by 80 ft. in depth, on which is located a two story building 82 ft. 2¾ in. front on East 19th street and a depth of 80 ft., irregular, which includes a one story extension, all of class 3 construction, erected under N. B. 6133 of 1923 and is presently occupied as follows: cellar—ordinary use; 1st floor—food market and 3 retail stores; 2nd floor—retail sales and showroom of women's shoes; and

WHEREAS, the applicant further states that under Cal. No. 1228-40-BZ the Board denied an application under section 7c for the erection of a two-story business building consisting of stores and offices on the subject premises; that a two-story frame, two-family dwelling formerly fronting on Avenue P on this site, has since been demolished; that until 1940 the site was assessed as two separate tax lots, the portion on Avenue P being known as lot 7 and the remaining portion as lot 9; that currently the site is assessed at \$120,000; that it is now proposed to erect on part of the site a one story building, 17 ft. 8½ in. front on East 19th street and 68 ft. on Avenue P, being 80 ft. in depth, irregular, and 14 ft. in height, of class 3 construction, to be used and occupied as a retail store; that the proposed use will be in conformity with the existing uses on East 19th street, between Kings highway and Avenue P and existing retail uses on Kings highway and Avenue P between East 19th street and Ocean avenue; and

WHEREAS, the applicant contends that the subject premises is uniquely situated with relation to Avenue P and Kings highway and a peculiar hardship results therefrom; that the district maps show that Kings highway is in a business use district and that for a distance of 100 ft. back on either side and parallel with Kings highway, the premises is likewise in a business use district; that for the most part, the arbitrary limitation of the City planning commission for business uses for a distance of 100 ft. back and parallel with Kings highway, protects the residential character of the remaining portion of those blocks fronting on Kings highway, along Kings highway from East 18th street to the intersection of Kings highway and Bay parkway; that this

limitation effects a hardship upon the subject property owner, unique and peculiar to his lot, and different from any hardship that may be claimed by any other owners of lots on blocks fronting on Kings highway; that Avenue P and Kings highway converge at Ocean avenue so that the area of Block 6781 is far less than the area of the average city block and, in fact the block fronts on East 19th street for only 122 ft.; that block 6782 which is likewise reduced in size by reason of the converging of the two streets, is entirely within the 100 ft. distance from Kings highway and therefore no hardships result; that likewise, on East 18th street, there is no hardship to the owners of lots 1, 70 or 78 in Block 6781, because the block fronts 181 ft. on East 18th street; that the limitation of the City planning commission can effect no protection to residential property owners along East 19th street on this block because there is no residence property whatsoever possible; and

WHEREAS, the applicant further contends that it is impractical to improve the remaining portion of the premises fronting on East 19th street with a residential building, in that there is only a frontage of 17 ft. 8½ in. on East 19th street; that recognizing this fact the site has been assessed at \$120,000 which is far in excess of that customary to residence property, and therefore it must be said that the southwest corner of East 19th street and Avenue P has been assessed as business property; that lots Nos. 3 and 5 in block 6781, which lots have frontages of 40 ft. each on Avenue P, which is immediately west on the site in question, are residential lots and the land is assessed at \$6,000 for each lot; that there is a pressing need for additional retail sales space in this neighborhood, which is a major shopping area doing a huge and ever increasing volume of business, and without available retail space; that along Kings highway, extending from Ocean to Nostrand avenues, there are no retail stores; that this shopping area serves a large community between Avenue P and Avenue M, in which there are only very limited shopping areas; that the proposed use cannot be said in any way to change the character or residential nature of any part of this area and cannot be said to destroy a buffer area, since Avenue P at this point is naturally the buffer area; that the irregular nature of that part of the lot under consideration makes the application for the use of excess area necessary, in that an unsightly pocket for the collection of trash and rubbish would result if there were conformance to the area district limitations; that due to the peculiar zoning subdivision of this plot, the small portion which lies within the residence E district requires a 10 ft. setback; that such a setback would not be required if the small portion would be in a business use district; and

WHEREAS, the applicant states that the present owner has held title to the property since May 2, 1939; that the assessed valuation of land is \$100,000 and of the building \$20,000 making a total of \$120,000; that the building was erected in 1923; and

WHEREAS, the premises and surrounding area were inspected by a committee of the Board; and

WHEREAS, the applicant was requested to file revised plans, for further consideration by the Board; and

WHEREAS, the Board gave careful consideration to determine whether the residential use along Avenue P would be protected by the proposed extension of business use as proposed, including the areas until recently occupied by a residential building and found that the proposal would unjustifiably extend the business use to Avenue P, to the disadvantage of existing adjacent residential uses; and

WHEREAS, the Board found that there was no justification for the exercise of discretion to grant a zoning variance under section 7, subdivision c of the zoning resolution and that the applicant failed to substantiate a basis to warrant exercise of discretion to grant under Section 21 of the Zoning Resolution and was therefore not entitled to relief on the grounds of practical difficulty or unnecessary hardship.

Resolved, that the decision of the borough superintendent, acting on N.B. Applic. 1031/53, Objections 1 and 2, be and it hereby is *affirmed* and that the application be and it hereby is *denied*.

MINUTES

321-49-BZ—Vol. II

APPLICANT—Nathaniel C. Saxe, for Louis Cappell, owner.

SUBJECT—Application May 26, 1954 (decision of the borough superintendent), under section 7e of the zoning resolution, to permit in a residence use district the extension in use and area of existing gasoline service station (previously granted by the Board for a term of years), to include gasoline service station, lubritorium, auto washing, motor vehicle repairs and office, and the parking of motor vehicles waiting to be serviced.

PREMISES AFFECTED—59-14 Beach Channel drive and 404 Beach 60th street, northeast corner, Block 430, Lot 109, Arverne, Borough of Queens.

APPEARANCES—

For Applicant: Nathaniel C. Saxe.

For Opposition: None.

For Administration: Samuel L. Becker, Dep't of Housing and Buildings.

ACTION OF BOARD—Resolution amended.

THE VOTE—

Affirmative: Chairman Murdock, Commissioners Kleinert and Keating and Deputy Chief Connolly 4

Negative 0

THE RESOLUTION—

WHEREAS, this application was reopened as Vol. II on June 22, 1954 subject to regular procedure, to consider extension of use; and

WHEREAS, a public hearing was held on this application on February 15, 1955 after due notice by publication in the Bulletin; and

WHEREAS, the district maps accompanying the zoning resolution show that the site, Beach Channel drive and Beach 60th street are in a residence use, D area, class 1 height district; and

WHEREAS, the decision of the borough superintendent, dated April 29, 1954 acting on Alt. Applic. 776-54, and superseded by Alt. Applic. 776-54 dated December 15, 1954, reads:

"1. The extension of the use of the premises as a gasoline service station, lubritorium, auto washing, minor repairs, office and parking of motor vehicles waiting to be serviced in a Residence Use District is contrary to Art. II Sec. 3 of Zoning Resolution."

and

WHEREAS, the applicant states that the premises consist of a plot, 60 ft. frontage by 116 ft. in depth, on which is located a gasoline service station, lubritorium, auto washing, motor vehicle repair shop and shop; that it is proposed to permit extension of the existing gasoline service station and accessory uses; and

WHEREAS, the applicant contends that the rear extension is to be used for minor vehicle repairs and motor repairs with hand tools only; that the lot size has been increased in length from 80 ft. to an average depth of 117 ft.; that the proposed extension is 36 ft. in depth of 40 ft. in width; that the existing gasoline station has been in operation for a period of approximately five years; that the extension is requested in order to serve the boating public who use the facilities of nearby Jamaica Bay and will in no way detract from the surrounding neighborhood; that no portion of the existing building or proposed extension will be in the bed of the mapped street; and

WHEREAS, the applicant states that the present owner has held title to the property since February 25, 1949; that the assessed valuation of land is \$3,000 and of the building \$25,000 making a total of \$28,000; that the building was erected in 1949.

Resolved, that the Board of Standards and Appeals does hereby amend the resolution adopted by the Board on November 22, 1949, and as amended by resolution adopted July 25, 1950, as to approval of plans, by addition thereto:

that in the event the owner desires to extend the accessory building, one story, approximately 30 feet by 40 feet to the rear, as indicated on plans filed with this application marked, 'Received, December 8, 1954' (10

sheets) such addition may be constructed and used as proposed for an extension of the automobile repair use as previously permitted in the above cited resolution; and to permit an additional curb cut on Beach 60th Street, opposite the proposed door, for a width of not over 20 feet; that the requirements of the resolution and approved plans above referred to shall be complied with, including all conditions not inconsistent with this amended resolution; that such portable fire fighting appliances shall be maintained as the Fire Commissioner shall direct; that all permits shall be obtained and all work completed within the requirements of Section 22A of the Zoning Resolution.

50-54-BZ

APPLICANT—Ferdinand Savignano, for Vito Martino, owner.

SUBJECT—Application January 28, 1954 (decision of the borough superintendent), under section 21 of the zoning resolution, to permit in a business use, C area district the extension of existing structure on first floor, using more than the area permitted.

PREMISES AFFECTED—6621 18th avenue, east side, 20 ft. north of 67th street, Block 5561, Lot 2, Borough of Brooklyn.

APPEARANCES—

For Applicant: Ferdinand Savignano and Vito Martino.

For Opposition: None.

For Administration: Samuel L. Becker, Dep't of Housing and Buildings.

ACTION OF BOARD—Application granted on condition.

THE VOTE—

Affirmative: Chairman Murdock, Commissioners Kleinert and Keating and Deputy Chief Connolly 4

Negative 0

THE RESOLUTION—

WHEREAS, a public hearing was held on this application on February 15, 1955 after due notice by publication in the Bulletin; and

WHEREAS, the district maps accompanying the zoning resolution show that the site and 18th avenue are in a business use, C area, class 1 height district; 67th street is in residence and business use, C area, class 1 height districts; and

WHEREAS, the decision of the borough superintendent, dated January 28, 1954 acting on Alt. Applic. 4709-53, reads:

"1. Area of extension is excessive for 'C' area district and is contrary to Art. IV Sect. 13 of Zone Resolution."

and

WHEREAS, the applicant states that the premises consist of a plot, 20 ft. frontage by 103 ft. 10½ in. in depth, on which is located a class 3 structure, 3 stories in height, with a one story extension erected in 1952; that it is proposed to erect an additional structure 13 ft. 3 in. in depth, leaving a 6 ft. 6 in. yard; and

WHEREAS, the applicant further states that the building was erected prior to 1929 and is now located in a business C zone; and

WHEREAS, the applicant contends that the extension which was erected in 1952 was necessary due to an increase in business and also to expand the present food commodity self-service type store; that it now becomes necessary to extend still further with a one story high, class 3 structure; that this extension is necessary for storage goods which is to be kept as stock for the retail store at front; that it would be an undue hardship to have stock stored in another store at some other location and transport same as needed to the retail store; that this extension will in no way mar the neighborhood or shut out light or ventilation of any adjacent structures; that the neighborhood is primarily a business district all along 18th avenue, for a distance of approximately one mile in either direction of the premises in question; and

MINUTES

WHEREAS, the applicant states that the present owner has held title to the property since January 18, 1943; that the assessed valuation of land is \$8,000 and of the building \$12,000, making a total of \$20,000; that the building was erected in 1925; and

WHEREAS, the Board found that the applicant had substantiated a basis to warrant exercise of discretion to grant under Section 21 of the zoning resolution, and is therefore entitled to relief as to area on the grounds of unnecessary hardship.

Resolved, that the Board of Standards and Appeals does hereby *make a variation* in the application of the area district regulations of the zoning resolution and that the application be and it hereby is *granted* under section 21 to permit the extension of the area consisting of a proposed extension to the existing building substantially as proposed and as indicated on plans filed with this application marked, "Received, March 8, 1954" (one sheet) and "December 14, 1954" (4 sheets), *on condition* that a rear yard, of the width as shown and proposed, shall be maintained as proposed; that the extension shall not exceed one story in area; that the wall on the lot line, of a height as proposed, shall be constructed replacing the existing wall reported to be in poor condition; that in all other respects the building and occupancy shall comply with all laws, rules and regulations applicable thereto; and that all permits shall be obtained and work completed within the requirements of Section 22A of the Zoning Resolution.

522-54-BZ

APPLICANT—Kenneth W. Milnes, for Frank L. Grennie, owner of record, Carl Oberg, owner under contract.

SUBJECT—Application June 4, 1954 (decision of the borough superintendent), under sections 7c and 7h of the zoning resolution, to permit in a residence use district the change in occupancy from one family dwelling to funeral home and undertaking establishment with a business sign, and to permit the parking of twenty motor vehicles, and to permit the use of former accessory frame structures as garages and apartments.

PREMISES AFFECTED—3787 Hylan boulevard, northeast corner of Great Kills road, Block 5131, Lot 1, Great Kills, Borough of Richmond.

APPEARANCES—

For Applicant: Kenneth W. Milnes, Anita Oberg and Carl I. Oberg.

For Opposition: None.

For Administration: Samuel L. Becker, Dep't of Housing and Buildings.

ACTION OF BOARD—Application granted on condition.

THE VOTE—

Affirmative: Chairman Murdock, Commissioners Kleintert and Keating and Deputy Chief Connolly 4

Negative 0

THE RESOLUTION—

WHEREAS, a public hearing was held on this application on January 11, 1955 after due notice by publication in the Bulletin; laid over to February 1, 1955, for decision by the Board, no further argument; hearing closed; then to February 15, 1955, for applicant to submit revised plans and for further consideration by the Board; hearing previously closed; and

WHEREAS, the district maps accompanying the zoning resolution show that the site, Hylan boulevard and Great Kills road are in a residence use, E area, class 1 height district; and

WHEREAS, the decision of the borough superintendent, dated May 18, 1954 acting on Alt. Applic. 136-54, reads:

"1. Proposed use as a Funeral Home and Undertaking Establishment is not among the permitted uses in a 1 E District same is contrary to Article II Sect. 3 of the Zoning Resolution.

2. Business sign is not permitted in a Residential Use Dist. Contrary to Art. II Sect. 3 of the Zoning Resolution.

3. Parking of Twenty cars in a residential Dist. is also contrary to Art. II Section 3 of the Zoning Resolution.

5. Other frame structures on same plot originally used as accessory to the dwelling (such as garages, servants & chauffeurs qtrs.) now indicated as garages and apt. or apartments is contrary to Article II Sect. 3, subdiv. 9."

and

WHEREAS, the applicant states that the premises consist of a plot, 196.5 ft. frontage by 200 ft. in depth, on which is located a one family dwelling, three stories in height, of class 4 construction; that it is proposed to use premises as a funeral parlor, undertaking establishment and one family dwelling; and

WHEREAS, the applicant contends that these premises were purchased under contract by a new owner, Carl Oberg, on March 13, 1954, with full knowledge that this application must be made to the Board for permission to occupy and use the premises as a funeral home and undertaking establishment and at the same time to occupy the 2nd floor only for his own residence use; that the building involved is an extremely large frame residence type, built in 1916, of extremely good construction qualities and has been maintained in very excellent condition; that it gradually became too large for the owner and was placed on the market for sale; that the new owner believes that these premises and location are of the best type to serve the public; that it is on a very large plot and fairly well isolated from any great number of neighbors, with vacant land predominating the area; that in order to retain the residential character of the premises, it is not intended to place any signs of any kind on the exterior of the building, but permission is requested to install a small double face illuminated lawn sign, with each face not to exceed 3 ft. by 4 ft.; that under the present plan it is not intended to load any funerals on either Hylan boulevard or Great Kills road, but to enter the rear of the premises, circle the building, with visitors to enter coaches under the porte cochere on the east side, and the cortege to proceed out to Hylan boulevard; that in order that the streets remain as uncongested as possible with parked cars, permission is asked to install, at a future date, a parking area for approximately 20 cars for the use of relatives and friends at the location indicated; that permission is also requested to retain the use of the existing building to the rear for the same use as built; that one building is a three-car garage and storage building at ground level, with a caretaker's apartment over, and the other is a one car garage; that objection No. 4 refers to a violation of the administrative code for which a separate application for appeal is being made; that the eventual best interests of the nearby residents and the neighborhood will be served by the granting of this appeal; and

WHEREAS, the applicant states that the present owner has held title to the property since July 12, 1944; that the assessed valuation of land is \$9,000 and of the buildings \$9,000, making a total of \$18,000; that the buildings were erected 1916; and

WHEREAS, the premises and surrounding area were inspected by a committee of the Board; and

WHEREAS, the applicant changed the basis of his application to Section 7, subdivision e of the Zoning Resolution; and

WHEREAS, the Board found that this was an appropriate case in which to exercise discretion to grant under Section 7, subdivisions e and h of the Zoning Resolution.

Resolved, that the Board of Standards and Appeals does hereby *make a variation* in the application of the use district regulations of the zoning resolution and that the application be and it hereby is *granted* under Section 7e for a term of 15 years, to permit the premises to be occupied substantially as proposed and as indicated on plans filed with this application, marked "Received June 4, 1954" (5 sheets), as revised by plans showing proposed conditions marked "Received February 4, 1955" (2 sheets), *on condition* that the proposed business use shall be limited to the first floor and cellar; that the second floor shall be used for living quarters and the attic for storage of household

MINUTES

furniture only; that there shall be no openings at the street line of Greencroft avenue or Great Kills road; that all openings shall be from Hylan boulevard where there may be two curb cuts, each not over 10 ft. in width one for in-drive and one for out-drive, as indicated on revised plan marked "Received February 4, 1955"; that on all lot lines there shall be erected and maintained suitable fencing to the satisfaction of the Borough Superintendent; that against the fence along Greencroft avenue and Great Kills road, where shown, there shall be heavy screen planting of suitable height and of a type to blanket out the view of premises from properties across the streets; that the balance of the premises where not occupied by proposed building, walks and existing garage buildings and except where shown to be paved with asphalt, shall be maintained as lawn; that there may be a ground sign on the premises, which shall be located easterly so as to be to the east of the main concrete walk to the building; that such sign may be two-leaved so as to read in two directions, with each leaf not exceeding 5 square feet; that such portable fire-fighting appliances shall be maintained as the Fire Commissioner shall require; that the proposed addition as indicated on revised plan marked "Received February 4, 1954" and as passed on by the Borough Superintendent under Alt. 136/54 on February 2, 1955, may be permitted provided such construction complies with the requirements therefor; that under section 7h for a similar term there may be parking of cars belonging to the owner and patrons; that such parking shall be toward the easterly portion of the premises as proposed and shown on such revised plan; and that in all other respects the building and occupancy shall comply with all laws, rules and regulations applicable thereto other than as modified this day by the Board under resolution adopted in Cal. 523-54-A; and that all permits required shall be obtained, including a certificate of occupancy and all work completed including parking area within the requirements of Section 22A of the Zoning Resolution.

523-54-A

APPLICANT—Kenneth W. Milnes, for Frank L. Grennie, owner, owner of record, Carl Oberg, owner under contract.

SUBJECT—Application June 4, 1954—re Appeal from a decision of the borough superintendent.

PREMISES AFFECTED—3787 Hyland boulevard, northeast corner of Great Kills road, Block 5131, Lot 1, Great Kills, Borough of Queens.

APPEARANCES—

For Applicant: Kenneth W. Milnes, Anita Oberg and Carl J. Oberg.

For Administration: Samuel L. Becker, Dep't of Housing and Buildings.

ACTION OF BOARD—Appeal granted on condition.

THE VOTE—

Affirmative: Chairman Murdock, Commissioners Kleinert and Keating and Deputy Chief Connolly 4

Negative 0

THE RESOLUTION—

WHEREAS, the decision of the borough superintendent dated May 18, 1954, on Alt. App. 136 of 1954, reads:

"4. Proposed Business use of a Frame Structure exceeding two stories in height is contrary to Section C26-248.0 subd. 4 of the Admin. Code."

and

WHEREAS, the applicant states that the building is 3 stories, 43.0 feet in height; 46 ft. by 44.6 ft. in area; of Class 4 construction, erected in 1916, located on a lot 196.5 ft. front by 200 ft. in depth; in a residence use, E area, Class 1 height district, and occupied as a three family dwelling, without a certificate of Occupancy therefor, and proposed to be used and occupied as follows: cellar—boiler-room, storage preparation, lounge, 25 persons; first floor—three funeral parlors, 107 persons; 2nd floor—dwelling, one family, 4 persons; 3rd floor—storage area, no persons; that the building is provided with two foot wide interior stairs, stair hall leads

direct to street; and

WHEREAS, the applicant states that the owner has no intention of occupying the third floor for any purpose other than a family storage area; that the present third floor is laid out for four servants rooms with two baths; that it is proposed to remove all plumbing fixtures from the third floor in order that there will be no occasion for future use of these quarters; and

WHEREAS, the applicant contends that actually with only the three members of the owner's family occupying the second floor quarters for living purposes, the hazard will be at a minimum; that it would be practically impossible from a financial standpoint to remove the third floor and install a new roof and it is therefore requested that the Board permit the third floor to remain as proposed; and

WHEREAS, the premises and surrounding area were inspected by a committee of the Board in conjunction with Cal. No. 522-54-BZ.

Resolved, that the decision of the borough superintendent, acting on Alt. App. 136/54, Objection 4, be and it hereby is modified and that the appeal be and it hereby is granted on condition that the building shall not be increased in height or area and shall otherwise comply with the requirements of the resolution adopted by the Board this day under Cal. 522-54-BZ; that as required thereunder there shall be no public occupancy above the first floor; that the second floor shall be used as proposed for residential purposes and the attic shall remain vacant except for storage.

653-54-BZ

APPLICANT—Samuel Carr, for Welsh Brothers Realty Co., owner.

SUBJECT—Application August 23, 1954 (decision of the borough superintendent), under section 21 of the zoning resolution, to permit in a residence use, A area district, the erection and maintenance of a structure to be used for light manufacturing, showroom, offices and storage, using more than the area permitted.

PREMISES AFFECTED—32-20 56th street, west side, 165 ft. south of 32nd avenue, Block 1157, Lot 17, Woodside, Borough of Queens.

APPEARANCES—

For Applicant: Samuel Carr.

For Opposition: None.

For Administration: Samuel L. Becker, Dep't of Housing and Buildings.

ACTION OF BOARD—Application denied.

THE VOTE TO GRANT—

Affirmative 0

Negative: Chairman Murdock, Commissioners Kleinert and Keating and Deputy Chief Connolly 4

THE RESOLUTION—

WHEREAS, a public hearing was held on this application on January 18, 1955 after due notice by publication in the Bulletin; laid over to February 15, 1955, for inspection and decision; hearing closed; and

WHEREAS, the district maps accompanying the zoning resolution show that the site and 32nd avenue are in a residence use, A area, class 1½ height district; 56th street is in residence and unrestricted use, A area, class 1½ height districts; and

WHEREAS, the decision of the borough superintendent, dated August 11, 1954 acting on N.B. Applic. 2830-54, reads:

"1. The erection of a structure, light manufacturing, showroom, offices & storage in a residence zone is contrary to Art. II, Sec. 3 of zoning res.

2. The area occupied by a non residential building in a residence A zone in excess of 75% is contrary to Art. II, Section 11 of zoning res."

and

WHEREAS, the applicant states that the premises consist of a plot, 75 ft. frontage by 100.2 ft. in depth, presently vacant; that it is proposed to erect a one story class 1 structure 75 ft. front by 95.2 ft. in depth, irregular; and

MINUTES

WHEREAS, the applicant contends that a study of the site and topography shows railroad overhead on high earth embankment shutting off this plot from continuity with plots on remainder of west side of street; that because of height of embankment there will be permanent light shut out on the southerly part of plot, making at least 40% of the plot useless for purposes as zoned; that the easterly side of 56th street opposite this plot and the remainder of the westerly side of 56th street south of the railroad, are zoned unrestricted; that this potential use as well as the type of existing structures are highly detrimental factors to residential improvement of the subject plot; that responsible realtors advise against residential improvement because present high costs for construction compels too high rentals or too high selling price for this location and the improbability of securing mortgage money must also be considered; that continuous ownership since 1928, with added charges of taxes in the intervening years makes present capital investment far in excess of assessed valuation; that in all the intervening years, this owner has been unable to sell his land for purposes as now zoned, at any price, but inquiries for a commercial building improvement prompted him to seek this variance; that the excess area is very small and requirements for yard is met by unoccupied space; that where the word storage is used, it refers to storage of incombustible merchandise, materials or equipment; and

WHEREAS, the applicant states that beginning at a point 100 ft. south of 32nd avenue, along the entire length of the westerly side of 56th street, this side has been zoned restricted since 1916; that since July 27, 1939, that part along 56th street from a point 100 ft. south of 32nd avenue to the railroad and hence including the 75 ft. at issue, was rezoned residence; and

WHEREAS, the applicant states that the present owner has held title to the property since October 18, 1928 and that the assessed valuation of land is \$2,800; and

WHEREAS, the premises and surrounding area were inspected by a committee of the Board, which noted that while the area to the south of subject site is not developed for residence use, the area to the north is high grade residential section generally, and in the opinion of the committee it would not be desirable to construct a factory on this site; and

WHEREAS, the Board found that the applicant failed to substantiate a basis to warrant exercise of discretion to grant under Section 21 of the Zoning Resolution and was therefore not entitled to relief on the grounds of practical difficulty or unnecessary hardship.

Resolved, that the decision of the borough superintendent, acting on N.B. Applic. 2830/54, Objections 1 and 2, be and it hereby is *affirmed* and that the application be and it hereby is *denied*.

Adjourned: 12:50 P. M.

JOSEPH J. DOYLE, *Chief Clerk*.

REGULAR MEETING

TUESDAY AFTERNOON, FEBRUARY 15, 1955, 2 P.M.

Present: Chairman Murdock, Commissioners Kleinert and Keating and Deputy Chief Connolly.

382-43-A—Vol. V

APPLICANT—Henry G. Harris, for Caton Nursing Home, owner.

SUBJECT—Application reopened November 9, 1954 as Vol. V—re Appeal from a decision of the borough superintendent.

PREMISES AFFECTED—150 Ocean parkway, west side, 395 ft. south of Caton avenue, Block 5328, Lot 30, Borough of Brooklyn.

APPEARANCES—

For Applicant: Henry G. Harris.

For Administration: Samuel L. Becker, Dep't of Housing and Buildings.

ACTION OF BOARD—Appeal granted on condition.

THE VOTE—

Affirmative: Chairman Murdock, Commissioners Kleinert and Keating and Deputy Chief Connolly 4
Negative 0

THE RESOLUTION—

WHEREAS, the decision of the Borough Superintendent, dated October 18, 1954, on Alt. App. 3377 of 1954, reads:

"1. Proposed demolition of the existing rear building and the extension of the front building to increase the size of the existing frame nursing home which was the subject of the conditional variance by the Board of Standards & Appeals under Cal. No. 382-43-A, is contrary to the terms of the conditional variance.

2. All new stairs to be 3' 8" wide, to be enclosed in 3-hour partitions and to lead in continuous enclosure to roof and street. 6.4.1.1., 6.4.1.8.1. and 6.4.1.11 of Admin. Code."

and

WHEREAS, the applicant states the existing buildings are two and three stories, 22 and 35 ft. in height, 35 ft. by 115 ft. in area combined, Class 4 construction, erected in 1902 on a lot 50 ft. front by 150 ft. in depth, in a residence use, C area, Class 1 height district; used and occupied since 1943: Cellar—boiler room and storage; 1st, 2nd and 3rd floors, nursing home, 16 persons on the 1st, 15 on the 2nd and 12 on the 3rd and in addition there is a rear frame building, 2 stories in height used as nurses' quarters, enclosed ramp, kitchen, boiler room and nursing home, 7 persons on the 1st floor and nurses' quarters and office, 7 persons on the 2nd floor; and

WHEREAS, the applicant states it is now proposed to demolish the rear frame building and erect a new 2-story fireproof extension at rear to be used and occupied as follows: Front frame building: Cellar—boiler room, mortuary, storage and kitchen, 4 persons; 1st floor—nursing home, 13 persons; 2nd floor—nursing home, 11 persons; 3rd floor—nursing home, 10 persons; new rear fireproof building: 1st floor—nursing home, 24 persons; 2nd floor—nursing home, 24 persons. The existing front building is sprinklered with an approved two-source system and an interior fire alarm system is maintained. There are three interior stairs, 3 ft. and 3 ft. 3 in. wide, of steel and wood construction, brick and wood stud enclosed, equipped with fireproof, self-closing doors; and one fire escape in the side yard; and

WHEREAS, Certificate of Occupancy #129295 issued April 24, 1951, based on resolution adopted by the Board January 25, 1944, as amended by resolutions adopted by the Board through January 23, 1951, permits the present use and occupancy for a temporary term expiring January 23, 1956; and

WHEREAS, the applicant states the proposed work consists of erecting a 2-story fireproof extension to the existing nursing home, providing a kitchen in cellar of existing structure, replacing existing stairs at rear of existing frame structure with a steel stairs, fireproof enclosed, and demolishing existing 2-story frame structure at rear of lot with its covered passage; and

WHEREAS, the applicant states it is also proposed that one ward on each floor of existing front building will be used as a lounge; that the existing sprinkler and interior fire alarm systems and watchman's time detector in the existing frame structure will be maintained; that the new stairs in fireproof structure will be 3 ft. 8 in. wide and the rear exterior stairs in existing structure will be replaced by one of the same width; and

WHEREAS, the applicant requests the Board to amend the resolution previously adopted as to the front building so as to remove the limitation of the term of the variance, so that both buildings can be operated as a single unit for a permanent period; and

WHEREAS, the Board received a letter dated February 1, 1955, from the General Inspector of the Department of Hos-

MINUTES

pitals, stating that plans filed by the applicant in this appeal have been reviewed by him and the conditions shown thereon are satisfactory and recommending the approval of the following bed arrangements: Existing building, 1st floor—13 beds; 2nd floor—9 beds; 3rd floor—10 beds; total, 32 beds; proposed extension—1st floor, 24 beds; 2nd floor, 24 beds; total 48 beds; and that a full automatic wet sprinkler system be maintained throughout the existing building; and

WHEREAS, on October 19, 1943, under Vol. I of this appeal the Board modified Objection 1 issued by the Borough Superintendent July 29, 1943, on Alt. App. 2307/43, so as to permit the front building on the lot to be used as a convalescent home, as follows: Cellar—boiler room, mortuary, 1 person; 1st floor—kitchen, pantry, 14 persons; 2nd floor—15 patients; 3d floor—office and attendants, no patients, for a term of 5 years, on condition that the accessory building at the rear be occupied only as permitted by the Zoning Resolution as accessory to the residence building, and that no patients be located above the 2nd floor in the front building; and

WHEREAS, on July 23, 1946, the Board amended its resolution adopted under Vol. I of this appeal, to permit the removal of kitchen from main building to rear building and the construction of an enclosed passageway between buildings and the use of 3 rooms on the 3rd floor for ambulatory patients, on condition that the entire building, including passageway and rear building be protected with a 2-source sprinkler system; and

WHEREAS, on July 23, 1951, the Board extended the term of the variance for five years from said date; and

WHEREAS, on December 18, 1951, the Board denied an appeal under Cal. No. 382-43-A, Vol. III for permission to change the use of the nurses' quarters on the first floor of rear building to patients' rooms, 4 beds; and

WHEREAS, on February 10, 1953, under Cal. No. 382-43-A, Vol. IV the Board denied an appeal to use bedrooms on 1st and 2nd floors in rear building and office on 2nd floor of rear buildings as bedrooms for patients; and

WHEREAS, the Board reopened this appeal November 9, 1954, as Vol. V to consider a new decision of the Borough Superintendent dated October 18, 1954, on Alt. App. 3377/54 relating to applicant's proposal to demolish the rear building and erect a new 2-story fireproof extension at the rear; and

WHEREAS, the premises were previously inspected by a committee of the Board.

Resolved, that the decision of the Borough Superintendent, acting on Alt. App. 3377/54, Objections 1 and 2, be and it hereby is *modified* and that the appeal be and it hereby is *granted*, to permit an extension of the building in the rear of Class 1 construction, as proposed and as indicated in plans filed with this appeal marked "Received January 28, 1955", 5 sheets, on condition that the sprinkler system in the front building shall be maintained as required by resolution adopted by the Board on July 23, 1946; that all the resolutions heretofore adopted by the Board shall be complied with where not inconsistent with the requirements of this resolution; that the arrangement and maintenance of the premises as a nursing home shall be in accordance with the requirements of and with the approval of the Department of Hospitals; that all permits required shall be obtained and all work completed within one year; and that the resolution last amended on July 23, 1951, is hereby *amended* to extend the term of the variance, so that this portion of the resolution shall read: "granted for a term of ten years from the date of this *amended* resolution;" and that the building and occupancy shall in all other respects comply with all laws, rules and regulations applicable thereto and a fire alarm system and watchman time detector shall be installed in the proposed extension; that all permits shall be obtained; all work completed and a new certificate of occupancy obtained within one (1) year from the date of this action.

531-44-A

APPLICANT—Department of Public Welfare, City of New York, owner.

SUBJECT—Application for consideration—reopening and extension of term of variance—re Appeal from a decision of the borough superintendent; previously granted for a term of years.

PREMISES AFFECTED—2155 Daly avenue and 912 Bronx Park South, southwest corner, Block 3125, Lot 38, Borough of The Bronx.

APPEARANCES—

For Applicant: Leroy A. Perry, John P. Sheppard and E. J. McGoldrick, Jr.

For Administration: Samuel L. Becker, Dep't of Housing and Buildings.

ACTION OF BOARD—Application reopened and term of variance extended.

THE VOTE—

Affirmative: Chairman Murdock, Commissioners Klein-ert and Keating and Deputy Chief Connolly 4

Negative 0

THE RESOLUTION—

WHEREAS, this application was granted by the Board on September 26, 1944, on certain conditions; and

WHEREAS, the term of variance was extended from time to time and last extended on March 25, 1952; and

WHEREAS, the applicant requested a further extension of the term of variance.

Resolved, that the Board of Standards and Appeals does hereby *amend* the resolution adopted on September 26, 1944 only so far as it has reference to the term of the variance, so that as *amended* this portion of the resolution shall read:

"* * * granted for a term of two years, from the date of this *amended* resolution, to permit * * *; that other than as herein *amended* the resolution above cited shall be complied with in all respects and a new Certificate of Occupancy shall be obtained." (Alt. App. 430/44)

446-54-A

APPLICANT—John J. Tricarico, for Rosalie V. Vittori, owner.

SUBJECT—Application June 2, 1954—re Appeal from a decision of the borough superintendent.

PREMISES AFFECTED—797 Hart street (rear), north side, 100 ft. west of Knickerbocker avenue, Block 3219, Lot 36, Borough of Brooklyn.

APPEARANCES—

For Applicant: John J. Tricarico.

For Administration: Samuel L. Becker, Dep't of Housing and Buildings.

ACTION OF BOARD—Appeal granted on condition.

THE VOTE—

Affirmative: Chairman Murdock, Commissioners Klein-ert and Keating and Deputy Chief Connolly 4

Negative 0

THE RESOLUTION—

WHEREAS, the decision of the Borough Superintendent dated May 11, 1954, on Alt. App. 907/53, reads:

"1. Provide two remote means of egress from all floors complying with all provisions of Sec. 270 Labor Law."

and

WHEREAS, the applicant states the building is 2 stories, 22 ft. in height, 25 ft. by 47 ft. in area, Class 3 construction, erected in 1915 on a lot 25 ft. by 100 ft. in area, in a business use, C area, Class 1 height district, used and occupied since 1946 without a certificate of occupancy as follows: 1st floor rear—tailor shop, 25 persons; 2nd floor rear—tailor shop, 27 persons. No change in use or occupancy is now proposed. The building is provided with one 3 ft. 6 in. wide interior steel stairs, brick enclosed, equipped with kalamein, self-closing doors, provided with a ladder and scuttle to roof, and one exterior stairs located in outer court leading to roof and yard by stair with egress from lower termination to street through side yard; and

MINUTES

WHEREAS, the owner was convicted and fined in Magistrate's Court August 12, 1953 on charge of violation of the Labor Law; and

WHEREAS, the applicant states that the buildings on the lot were erected under N.B. App. 2512 and 2513 of 1915 and no certificate of occupancy has been issued; that the front building consists of a two-story and basement, 2-family dwelling; that the rear building is occupied on the 1st floor as a tailor shop and on the 2nd floor as a dwelling and tailor shop. The owner resides on the front of the premises and operates the factory at the rear; that both buildings are connected, as indicated on plans filed with this appeal; that the front dwelling has a stair from basement to roof; that the factory at the rear has a fireproof stairway from the 1st story outer court to the 2nd floor; that there is no cellar under the factory; access to the boiler room which serves all sections is by means of a small stairway in the court leading to front section and connected by means of a fireproof, self-closing door; that the 2nd floors of both the dwelling and the factory are connected by an iron balcony located in outer court which leads directly to the street; and

WHEREAS, the applicant states it is proposed to provide a counterbalanced iron stairs 22 in. wide from existing 2nd floor balcony, which leads directly to the street; that the side yard is approximately 4 ft. 2 in. wide; that it is proposed to fire-retard the storm shed leading to the boiler room by applying metal lath and stucco inside and outside; that a new scuttle and stationary iron ladder will be provided in the factory stairhall instead of in the 2nd floor factory; that windows on the course of fire escape will be kalamein, self-closing and glazed with wire glass; that barred windows on 1st floor will be made to comply with Fire Department regulations; that a gooseneck ladder will be installed on the fire escape leading to roof of the front building; and

WHEREAS, the applicant contends that in view of the fact these conditions have existed nearly 38 years and the improvements proposed, it is requested this appeal be granted so that a certificate of occupancy can be obtained upon completion of the work proposed.

Resolved, that the Board of Standards and Appeals does hereby *make a variation* in the requirements of the Labor Law, as cited in the decision of the Borough Superintendent, acting on Alt. App. 907 of 1953, Objection 1, and that the appeal be and it hereby is *granted on condition* that the means of exit shall be as proposed and as indicated on plans filed with this appeal marked, "Received, December 2, 1954" (2 sheets) and "February 10, 1955" (one sheet); and that along the northerly lot line of the rear building, towards the rear, one of the windows shall be changed to a door opening as an emergency exit, even though consent has not been obtained from the adjoining owner to cross his premises; that during the time the first and second stories of the rear building are in use padlocks now on the window grilles shall be removed so as to permit exit in case of emergency; that the building shall not be increased in height or area; that in all other respects the building and occupancy shall comply with all laws, rules and regulations applicable thereto; and that such portable fire-fighting appliances shall be maintained as the Fire Commissioner shall direct.

484-54-A

APPLICANT—L. B. Santangelo, For Ernest Hoehn, trustee.

SUBJECT—Application June 15, 1954—Appeal from a decision of the borough superintendent.

PREMISES AFFECTED—35-37 East Broadway, south side, 218 ft. 7 in. east of Catherine street, Block 280, Lot 42, Borough of Manhattan.

APPEARANCES—

For applicant: H. E. Horwood.

For Administration: Samuel L. Becker, Dep't of Housing and Buildings.

ACTION OF BOARD—Appeal granted on condition.

THE VOTE—

Affirmative: Chairman Murdock, Commissioners Kleintert and Keating and Deputy Chief Connolly 4
Negative 0

THE RESOLUTION—

WHEREAS, the decision of the Borough Superintendent, dated May 17, 1954, acting on Alt. Applic. 379/54, reads:

"2. Fire escape is not acceptable as a means of egress on a 6 story building. Section 271 of the Labor Law.

"3. Provide 2 means of egress from cellar—Section 271 of the Labor Law.

and

WHEREAS, the applicant states that the building is six stories, 75 ft. in height, 49 ft. front by 85 ft. and 97 ft. 4 in. in depth, of class 3 construction, erected 1907, located on a lot 49 ft. front by 100 ft. in depth, in a business use, D area, class 1 height district, and used and occupied since 1908; cellar—boiler room, showroom and furniture stock, no persons; 1st floor—dress shop and furniture store, 10 persons; 2nd floor—dress shop and offices and furniture showroom, 7 persons; 3rd floor—furniture showrooms, no persons; 4th floor—manufacturing dresses and furniture stock, 2 persons; 5th floor—manufacturing sportswear, 20 persons; 6th floor—manufacturing skirts and furniture storage, 10 persons; that no change in use or occupancy is now proposed; that the building is provided with an approved two-source sprinkler system throughout; that there is one interior 36 in. wide wood stairs, enclosed in partitions of wood studs, plaster board and metal both sides, equipped with fireproof, self-closing doors and leading from roof bulkhead direct to street, and two fire escapes, one on front and one at rear; that the rear fire escape extends to roof by ladder and the front fire escape extends to street by counterbalanced stairs and the rear fire escape extends to yard by ladder; that egress from the lower termination of the rear fire escape leads to adjoining yard; that window and door openings on the course of the front fire escape are fireproof, self-closing; and

WHEREAS, the applicant states that the building is protected by a sprinkler system with two sources of supply consisting of gravity and pressure tanks and provided with central office connection; and

WHEREAS, the applicant contends as to objection 2 issued by the Borough Superintendent that the exits consist of an interior enclosed stairway equipped with self-closing fireproof doors and a standard 60 degree fire escape with fireproof windows and doors on its course; that there is one door leading to this fire escape on each side of the floor where dividing partitions exist; that this condition has been satisfactory to all departments having jurisdiction; that it is only because the building is six stories in height that it is affected by the amendment to the labor law prohibiting fire escapes as exits on buildings over five stories in height; that in addition there is a sub-standard fire escape on the rear which is not considered as an exit; and

WHEREAS, the applicant contends as to objection 3, that the exits from the cellar consist of one stairway at the west side enclosed in fire resisting partitions equipped with self-closing fireproof door at the bottom and leading up to the store occupied by the same tenant; that there is another stairway at the east side which is not enclosed and leads from the dress shop showroom to the store; that this showroom is only occasionally in use for a short period; that there is no person regularly employed therein; that in addition there is an engineer's exit at the front of the cellar passage direct to street and it is proposed to install a doorway in each side of the dividing partition as shown on plan filed with this appeal so that this engineer's exit can be used from each portion of the cellar and thus will give two means of egress from each portion; and

WHEREAS, the applicant requests that in view of the fact that the building occupancy is exceptionally light that the Board accept the proposed change in the cellar exits and the existing two exits above the cellar as compliance with objections 2 and 3 with the occupancy fixed allowing the capacity

MINUTES

of the primary means of egress plus the allowance for the sprinkler system.

Resolved, that the Board of Standards and Appeals does hereby *make a variation* in the requirements of the Labor Law, as cited in a decision of the Borough Superintendent, acting on Alt. App. 379/54, Objections 2 and 3, and that the appeal be and it hereby is *granted*, to permit the proposed means of exit from the upper stories, as shown on plans filed with this appeal marked, "Received, November 18, 1954" (8 sheets), and as *amended* by revised plans marked, "Received, February 3, 1955" (2 sheets) and "February 11, 1955" (one sheet), *on condition* that, as to Objection 3, the exit from the cellar shall be constructed and maintained in accordance with revised plans marked, "Received, February 11, 1955"; that a two-source sprinkler system with connection to Fire Headquarters through a central station shall be maintained; that the building shall not be increased in height or area; that in all other respects the building and occupancy shall comply with all laws, rules and regulations applicable thereto; and permitting as the second means of exit from the upper stories a fire escape as shown with counterbalanced ladder to street and connecting to the roof by gooseneck ladder; and that such additional portable fire-fighting equipment shall be installed throughout the building as the Fire Commissioner shall direct.

794-54-A

APPLICANT—Julius S. Rapson, for Joseph Sackowski, owner.

SUBJECT—Application October 19, 1954—Appeal from a decision of the borough superintendent.

PREMISES AFFECTED—46-04 Marathon parkway, west side, 384.89 ft. and 334.96 ft. south of Northern boulevard, Block 8215, Lot 57, Douglaston, Borough of Queens.

APPEARANCES—

For Applicant: Irving Newman and Henry Jackowsky.

For Administration: Samuel L. Becker, Dep't of Housing and Buildings.

ACTION OF BOARD—Appeal granted on condition.

THE VOTE—

Affirmative: Chairman Murdock, Commissioners Kleinert and Keating and Deputy Chief Connolly 4

Negative 0

THE RESOLUTION—

WHEREAS, the decision of the Borough Superintendent dated January 28, 1955, on NB App. 2353 of 1954, reads:

"1. The erection of a one family dwelling and attached 1 car garage accessory use of frame construction in a Restricted-Retail Use District is contrary to 4.1.2 Building Code."

and

WHEREAS, the applicant states that the premises consist of a plot 54.85 ft., irreg. front by 155.15 ft. and 147.48 ft. in depth located in a restricted-retail use, E-1 area, Class One-half height district, upon which it is proposed to erect a one one-half story 22 ft. high frame one family dwelling 26 ft. front by 40 ft. 10 in. in depth, and an attached garage 11 ft. 6 in. front by 20 ft. in depth, of class four construction and to use and occupancy of the building as a one-family dwelling and accessory garage; and

WHEREAS, the applicant states that the proposed dwelling will be constructed of frame with brick and stone veneer and wood shingles and will have side yards of 6 ft. 4 in. and 5 ft. in width, respectively, and will be set back 30 ft. and will be in keeping with the other buildings in the neighborhood and it is also proposed to use 2 in. thick beams instead of the 3 in. thick beams required within the fire limits; that the building will in all other respects comply with the requirements of the Building Code for frame dwellings located outside of the fire limits.

Resolved, that the decision of the Borough Superintendent, acting on NB App. 2353 of 1954, Objection 1, dated January 28, 1955, be and it hereby is *modified*, and that the appeal be and it hereby is *granted* to permit the construction of the

residential dwelling substantially as proposed and as indicated on plans filed with this appeal marked, "Received, October 19, 1954," (2 sheets) and "Received, January 31, 1955" (3 sheets), including the use of beams two (2) inches thick instead of three (3) inches thick, as required, *on condition* that in all other respects the building shall comply with the requirements for a frame building when erected outside the fire limits.

THE RESOLUTION—

WHEREAS, the decision of the Borough Superintendent dated December 21, 1954, on NB App. 4466/54, reads:

"1. The erection of a frame building within the fire limits is contrary to Section 4.1.2—Building Code."

and

WHEREAS, the applicant states the premises consist of a plot 43.46 ft. front by 181.33 in depth located in a restricted retail use, E-1 area, Class One-half height district upon which it is proposed to erect a one and one-half story frame one-family dwelling 26 ft. 4 in. by 43 ft. 8 in. in area with accessory garage located in the cellar; and

WHEREAS, the applicant states that the proposed building will be constructed of frame with brick and stone veneer and wood shingles with side yards 10 ft. and 7 ft. in width respectively and will be set back 28 ft. from the building line; that the building will be in keeping with the other dwellings in the neighborhood; that it is also proposed to use 2 in. thick beams instead of the required 3 in. beams; that the building will in all other respects comply with the requirements of the Building Code for frame dwellings erected outside the fire limits.

Resolved, that the decision of the Borough Superintendent, acting on NB App. 4466/54, Objection 1, dated December 21, 1954, be and it hereby is *modified*, and that the appeal be and it hereby is *granted* to permit the construction of the residential dwelling substantially as proposed and as indicated on plans filed with this appeal marked, "Received, December 21, 1954" (2 sheets), and "January 31, 1955" (2 sheets) including the use of beams two (2) inches thick instead of three (3) inches thick, as required, *on condition* that in all other respects the building shall comply with the requirements for a frame building when erected outside the fire limits.

For Administration: Samuel L. Becker, Dep't of Housing and Buildings.

ACTION OF BOARD—Appeal granted on condition.

THE VOTE—

Affirmative: Chairman Murdock, Commissioners Klei-
ert and Keating and Deputy Chief Connolly 4

Negative 0

THE RESOLUTION—

WHEREAS, the decision of the Borough Superintendent, dated October 29, 1954 on N.B. Applic. 70/54, reads:

"1. All windows within 30 ft. of any opening in any other structure should be $\frac{3}{4}$ hr. f.p.s.c. as per Sec. 10.7.1 Bldg. Code."

and

WHEREAS, the applicant states that the premises consist of a lot 234 ft. 6 in. front by 121 ft. 10 in. in depth, upon which it is proposed to erect a nine-story, class 1 constructed building, 112 ft. in height, 184 ft. 6 in. by 110 ft. in area at street level, 172 ft. by 85 ft. 4 in. in area at typical floor level, to be used as an addition to the existing Harlem hospital group of buildings which occupy the entire block; and

WHEREAS, the applicant states that it is proposed to erect a nine story addition to the existing Harlem hospital group to be located 20 ft. south of the existing fireproof out-patient building and connected to it by a fireproof enclosed passageway on each of the basement, 1st, 2nd and 3rd floors; that the new addition will be 8 ft. distant at grade from the existing three story, fireproof health center building in the hospital group; that, however, this distance progressively increases to approximately 40 ft. at the upper floors as required setbacks occur; that the new addition will be 45 ft. distant from the woman's pavilion of the hospital group; and

WHEREAS, the applicant contends that the proposed nine story addition will not be an independent building; that it will be part of the hospital group operated in conjunction with other units of the same group, all connected and interconnected by bridges, tunnels and passageways and integrated with the existing out-patient building by means of the passageways on four levels; that in view of the hygienic factors involved in maintenance promoted by the use of aluminum window sash, the Board is requested to vary the provisions of section 10.7.1 of the building code so as to permit the use of aluminum sash.

Resolved, that the decision of the Borough Superintendent, acting on N.B. Applic. 70/54, Objection 1, be and it hereby is *modified*; and that the appeal be and it hereby is *granted* to permit the windows as proposed *on condition* that in all other respects the building and occupancy shall comply with all laws, rules and regulations applicable thereto, other than as modified by the Board under Cal. No. 508-40-A, May 21, 1940, relating to one of a group of buildings; and that the windows shall be constructed as proposed with window sash of an approved aluminum type, glazed with plate glass.

327-54-A

APPLICANT—Sidney Daub, for Morris Moskowitz, owner.

SUBJECT—Application April 26, 1954—re Appeal from a decision of the borough superintendent.

PREMISES AFFECTED—1117-1119 1st avenue, west side, 40 ft. north of East 61st street, Block 1436, Lots 124 and 25, Borough of Manhattan.

APPEARANCES—

For Applicant: Sidney Daub.

For Administration: Samuel L. Becker, Dep't of Housing and Buildings.

ACTION OF BOARD—Laid over to March 8, 1955, at 2 P.M., applicant to file revised plans for enclosing of cellar stairs to first floor with fire retarding construction and means of reaching the roof other than the fire escape in the front.

MINUTES

405-54-A—Vol. II

APPLICANT—Henry G. Harris, for 247 Canal Street Corp., owner.

SUBJECT—Application May 21, 1954—re Appeal from a decision of the borough superintendent.

PREMISES AFFECTED—247 Canal street and 119-121 Lafayette street, northeast corner, Block 208, Lot 1, Borough of Manhattan.

APPEARANCES—

For Applicant: Henry G. Harris.

For Administration: Samuel L. Becker, Dep't of Housing and Buildings.

ACTION OF BOARD—Laid over to March 1, 1955, at 2 P. M., applicant to file revised plans of new steel stairs replacing present wood stairs with winders.

494-54-A

APPLICANT—Theodore A. Mazza, for 3048 Park Realty Corp., owner.

SUBJECT—Application June 11, 1954—re Appeal from a decision of the borough superintendent.

PREMISES AFFECTED—3048 Park avenue, east side, 103.12 ft. north of East 156th street, Block 2416, Lot 5, Borough of The Bronx.

APPEARANCES—

For Applicant: Thomas H. Cash.

For Administration: Samuel L. Becker, Dep't of Housing and Buildings.

ACTION OF BOARD—Laid over to March 1, 1955, at 2 P.M., at the request of the applicant; no further request for adjournment.

866-54-A

APPLICANT—John T. Kelleher, Borough Superintendent, Department of Housing and Buildings, Borough of Queens.

OWNER OF PREMISES—Bernard Isacowitz.

SUBJECT—Application November 16, 1954—re Revocation of Certificate of Occupancy Q-49684-48, issued re N.B. 6744-47.

PREMISES AFFECTED—138 Beach 149th street, east side, 596 ft. south of Rockaway Beach boulevard, Block 788, Lot 43, Neponsit, Borough of Queens.

APPEARANCES—

For Applicant: None.

For Owner: Louis Lieberman.

For Administration: Samuel L. Becker, Dep't of Housing and Buildings.

ACTION OF BOARD—Laid over to February 23, 1955, at 2 P. M., Borough Superintendent to be notified that his appeal was called and that no one was present, and requesting him to be present at the next hearing of the Board on February 23, 1955, at 2 p. m.

867-54-A

APPLICANT—John T. Kelleher, Borough Superintendent, Department of Housing and Buildings, Borough of Queens.

OWNER OF PREMISES—Harry and Shirley Fuchs.

SUBJECT—Application November 16, 1954—re Revocation of Certificate of Occupancy Q-49685-48 issued re N.B. 6745-47.

PREMISES AFFECTED—144 Beach 149th street, east side, 551 ft. south of Rockaway Beach boulevard, Block 788, Lot 45, Neponsit, Borough of Queens.

APPEARANCES—

For Applicant: None.

For Owner: Louis Lieberman.

For Administration: Samuel L. Becker, Dep't of Housing and Buildings.

ACTION OF BOARD—Laid over to February 23, 1955, at 2 P. M., Borough Superintendent to be notified that

his appeal was called and that no one was present, and requesting him to be present at the next hearing of the Board on February 23, 1955, at 2 P. M.

216-40-BZ—Vol. II

APPLICANT—A. S. Mongiello, for Vincent and Charles Rao, owners.

SUBJECT—Application for consideration—reopening and extension of term of variance—re Application (decision of the borough superintendent), previously granted on condition, under section 7f of the zoning resolution, permitting in a business use district, the erection and maintenance of a storage garage for more than five and less than 150 motor vehicles.

PREMISES AFFECTED—304-316 East 107th street, south side, 100 ft. east of 2nd avenue and 315 East 106th street, Block 1678, Lots 11, 42, 43, 46 and 48, Borough of Manhattan.

APPEARANCES—

For Applicant: A. S. Mongiello.

For Administration: Samuel L. Becker, Dep't of Housing and Buildings.

ACTION OF BOARD—Application reopened, term of variance and time to complete extended.

THE VOTE—

Affirmative: Chairman Murdock, Commissioners Kleintert and Keating and Deputy Chief Connolly 4
Negative 0

THE RESOLUTION—

WHEREAS, this application was granted by the Board as Vol. II, on November 28, 1950, on certain conditions; and

WHEREAS, the resolution was amended on December 11, 1951; and

WHEREAS, the applicant requested an extension of the term of variance and time to complete the work.

Resolved, that the Board of Standards and Appeals does hereby *amend* the resolution adopted on November 28, 1950, as thereafter *amended* by resolution adopted on December 11, 1951, only in the following respects:

"and the balance of the premises may be continued for parking use as permitted under resolution adopted by the Board on February 11, 1941, as *amended* by resolutions adopted through December 11, 1951, for a term of two years from the date of this *amended* resolution, *on condition* that the requirements of the resolutions adopted as cited shall be complied with; and that all permits, including a certificate of occupancy shall be obtained and all work completed within six months from the date of this *amended* resolution." (NB 106/50)

511-37-BZ

APPLICANT—Horace S. Ely & Company, for Abraham B. Cox, owner.

SUBJECT—Application for consideration—reopening and extension of term of variance—re Application (decision of the borough superintendent), previously granted on condition, under section 7e of the zoning resolution, permitting in a business use district, for a term of years, the maintenance of a shop for the manufacture of ornamental iron.

PREMISES AFFECTED—1237-1239 2nd avenue and 246-250 East 65th street, southwest corner, Block 1419, Lot 28, Borough of Manhattan.

APPEARANCES—

For Applicant: Arthur Byrnes.

For Administration: Samuel L. Becker, Dep't of Housing and Buildings.

ACTION OF BOARD—Application reopened and term of variance and time to complete extended.

THE VOTE—

Affirmative: Chairman Murdock, Commissioners Kleintert and Keating and Deputy Chief Connolly 4
Negative 0

MINUTES

THE RESOLUTION—

WHEREAS, this application was granted by the Board on March 29, 1938, on certain conditions; and

WHEREAS, the term of variance was extended from time to time and last extended on February 10, 1953; and

WHEREAS, the applicant requested a further extension of the term of variance and time to complete the work.

Resolved, that the Board of Standards and Appeals does hereby *amend* the resolution adopted on March 29, 1938, as thereafter *amended* by resolutions adopted through February 10, 1953, only so far as it has reference to the term of variance, so that as *amended* this portion of the resolution shall read:

"* * * granted under Section 7, Subdivision e for a term of two years, from the date of this *amended* resolution, to permit * * *; that other than as herein *amended* the resolutions above cited shall be complied with in all respects; and that all permits, including a new certificate of occupancy shall be obtained and all work completed within three months from the date of this *amended* resolution." (Alt. 2102/37)

532-44-BZ—Vol. II

APPLICANT—George J. Schneider, for Walter and Gertrude Hart, owners.

SUBJECT—Application for consideration—reopening and extension of term variance—re Application (decision of the borough superintendent), previously granted on condition, under section 7e of the zoning resolution, permitting in a residence use district the maintenance of a restaurant, bowling alley, billiard room, dining room and bar, using portion of front and rear yards not permitted.

PREMISES AFFECTED—42-44 Brighton street, west side, 464 ft. south of Amboy road, Block 7900, Lot 37, Tottenville, Borough of Richmond.

APPEARANCES—

For Applicant: George J. Schneider.

For Administration: Samuel L. Becker, Dep't of Housing and Buildings.

ACTION OF BOARD—Application reopened and term of variance and time to complete extended.

THE VOTE—

Affirmative: Chairman Murdock, Commissioner Kleinert and Keating and Deputy Chief Connolly 4

Negative 0

THE RESOLUTION—

WHEREAS, this application was granted by the Board as Vol. II, on February 7, 1950, on certain conditions; and

WHEREAS, the applicant requested an extension of the term of variance and time to complete the work.

Resolved, that the Board of Standards and Appeals does hereby *amend* the resolution adopted on February 7, 1950, only so far as it has reference to the term of the variance, so that as *amended* this portion of the resolution shall read:

"* * * granted under Section 7, Subdivision c for a term of five (5) years, from the date of this *amended* resolution, to permit * * *; that other than as herein *amended* the resolution above cited shall be complied with in all respects; and that all permits, including a certificate of occupancy shall be obtained and all work completed within six (6) months from the date of this *amended* resolution." (Alt. 301/47)

668-48-BZ

APPLICANT—Max Horn, for Edgemere Realty Corporation, owner.

SUBJECT—Application for consideration—reopening and extension of term of variance—re Application (decision of the borough superintendent), previously granted on condition, under section 7h of the zoning resolution, permitting in a residence use district, the parking and storage of more than five motor vehicles.

PREMISES AFFECTED—42-03 to 42-15 Rockaway Beach boulevard, south side, 20.31 ft. west of Beach 42nd street, Block 323, Lots 33, 35, 40, 44, 45, and 46, Edgemere, Borough of Queens.

APPEARANCES—

For Applicant: Max Horn.

For Administration: Samuel L. Becker, Dep't of Housing and Buildings.

ACTION OF BOARD—Application reopened, resolution amended and term and time extended.

THE VOTE—

Affirmative: Chairman Murdock, Commissioners Kleinert and Keating and Deputy Chief Connolly 4

Negative 0

THE RESOLUTION—

WHEREAS, this application was granted by the Board on May 24, 1949, on certain conditions; and

WHEREAS, the term of variance was extended on March 27, 1951 and February 10, 1953; and

WHEREAS, the applicant requested an amendment of the resolution, further extension of the term of variance and time to complete the work.

Resolved, that the Board of Standards and Appeals does hereby *amend* the resolution adopted on May 24, 1949, as thereafter amended by resolutions adopted through February 10, 1953, only in the following respects:

"granted under section 7, subdivision h for a term of two years from the date of this *amended* resolution, to permit the use formerly permitted now for a reduced size plot, as indicated on plans filed with this request for extension of term of variance marked 'Received February 9, 1955' (one sheet); that other than as herein *amended* the above cited resolutions shall be complied with in all respects; and that all permits required, including a certificate of occupancy, shall be obtained and all work completed within three (3) months from the date of this *amended* resolution." (Misc. App. 2127/48)

972-48-BZ

APPLICANT—Max Horn, for Ethel M. Stubergh, owner.

SUBJECT—Application for consideration—reopening and extension of term of variance—re Application (decision of the borough superintendent), previously granted on condition, under section 7h of the zoning resolution, permitting in a residence use district, the parking and storage of motor vehicles.

PREMISES AFFECTED—165-27 Baisley boulevard, north side, 240 ft. east of Smith street and 62 ft. west of 166th street, Block 12381, Lots 6 and 8, Jamaica, Borough of Queens.

APPEARANCES—

For Applicant: Max Horn.

For Administration: Samuel L. Becker, Dep't of Housing and Buildings.

ACTION OF BOARD—Application reopened and term of variance extended.

THE VOTE—

Affirmative: Chairman Murdock, Commissioners Kleinert and Keating and Deputy Chief Connolly 4

Negative 0

THE RESOLUTION—

WHEREAS, this application was granted by the Board on June 28, 1949, on certain conditions; and

WHEREAS, the term of variance was extended on April 10, 1951 and February 10, 1953; and

WHEREAS, the applicant requested a further extension of the term of variance.

Resolved, that the Board of Standards and Appeals does hereby *amend* the resolution adopted on June 28, 1949, and *amended* by resolutions adopted by the Board through February 10, 1953 only so far as it has reference to the term of the variance, so that as *amended* this portion of the resolution shall read:

MINUTES

"* * * granted under Section 7, Subdivision h for a term of two years, from the date of this *amended* resolution, to permit * * *; that other than as herein *amended* the resolution above cited shall be complied with in all respects; that all permits required, and a new Certificate of Occupancy, shall be obtained and all work completed within three (3) months from the date of this *amended* resolution." (Misc. App. 758/48)

838-49-BZ

APPLICANT—Seymour A. Mitteldorf, for Magno Home Inc., owner.

SUBJECT—Application for consideration—reopening and extension of time to complete and to obtain certificate of occupancy—re Application (decision of the borough superintendent), previously granted on condition, under section 7c of the zoning resolution, permitting in a residence use district, the removal of present apartment on first floor and the extension to existing restaurant (to occupy whole of first floor) and the change in use of storage on third and fourth floors to office use.

PREMISES AFFECTED—50-52 Commerce street and 75 Barrow street, southwest corner, Block 584, Lot 20, Borough of Manhattan.

APPEARANCES—

For Applicant: Seymour A. Mitteldorf.

For Administration: Samuel L. Becker, Dep't of Housing and Buildings.

ACTION OF BOARD—Application reopened and time to complete work extended.

THE VOTE—

Affirmative: Chairman Murdock, Commissioners Kleinert and Keating and Deputy Chief Connolly 4

Negative 0

THE RESOLUTION—

WHEREAS, this application was granted by the Board on April 25, 1950, on certain conditions; and

WHEREAS, time to obtain permits and complete the work was extended on May 15, 1951; and

WHEREAS, the applicant requested a further extension of time to obtain permits and complete the work.

Resolved, that the Board of Standards and Appeals does hereby *amend* the resolution adopted on April 25, 1950, as thereafter *amended* by resolution adopted on May 15, 1951, only so far as it has reference to the time within which to obtain permits and complete the work, so that as *amended* this portion of the resolution shall read:

"that in view of the statement by the applicant that work has been completed and additional time is required to obtain a certificate of occupancy, that all permits required and a certificate of occupancy shall be obtained and all work completed within three months from the date of this *amended* resolution." (Alt. 1804/48)

668-50-BZ

APPLICANT—Lama, Proskauer and Prober, for Faytess Realty Corporation, owner.

SUBJECT—Application for consideration—reopening and extension of term of variance—re Application (decision of the borough superintendent), previously granted on condition, under section 7h of the zoning resolution, permitting in a residence use district, the parking and storage of motor vehicles.

PREMISES AFFECTED—2769 West 36th street, east side, 210 ft. north of Neptune avenue, Block 6979, Lot 55, Borough of Brooklyn.

APPEARANCES—

For Applicant: Milton Bromberg.

For Administration: Samuel L. Becker, Dep't of Housing and Buildings.

ACTION OF BOARD—Application reopened and term of variance and time to complete extended.

THE VOTE—

Affirmative: Chairman Murdock, Commissioners Kleinert and Keating and Deputy Chief Connolly 4

Negative 0

THE RESOLUTION—

WHEREAS, this application was granted by the Board on January 9, 1951, on certain conditions; and

WHEREAS, time to obtain permits and complete the work was extended on February 3, 1953; and

WHEREAS, the term of variance was extended on February 3, 1953; and

WHEREAS, the applicant requested a further extension of the term of variance.

Resolved, that the Board of Standards and Appeals does hereby *amend* the resolution adopted on January 9, 1951, as thereafter *amended* by resolution adopted on February 3, 1953, only so far as it has reference to the term of the variance, so that as *amended* this portion of the resolution shall read:

"* * * granted under Section 7, Subdivision h for a term of two (2) years, from the date of this *amended* resolution, to permit * * *; that other than as herein *amended* the resolutions above cited shall be complied with in all respects; and that all permits, including a certificate of occupancy shall be obtained and all work completed within six (6) months from the date of this *amended* resolution." (Alt. 3264/50)

566-51-BZ

APPLICANT—Lama, Proskauer and Prober, for Amalie Seyfried, owner.

SUBJECT—Application for consideration—reopening and extension of time to complete—re Application (decision of the borough superintendent) previously granted on condition, under sections 7f, 7i and 7h of the zoning resolution, permitting in a business use district, the erection and maintenance of a gasoline service station, lubricatorium, car washing, motor vehicle repairs, storage and sale of accessories and office and permitting the parking and storage of more than five motor vehicles on unbuilt upon portion of plot.

PREMISES AFFECTED—2929-2955 Shell road and 592-602 Triton avenue, southeast corner, Block 7269, Lot 29, Borough of Brooklyn.

APPEARANCES—

For Applicant: Milton Bromberg.

For Administration: Samuel L. Becker, Dep't of Housing and Buildings.

ACTION OF BOARD—Application reopened and time to complete work extended.

THE VOTE—

Affirmative: Chairman Murdock, Commissioners Kleinert and Keating and Deputy Chief Connolly 4

Negative 0

THE RESOLUTION—

WHEREAS, this application was amended by the Board on February 2, 1954, on certain conditions; and

WHEREAS, the applicant requested an extension of time to obtain permits and complete the work.

Resolved, that the Board of Standards and Appeals does hereby *amend* the resolution adopted on February 2, 1954, only so far as it has reference to the time within which to obtain permits and complete the work, so that as *amended* this portion of the resolution shall read:

"that in view of the statement by the applicant that plans have been approved by the Department of Housing and Buildings and contract for the work has been let, that all permits required shall be obtained and all work completed within the requirements of Section 22A of the Zoning Resolution from the date of this *amended* resolution." (N.B. 741/51)

MINUTES

695-53-BZ

APPLICANT—Lama, Proskauer and Prober, for Radiant Burner Supply Corporation, owner.

SUBJECT—Application for consideration—reopening and extension of time to complete—re Application (decision of borough superintendent), previously granted on condition, under sections 7f, 7i and 7h of the zoning resolution, permitting in a business use district the erection and maintenance of a gasoline service station, lubritorium, car wash, motor vehicle repairs, sales room and office and permitting the parking and storage of motor vehicles for a term of fifteen years.

PREMISES AFFECTED—1767-1777 Cropsey avenue and 8820-8830 18th avenue, northwest corner, Block 6435, Lot 1, Borough of Brooklyn.

APPEARANCES—

For Applicant: Milton Bromberg.

For Administration: Samuel L. Becker, Dep't of Housing and Buildings.

ACTION OF BOARD—Application reopened and time to complete work extended.

THE VOTE—

Affirmative: Chairman Murdock, Commissioners Kleintert and Keating and Deputy Chief Connolly 4
Negative 0

THE RESOLUTION—

WHEREAS, this application was granted by the Board on February 9, 1954, on certain conditions; and

WHEREAS, working drawings, submitted as being in substantial compliance with the Board's requirements, were approved on January 11, 1955; and

WHEREAS, the applicant requested an extension of time to obtain permits and complete the work.

Resolved, that the Board of Standards and Appeals does hereby *amend* the resolution adopted on February 9, 1954, as *amended* by resolution adopted on January 11, 1955, only so far as it has reference to the time within which to obtain permits and complete the work, so that as *amended* this portion of the resolution shall read:

"that all permits required shall be obtained and all work completed within the requirements of Section 22A of the Zoning Resolution from the date of this *amended* resolution." (N.B. 294/53)

WHEREAS, the applicant requested an amendment of the resolution and time to complete the work.

Resolved, that the Board of Standards and Appeals does hereby *amend* the resolution adopted on October 13, 1954, by adding thereto:

"that the Board hereby affirms the resolution adopted October 13, 1954 as to permitting the use, in view of the change of zoning conditions; and that all permits required, including a certificate of occupancy shall be obtained and all work completed within the requirements of Section 22A of the Zoning Resolution." (Alt. 80/54)

833-27-BZ—Vol. IV

APPLICANT—Max Wechsler of Wechsler & Schimenti, for Jewish Center of Kings Highway, Inc., owner.

SUBJECT—Application for consideration—reopening as Vol. IV and consider a new proposal as to reconstruction subject to regular procedure—re Application (decision of the borough superintendent) previously granted on condition, under section 21 of the zoning resolution, permitting in a residence use E area district, the erection and maintenance of a building (Jewish Center and Synagogue), nearer to the building line on East 12th street and with steps within set-back area on Avenue P, and using more than the area permitted (previously granted by the Board for one story synagogue and denied as to construction of an additional story and mezzanine).

PREMISES AFFECTED—1212 Avenue P, south side, 80 ft. east of East 12th street, Block 6775, Lot 5, Borough of Brooklyn.

APPEARANCES—

For Applicant: Constantine J. Raptis.

For Administration: Samuel L. Becker, Dep't of Housing and Buildings.

ACTION OF BOARD—Application reopened as Vol. IV, subject to the regular procedure, to consider new proposal.

THE VOTE—

Affirmative: Chairman Murdock, Commissioners Kleintert and Keating and Deputy Chief Connolly 4
Negative 0

190-54-BZ

APPLICANT—Henry Nordheim, for Felix and Sadie Itkin and 415 Sound View Avenue, Inc., owners.

SUBJECT—Application for consideration—reopening and change of zoning conditions—re Application (decision of the borough superintendent), previously granted on condition, under sections 7a, 7c and 21 of the zoning resolution, permitting in a residence use D area district, the extension to existing laundry, using more than the area permitted and without the required rear yard.

PREMISES AFFECTED—415-421 Sound View avenue, west side, 10.91 ft. north of Underhill avenue and 416 Leland avenue, Block 3498, Lots 30, 31 and 32, Borough of the Bronx.

APPEARANCES—

For Applicant: Henry Nordheim.

For Administration: Samuel L. Becker, Dep't of Housing and Buildings.

ACTION OF BOARD—Application reopened, resolution amended and time extended.

THE VOTE—

Affirmative: Chairman Murdock, Commissioners Kleintert and Keating and Deputy Chief Connolly 4
Negative 0

THE RESOLUTION—

WHEREAS, this application was granted by the Board on October 13, 1954, on certain conditions; and

482-48-BZ—Vol. II

APPLICANT—Fred C. Dahlem, for Upper N. Y. Garage Inc., owner.

SUBJECT—Application for consideration—reopening as Vol. II and consider a new proposal, subject to regular procedure—re Application (decision of the borough superintendent), previously dismissed for lack of prosecution, under section 7i of the zoning resolution, to permit in a business use district, the maintenance of a motor vehicle repair shop in an existing garage for more than five motor vehicles (previously granted by the Board).

PREMISES AFFECTED—4342 Broadway and 643-647 West 185th Street, northeast corner, Block 2167, Lot 29, Borough of Manhattan.

APPEARANCES—

For Applicant: Fred C. Dahlem.

For Administration: Samuel L. Becker, Dep't of Housing and Buildings.

ACTION OF BOARD—Application reopened as Vol. II, subject to the regular procedure, to consider new proposal.

THE VOTE—

Affirmative: Chairman Murdock, Commissioners Kleintert and Keating and Deputy Chief Connolly 4
Negative 0

(Remaining Minutes of the Meeting of February 15, 1955 will be printed in the Bulletin of March 1, 1955.)

PUBLIC HEARING

PROPOSED RULES FOR APPROVAL AND USE OF AIR ENTRAINING PORTLAND CEMENTS

CAL. NO. 64-55-SR

NOTICE IS HEREBY GIVEN that a public hearing will be held by the Board of Standards and Appeals on *Friday, March 11, 1955*, at 10 A. M., in room 1013, Municipal Building, Manhattan, on the Proposed Rules for Approval and Use of Air Entraining Portland Cements.

Statement.

Since 1946 the Board has received several applications for approval of air entraining cements but has not acted on such applications as it was felt that the use of such cements should not be permitted as Portland Cements under Sec. C26-312.0(a)1 of the Administrative Code.

The Engineering Division was assigned the task of examining the question whether air entraining cements should be approved under Sec. C26-312.0(a)2 of the Administrative Code, and determining what rules were necessary to govern their use.

ASTM Designation C175-53, as adopted by the American Society for Testing Materials, 1953, have been promulgated relating to types 1A, 2A and 3A cements when manufactured with air entraining additions interground with the clinker at the mill. Such additions are required to comply with ASTM Designation C226-51T.

Committee 613 of the American Concrete Institute met at Boston in February of 1953 and adopted "Recommended Practice for Selecting Proportions for Concrete", which include recommendations for the use of air entraining cements and the use of admixtures at the point of concrete mixing.

Studies of the effect entrained air on the strength and durability of concrete have been made by the Research and Development Division of the Portland Cement Association.

Federal Specification SS-C-192a, approved and promulgated April 22, 1952, covering Portland Cement, includes Types 1, 2, 3, 4, and 5 air-entraining cements for use by all Federal Agencies and limits the use of air-entraining agents to an amount less than 1 percent.

The use of air-entraining cements in concrete will result in an increase in workability and cohesiveness, a reduction in segregation and bleeding, increased resistance to the action of sulfate waters and will produce a more homogeneous and more durable concrete.

Air-entraining agents introduce into the concrete a larger amount of air than is usually found in concrete. Unlike the air usually found in concrete, intentionally entrained air exists in minute disconnected bubbles well distributed throughout the mass. These bubbles serve as reservoirs to accommodate expansion resulting from freezing of water within the concrete.

Thus, air-entrained concrete contains a larger amount of air and requires less water than normal concrete, and since each of these factors affect the yield and cement content of the mix, generally air-entrained concrete mixes should be designed by decreasing the sand volume by an amount equal to the net change in the volume of air plus water, as compared to a normal concrete mix designed to provide the same yield and cement content.

Although entrained air increases workability and durability, it tends to reduce strength of concrete except in very lean mixes. Bond strength ratios are influenced essentially in the same manner as compressive strength when the air content of the concrete is increased.

The reduction in compressive and bond strengths with increased air content is less for air-entrained concretes made with aggregates having a maximum size of $\frac{3}{8}$ " than for air-entrained concretes made with aggregates of $1\frac{1}{2}$ " to 2" maximum sizes.

Mixing time has a significant effect on the air content of concrete made with air-entraining cement. After ten minutes mixing there is a gradual decrease in air content of the mix.

As a result of studies made by H. W. Russell, Engineer of Materials, Illinois State Highway Division, and Eivind Hognestad of the University of Illinois, it was found that bond was reduced about 10 percent on vertically cast bars when 4.5 percent air was entrained and 5 to 15 percent on horizontally cast bars when the amount of air entrained

exceeded 4 percent.

Report of W. A. Gordon, published in the proceedings of the American Concrete Institute, June 1946, Vol. 42, page 695, contains test data to show that entrained air in concrete has an effect on the modulus of elasticity similar to its effect on compressive strength. Moduli of elasticity are reduced from 2 to 3 percent for each percent of air entrained.

Test results reported by H. F. Gunnerson in the June 1944 proceedings of the American Concrete Institute (Vol. 40, page 477) indicate a reduction of modulus of rupture of up to 13 percent when up to 6 percent of air is entrained.

Report of R. F. Blanks and W. A. Gordon published in the Feb. 1949 proceedings of the American Concrete Institute (Vol. 45, page 469), describes test results that show that air-entrained concrete is more resistant to the passage of moisture and segregation than non-air entrained concrete.

Authority.

Pursuant to the powers vested in the Board by Section 666, Subdivision 2 of the New York City Charter, to adopt rules to carry into effect the provisions of Section C26-312.0(c)2 of the Administrative Building Code, which permits the use of cements of "other types" when approved by the Board and used in accordance with rules of the Board governing their use.

Definitions.

- 1.0 "Air Entraining Cement," shall mean Portland Cements Types IA, IIA, and IIIA, meeting the requirements of ASTM Designation C-175-53.
- 1.1 "Approved," for the purposes of these rules, shall mean approved by the Board of Standards and Appeals as "cements of other types" for use in New York City, pursuant to Section C26-312.0(c)2 of the Administrative Building Code.
- 2.0 "Air Entraining Cements," when approved may be used in New York City wherever the use of Portland Cement is permitted by the Administrative Code, under the following conditions:
- 2.1 Concrete containing air-entraining cement shall have a minimum air content of 3 percent and a maximum air content of 9 percent.
- 2.2 Mixing of concrete containing air-entraining cement shall conform to the provisions of Section C26-499.0 of the Administrative Code, except that the percentage of fine to coarse aggregates by weight shall be not less than 40 percent nor more than 100 percent.
- 2.3 When plain concrete containing air-entrained cement is used pursuant to Section C26-311.0 of the Administrative Code, the maximum allowable water cement ratio shall be $7\frac{1}{2}$ U. S. gallons per sack of cement.
- 2.4 When average concrete containing air-entrained cement is used pursuant to Section C26-365.0 b-1 of the Administrative Code, the maximum allowable water cement ratio shall be $6\frac{1}{2}$ U. S. gallons per sack of cement.
- 2.5 When average concrete containing air-entraining cement is used pursuant to Section C26-365.0 b-2 of the Administrative Code, the maximum allowable water cement ratio shall be 6 U. S. gallons per sack of cement.

The adoption of Rule 2.1 is necessary as resistance to freezing and thawing is not materially improved when air contents are below 3 percent and air contents above 9 percent cause excessive strength losses without materially increasing durability.

The adoption of Rule 2.2 is necessary as the use of high percentages of fine to coarse aggregates as permitted by Section C26-499.0 of the Administrative Code could lead to excessive strength losses due to high air content in general usage without considerable reduction in water cement ratios and rigid control of consistencies.

The adoption of Rules 2., 2.4 and 2.5 is recommended based on the report of Committee 613 of the American Concrete Institute as presented by the Committee to the American Concrete Institute convention held at Boston February of 1953, as published in the October 1953 issues of the Journal of the American Concrete Institute.

PUBLIC HEARING

PROPOSED AMENDMENTS TO THE RULES FOR ARC AND GAS WELDING AND OXYGEN CUTTING, COVERING THE SPECIFICATIONS FOR DESIGN, FABRICATION AND INSPECTION OF ARC AND GAS WELDED STRUCTURES AND THE QUALIFICATIONS OF WELDERS AND SUPERVISORS (CAL. NO. 1-38-SR—VOL. II)

NOTICE IS HEREBY GIVEN that a public hearing will be held by the Board of Standards and Appeals on *Friday morning, March 18, 1955*, at 10 A. M. in Room 1013, Municipal Building, Manhattan, on the following Proposed amendments to the Rules for Arc and Gas Welding and Oxygen Cutting, Covering the Specifications for Design, Fabrication and Inspection of Arc and Gas Welded Structures and the Qualifications of Welders and Supervisors.

ADOPTED BY THE BOARD OF STANDARDS AND APPEALS FEBRUARY 25, 1938.

EFFECTIVE MARCH 21, 1938. AMENDED MAY 17, 1940, EFFECTIVE JUNE 10, 1940; AND SEPTEMBER 17, 1954, EFFECTIVE OCTOBER 18, 1954.

Authority:

Pursuant to the authority vested in the Board of Standards and Appeals by Section 666, paragraph 2, of the Charter of the City of New York and C26-514.0 of the Administrative Code (8.6.2.2).

These Proposed Amendments to the Rules for Arc and Gas Welding and Oxygen Cutting, as printed herein in *italics*, are as suggested by the Allied Building Metal Industries as to welding of light structural steel such as fire-escapes, railings, gratings, door-bucks, etc., which are generally shop welded.

Old matter, in brackets [], to be deleted; new matter, in *italics*, to be substituted therefor.

Rule 1. Application for Permits.

- 1.2 [The commencement of any structural welding work is forbidden until an application for a permit to perform such work is filed with and approved by the

Borough Superintendent. The Borough Superintendent shall be notified in writing at least 48 hours prior to the date when the structural welding work is to commence.]

Structural welding work shall be performed only by approved contractors employing certified welders.

Rule 9. Supervision and Inspection.

- 9.1 [Any welding to be done on a structure or any part thereof shall be performed under the supervision of a representative of a standard testing agency or an inspection agency responsible to the owner or licensed architect or licensed engineer. Such agency shall be acceptable to the Borough Superintendent.]

Any welding to be done on a structure or any part thereof, in the field, excluding bar joists, shall be performed under the supervision of a representative of the Department of Housing and Buildings, or a representative of a standard testing agency or an inspection agency responsible to the owner or licensed architect, or licensed engineer. Such agency shall be acceptable to the Borough Superintendent. Shop welding on structural steel performed by approved contractors shall be the responsibility of the approved contractor, and shall not require supervision or inspection.

Rule 11. Metal Chimneys, Tanks, Stairs and Fire-Escapes.

- 11.1 [Stairs and fire-escapes shall be considered as light structural steel and where shop welded, shall have attached thereto a tag or label, affixed by the standard Testing Agency, to the effect that these Rules have been complied with.]

Stairs, fire-escapes, railings, gratings, door-bucks and other miscellaneous and ornamental metal, ferrous and non-ferrous work, shall not be considered as structural steel and therefore when welded need not be inspected by a standard testing agency.

PROPOSED RULES COVERING DRY CLEANING ESTABLISHMENTS PURSUANT TO THE ZONING RESOLUTION OF THE CITY OF NEW YORK (CAL. 958-47-SR VOL. II)

NOTICE IS HEREBY GIVEN that a public hearing will be held by the Board of Standards and Appeals on *Friday, March 25, 1955*, at 10 A.M., in Room 1013, Municipal Building, Manhattan, on the Proposed Rules Covering Dry Cleaning Establishments, Pursuant to the Zoning Resolution of The City of New York.

These Rules are proposed to supersede those previously proposed under Calendar No. 958-47-SR, Vol. II on which a hearing was held March 12, 1954.

Authority

Section 666, Subd. 2 of the Charter of the City of New York and Article V, Section 21 and Article II, Section 4(a), Subd. 53 of the Zoning Resolution of the City of New York.

Application of Rules.

These rules shall be deemed to apply only to those excepted dry cleaning establishments existing or hereafter established, pursuant to Article II, Sections 4(a), Subd. 53, 4-A, 4-B and 4-C of the Zoning Resolution.

These rules shall not be deemed to modify or repeal Chapter 19 of the Administrative Code of the City of New York.

Zoning Resolution.

ARTICLE I—DEFINITIONS

§1. Definitions. * * *

(cc) For the purpose of this resolution, "dry cleaning" includes cleaning textiles, fabrics, garments or other articles by the use of solvents other than water, extraction of the

PUBLIC HEARING

solvents therefrom, and drying the same. A "dry cleaning unit" is the machinery or equipment in which textiles, fabrics, garments or other articles are carried through a complete cleaning cycle. A "dry cleaning unit" may consist of one or more detached component machines.

ARTICLE II—USE DISTRICTS

§4. Business Districts. (a) In a business district no building or premises shall be used, and no building shall be erected which is arranged, intended or designed to be used, for any of the following specified trades, industries or uses:

(11) Dyeing establishments.

(53) Dry cleaning establishments, except for establishments which conform to the restrictions set forth below:

(a) Not more than two dry cleaning units shall be installed, and such units shall have an aggregate dry load capacity of not more than 60 pounds, as rated by the Board.

(b) The gross floor area of the dry cleaning establishment, including space used for dry cleaning, pressing and incidental operations, and space used for storage, service of customers and convenience of employees, shall not exceed 2,000 square feet. However, additional space may be used on a lower floor which is either a basement or a cellar, provided that on such floor there shall be no dry cleaning and no storage of recently cleaned articles.

(c) No solvent having a flash point less than 138.2 degrees Fahrenheit shall be used, except for incidental removal of spots.

To protect the public health, safety and welfare in accordance with the general purpose and intent of this resolution, to safeguard the character of the predominant types of uses located in the districts affected, and to protect the occupants of nearby residences and other premises from traffic congestion, fire, explosion, vibration, noise, heat, smoke, odors, toxic vapors and other forms of air pollution, the Board, after public notice and hearing, may adopt, and from time to time amend, rules and regulations for the operation and maintenance of dry cleaning establishments permitted under subsections (a), (b) and (c) above. Such rules and regulations may cover inter alia location of entrances to and exits from such establishments, installation of equipment and hours of operation of such establishments. Such rules and regulations may also prescribe the conditions under which such establishments may exist in buildings in which residences are located.

Any dry cleaning establishment which was in existence prior to January 1, 1953 in any use district to which the provisions of this section apply, may be continued, but no such establishment shall be enlarged or extended, nor shall the capacity of its dry cleaning units be enlarged, except in conformity with all the provisions of this section. Such existing establishments shall be subject to the aforesaid rules and regulations of the Board.

Section 4-A. Retail Districts. In a retail district the same regulations and restrictions shall apply as are provided for business districts except that no manufacturing or treatment of products shall be carried on other than such as are incidental to the conduct of a retail business conducted on the premises, or such other manufacturing as is now permitted in a business district, provided that in such other manufacturing not more than five per cent (5%) of the total floor space of the building is so used. However, any use or uses specifically authorized under the provisions of §3 (10) shall be permitted in a retail district. In addition, dry cleaning establishments conforming to the provisions of §4(a) (53) shall be permitted in a retail district, provided such establishments are for retail purposes where services are performed directly for consumers or for transient hotels, or as an accessory use in transient hotels and department stores.

Section 4-B. Restricted Retail Districts. In a restricted retail district, the same regulations and restrictions shall apply as are provided for retail districts except, that in a restricted retail district no building or premises shall be used

and no building shall be erected which is arranged, intended or designed to be used for any of the following purposes:

(j) Dry cleaning establishments, other than an establishment conforming to the provisions of §4-A, which is located in a passenger terminal, or as an accessory use in a transient hotel or a department store.

Section 4-C. Local Retail Districts. In a local retail district, the same regulations and restrictions shall apply below the level of that first story ceiling as are provided for restricted retail districts, except that no manufacturing of any kind shall be permitted; and no building shall be erected or structurally altered which is arranged, intended or designed to be used above the level of the first story ceiling for any use not permitted in a residence district. However, the provisions of this section shall not apply to projects authorized pursuant to §3 (10) of this resolution. In addition, the provisions of §4-B(j) shall not apply, and dry cleaning establishments conforming to the provisions of §4-A shall be permitted in local retail districts.

Rule 1. Definitions.

For the purpose of these Rules, the following definitions shall apply.

1.1. The term "dry cleaning establishment" shall mean any room, place or space in which dry cleaning is performed, as defined in the Zoning Resolution.

1.1.1. Dry Cleaning establishments to which these Rules shall apply shall be divided into two classes: Class A and Class B.

1.1.2. Class A dry cleaning establishments shall mean dry cleaning establishments in which the dry cleaning solvent used in the dry cleaning unit shall be non-inflammable and non-combustible when tested in a tagliabue open cup tester and as rated by the Fire Commissioner.

1.1.3. Class B dry cleaning establishments shall mean dry cleaning establishments in which the dry cleaning solvent used in the dry cleaning unit shall have a flashpoint of not lower than 138.2 F. when tested in a tagliabue open cup tester and as rated by the Fire Commissioner.

1.1.4. For other purposes a dry cleaning establishment shall be as defined in Chapter 19 of the Administrative Code.

1.2. For the purposes of Sections 4-A and 4-C of the Zoning Resolution the terms "retail", "retail purposes" and "retail business" shall refer only to those dry cleaning establishments which perform services on articles conveyed directly by a retail customer to such dry cleaning establishment or collected directly from and delivered to the retail customer by any vehicle or any other means of effecting the same and such dry cleaning establishment directly processes such articles for such customer.

1.3. The term "existing" shall mean those dry cleaning establishments established prior to January 1, 1953.

1.4. The term "heretofore established" shall mean those dry cleaning establishments established on or after January 1, 1953 up until the effective date of these Rules.

1.5. The term "hereafter established" shall mean those dry cleaning establishments established after the effective date of these Rules.

1.6. The term "inflammable liquid solvents" shall mean such as will emit an inflammable vapor at a temperature below 100 degrees Fahrenheit when tested in a tagliabue open cup tester.

PUBLIC HEARING

- 1.7. The term "spotting" or "sponging" shall mean the local application of an "inflammable liquid solvent" to remove spots of dirt, grease, paint or stains from wear-apparel, textiles, fabrics or articles of any other sort.
- 1.8. All other terms used shall be as defined in the Zoning Resolution, Administrative Code, Multiple Dwelling Law, or Labor Law, when not inconsistent with the specific terms defined herein.

Rule 2. Approvals and Affidavits.

- 2.1. It shall be unlawful to use any premises for any hereafter established dry cleaning establishments without filing plans of that portion of the premises to be so used with the Department of Housing and Buildings by either the owner, lessee or agent of such premises on forms customarily furnished by the Department and an approval of the Department of Housing and Buildings obtained thereon.
 - 2.1.1. Before the Department of Housing and Buildings shall approve any plans of such hereafter established dry cleaning establishment which are Class B dry cleaning establishments the Fire Commissioner shall approve the plans submitted to the Department of Housing and Buildings as required by Rule 2.1.
- 2.2. The proprietors or agents of any heretofore established cleaning establishment shall file with the Department of Housing and Buildings statements under oath on forms furnished by the Department of Housing and Buildings as to the aggregate dry load capacity of the dry cleaning unit or units and the gross floor area of said establishment used in accordance with the Zoning Resolution, Sections 4(a), 53(b), and Rules 3.1 and 3.2.
- 2.3. The requirements of Rules 2.1, 2.1.1 and 2.2 shall not apply to existing dry cleaning establishments. The requirements of Rule 2.2 shall not apply to those heretofore established dry cleaning establishments which have previously obtained approvals on plans from the Department of Housing and Buildings where information substantially similar to that required to be furnished under said Rule 2.2. is on file with the said Department of Housing and Buildings.
- 2.4. All premises which contain existing dry cleaning establishments as well as all heretofore established and hereafter established dry cleaning establishments complying with the provisions of Rules 2.1, 2.1.1, 2.2 and 2.3 shall not be required to obtain a special certificate of occupancy relating to the use of the premises for a dry cleaning establishment.
- 2.5. No dry cleaning unit shall be installed six months after the effective date of these Rules unless such unit is approved by the Board of Standards and Appeals or unless an application for approval of the cleaning unit is filed with the Board of Standards and Appeals and a calendar number issued in connection therewith and a statement under oath is filed by the proprietor of the dry cleaning establishment or his agent that the dry load capacity of such dry cleaning unit is not greater than sixty pounds as defined below in Rule 2.6.
- 2.6. The dry load capacity of all dry cleaning units for the purpose of these rules and the Zoning Resolution shall be rated by the Board of Standards and Appeals on the basis of 2.8 pounds per cubic foot of the volume of the washing compartment for each washing cycle.
- 2.7. No dry cleaning solvent shall be used six months after the effective date of these Rules unless such solvent has been tested and rated by the Fire Commissioner or unless an application for such testing

and rating of such dry cleaning solvent is made with the Fire Commissioner.

- 2.7.1. It shall be unlawful to use any dry cleaning solvent in any dry cleaning unit having a flash-point other than that for which the dry cleaning unit is designed.
- 2.8. Except as otherwise expressly required by these Rules, nothing shall require any change in the construction, use of occupancy of any existing dry cleaning establishment or any change in the construction, use or occupancy in any heretofore established dry cleaning establishment which conforms with Sections 4(a), 53(a), (b) and (c), and Sections 4 (A), 4 (B) and 4 (C) of the Zoning Resolution adopted by the City Planning Commission on January 21, 1953.
- 2.9. No non-conforming existing dry cleaning establishment shall be enlarged or extended unless such extension or enlargement be made in a conforming manner.

Rule 3. Restrictions on Locations and Areas.

- 3.1. No dry cleaning establishment which is a heretofore established dry cleaning establishment or a hereafter established dry cleaning establishment shall have a gross floor area exceeding the aggregate of 2,000 square feet to be used for dry cleaning, pressing and incidental operations as well as space used for storage, service of customers and the convenience of employees. The square foot area limitation shall apply to the aggregate of all space so used on all floors and mezzanines of the premises involved above the cellar or basement thereof. Additional space may be used on a lower floor which is either a basement or cellar provided that on such floor there shall be no dry cleaning and no storage of recently cleaned articles. The use of such basement or cellar area may include the installation and use of a boiler, dead or cold storage, storage of supplies, storage and filtration of solvents and space utilized for specialized washing equipment.
 - 3.1.1. In calculating the gross floor area pursuant to Rule 3.1, the area restriction shall not include the area used by the non-dry cleaning operations of a multiple use type of service establishment where, in addition to dry cleaning, there may be a launderette, shirt laundering, shoe repairing, tailoring and alteration of garments, fur cleaning and glazing, and fur storage.
- 3.2. No Class B dry cleaning establishment hereafter established shall be permitted within any building:
 - 3.2.1. which is of wood frame construction;
 - 3.2.2. which is classified as a public building pursuant to Section C-26-235.0 of the Administrative Building Code;
 - 3.2.3. any part of which establishment is within 20 feet of any public building.

Rule 4. Egress.

- 4.1. The means of egress in all dry cleaning establishments shall be in conformity with the applicable provisions of the building laws and regulations governing such establishments. In addition thereto, all establishments shall conform to the following:
 - 4.1.1. A three foot (3 feet 0 inches) wide aisle providing access from the main work area to the required means of egress shall be provided. Such required aisle shall not be obstructed by any fixed obstruction in any manner whatsoever.

PUBLIC HEARING

- 4.1.2. In all hereafter established dry cleaning establishments all required exit doorways shall be arranged to swing outwardly in the direction of the egress.

Rule 5. Fire Prevention—Class B Establishments.

All hereafter established Class B dry cleaning establishments shall comply with the following:

- 5.1. No power or heating boiler shall be permitted in the same area or space where dry cleaning units are located, whether on the cleaning floor or floors or cellar or basement level unless either

(a) the boiler or boilers shall be enclosed in a 3-hour unpierced masonry enclosure and entered only from the outer air; or

(b) the boiler or boilers shall be enclosed in a 3-hour masonry enclosure with a one-hour fire proof self-closing door which opens into a ventilated vestibule similarly enclosed and entered by a one-hour fire proof self-closing door opening onto the interior of the premises or establishment.

- 5.1.2. The ceiling of all such boiler rooms as required in Rule 5.1 and the adjoining entrance vestibule referred to in Rule 5.1.(b) above shall be fire-retarded with one-hour fire resistive material.

- 5.2. Non-fire proof enclosing partitions and ceilings of any such dry cleaning establishment shall be fire-retarded with one-hour fire resistive materials and doors or in lieu thereof with one approved automatic one-inch wet pipe sprinkler head located over the cleaning unit which shall have its source of supply from the house water system.

- 5.3. All openings from any such dry cleaning establishment leading to a fire escape shall be equipped with a one-hour fire proof self-closing door or fire-proof window assembly.

- 5.4. Except as provided in Rule 5.1, there shall not be employed in any such dry cleaning establishment any device or apparatus employing flame or fire which is likely to produce an exposed spark except electric apparatus placed at least five feet above the floor, or approved type of "explosion proof electric motors". In such establishments all lighting shall be fitted with keyless sockets and all switches and receptacles shall be placed at least four feet above the floor. Nothing contained in this rule or Rule 5.1 shall prohibit the installation of any gas, oil or electric heating device of a type approved by the Fire Commissioner under such conditions as he shall prescribe.

- 5.5. All solvent used in the dry cleaning unit shall be either (a) received and stored in metal containers not exceeding 55 gallons each and pumped directly into a dry cleaning unit or units by means of a detachable leakproof pump and pipe system, or (b) received and stored in a tank or tanks in accordance with the rules of the Board of Standards and Appeals relating to the receiving and storing of fuel oils and pumped directly into a dry cleaning unit or units by means of a closed leakproof pipe and pump system.

Rule 6. Fire Prevention—Class A Establishments.

All hereafter established Class A dry cleaning establishments shall comply with the following:

- 6.1. No power or heating boiler having a grate area in excess of 3 square feet shall be permitted in the same area or space where dry cleaning units are located

unless such boiler or boilers shall be enclosed in a one-hour fire proof partition and entered by a one-hour fireproof self-closing door whether from the interior of the premises or establishment or to the outer air.

- 6.2. All ceilings of all such boiler rooms as provided in Rule 6.1 shall be fire-retarded with one-hour fire resistive material.

- 6.3. All openings from any such dry cleaning establishment leading to a fire escape shall be equipped with a fireproof self-closing door or fireproof window assembly.

Rule 7. Fire Prevention—All Dry Cleaning Establishments.

All existing, heretofore established or hereafter established dry cleaning establishments whether Class A or Class B shall comply with the following:

- 7.1. The provisions of Section C-19.161.0 of Chapter 19 of the Administrative Code.

- 7.2. No smoking shall be permitted in any such establishment except Class A establishments where fewer than six employees are employed. Approved signs shall be conspicuously posted to that effect as directed by the Fire Commissioner.

- 7.3. It shall be unlawful to store any inflammable liquids or solvents in quantities aggregating more than five gallons without a permit as provided in Article 9 of Chapter 19 of the Administrative Code.

- 7.4. All inflammable liquids and solvents used for spotting and sponging shall be contained in approved individual metal containers not exceeding two-quart capacity each.

- 7.5. All sludge or residue removed from a dry cleaning unit shall be placed in a metal container not exceeding 55 gallons of capacity with a tight fitting cover and shall be removed from the premises and disposed of in a lawful manner.

Rule 8. Ventilation.

- 8.1. All hereafter established dry cleaning establishments whether Class A or Class B shall be equipped with adequate ventilation to provide four complete changes of air volume an hour of such establishments during the operation of any dry cleaning units.

- 8.2. All Class A dry cleaning establishments whether existing, heretofore established or hereafter established shall have sufficient ventilation so as to prevent an excessive concentration of solvent vapors in the dry cleaning establishment. An excessive concentration of solvent vapors shall be that which exceeds the average of 200 parts of solvent vapors per one million parts of air during any working day.

- 8.3. The direct equipment exhausts or vents of any hereafter established dry cleaning establishment whether Class A or Class B shall terminate to the outer air in the following manner:

(1) At least 7 feet above the roof or legal street grade of the premises in which said establishment shall be located, and

(2) the exhaust shall be under static pressure by reason of a mechanical fan and the terminal of the exhaust, shall be at least five feet from any legal ventilating openings if said legal ventilating windows or legal ventilating openings lie on the

Periodical Division
University of Illinois Library
Urbana, Ill.

PUBLIC HEARING

same plane as the said exhaust terminal and when the said legal ventilating windows, or other legal ventilating openings lie on a plane which faces in the direction of the exhaust terminal the said terminal shall be at least 10 feet away from the same.

- 8.4. In all Class A dry cleaning establishments whether existing, heretofore established or hereafter established, all solvent used in the dry cleaning unit shall either (a) be received and stored in metal containers not exceeding 55 gallons each and pumped directly into a dry cleaning unit or units by means of a detachable leakproof pump and pipe system; or (b) be received and stored in a tank or tanks and pumped directly into a dry cleaning unit or units by means of a closed leakproof pipe and pump system.

Rule 9. Operating Precautions.

- 9.1. A printed notice embodying these Rules shall be posted in a conspicuous place in all dry cleaning establishments whether of Class A or Class B or whether existing, heretofore established or hereafter established.

- 9.2. The proprietor of any Class A establishment whether existing, heretofore established or hereafter established, shall furnish to any person cleaning out a dry cleaning unit containing any chlorinated hydrocarbon solvent an approved type respirator for his use during the process of cleaning out any such unit.

- 9.3. All equipment shall be installed in such manner as to minimize noise, vibration, smoke, and odors, and other forms of nuisances to the occupants of the premises in which such cleaning establishment may be located or to the occupants of any adjacent premises.

Rule 10. Penalties.

Any violation of these Rules shall be subject to the penalties prescribed in the Zoning Resolution therefor, in addition to other penalties prescribed by law.

Rule 11. Date of Rules.

The effective date of these rules is (the date of actual adoption).

WARNING

Notice is hereby given to all appellants and applicants, and to all lawyers, architects and engineers representing owners or lessees in proceedings before the Board—

First, That if they do not appear in person or by representative at the hearing of their case, dismissal for lack of prosecution is likely to result.

Second, That due and ample notice of the date set for hearing is provided in the publication in this BULLETIN of the calendars of the Board, each case being set down by Calendar Number and the premises under the date of the hearing.

Third, That no plea of ignorance of the date of the hearing can be entertained in view of this publication and of the posting of the calendars on the bulletin board in the offices of the Board and of the further publication of the calendars in the daily press.

Fourth, That no one is entitled to written notice of the date for the hearing in his case, and that the plea of failure

to receive such notice is no excuse for neglect to appear.

Fifth, That the business of the Board is to dispose of all cases promptly; therefore, no appeal or application will be held in abeyance by reason of failure of the appellant or applicant to file necessary data, or by any other method of delay.

Sixth, That no appeal or application will be accepted for filing unless, at the time of filing, all papers, plans and data required by law are supplied, as specified on the blank appeal or application forms.

Applicants, under the building zone resolution, are entitled to one copy of Form 7NO.

If they desire additional copies, for their own convenience in notifying proper owners, they may obtain such copies at the office of the Board of Standards and Appeals, Room 1014, Municipal Building, Manhattan, at five cents each—postage to be added if the forms are forwarded by mail.

PUBLIC HEARINGS

Tuesdays at 10 a.m. to 2 p.m.

Special meetings as published in this Bulletin.

All hearings are held in Room 1013, Municipal Building,
Borough of Manhattan.

HOURS OF CONSULTATION

10. A. M. to 1 P. M.

Any person desiring to consult the chairman or the
engineers, pertaining to the work of the board, will be
seen only between the hours of ten in the morning and
one in the afternoon—Saturdays excepted.

NOTICE TO APPELLANTS AND APPLICANTS

No appeal or application will be entertained in connection
with which court proceedings are pending or in progress,
unless exception is granted by the chairman, nor accepted
which is not filed within thirty days from the date of the
action of the Administrative Official.

Any communication purporting to be an appeal or appli-
cation shall be regarded as a mere notice of intention to seek
relief until it is filed on the form required by the rules of
this board.

Upon receipt of any such communication the writer will
be supplied with the official forms for presenting his appeal
or application.

At the time of filing an appeal or application, the appel-
lant or applicant shall forward a signed notice of appeal
addressed to the administrative official either borough super-
intendent of buildings or fire commissioner and file with
this board a duplicate of said notice.

Appellant and applicants are advised that their plans must
indicate the points of the compass so as to establish the true
location and position of the property, the subject of the
appeal or application.

Appeals and applications will be simplified and disposition
of same expedited by conforming to these directions.
